The Jehu Prayers

What you believe about God actually changes your brain. Psychiatrist Tim Jennings unveils how our brains and bodies thrive when we have a healthy understanding of who God is. This expanded edition now includes a study guide to help you discover how

neuroscience and Scripture come together to bring healing and transformation to our lives.

Deliverance From The Sin Of Laziness

Deliverance is an extraordinary reading experience that will stretch your imagination beyond belief. This book travels through the portals of your mind to unlock the deepest places of faith and divine compassion in the reader. The author has direct personal experiences with higher and lower astral beings. She believes there are some things we should know that are happening daily down here on the physical plane that is considered forbidden knowledge. The range of scope of this book encompasses such subjects as personal exorcism, encounters with angelic beings, and wonderful miracles. In this book, you are given a step-by-step process for manifesting your twin flame or soul mate through your own creativity, power of intention, and willingness to take an active role in calling forth love. You will find poetry, chapters on meditation, healing mantras, rituals of love, and old time-proven healing techniques. You will truly believe you are walking between the worlds of darkness and conscious enlightenment. Is this world God's cosmic joke on us all? Or are we all dreaming?

Deliverance

“You're hooked, you feel every cut, grope up every cliff, swallow water with every spill of the canoe, sweat with every draw of the bowstring. Wholly

absorbing [and] dramatic.”—Harper's Magazine The setting is the Georgia wilderness, where the states most remote white-water river awaits. In the thundering froth of that river, in its echoing stone canyons, four men on a canoe trip discover a freedom and exhilaration beyond compare. And then, in a moment of horror, the adventure turns into a struggle for survival as one man becomes a human hunter who is offered his own harrowing deliverance. Praise for Deliverance “Once read, never forgotten.”—Newport News Daily Press “A tour de force . . . How a man acts when shot by an arrow, what it feels like to scale a cliff or to capsize, the ironic psychology of fear: these things are conveyed with remarkable descriptive writing.”—The New Republic “Freshly and intensely alive . . . with questions that haunt modern urban man.”—Southern Review “A fine and honest book that hits the reader's mind with the sting of a baseball just caught in the hand.”—The Nation “[James Dickey's] language has descriptive power not often matched in contemporary American writing.”—Time “A harrowing trip few readers will forget.”—Asheville Citizen-Times “A novel that will curl your toes . . . Dickey's canoe rides to the limits of dramatic tension.”—New York Times Book Review “A brilliant and breathtaking adventure.”—The New Yorker

Deliverance of the Tongue

Pray Your Way to Breakthroughs enhances the prayer life with sharper focus. It is designed to expose and cut at the root of spiritual problems in order to bring victory. Matthew 3:10 says, "And now also the axe is

laid to the root of the trees: therefore every tree which brings not forth good fruit is hewn down, and cast into the fire." Stubborn and recurring problems may be the result of not attacking them at their roots - this book provides help to identify and attack those roots.

Holiness unto the Lord

Bondage to the past is not God's plan for your present. When a young elephant is chained up by its trainer, the animal's initial response is to try and escape. Several attempts later, the elephant recognizes that freedom is not possible and accepts the chains as normal. Once this is "learned", the trainer can use a simple rope to hold one of the most powerful animals. The same thing happens to many people with their minds. They become used to unhealthy patterns of thinking and destructive memories. Sadly, it becomes embraced as "normal life." This is not God's perfect will for you! Authors Ken and Jeanne Harrington provide extensive research and relevant Bible teaching empowering you to experience freedom today by: Understanding how toxic memories negatively impact your physical and spiritual health. Exposing the lies you believe about yourself and replace them with transformational Truth. Positioning you to live in the love and complete forgiveness of God. Reclaim your memories and take your life back!

DELIVERANCE

An introduction to the counseling of individuals who

are involved in occult activity with actual case histories.

Deliverance For The Head

Have you struggled to expand your initial idea into a complete story? Plotting can be frustrating work! What if there were a tool for this very problem, so you could navigate these uncharted waters as quickly as possible? A tool that starts with what you have (a situation, perhaps, or a group of characters) and sets you on the road to new possibilities? Plotto does all this. Created by a master of organized creativity, William Wallace Cook (one of the most prolific writers in history), Plotto has been prized by professional authors and screenwriters since its publication in 1928, and is still in demand today, with copies of the original edition selling for up to \$400. This Norton Creek Edition is an exact reproduction of Cook's work. To keep the book down to a manageable size (300 pages of very small type) while retaining its powerful features, Cook uses a telegraphic format that takes some getting used to, so working your way carefully through the introduction and its examples is the key to professional-quality results. Because Plotto was written in the Twenties, its situations can seem old-fashioned and its terminology politically incorrect, but these problems are more apparent than real. Cook himself wrote both westerns and early classics of science fiction, so you see how replacing stagecoach with star ship or dance hall girl with male stripper are within the reach of anyone using the Plotto system, and, in fact, this kind of substitution is how the book

is intended to be used, and is the key to its flexibility and enduring popularity.

Journal of Mental Imagery

The issue of spirit husband and spirit wife (spirit spouses, evil spiritual marriage) is one of the greatest spiritual problems which has pervaded societies of the world. There are vicious sexual spirits which molest and torment individuals. This book teaches you how to receive deliverance from spirit spouses and other associated wicked powers.

Discovering the Brain

A physicist uses science and philosophy to answer the ancient, unsolvable question: why does the universe exist?

On Deep History and the Brain

Your head is the symbol of your glory. It can be caged. It can be perverted. It can be polluted. This book covers how your head can be delivered

Deliverance

From Depression to Deliverance

- What is laziness? - What are its causes and manifestations? - What are its consequences? - How can one be delivered from the grip of laziness? This

book, by Professor Zacharias Taneë Fomum, will help you to find answers to these questions, but much more to release the full potential that God gave you, in order to make it available to the kingdom of God. According to the author, this book is a strong message to all lazy people who will no longer be lazy after reading and obeying its contents.

Deliverance From Spirit Husband And Spirit Wife

God has given Man a lot of powers, and one of such powers is that of the tongue. The Tongue can either produce life or death so when it becomes uncontrollable, it can be a very dangerous destroyer. How to put this powerful organ of the body to a profitable use and repair what has been damaged are demonstrated in this book.

The God-Shaped Brain

The Pursuit Of Success is an invaluable companion for those who want to succeed in every facet of life; it is borne out of research drawn from the years of experience of a seasoned author. Biblical principles of success are presented with uncommon maturity and wisdom. THE PURSUIT OF SUCCESS offers for the first time in print the divine blue print concerning what it takes to achieve excellence and succeed where others fail. This book gives you an opportunity to stand shoulder to shoulder with great men and women in Bible and in contemporary times. This book will inspire you and jolt you into action. Careful

reading and practical application of the principles will take you to the top.

Morals in the Meshes of the Brain

The brain There is no other part of the human anatomy that is so intriguing. How does it develop and function and why does it sometimes, tragically, degenerate? The answers are complex. In *Discovering the Brain*, science writer Sandra Ackerman cuts through the complexity to bring this vital topic to the public. The 1990s were declared the "Decade of the Brain" by former President Bush, and the neuroscience community responded with a host of new investigations and conferences. *Discovering the Brain* is based on the Institute of Medicine conference, Decade of the Brain: Frontiers in Neuroscience and Brain Research. *Discovering the Brain* is a "field guide" to the brain--an easy-to-read discussion of the brain's physical structure and where functions such as language and music appreciation lie. Ackerman examines How electrical and chemical signals are conveyed in the brain. The mechanisms by which we see, hear, think, and pay attention--and how a "gut feeling" actually originates in the brain. Learning and memory retention, including parallels to computer memory and what they might tell us about our own mental capacity. Development of the brain throughout the life span, with a look at the aging brain. Ackerman provides an enlightening chapter on the connection between the brain's physical condition and various mental disorders and notes what progress can realistically be made toward the prevention and

treatment of stroke and other ailments. Finally, she explores the potential for major advances during the "Decade of the Brain," with a look at medical imaging techniques--what various technologies can and cannot tell us--and how the public and private sectors can contribute to continued advances in neuroscience. This highly readable volume will provide the public and policymakers--and many scientists as well--with a helpful guide to understanding the many discoveries that are sure to be announced throughout the "Decade of the Brain."

POWER AGAINST MARINE SPIRITS

Unknown to most of us what happens in the marine kingdom goes a long way in affecting human existence on earth. The marine kingdom has been used by satan to challenge the purposes of God on earth. Marine spirits are found in oceans, rivers, streams, pools of water and in the human body, etc. These are tough demons that always resist deliverance. They are highly deceptive and possess spiritual capacity to ruin human lives and nations.

Healing and Deliverance: Revealing the True Identity of God

Genius. With hints of madness and mystery, moral license and visionary force, the word suggests an almost otherworldly power: the power to create, to divine the secrets of the universe, even to destroy. Yet the notion of genius has been diluted in recent times. Today, rock stars, football coaches, and

entrepreneurs are labeled 'geniuses,' and the word is applied so widely that it has obscured the sense of special election and superhuman authority that long accompanied it. As acclaimed historian Darrin M. McMahon explains, the concept of genius has roots in antiquity, when men of prodigious insight were thought to possess—or to be possessed by—demons and gods. Adapted in the centuries that followed and applied to a variety of religious figures, including prophets, apostles, sorcerers, and saints, abiding notions of transcendent human power were invoked at the time of the Renaissance to explain the miraculous creativity of men like Leonardo and Michelangelo. Yet it was only in the eighteenth century that the genius was truly born, idolized as a new model of the highest human type. Assuming prominence in figures as varied as Newton and Napoleon, the modern genius emerged in tension with a growing belief in human equality. Contesting the notion that all are created equal, geniuses served to dramatize the exception of extraordinary individuals not governed by ordinary laws. The phenomenon of genius drew scientific scrutiny and extensive public commentary into the 20th century, but it also drew religious and political longings that could be abused. In the genius cult of the Nazis and the outpouring of reverence for the redemptive figure of Einstein, genius achieved both its apotheosis and its Armageddon. The first comprehensive history of this elusive concept, *Divine Fury* follows the fortunes of genius and geniuses through the ages down to the present day, showing how—despite its many permutations and recent democratization—genius remains a potent force in our lives, reflecting modern

needs, hopes, and fears.

Principles of a Successful Marriage

When does history begin? What characterizes it? This book dissolves the logic of a beginning based on writing, civilization, or historical consciousness and offers a model for a history that escapes the continuing grip of the Judeo-Christian time frame. It lays out a new case for bringing neuroscience and neurobiology into the realm of history.

Praying by the Blood of Jesus

Deliverance of the Brain is without a doubt, a masterpiece. Reading it will add value to your brain. It brings to the fore, the depth of your intellectual endowment and shows you what it takes to obtain, and experience and retain sound mental health. While this book will show you how to maximize your mental capacity, it will also lead you unto deliverance from every form of mental affliction. This book will move every reader forward. It will put an end to every activity of the enemy in the area of the brain

Deliverance from Toxic Memories

Praying by the blood of Jesus is highly crucial in spiritual warfare. The power in the blood of the Lamb is the ultimate. No power supersedes it. The blood has been shed. But it must be appropriated and applied. You have the checkbook but you must write the check, This book will teach you how to apply this principle and technique.

Plotto

There are physical gates and there are spiritual gates. There are visible and invisible gates. A gate is a point of access. There are nine major gates that open up the life of a man. Gain knowledge as you read about them in this booklet.

Deliverance Matters

Financial Deliverance Poverty has been the cause of untold hardship in the lives of many people. This is not supposed to be the case for those who are born-again Christians because the benefit of Christ's crucifixion is freedom in all ramifications, including financial freedom but also many Christians are poor. God does not want the situation to be so, meaning there is a way out, which is still hidden to many.

Anointed Destiny Changing Prayers for your Children

The thrilling final installment of C.J. Redwine's Defiance trilogy, a rich post-apocalyptic YA fantasy perfect for fans of Graceling and Tamora Pierce. Rachel has been kidnapped by enemy forces and is being taken to Rowansmark, while Logan is imprisoned in Lankenshire. Separated from each other and their Baalboden comrades, each must find a way to achieve what they desperately have been

fighting for: to rid their world of the Commander and the tech that controls the deadly Cursed One once and for all. Fighting through her pain and embracing the warrior she's become, Rachel will do whatever it takes to escape and join Logan in his fight. But when she discovers a shocking secret that changes everything, she realizes that to save the people she loves, she'll have to destroy Rowansmark from the inside out—if she can survive the journey through the Wasteland. Logan needs allies if he wants to thwart Rowansmark's power grab and rescue Rachel. But securing allies will mean enlisting the help of Commander Chase, the man he hates more than anyone. Driven by his love for Rachel and his determination to make his world safe, he may be just the weapon the city-states need to defeat the Cursed One. But as Rowansmark bears down and uneasy alliances are tested, will the pair's love for each other be enough to surmount the unbelievable odds against them?

Pray Your Way to Breakthroughs

My Head Is Not for Sale

Christians are the prime targets of the devil, the common enemy of mankind. Now more than ever, he unleashes his rage and destruction against people because he knows that his time is short. Christians especially experience strange attacks, both physical and spiritual, day and night. In such conditions, we are not expected to be helpless or defenceless,

rather, we are supposed to pray and subdue the enemies who have come to attack us, and quench them as the fire of thorns.

Deliverance of Love, Light and Truth

Depression: The chemical imbalance in the brain that attacks the very soul. Yet, as late as 1974, the American Psychiatric Association listed in their diagnostic manual "strong religious belief" as a disorder. Is depression exclusively a chemical imbalance? And as recently as today many pastors in the religious community discourage their parishioners from seeking medical help. Is depression exclusively a spiritual attack? From Depression to Deliverance is a spiritual companion to your doctor's advice demonstrating that depression is an attack on the mind, body and spirit. Thus, in order to win this battle, we have to attack it on all three fronts embracing both the scientific and spiritual communities. You are not alone in this battle. So join us on this pilgrimage from a psychiatrist's office, to the great outdoors with a few church sermons on the way; from mourning to joy, from torment to peace, from darkness into God's wonderful light.

Financial Deliverance

The Pursuit of Success

In an overpopulated world seeking living room in the jungles, the International Ecological Organization was

systematically exterminating the voracious insects which made these areas uninhabitable. Using deadly foamal bombs and newly developed vibration weapons, men like Joao Martinho and his co-workers fought to clear the green hell of the Mato Grosso. But somehow those areas which had been completely cleared were becoming reinfested, despite the impenetrable vibration barriers. And tales came out of the jungles . . . of insects mutated to incredible sizes . . . of creatures who seemed to be men, but whose eyes gleamed with the chitinous sheen of insects. . . . A fascinating examination of the fragile balance between consciousness, man and insect from one of the best-loved science fiction creators of all time. Memoirs of an Addicted Brain

From her first breath of fresh air beyond the pit, it has never been enough for Beth Moore to be free. This best-selling author and Bible teacher who has opened the riches of Scripture to millions longs for you to be free as well—to know the Love and Presence that are better than life and the power of God's Word that defies all darkness. Beth's journey out of the pit has been heart-rending. But from this and the poetic expressions of Psalm 40 has come the reward: a new song for her soul, given by her Saviour and offered to you in Get Out of That Pit—friend to friend. This is Beth's most stirring message yet of the sheer hope, utter deliverance, and complete and glorious freedom of God: I waited patiently for the Lord He turned to

101 Weapons of Spiritual Warfare

The Gate of your Life

Download Free Deliverance Of The Brain

A gripping, ultimately triumphant memoir that's also the most comprehensive and comprehensible study of the neuroscience of addiction written for the general public. FROM THE INTRODUCTION: "We are prone to a cycle of craving what we don't have, finding it, using it up or losing it, and then craving it all the more. This cycle is at the root of all addictions, addictions to drugs, sex, love, cigarettes, soap operas, wealth, and wisdom itself. But why should this be so? Why are we desperate for what we don't have, or can't have, often at great cost to what we do have, thereby risking our peace and contentment, our safety, and even our lives?" The answer, says Dr. Marc Lewis, lies in the structure and function of the human brain. Marc Lewis is a distinguished neuroscientist. And, for many years, he was a drug addict himself, dependent on a series of dangerous substances, from LSD to heroin. His narrative moves back and forth between the often dark, compellingly recounted story of his relationship with drugs and a revelatory analysis of what was going on in his brain. He shows how drugs speak to the brain - which is designed to seek rewards and soothe pain - in its own language. He shows in detail the neural mechanics of a variety of powerful drugs and of the onset of addiction, itself a distortion of normal perception. Dr. Lewis freed himself from addiction and ended up studying it. At the age of 30 he traded in his pharmaceutical supplies for the life of a graduate student, eventually becoming a professor of developmental psychology, and then of neuroscience - his field for the last 12 years. This is the story of his journey, seen from the inside out. From the Hardcover edition.

The Mirror, The Flame, The Seed and The Brain

Marriage is under attack. Homes are under siege. The modern era has bastardized the institution of marriage. Against this backdrop, the author has delved into the scriptures and uncover what it takes to succeed in these end times. The importance of spiritual warfare in making marriage successful is the high point of this book. Tested and proven prayer points are packaged and offered in this book. This book will prove an invaluable manual in the hand of those who are married as well as those who are contemplating to get married.

Mind of God

You will know thy love that embraces thee. You will know thy light that helps you see. You will know thy truth, and then the truth will set you FREE.

The Green Brain

101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war, both physical and spiritual, like this era. This is a tougher era of warfare. More people are under bondage now, more than in any other period of human history. There are cases of deep bondage, uncommon attacks against the family and horrendous occurrences in the lives of individuals. The devil has wreaked a lot of havoc upon humanity. The bible has described in vivid terms that God is aware of the high spate of demonic

hostilities. Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times. This manual is the first of its kind. This is the apex of deliverance. We are the threshold of a revival of spiritual warfare. The sweeping and the far reaching effect shall be best described as awesome!

Divine Fury

Offers a program which focuses on preventing memory loss and maintaining a healthy brain, presenting guidelines for nutrition and physical activities, along with diagrams of interactive mental exercises.

Get Out of That Pit

The devil has used the dragnet of witchcraft to hold on to the world. The revival of satanism on the face of the earth is a sign of desperation. Right now the children of darkness have opened their doors to train men in wickedness. There is an enemy that hates mankind and his progress with perfect hatred. This enemy is known as witchcraft. To confront this spirit, we must be ruthless towards it. Operation Jehu is catch and destroy, throw and destroy, cage and destroy.

The Brain Training Revolution

Holiness unto the Lord Holiness unto the Lord is an essential ingredient for total deliverance. This book
