Steel Shavings

Arranged By: Stickles, William.

Songwriter's Market, 1993

Billboard

Compiled from the author's own enormous collection and years of research, this book lists approximately 6,200 films and the music that was a part of them. Each entry gives the movie title, studio, year of release, stars, songs sung during the film (over 15,000 throughout the book), composers and/or lyricists, and a brief description of the album cover. This book is a necessity for sheet music collectors, musicians, historians and the general public who are interested in a greater knowledge of film music."

The Directory of American 45 R.p.m. Records

This work, a companion to *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (1996, \$75), provides information about sheet music published over the 75-year period from June 1, 1843, to May 31, 1918--the early days of modern American theatre. It covers all sheet music published from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway. Also included are all the major musicals from Chicago, which rivaled Broadway in original productions

Access Free Blue Moon Big Band Sheet Music Full Online

during that period. Each piece of sheet music has been assigned a number by the author, and the following information is given: production title (as listed on sheet music cover), year the production officially opened or tour began, name of the theatre (applicable only to New York productions), number of performances (applicable only to New York productions), performers, song titles, composer and lyricist, original publisher of each song, and cover description. Also included are comments from the author.

Jazz Journal International

Van Morrison's hit arranged for the young player sounds hipper than ever! The swing groove sounds cool as the melody goes through the sections of the band -- sometimes unison, sometimes in harmony, it sticks with you. The solo section is written for all the wind players so you can pick anyone/everyone to play the written or ad lib solo. Easy to rehearse, this is a sure-fire winner that will be well received by the band and audience. (3: 35)

Hi-fi News & Record Review

The Gunn Report

The Total Jazz Guitarist is an exciting journey through the diverse world of jazz guitar playing. You start with basic lessons on the major scale and end up playing intricately beautiful chord melodies and soloing over tricky jazz chord progressions. This wide-ranging study is for all players from beginning to advanced. The beginning-to-intermediate student will find all the tools needed to become a great guitarist, while the more advanced player will find lots of useful tips and a fresh perspective on jazz guitar. Whether this is your first jazz guitar book or you've been studying for years, this is the one place to get everything you need to make you a great jazz guitarist. A CD demonstrating the examples in the book is included.

Finding Calcutta: Memoirs of a Photographer

Access Free Blue Moon Big Band Sheet Music Full Online

In *Elvis Presley: A Southern Life*, one of the most admired Southern historians of our time takes on one of the greatest cultural icons of all time. The result is a masterpiece: a vivid, gripping biography, set against the rich backdrop of Southern society--indeed, American society--in the second half of the twentieth century. Author of *The Crucible of Race and William Faulkner and Southern History*, Joel Williamson is a renowned historian known for his inimitable and compelling narrative style. In this tour de force biography, he captures the drama of Presley's career set against the popular culture of the post-World War II South. Born in Tupelo, Mississippi, Presley was a contradiction, flamboyant in pegged black pants with pink stripes, yet soft-spoken, respectfully courting a decent girl from church. Then he wandered into Sun Records, and everything changed. "I was scared stiff," Elvis recalled about his first time performing on stage. "Everyone was hollering and I didn't know what they were hollering at." Girls did the hollering--at his snarl and swagger. Williamson calls it "the revolution of the Elvis girls." His fans lived in an intense moment, this generation raised by their mothers while their fathers were away at war, whose lives were transformed by an exodus from the countryside to Southern cities, a postwar culture of consumption, and a striving for upward mobility. They came of age in the era of the 1954 *Brown vs. Board of Education* ruling, which turned high schools into battlegrounds of race. Explosively, white girls went wild for a white man inspired by and singing black music while "wiggling" erotically. Elvis, Williamson argues, gave his female fans an opportunity to break free from straitlaced Southern society and express themselves sexually, if only for

a few hours at a time. Rather than focusing on Elvis's music and the music industry, *Elvis Presley: A Southern Life* illuminates the zenith of his career, his period of deepest creativity, which captured a legion of fans and kept them fervently loyal for decades. Williamson shows how Elvis himself changed--and didn't. In the latter part of his career, when he performed regular gigs in Las Vegas and toured second-tier cities, he moved beyond the South to a national audience who had bought his albums and watched his movies. Yet the makeup of his fan base did not substantially change, nor did Elvis himself ever move up the Southern class ladder despite his wealth. Even as he aged and his life was cut short, he maintained his iconic status, becoming arguably larger in death than in life as droves of fans continue to pay homage to him at Graceland. Appreciative and unsparing, culturally attuned and socially revealing, Williamson's *Elvis Presley* will deepen our understanding of the man and his times.

The Guinness Encyclopedia of Popular Music

Stubblebine, also the author of *Cinema Sheet Music* (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed

before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

The Blue Moon Boys

In 1984, Mother Teresa arrived in New Orleans to speak to a large crowd waiting in the Superdome. As Marie Bissell Constantin drove in from Baton Rouge to take her photograph, she had no idea that her encounter would mark the first of many, and that one day one of her images of Mother Teresa would be unveiled in front of over three hundred thousand people for her beatification ceremony in St. Peter's Square. In her photographic memoir, Constantin leads others through her unique journey of exploring the possibility of becoming a nun herself as she traveled to capture Mother Teresa in rare, private moments. In addition to powerful black-and-white images of Mother Teresa, Constantin shares personal stories that shine a light on the selfless life of nuns, from other religious orders, who live and work among the most abandoned people in the world.

Simply Big Band is a collection of the greatest hits from the big band era. These selections have been carefully arranged by Bernadine Johnson for Easy Piano, making them accessible to pianists of all ages. Phrase markings, articulations, fingering, pedaling and dynamics have been included to aid with interpretation, and a large print size makes the notation easy to read. Titles: * As Time Goes By * Bewitched, Bothered and Bewildered * Blue Moon * Bye Bye Blackbird * Chattanooga Choo Choo * Don't Get Around Much Anymore * Don't Sit Under the Apple Tree (with Anyone Else but Me) * Embraceable You * Five Foot Two, Eyes of Blue * I'll Be Seeing You * I'm Getting Sentimental over You * In the Still of the Night * It Don't Mean a Thing (If It Ain't Got That Swing) * Moonglow * Moonlight Serenade * My Funny Valentine * Opus One * Satin Doll * Star Dust * Stompin' at the Savoy * A String of Pearls * Sunrise Serenade * Take the "A" Train * They Can't Take That Away from Me. 80 pages.

Arranged by Nelson Riddle

Boasting never-before-told stories of life on the road with a young Elvis, this comprehensive guide to Elvis' band gives an insider's view of how the band worked

Access Free Blue Moon Big Band Sheet Music Full Online

with him onstage, in the studio, and in movies, and features the first comprehensive look at their post-Presley lives and careers. Band members Scotty Moore, D. J. Fontana, and Bill Black created the Sun sound with Elvis, which has influenced such legendary performers as Ringo Starr, George Harrison, John Fogerty, and Charlie Watts. Based on interviews with Moore, Fontana, and the family of the late Bill Black, this resource provides first-hand insights that have never before seen print, as well as several previously unpublished photographs. Extensive coverage of the entire history of the band makes this book is a must for Elvis fans, rockabilly aficionados, and anyone interested in the early history of rock 'n' roll.

Tells where & how to market your songs. Lists music publishers, record companies/producers, AV firms, managers, classical groups and theater companies.

Traditionalists and Revivalists in Jazz

This is an inviting and succinct guide to our nation's musical culture. Kingman's view of American music as a number of distinct parallel streams is reflected in this

text and includes the following: folk and ethnic music; popular sacred music; the southern music of country, blues, and rock; popular secular music; jazz; and classical music. Contrasting these across regions and times, he delivers a clear vision of the historical roles of music and composers in American culture.
