Thomas Kinkadee's Home for Christmas

As the spirit of the season is spreading through the rustic seaside hamlet of Cape Light, town mayor Emily receives an unexpected and precious Christmas gift: a baby girl tucked away in a decorative cradle set up

outside the church, with a note begging whoever discovers the child to take care of her. Emily is granted temporary custody - and realizes that if the mother is not found, she desperately wants to keep baby Jane as her own. Now, in the midst of the year's most joyous season, Emily must come to terms with her duty to her own family, her own feelings of regret and loss - and what her heart truly desires.

Thomas Kinkadee's Cape Light: One Bright Christmas

An adventurous story of a frontier boy raised by Indians, *The Light in the Forest* is a beloved American classic. When John Cameron Butler was a child, he was captured in a raid on the Pennsylvania frontier and adopted by the great warrior Cuyloga. Renamed True Son, he came to think of himself as fully Indian. But eleven years later his tribe, the Lenni Lenape, has signed a treaty with the white men and agreed to return their captives, including fifteen-year-old True Son. Now he must go back to the family he has forgotten, whose language is no longer his, and whose ways of dress and behavior are as strange to him as the ways of the forest are to them. From the Paperback edition.

And she wants to know more about Daniel Merritt, the charming handyman who's helping repair the inn, but Liza doesn't have time for romance...or much else. Sometimes Liza sees her life flying by—and, at the same time, going nowhere. It may take a band of angels to mend her broken wings and redirect her soul.

Grandmother's Memories to Her Grandchild

Hartmut Rosa advances an account of the temporal

structure of society from the perspective of critical theory. He identifies in particular three categories of change in the tempo of modern social life: technological acceleration, evident in transportation, communication, and production; the acceleration of social change, reflected in cultural knowledge, social institutions, and personal relationships; and acceleration in the pace of life, which happens despite the expectation that technological change should increase an individual's free time. According to Rosa, both the structural and cultural aspects of our institutions and practices are marked by the "shrinking of the present," a decreasing time period during which expectations based on past experience reliably match future results and events. When this phenomenon combines with technological acceleration and the increasing pace of life, time seems to flow ever faster, making our relationships to each other and the world fluid and problematic. It is as if we are standing on "slipping slopes," a steep social terrain that is itself in motion and in turn demands faster lives and technology. As Rosa deftly shows, this self-reinforcing feedback loop fundamentally determines the character of modern life.

The Curious Incident of the Dog in the Night-Time

'Tis the season to celebrate with friends. Some are old, some are new...and some are totally unexpected. It's the happiest time of year, but the Christmas spirit is lost on Lillian Warwick. Her beloved Ezra's failing

When a brutal storm forces Estrella's family to take shelter under Lillian's roof, her humbuggery is pushed to its limits. Amanda Harding, a recent graduate and accomplished musician, reluctantly comes home to Cape Light and hopes to find a seat in a big-city symphony. In the meantime, the job of music director at Reverend Ben's church seems good enough. Unfortunately, she must share her practice space with Gabriel Bailey, the rough-around-the-edges craftsman. But something rare and wonderful flourishes between them. When Amanda is offered an opportunity to perform far from Cape Light, Gabriel encourages her to pursue it. But must she choose between her music and losing Gabriel forever? As Christmas nears, Lillian and Amanda both hearken to the sound of their favorite carols, but soon learn that sometimes the sweetest songs of Christmas are still waiting to be sung...

All is Bright

Describes how a small community works together to help save the home of one of its residents, while a young man discovers the meaning of friendship, love, and what it means to be an artist.

The Tale of Despereaux

At a time of growing pressure on health and social care services, this book draws together contributions which highlight contemporary challenges for their management. Providing a range of contributions that draw on a Critical Management Studies perspective the book raises macro-level concerns with theory, demographics and economics on the one hand, as well as micro-level challenges of leadership, voice and engagement on the other. Rather than being an attempt to define the 'wickedness' of problems in this

field, this book provides new insights designed to be of interest and value to researchers, students and managers. Contributions from international researchers explore four main topics: identifying contemporary challenges in health and social care; managing, leading and following; listening to silent voices in delivering change; and new methodologies for understanding care challenges. The concerns discussed in this volume are 'wicked' in so far as they are persistent, pernicious and beyond the curative abilities of any single organisation or profession. Such problems require collaboration but also new approaches to listening to those who suffer their effects. This book demonstrates such listening through its engagement with policy makers, leaders, followers, professions, patients, forgotten groups and silenced voices. Moreover, it considers how future research might be transformed so as to shine a more inclusive light on 'wicked' problems and their amelioration. This is a timely and engaging book that challenges you - the reader - to think again about how we should look at, engage with and support all those involved in health and social care.

A Season of Angels

In dark, wintry Lochdubh, Christmas Cheer is about as welcome as a flat tyre on a deserted road. The Calvinist element in town has always resisted what they view as secular frivolity, so for most of the townsfolk there'll be no carols, feasting, gifts - or even whisky on Christmas Day! And for PC Hamish Macbeth there's no holiday from crime - he finds himself hunting for a missing cat belonging to a lonely spinster. Curt and unfriendly, the woman is convinced her pet has been stolen but once behind her heavily-bolted door, Hamish can spot her true problem - she lives in fear, though of who or what he cannot guess. The Inn at Angel Island

Anne Perry's "vastly entertaining" (The Star-Ledger) holiday novels are "as delicious as mince pie and plum pudding" (Milwaukee Journal Sentinel). A Christmas Hope is just as delectable—the gripping story of an unforgettable battle between goodness and evil in Victorian London—and a lonely woman's search for meaning in her life. Although she lacks for nothing, Claudine Burroughs dreads the holiday season for forcing her to face how empty her life has become. She no longer expects closeness with her coldly ambitious husband, and she has nothing in common with their circle of wealthy, status-minded friends. The only time she is remotely happy is when she volunteers at a woman's clinic—a job her husband strongly disapproves of. Then, at a glittering yuletide gala, she meets the charming poet Dai Tregarron and finds her spirits lifted. But scarcely an hour later, the charismatic Dai is enmeshed in a nightmare—accused of killing a young streetwalker who had been smuggled into the party. Even though she suspects that an upper-class clique is quickly closing ranks to protect the real killer, Claudine vows to do her utmost for Dai. But it seems that hypocritical London society would rather send an innocent poet to the gallows

than expose the shocking truth about one of their own. Nevertheless, it's the season of miracles and Claudine finally sees a glimmer of hope—not only for Dai but for a young woman she befriends who is teetering on the brink of a lifetime of unhappiness. Anne Perry's heartwarming new holiday novel is a celebration of courage, faith, and love for all seasons. PRAISE FOR THE CHRISTMAS NOVELS OF ANNE PERRY "Perry's Victorian-era holiday mysteries . . . are for many an annual treat."—The Wall Street Journal A Christmas Garland "In Anne Perry's gifted hands, the puzzle plays out brilliantly."—Greensboro News & Record A Christmas Homecoming "Could have been devised by Agatha Christie . . . A Christmas Hope

This book presents 12 original essays on historical and contemporary philosophical discussions of judgment. The central issues explored in this volume can be separated into two groups namely, those concerning the act and object of judgment. What kind of act is judgment? How is it related to a range of other mental acts, states, and dispositions? Where and how does assertive force enter in? Is there a distinct category of negative judgments, or are these simply judgments whose objects are negative? Concerning the object of judgment: How many objects are there of a given judgment? One, as on the dual relation theory of Frege and Moore? Or many as in Russell's later multiple relation theory? If there is a single object, is it a proposition? And if so, is it a force-neutral, abstract entity that might equally figure as the object of a range of intentional attitudes? Or is it somehow constitutively tied to the act itself? These and related questions are approached from a variety of historical and contemporary perspectives. This book sheds new light on current controversies by drawing on the details of the distinct intellectual contexts in which previous philosophers' positions about the nature of judgment were formulated. In turn, new directions in present-day research promise to raise novel interpretive prospects and challenges in the history of philosophy.

The Way Home

As Charlotte spends more time on the island, the relationship seems meant to be. They keep meeting up, by accident at first, then on purpose. Christmas Comes

Ernest Hemingway's classic memoir of Paris in the 1920s, now available in a restored edition, includes the original manuscript along with insightful recollections and unfinished sketches. Published posthumously in 1964, *A Moveable Feast* remains one of Ernest Hemingway's most enduring works. Since Hemingway's personal papers were released in 1979, scholars have examined the changes made to the text before publication. Now, this special restored edition presents the original manuscript as the author prepared it to be published. Featuring a personal Foreword by Patrick Hemingway, Ernest's sole surviving son, and an Introduction by grandson of the author, Seán Hemingway, editor of this edition, the book also includes a number of unfinished, never-before-published Paris sketches revealing experiences that Hemingway had with his son, Jack, and his first wife Hadley. Also included are irreverent portraits of literary luminaries, such as F. Scott Fitzgerald and Ford Maddox Ford, and insightful recollections of Hemingway's own early experiments with his craft. Widely celebrated and debated by critics and readers everywhere, the restored edition of *A Moveable Feast* brilliantly evokes the exuberant mood of Paris after World War I and the unbridled creativity and unquenchable enthusiasm that Hemingway himself epitomized.
