## **Ancient China**

Looks at the daily life, beliefs, and artistic achievements of ancient China.

## **The Chinese Times**

In 1961 Robert van Gulik published his pioneering overview of "Sexual Life in Ancient China," This edition of the work is preceded by an elaborate "introduction" by Paul Rakita Goldin assessing the value of Van Gulik's volume, the subject itself, and its author. The introduction is followed by an extensive and up-to-date "bibliography" on the subject, which guides the modern reader in the literature on the field which appeared after the publication of Van Gulik's volume. One of the criticisms in 1961 regarded the Latin translations of passages deemed too explicit by Van Gulik. In this 2002 edition all Latin has for the first time been translated into unambiguous English, thus making the full text widely available to an academic audience.

From a renowned Johns Hopkins- and Stanford-educated cardiologist at Intermountain Medical Center—a hospital system that President Obama has praised as an "island of excellence"—comes the story of his time living in Longevity Village in China, and the seven lessons he learned there that lead to a happy, healthy, long life. At forty-four, acclaimed cardiologist John Day was overweight and suffered from insomnia, degenerative joint disease, high blood pressure, and high cholesterol. On six medications and suffering constant aches, he needed to make a change. While lecturing in China, he'd heard about a remote mountainous region known as Longevity Village, a wellness Shangri-La free of heart disease, cancer, diabetes, obesity, dementia, depression, and insomnia, and where living past one hundred—in good health—is not uncommon. In the hope of understanding this incredible phenomenon, Day, a Mandarin speaker, decided to spend some time living in Longevity Village. He learned everything he could about this place and its people, and met its centenarians. His research revealed seven principles that work in tandem to create health, happiness, and longevity—rules he applied to his own life. Six months later, he'd lost thirty pounds, dropped one hundred points off his cholesterol and twenty-five points off his blood pressure, and was even cured of his acid reflux and insomnia. In 2014 he began a series of four-month

support groups comprised of patients who worked together to apply the lessons of Longevity Village to their lives. Ninety-two percent of the participants were able to adhere to their plans and stay on pace to reach their health goals. Now Dr. Day shares his story and proven program to help you feel sharper, more motivated, productive, and pain-free. The Longevity Plan is not only a fascinating travelogue but also a practical, accessible, and groundbreaking guide to a better life.

### **24 Hours in Ancient China**

Embark on an unforgettable time-travelling journey through Chinese history. This beautifully illustrated children's history book spans 2,500 years and more than a thousand miles along China's Grand Canal. With stunning, panoramic illustrations and lively, engaging text, China Through Time brings key periods and turning points in the canal's history to life. Cutaway views show the inside of buildings and introduce children to important places, characters, and events - from humble workers to mighty emperors, and from floods and wars to life in bustling ports and modern cities. Children will also love searching for the mischievous time-travelling cat, Lihua, who appears in each of the artworks. Perfect for parents and children to pore over together, China Through Time makes a gorgeous gift or collector's item. Fun, interactive, and packed with details, it vividly presents Chinese history to children as they have never seen it before.

### **Historic India**

Great Books of China invites readers to discover--or rediscover--some of the major achievements of Chinese culture and civilization. The literature of China remains largely unknown in the West, yet it offers much insight into Chinese life. The long continuity of Chinese culture means that texts created more than two thousand years ago are still part of the education and background of today's China. Great Books of China introduces outstanding works of various genres, from fiction, drama, and poetry to history, science, and travel; they were written by philosophers and artists, government officials and scholars, by men and women across many centuries and from every part of China. These great books are presented in their historic, cultural, and social context, with a focused summary of content and author. Beginning with some of the Confucian and Daoist classics and

### **The New York Times Book Review**

### **Ancient China**

Spend 24 hours with the ancient Chinese. Travel back to AD 17, during the fourth year of the reign of Wang Mang of the Han dynasty, a vibrant and innovative era full of conflicts and contradictions. But as different as the Han culture might have been to other great ancient civilizations, the inhabitants of ancient China faced the same problems as people have for time immemorial: earning enough money, coping with workplace dramas and keeping your home in order . although the equivalent in this era was more about bribing inspectors, avoiding bullying from abusive watchmen and trying to keep your house from being looted by Huns. In each chapter we meet one of 24 citizens of this ancient culture, from the midwife to the soldier, the priest to the performer and the bronze worker to the tomb looter, and see what an average day in ancient China was really like.

### **GREAT ANCIENT CHINA PROJECTS**

## Where To Download Ancient China Time Life Great Ages Of Man Series A History Of The Worlds Cultures

This book engages in cross-tradition scholarship, investigating the processes associated with cultivating or nurturing the self in order to live good lives. Both Ancient Chinese and Greek philosophers provide accounts of the life lived well: a Confucian junzi, a Daoist sage and a Greek phronimos. By focusing on the processes rather than the aims of cultivating a good life, an international team of scholars investigate how a person develops and practices a way of life especially in these two traditions. They look at what is involved in developing practical wisdom, exercising reason, cultivating equanimity and fostering reliability. Drawing on the insights of thinkers including Plato, Confucius, Han Fei and Marcus Aurelius, they examine themes of harmony, balance and beauty, highlight the different concerns of scepticism across both traditions, and discuss action as an indispensable method of learning and, indeed, as constitutive of self. The result is a valuable collection opening up new lines of inquiry in ethics, demonstrating the importance of philosophical ideas from across cultural traditions.

### **Star Song**

### **The Chinese Empire**

The valley of the Huan River is wide and flat, green when the spring crops of the farming collectives sprout in the fertile soil, parched and dusty under the baking sun of the northern China summer. On the river's south bank spreads Anyang. This modest provincial town has a railway station, but it is hardly the place where one would expect travellers from around the world to alight. Yet hundreds of visitors come here each year with one purpose in mind - to see the remains of one of the great civilizations of ancient China, the more than three-millennium-old capital of Shang that lies less than two miles northwest of town. The area is recognized as

## Where To Download Ancient China Time Life Great Ages Of Man Series A History Of The Worlds Cultures

one of the world's foremost archaeological sites. It is also one of the most dug.

### **Ancient China**

BOOK 1: STAR SONG . Mary was too young, Elizabeth too old, Joseph too gullible, the shepherds too smelly, Anna too senile, Simeon too idealistic. The wise men should have minded their own business, Zechariah should have accepted he'd never have children. King Herod dared control God, the Bible scholars dared interpret God. . This is a lyrical novel with the reader is inserted into the story. And at the end of each chapter are discussion questions, ancient historical records cited, and scriptures used as a basis for the story. . At the end of the book are suggested chapter readings for special occasions. It also has a three-page bibliography of all books consulted while writing all eight volumes of "They Met Jesus". . This is not just a novel. It is much more. . Come meet the people who met Jesus. You are one of them. Probably you are several of them. Go ahead and struggle with them as they did. Laugh. Cry. Do mental battle with him. Emotional battle too. Fight for your faith as they fought. Pause to listen for what you've never heard before. Then touch Jesus. . This is the story of faith in the impossible. Hope in the inconceivable. Love for the invincible. It is the dreams of youth, the desperations of infirmity, the hopes of age, and the song of eternity. . Follow the suspense as each person in Jesus' life comes to terms with who they are, and who Jesus is. Jesus accepts the as they are. But can they accept themselves as they

## Where To Download Ancient China Time Life Great Ages Of Man Series A History Of The Worlds Cultures

are? More than that, can they accept Jesus as he is? Both God and man? Both Creator and created? Both King and servant? . It is the story of doubts explained away, animosities melted away, misunderstandings cleared away. It is your story and mine. For deep within each of us is everyone who ever met and struggled with Jesus.

### **Daily Life in Ancient China**

Qin Shi Huangdi, the First Emperor of China, was a man of incredible contrasts. He was a visionary leader who united all of China's warring kingdoms into one unified country, thus paving the way for the modern Chinese nation. He developed a national currency, a standard writing style, and a road network that stitched the country together. Yet he was also evil and cruel. He burned books, imposed harsh taxes, and killed thousands of people. The story of Qin Shi Huangdi brackets the story of ancient China emerging into modern times. It's a story of a country whose discoveries, such as silk, tea and the iron plow, had a significant impact on the entire world but whose people lived simply, unaware of their vast influence. Although the story of Qin Shi Huangdi ended with his unusual death, China's story was just beginning.
