SOCIETIES, NETWORKS, AND TRANSITIONS connects the different regions of the world within and across chapters, and explores broader global themes in part-opening essays. This innovative structure combines the accessibility of a regional approach with the rigor of comparative scholarship to show students world history in a truly global framework. The “tree, tree, tree, forest” organization assures that students stay engaged and in tune with when and where they are in their study of world history. The text also features a strong focus on culture and religion. Author and veteran teacher Craig Lockard engages students with a unique approach to cultural artifacts, such as music and art. Pedagogical features-including chapter outlines with focus questions, section summaries, pronunciation guides, and marginal key term definitions-support students and instructors as they explore the interconnectedness of different people, places, and periods in the global past. The Third Edition has been extensively revised to sharpen the narrative and incorporate recent scholarship. Available in the following split options: SOCIETIES,

NETWORKS, AND TRANSITIONS, Third Edition (Chapters 1-31), ISBN: 9781285783123; Volume I: To 1500 (Chapters 1-14), ISBN 9781285783086; Volume II: Since 1450 (Chapters 15-31), ISBN 9781285733852. MUSIC OF THE PEOPLES OF THE WORLD, THIRD EDITION, takes a survey approach to world music, covering 11 music cultures. This text focuses on how to listen to and appreciate the music of different cultures, appropriate for students who are not music majors. The text also explores geography and history, allowing students to connect the music to its social context. Listening skills are developed through spotlights on non-Western instruments, and 30 listening guides track the audio step by step, pointing listeners to important characteristics of the piece. Many full-color photos and graphics of instruments, musicians, and cultural events help students understand the context of music in countries with which they may be unfamiliar. The listening guides, an available 2-CD set (with full selections that help students hear significant differences among the music cultures), and Active Listening Tools (allowing students to view instruments and cultural settings while they listen to musical excerpts) further enhance listening and understanding.

VOYAGES IN WORLD HISTORY, BRIEF EDITION, is a mainstream text for the world history course that masterfully uses the theme of movement--the journeys of peoples, ideas, and goods--to help the reader make sense of the huge range of people, places, and events throughout history. Each chapter is framed around the story of a person who traveled within the time period and region of the chapter. Students can practice being critical readers by evaluating the traveler's observations and attitudes. VOYAGES IN WORLD HISTORY includes a primary source feature called Movement of Ideas, which will help students develop the core skill of analyzing sources by allowing them to compare multiple explanations of significant ideas. This brief text will meet the needs of instructors who want a lively narrative style without sacrificing the themes and pedagogy that make world history understandable to students; it is also ideal for instructors who want to supplement a text with lots of primary sources. Available in the following options: VOYAGES IN WORLD HISTORY, BRIEF EDITION (Chapters 1-32); Volume I: To 1600 (Chapters 1-16); Volume II: Since 1500 (Chapters 15-32).
