Banks and Thrifts: Government Enforcement and Receivership is the first and only comprehensive guide to practice in this expanding area of banking law. This publication untangles and synthesizes the complexity of enforcement and receivership law, with an emphasis on the role of the FDIC, and helps you to:

- Evaluate claims
- Choose the best course of conduct in each case, protect banks against regulatory violations
- Proceed knowledgeably through informal enforcement proceedings
- Defend or litigate with confidence
- Guide financial institutions through the seizure process
- Represent debtors and creditors

First published in 1991. 1 volume; Updated annually.

Problems and Materials on Commercial Law

American Commercial Law Series

Who's who in America

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business

Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Banks and Thrifts: Government Enforcement and Receivership

Clear, lucid, and extremely accessible, Problems and Materials on Commercial Law helps students understand black letter law and the statutory language in the Uniform Commercial Code. Concise yet comprehensive coverage includes the most recent case and statutory developments in all fundamental areas of Commercial Law, including sales, payment systems, and secured transactions. A sensible, flexible organization follows the order of UCC Articles 2, 3, 4, and 9, and is adaptable to many teaching styles. Drawing on experience in both teaching and writing, the authors provide thorough and practical coverage using a popular problem approach. The text's effective format, manageable length, and inclusion of the most important cases make Problems and Materials on Commercial Law concise and efficient. The purchase of this Kindle edition does not entitle you to receive access to the online e-book, practice questions from your favorite study aids, and outline tool available through CasebookConnect.

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

American Business Law

Commercial legislation and intellectual property principles are experiencing dramatic adjustment as a result of technological, social, and legislative innovation. The Commercial Law of Intellectual Property provides comprehensive, in-depth analysis of the intersection of commercial law and intellectual property rights, including discussion of all applicable U.C.C. sections and other relevant legislation, as well as discussion of hundreds of cases in which intellectual property interests have been subject to U.C.C. provisions, with attention to such critical areas as: Intellectual property licensing, including shrink-wrap and click-wrap license agreements Licenses and other licensing arrangements that some courts view as valid contracts and others do not Representation, fitness, and disclaimer of liability in warranties, with special reference to computer systems and other intellectual property sales, leases, and licenses Unconscionability in the formation of intellectual property sales agreements Application of U.C.C. Article 2 and U.C.C. Article 2A to intellectual property Formation and performance terms of sales and lease contracts involving intellectual property Third-party interests in sales and lease transactions involving intellectual property Performance, repudiation, and excuse in intellectual property sales and lease contracts Intellectual property damages

BUSINESS LAW: TEXT & CASES--COMMERCIAL LAW FOR ACCOUNTANTS is an adaptation of the market-leading Clarkson/Miller/Cross textbook. This textbook is suited for the second course in a business law series (commercial law), often a requirement for accounting majors. It covers topics students will see on the CPA exam and delivers an ideal blend of classic black letter law and contemporary cases. The text's strong student orientation makes the law accessible, interesting, and relevant with cases that represent the latest developments. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Social Sciences

The Hispanic American Historical Review

The Business Philosopher

Commercial Law of Intellectual Property

This book explores the foundations and evolution of modern corporate fiduciary law in the United States and the United Kingdom. Today US and UK fiduciary law provide very different approaches to the regulation of directorial behaviour. However, as the book shows, the law in both jurisdictions borrowed from the same sources in eighteenth- and nineteenth-century English fiduciary and commercial law. The book identifies the shared legal foundations and authorities and explores the drivers of corporate fiduciary law's contemporary divergence. In so doing it challenges the prevailing accounts of corporate legal change and stability in the US and the UK.
