Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state.

Clymer Manuals

SEI has been in the stern drive business since 2003. The company was founded by Greg Pickren. Mr. Pickren also is the owner and founder of the company Short Block Technologies (SBT) which is the largest supplier of Personal Water Craft engines in the world. Justin Webb is the General Manager of SEI and was previously employed by Konrad Marine

Clymer service and repair manuals are written with model specific coverage for all your service, repair, and maintenance needs. The most important tool in your toolbox may be your Clymer manual, get one today.

The marine parts business is actually a rather inefficient industry with multiple layers of distribution. Sterndrive Engineering's mission is to make owning, operating, and maintaining a stern drive more affordable. To accomplish this, the company was designed to eliminate all middlemen within the industry.
