scissors are important: Build the small muscles of the palm and hand of children: they have to open and close the hand continuously. Improve hand-eye coordination: they need to be able to see what they are cutting as they move their hand. Encourage children to use bilateral coordination: they can use both sides of the body at the same time (the child holds the paper and turns it in one hand while cutting with the other hand). Prepare children to handwrite and use a pencil. The book contains: ✓ 60 pages of single-sided activity. ✓ Premium glossy cover. ✓ Printed on high quality stock - specially designed for this Christmas. ✓ Perfectly sized at 8.5 "x 8.5"
