## Summer Brides

The California sunshine's not quite so bright for three sisters who get dumped in the same week... Finola, a popular LA morning-show host, is famously upbeat until she's blindsided on live TV by the news that her husband is sleeping with a young pop sensation who has set their affair to music. While avoiding the tabloids and pretending she's just fine, she's crumbling inside, desperate for him to come to his senses and for life to go back to normal. Zennie's breakup is no big loss. Although the world insists she

pair up, she'd rather be surfing. So agreeing to be the surrogate for her best friend is a no-brainer—after all, she has an available womb and no other attachments to worry about. Except...when everyone else, including her big sister, thinks she's making a huge mistake, being pregnant is a lot lonelier—and more complicated—than she imagined. Never the tallest, thinnest or prettiest sister, Ali is used to being overlooked, but when her fiancé sends his disapproving brother to call off the wedding, it's a new low. And yet Daniel continues to turn up “for support,” making Ali wonder if maybe—for once—someone sees her in a way no one ever has. But side by side by side, these sisters will start over and rebuild their lives with all the affection, charm and laugh-out-loud humor that is classic Susan Mallery. Don't miss Susan Mallery's most irresistible novel yet, *The Vineyard at Painted Moon*, and join one woman as she searches for the perfect blend of love, family and wine.

Sunshine and Margot will turn disasters into destiny... As an etiquette coach, Margot teaches her clients to fit in. But she's never faced a client like Bianca, an aging movie star who gained fame—and notoriety—through a campaign of shock and awe. Schooling Bianca on the fine art of behaving like a proper diplomat's wife requires intensive lessons, forcing Margot to move into the monastery turned mansion owned by the actress's intensely private son. Like his incredible home, Alec's stony exterior hides secret depths Margot would love to explore. But will he trust her enough to let her in? Sunshine has always been the good-time sister, abandoning jobs to chase after guys who used her, then threw her away. No more. She refuses to be "that girl" again. This time, she'll finish college, dedicate herself to her job as a nanny, and she 100 percent will not screw up her life again by falling for the wrong guy. Especially not the tempting single dad who also happens to be her boss. Master storyteller Susan Mallery weaves threads of family drama, humor, romance and a wish-you-were-there setting into one of the most satisfying books of the year! Don't miss Susan Mallery's most irresistible novel yet, *The Vineyard at Painted Moon*, and join one woman as she searches for the perfect blend of love, family and wine.
