The No-Bullshit Guide to CFA Exam Preparation

Apply CFA Program concepts and skills to real-world wealth and portfolio management for the 2019 exam. The same official curricula that CFA Program candidates receive with program registration is now publicly available for purchase. CFA Program Curriculum 2020 Level III, Volumes 1-6 provides complete, authoritative guidance on synthesizing the entire CFA Program Candidate Body of Knowledge (CBOK) into professional practice for the 2020 exam. This book helps you bring together the skills and concepts from Levels I and II to formulate a detailed, professional response to a variety of real-world scenarios. Coverage spans all CFA Program topics and provides a rigorous treatment of portfolio management, all organized into individual study sessions with clearly defined Learning Outcome Statements. Visual aids clarify complex concepts, and practice questions allow you to test your understanding while reinforcing major content areas. Levels I and II equipped you with foundational investment tools and complex analysis skill; now, you'll learn how to effectively synthesize that knowledge to facilitate effective portfolio management and wealth planning. This study set helps you convert your understanding into a professional body of knowledge that will benefit your clients' financial futures. Master essential portfolio management and compliance topics. Synthesize your understanding into professional guidance. Reinforce your grasp of complex analysis and valuation. Apply ethical and professional standards in the context of real-world cases. CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools; Level II focuses on application of concepts and analysis, particularly in the valuation of assets; and Level III builds toward synthesis across topics with an emphasis on portfolio management.

Wiley Study Guide for 2019 Level I CFA Exam: Fixed income, derivatives & alternative investments

Direct Path to the CFA Charter is the ultimate guide to passing the Chartered Financial Analyst exams and earning the CFA Charter. This is no ordinary "how-to" manual for CFA candidates. Written by an internationally published author who passed all three CFA exams on the first try, this book is packed with real strategies that get real results. What tactics make the difference? How do passing candidates set themselves apart? Direct Path to the CFA Charter enables you to adopt the right methods and strategies to pass the exams the first time around. With actionable takeaways, sample study schedules, and unique tips for every CFA Level, this book is for the serious candidate who not only wants to understand the CFA Program, but succeed in it.

Wiley's Level II CFA Program 11th Hour Final Review Study Guide 2020

Comprehensively rewritten from the ground up The CFA Insights book you see today is an evolution of an Analysis Report we have been publishing since the start of 300 Hours. Originally meant as a short report showing the analytical results from the thousands of entries through our CFA Results Analyzer, we realised that there was so much more that readers needed and could benefit from. We didn't just want to show our readers the results, but pass on all our knowledge to them. So two years ago, we started a rewrite process not just to convey the results of five years' worth of data analysis, but also to include every bit of important advice we have learnt as a team through our experience in the CFA program. We've learnt from previous versions, incorporated reader feedback, and applied the best of what we can offer into this new book. One guide for the entire CFA program Most CFA material is designed for one specific CFA level. Not us - we like to take care of you from the start, and way after you've obtained your charter. CFA Insights is not only written for all three CFA levels, but also contains a ton of additional useful content beyond just the CFA exams. The CFA Insights guide starts becoming useful right from the point you start thinking about the CFA program, and covers advice on how to make the most of your CFA charter after you've obtained it, and your post-CFA career. Years of analytical data. Decades of personal CFA exam experience. CFA Insights includes analytical results from literally tens of thousands of actual CFA results, submitted by our readers over the years. Through these data points, we've been able to estimate past Minimum Passing Scores (MPS), show when and how candidates prepare for their CFA exams, analyzing performance by topic area, including what makes the difference between passing and failing candidates. In addition, the guide contains the best tips from our own experience across the 300 Hours team - a unique team where all of us have completed the CFA program. From just considering whether the CFA program is for you, to receiving your CFA charter and making the most of it, we have combined our collective experience into one guide you can use throughout your CFA journey. Exclusive content, combined with the best of 300Hours.com The guide has a ton of exclusive content, including our CFA Results Analyzer analytical results (such as MPS estimates and topic area analysis), deep-dive guides for each CFA level, and study schedule recommendations for every type of candidate profile. CFA Insights also blends in from some the best content from 300Hours.com, including our ever-popular online Guides, rewritten and reedited clearly for the guide. The result is an all-in-one guide that combines the best of everything we've done, condensed into one easy-to-read book.

Wiley's CFA® Program Exam Review

Practicing for the CFA exam is a daunting task and every candidate struggles in each level of their exam preparation. In this book, Andy Solnik lays out a straight forward approach to organize the vast material, read it effectively, make summaries and review it so that you have the best possible chance of succeeding in the exam. You will also learn effective exam writing strategies and what to avoid on exam day and in your preparation. Like they say: The MBA you buy, the CFA you earn. Let's begin the journey!

Wiley's Level II CFA Program Study Guide 2020

Wiley's Level I CFA Program Study Guide + Test Bank 2021

Wiley's 11th Hour Final Review Guide for 2019 Level III CFA Exam compacts all of the readings tested on the 2019 CFA exam into one portable volume. Organized in order, this best-selling guide has helped thousands of candidates from over one-hundred countries pass the CFA exam. Designed to boil it all down to the crucial concepts, formulas and rules, this guide ensures candidates are familiar with the most important testable information. It's difficult to go over multiple books in

the last few weeks before the exam, so Wiley's 11th Hour Review Guide does the work for you—condensing each reading down to two- to five pages. Enter the exam room with confidence and reinforce your knowledge and preparation! This comprehensive guide complements Wiley's CFA Study Guides sold separately but may be used with any review course. An effective, efficient study guide, this book prepares you to reach the next level in your career. "The Eleventh Hour Review book is simply brilliant. Virtually every sentence it contains is testable—it's an absolute must-have for every Level I candidate." —Ameer, UK "The eleventh hour guide was a great help." —Konrad, South Africa "I used your eleventh hour guide and mock exams for the last bit of my studying and greatly enjoyed your material. Out of all of the exam prep material, I thought [yours] was the best." —Thomas, USA "Thanks to the team for writing the most intelligent Chartered Financial Analyst material I have seen to date. The eleventh hour guide is absolute genius and proving very valuable at this stage of the revision process." —Doug, UK

Wiley's Level I CFA Program Study Guide + Test Bank 2020

Wiley's Level II CFA Program Study Guide 2021

A must-read for CFA candidates or those considering pursuing the CFA designation, *CFA CONFIDENTIAL: What It Really Takes to Become a Chartered Financial Analyst* is a refreshingly honest take on the mental marathon that is the CFA Program. A veteran of the exam process and current CFA Charterholder, Greg Campion tells you everything you need to know to get through the CFA exams successfully—and with your sanity intact: Find out if the CFA Charter is right for you, and see how it stacks up against an MBA and other credentials. Get the lowdown on what pursuing the CFA Charter will really mean for you financially, personally, and professionally—from someone who's been there. Zero in on crucial differences between each CFA exam level and strategize the smart way. Learn the Do's and Don'ts of CFA success: create the perfect study space, craft a week-by-week plan that works, manage your time, and maintain your mental health. Tackle exam day with confidence: choose the right location, show up with what you need, manage stress and anxiety, and ace the test. The perfect companion to the official CFA curriculum or third-party study guides, this accessible and entertaining read will guide you safely through what may be one of the most challenging—and rewarding—endeavors of your life.

Wiley Study Guide + Test Bank for 2019 Level II CFA Exam

Wiley's Study Guides and Test Bank for 2019 Level II CFA® program exam are proven to help candidates understand, retain, and master the CFA Program Curriculum. Complete with color-coded Study Guides and coverage of every Learning Outcome Statement on the exam. With over 1,200 pages of distilled knowledge from our staff of charterholders and instructors, these books are a highly effective and proven study aid filled with exam tips, fundamental concepts, and in-depth examples. Our authors have used their years of personal teaching experience with students from a variety of backgrounds to develop study guides that improve the study experience of CFA Level II candidates and include practical and helpful tips and test-taking advice throughout the text. The color-coding feature, which makes it easier for you to follow cases and examples that make references to graphs and sets of financial statements. Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable. The Test Bank features more than 1100 questions, with rationales and full explanation for the multiple-choice questions. Students can filter question set by subtopic and also view as 'new', 'seen before' and 'never seen before'. You can also randomize to prevent memorization, create unlimited custom practice sessions and tests. The Test Bank is optimized for desktop and tablet use. "Just wanted to let you know I am VERY happy with the notes. Much more clear than other providers!" - Brian, USA "The Study Guides were more clearly and thoroughly (and yet somehow more concisely!) written than the competitors.." - Vanessa, Spain "Your study guides, lectures and practice questions are really helping me grasp these difficult concepts better. Thanks!" - Amy, USA "Wiley's prep material was a huge part of my success on the exam Thank you so much for all of the support you have provided. I truly believe in the Wiley products, and will be recommending them to students for years to come." - Lindsey G, USA "Looked at the economics module you sent me, the notes at University do

not even come close, and its probably true for a lot of people, including those who have already completed an honors degree or MBA at some of the top universities around the world." - Geoffrey, South Africa
