Chronicle of the Horse

This volume examines contemporary reformulations of the 'Final Girl' in film, TV, literature and comic, expanding the discussion of the trope beyond the slasher subgenre. Focusing specifically on popular texts that emerged in the 21st century, the volume asks: What is the sociocultural context that facilitated

the remarkable proliferation of the Final Girls? What kinds of stories are told in these narratives and can they help us make sense of feminism? What are the roles of literature and media in the reconsiderations of Carol J. Clover's term of thirty years ago and how does this term continue to inform our understanding of popular culture? The contributors to this collection take up these concerns from diverse perspectives and with different answers, notably spanning theories of genre, posthumanism, gender, sexuality and race, as well as audience reception and spectatorship.

When rancher Bobbie Del Rey walks into the veterinarian's office with an injured pup, the last person she expects to see is the one woman she's never allowed herself to love. The only thing more dangerous than the storm raging outside is the tempest in her heart. Veterinarian Grace Hammond is looking for a fresh start. Haunted by her past, she hopes moving back to her hometown will help her find the strength to stand up for what she needs in matters of the heart. The moment her first love, Bobbie Del Rey, walks into her clinic—tall, dark, and soaking wet—the boundaries Grace desperately needs become paper thin. Can the heartbreaks of the past ever truly be mended?

We End in Joy: Memoirs of a First Daughter offers an extraordinary perspective on public life in an intimate account from the daughter of a highly controversial southern governor and a widely beloved first lady. Angela Jordan enjoyed a comfortable and quiet life in Vicksburg, the small southern town in which she was reared. She was a thirty-five-year-old mother of three daughters, and a woman with a politically liberal bent, when, against all history's odds, Mississippians elected her conservative Republican father, Kirk Fordice, governor in 1991. Suddenly fate threw the whole Fordice family into the glaring lights of public life. They made headlines, enlivened the 6 o'clock television news, and provided fodder for every dinner table conversation and robust political speculation around the Southeast. As the Governor and First Lady Fordices' longstanding marriage dissolved slowly and publicly over two terms in office, everyone with a newspaper subscription or a cable connection watched the train wreck and high-profile betrayals. In honest, direct, sometimes poignant, and often funny prose, the author offers a rare glimpse into a profoundly complex family and its painfully public fall from grace. Though the book is the story behind the headlines of one of Mississippi's prominent families, Jordan's narrative will also resonate with anyone who has experienced humiliation, divorce, or loss, whether

public or private. Through it all, Jordan finds a story of joy ascendant, and the wonder of discovering that in the deepest sorrow, light and love always shine through.

Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri."--The New York Times Book Review Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri's got massive shoes to fill. But it's hard to get your come up when you're labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr.
