National Book Award Finalist! Instant New York Times Bestseller! The Absolutely True Diary of a Part-Time Indian meets Jane the Virgin in this poignant but often laugh-out-loud funny contemporary YA about losing a sister and finding yourself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. Perfect Mexican daughters do not go away to college. And they do not move out of their parents' house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga's role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it's not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend, Lorena, and her first love (first everything), Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister's story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

The Shadow of the Wind

A brilliant mix of battle, romance, family struggles, and personal triumphs, New York gloriously captures the search for freedom and prosperity at the heart of America's history. A blockbuster masterpiece that combines breath-taking scope with narrative immediacy, this grand historical epic traces the history of New York through the lenses of several families: The Van Dycks, a wealthy Dutch trading family; the Masters, scions of an English merchant clan torn apart during the Revolution; the Hudsons, slaves who fight for their freedom over several generations; the Murphys, who escape the Famine in Ireland and land in the chaotic slum of Five Points; the Rewards, robber barons of the Gilded Age; the Florinos, an immigrant Italian clan who work building the great skyscrapers in the

1920s; and the Rabinowitzs, who flee anti-semitism in Europe and build a new life in Brooklyn. Over time, the lives of these families become intertwined through the most momentous events in the fabric of America: The founding of the colonies; the Revolution; the growth of New York as a major port and trading centre; the Civil War; the Gilded Age; the explosion of immigration and the corruption of Tammany Hall; the rise of New York as a great world city in the early 20th-century; the trials of World War II, the tumult of the 1960s; the near-demise of the city in the 1970s; its roaring rebirth in the 1990s; culminating in the World Trade Center attacks at the beginning of the new century. New York is the book that Rutherford's fans have been waiting for. From the Hardcover edition.

Mother Of Pearl

Perhaps the most amazing thing of all about Garcilaso de la Vega's epic account of the De Soto expedition is the fact that, although it is easily the first great classic of American history, it had never before received a complete or otherwise adequate English translation in the 346 years which have elapsed since its publication in Spanish. Now the Inca's thrilling narrative comes into its own in the English speaking world. Hernando de Soto's expedition for the conquest of North America was the most ambitious ever to brave the perils of the New World. Garcilaso tells in remarkably rich detail of the conquistadors' wanderings over half a continent, of the unbelievable vicissitudes which beset them, of the Indians whom they sought to win for King and Church and by whose hands most of them died, of De Soto's death, and of the final pitiful failure of the expedition.

The Complete Works of Geoffrey Chaucer: Introduction, glossary, and indexes

"Neigh!" said a horse. "Quack!" said a duck. "Beep!" said the friendly Little Blue Truck. Little Blue Truck is a joyful cacophony of animal and truck sounds that will have youngsters beeping and quacking—and begging for one more go-round! Along the way, readers see that it pays to be kind to our animal friends . . . if we show a friendly respect to others, we're more likely to get help when we're, say, stuck in the muck in a truck. Jill McElmurry's gouache illustrations of wild-eyed farm animals and country roads are warm and wonderful, suiting the cheerfully rhyming text to a T. Beep!

Una vez fui tú (Once I Was You Spanish Edition)

A pop-culture history of the quest for ideal feminine expression traces the advice of marketing experts from the 1940s to the 1970s, during which women were pressured to adhere to stereotypical roles, in a volume that displays period artifacts and memorabilia. Original. 30,000 first printing.

Pink Think: Becoming a Woman in Many Uneasy Lessons

"El punto de vista de María es poderoso y vital. Hace años, cuando In the Heights empezaba a presentarse en teatros off-Broadway, María corrió la voz en nuestra comunidad para que apoyáramos este nuevo musical que trataba sobre nuestros

vecindarios. Ella ha sido una campeona de nuestros triunfos, una crítica de nuestros detractores y una fuerza clave para enfrentar y corregir los errores de nuestra sociedad. Cuando María habla, estoy listo para escuchar y aprender de ella.” —Lin-Manuel Miranda La periodista ganadora de cuatro premios Emmy y presentadora de Latino USA de NPR, María Hinojosa, cuenta la historia de la inmigración en los Estados Unidos a través de las experiencias de su familia y décadas de hacer reportajes, con lo cual crea un riguroso retrato de un país en crisis. María Hinojosa es una periodista galardonada que ha colaborado con las cadenas más respetadas y se ha distinguido por realizar reportajes con un toque humano. En estas memorias escritas con gran belleza, nos relata la historia de la política de inmigración de los EE.UU. que nos ha llevado al punto en que estamos hoy, al mismo tiempo que nos comparte su historia profundamente personal. Durante treinta años, María Hinojosa ha informado sobre historias y comunidades en los Estados Unidos que a menudo son ignoradas por los principales medios de comunicación. La autora de bestsellers Julia Álvarez la ha llamado “una de las líderes culturales más importantes, respetadas y queridas de la comunidad Latinx”. En *Una vez fui tú*, María nos comparte su experiencia personal de haber crecido como mexicanoamericana en el sur de Chicago y documentar el páramo existencial de los campos de detención de inmigrantes para los medios de comunicación que a menudo cuestionaban su trabajo. En estas páginas, María ofrece un relato personal y revelador de cómo la retórica en torno a la inmigración no solo ha influido en las actitudes de los estadounidenses hacia los extranjeros, sino que también ha permitido la negligencia intencional y el lucro a expensas de las poblaciones más vulnerables de nuestro país, lo que ha propiciado el sistema resquebrajado que tenemos hoy en día. Estas memorias honestas y estremecedoras crean un vívido retrato de cómo llegamos aquí y lo que significa ser una superviviente, una feminista, una ciudadana y una periodista que hace valer su propia voz mientras lucha por la verdad. *Una vez fui tú* es un llamado urgente a los compatriotas estadounidenses para que abran los ojos a la crisis de la inmigración y entiendan que nos afecta a todos. También disponible en inglés como *Once I Was You*.

Breaking Through

This is the first complete version in English of the "Book of the People" of the Quiche Maya, the most powerful nation of the Guatemalan highlands in pre-Conquest times and a branch of the ancient Maya, whose remarkable civilization in pre-Columbian America is in many ways comparable to the ancient civilizations of the Mediterranean. Generally regarded as America's oldest book, the Popol Vuh, in fact, corresponds to our Christian Bible, and it is, moreover, the most important of the five pieces of the great library treasures of the Maya that survived the Spanish Conquest. The Popol Vuh was first transcribed in the Quiche language, but in Latin characters, in the middle of the sixteenth century, by some unknown but highly literate Quiche Maya Indian—probably from the oral traditions of his people. This now lost manuscript was copied at the end of the seventeenth century by Father Francisco Ximénez, then parish priest of the village of Santo Tomás Chichicastenango in the highlands of Guatemala, today the most celebrated and best-known Indian town in all of Central America. The mythology, traditions, cosmogony, and history of the Quiché Maya, including the chronology of their kings down to 1550, are related in simple yet literary style by the Indian chronicler. And

Adrian Recinos has made a valuable contribution to the understanding and enjoyment of the document through his thorough going introduction and his identification of places and people in the footnotes.

The Florida of the Inca

From the New York Times bestselling author of *The House of the Spirits*, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."—The New York Times Book Review In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, they embark on the SS *Winnipeg*, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, they embrace exile as the rest of Europe erupts in world war. Starting over on a new continent, their trials are just beginning, and over the course of their lives, they will face trial after trial. But they will also find joy as they patiently await the day when they will be exiles no more. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now."—J. Courtney Sullivan, author of *Saints for All Occasions* "This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time."—Colum McCann, National Book Award-winning author of *Let the Great World Spin*

La Hija Del Adelantado: Novelo Histórica

Rare edition with unique illustrations. When Jacob and Wilhelm Grimm published their *Children's and Household Tales* in 1812, followed by a second volume in 1815, they had no idea that such stories as "Rapunzel," "Hansel and Gretel," and "Cinderella" would become the most celebrated in the world. From "The Frog King" to "The Golden Key," wondrous worlds unfold--heroes and heroines are rewarded, weaker animals triumph over the strong, and simple bumpkins prove themselves not so simple after all. A delight to read, *The Original Folk and Fairy Tales of the Brothers Grimm* presents these peerless stories to a whole new generation of readers.

The Power of a Praying® Parent Book of Prayers

When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children--even when they misbehave.

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 New York Times Bestseller An instant #1 USA Today Bestseller An instant #1 Wall Street Journal Bestseller An instant #1 IndieBound Bestseller Apple Audiobook August Must-Listens Pick "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- New York Times

The Happy Prince

"Gabriel García Márquez meets Umberto Eco meets Jorge Luis Borges for a sprawling magic show." --The New York Times Book Review A New York Times Bestseller Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War, and Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in a mysterious book entitled The Shadow of the Wind, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of

Barcelona's darkest secrets--an epic story of murder, madness, and doomed love. " Anyone who enjoys novels that are scary, erotic, touching, tragic and thrilling should rush right out to the nearest bookstore and pick up *The Shadow of the Wind*. Really, you should." --Michael Dirda, *The Washington Post* "Wonderous masterful *The Shadow of the Wind* is ultimately a love letter to literature, intended for readers as passionate about storytelling as its young hero." --*Entertainment Weekly* (Editor's Choice) "One gorgeous read." --Stephen King From the Trade Paperback edition.

When Mommy Was Little

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. *Pinocchio, The Tale of a Puppet* is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

A Long Petal of the Sea

The Fox and the Stork

Describes a variety of animal cuddles, from bear hugs to porcupine hugs, but the best is Mommy's cuddle.

Engineering Chemistry

"La frontera I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera, enter California, and leave our poverty behind." So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving, from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one place home, this is a story of survival, faith, and hope. It is a journey that will open readers' hearts and minds.

Everything You and I Could Have Been If We Weren't You and I

Anita de la Torre never questioned her freedom living in the Dominican Republic. But by her 12th birthday in 1960, most of her relatives have emigrated to the

United States, her Tío Toni has disappeared without a trace, and the government's secret police terrorize her remaining family because of their suspected opposition of el Trujillo's dictatorship. Using the strength and courage of her family, Anita must overcome her fears and fly to freedom, leaving all that she once knew behind. From renowned author Julia Alvarez comes an unforgettable story about adolescence, perseverance, and one girl's struggle to be free.

The Bird who Cleans the World

It seems that Mommy may not have always been the well-behaved little girl she claims to have been.

Town Musicians of Bremen (Illustrated)

Can you imagine a future where everyone has given up sleeping? From the creator of the television series Red Band Society and author of the international bestseller The Yellow World comes this uniquely special novel. What if I could reveal your secrets with just a glance? And what if I could feel with your heart just by looking at you? And what if --in a single moment-- I could know that we were made for each other? Marcos has just lost his mother, a famous dancer who taught him everything, and he decides that his world can never be the same without her. Just as he is about to make a radical change, a phone call turns his world upside down. Albert Espinosa has a peculiar talent for generating immediate congeniality around him, for shifting people's moods toward the positive and for reconciling them with themselves and the world, when needed. Reviews: «Albert Espinosa lives exclusively in his imagination. He uses it to write, to direct plays and films and to act. His sense of humour is as special as his way of living. An optimism as contagious as a cold.» Teresa Cendrós, El Periódico «If there's one ability Espinosa has had in all of his multifactorial creations it's his capacity to stand in other people's shoes. Empathy is his strength.» Núria Escur, La Vanguardia «Speaking with Albert teaches me many new things, such as "it is not sad to die" and that what is sad is not living, not to live it all (). He knows what he's talking about and knows how to tell it, and that's why his works help us to live.» Víctor M. Amela, La Vanguardia «Espinosa says what he thinks and feels, taking out any feeling from his closet in the same manner he sticks out his leg. He knows he is alive because of a miracle and that life is a short miracle. How I like this guy. His life, his theatre, his gambles, humour and his courage. There's no one else like him.» Marcos Ordóñez, El País «A militant of life, an engineer of art.» Elena Pita, El Mundo «Armoured in the face of pessimism, Everything You and I Could Have Been If We Weren't You and I shines with the positive outlook that that the author projects on everything he does.» Belén Guinart, El País «Everything You and I Could Have Been If We Weren't You and I presents a fast, direct, uninhibited, almost gestural style, which is a machine of empathy for the reader and is not devoid of humour.» El Correo Español

Popol Vuh P

Reproduction of original: New York: Brentano's, 1909.

Brownian Motion

Two rascally weavers convince the emperor that they are making him beautiful new clothes, visible only to those fit for their posts, but during a royal procession in which he first wears them, a child whispers that the emperor has nothing on.

The Cuddle Book

This book is suitable for children age 4 and above. "The Fox and the Stork" is a story about a stork that goes to a fox's house for dinner. The fox decides to make fun of a stork by treating it to a plate of soup. The stork is unable to drink the soup and leaves the fox's house hungry. The stork decides to teach the fox a lesson. The next day when the fox goes to the stork's house for dinner, the stork treats the fox to a tall jar of soup. The fox goes home hungry and realises its mistake.

Sight Word Poems

It's wartime, and the Carver family decides to leave the capital where they live and move to a small coastal village where they've recently bought a home. But from the minute they cross the threshold, strange things begin to happen. In that mysterious house still lurks the spirit of Jacob, the previous owners' son, who died by drowning. With the help of their new friend Roland, Max and Alicia Carver begin to explore the strange circumstances of that death and discover the existence of a mysterious being called the Prince of Mist--a diabolical character who has returned from the shadows to collect on a debt from the past. Soon the three friends find themselves caught up in an adventure of sunken ships and an enchanted stone garden--an adventure that will change their lives forever.

The Honey Jar

A collection of Mayan folktales deals with themes of creation, nature, mutual respect, and ethnic relations and conflicts

The Emperor's New Clothes

At the age of fourteen, Francisco Jiménez, together with his older brother Roberto and his mother, are caught by la migra. Forced to leave their home in California, the entire family travels all night for twenty hours by bus, arriving at the U.S. and Mexican border in Nogales, Arizona. In the months and years that follow during the late 1950s-early 1960s, Francisco, his mother and father, and his seven brothers and sister not only struggle to keep their family together, but also face crushing poverty, long hours of labor, and blatant prejudice. How they sustain their hope, their good-heartedness, and tenacity is revealed in this moving, Pura Belpré Honor-winning sequel to *The Circuit*. Without bitterness or sentimentality, Francisco Jiménez finishes telling the story of his youth.

Before We Were Free

Pictures, on board pages, of baby animals.

Travels Into Several Remote Nations of the World. By Lemuel Gulliver

The Canterville Ghost is a humorous short story by Oscar Wilde. It was the first of Wilde's stories to be published, appearing in two parts in *The Court and Society Review*, 23 February and 2 March 1887. The story is about an American family who move to a castle haunted by the ghost of a dead English nobleman, who killed his wife and was then walled in and starved to death by his wife's brothers. It has been adapted for the stage and screen several times.

History of the Book

I Am Not Your Perfect Mexican Daughter

In this book, Nobel Peace Prize winner and Maya activist Rigoberta Menchú Tum returns to the world of her childhood. The Honey Jar brings us the ancient stories her grandparents told her when she was a little girl, and we can imagine her listening to them by the fire at night. These Maya tales include creation myths, a classic story about the magic twins (which can also be found in the *Popol Vuh*), explanations of how and why certain natural phenomena came to exist, and animal tales. The underworld, the sky, the sun and moon, plants, people, animals, gods and demi-gods are all present in these stories, and through them we come to know more about the elements that shaped the Mayas' understanding of the world. Rich and vibrant illustrations by noted Mazatec-Mexican artist Domi perfectly complement these magical Maya tales. Key Text Features illustrations

VOX diccionario actual de la lengua española

Roger Priddy's *Big Board First 100 Words* is a perfect children's book offering simple everyday words for infants and toddlers to develop their vocabulary. Stormie Omartian's bestselling *The Power of a Praying®* series (more than 28 million copies sold) is rereleased with fresh new covers and new material to reach a still-growing market of readers eager to discover the power of prayer for their lives. Stormie shares with you her most-loved prayers from *The Power of a Praying® Parent*—the book that started her bestselling series. This gathering of short-but-powerful prayers and encouraging scriptures is small enough to keep in purse or pocket for quick times of communion with God. With a fresh, new cover and plenty of room for you to write down personal prayer notes, *The Power of a Praying® Parent Book of Prayers* is a lovely gift that will draw your heart to the Lord in prayer. These prayers will give you confidence and peace in your parenting skills as you pray for God's best and most wonderful promises to come true in your

children's lives.

No, David!

Midnight Sun

A tragedy tears a family apart - a superb novel from the Sunday Times bestselling author of THE LEAVING OF LIVERPOOL. Pretty Amy Curran was just eighteen years old when she met Barney Patterson, the love of her life, on Southport Pier in 1939. Their romantic, passionate marriage was made in heaven - but with the outbreak of war, Barney volunteered to fight, and the couple were separated for five long years. When he returned to Liverpool after VE Day, he wasn't the same person - and neither was Amy. How could things have become so twisted that one day Amy would kill the husband she once so adored? And what happened to their little girl, Pearl, just five years old at the time? In 1971 Amy is released from prison - although her freedom will change the lives of others, not least that of her daughter. But Pearl has her own demons to exorcise in her quest for happiness. And the greatest question she must ask herself is this: can she ever love her mother after what she did?

Sight Word Poems : First 100 Sight Word Writing for Homeschool, Kindergarten, Sight Words First Grade : This packet includes poems for the first 100 Fry Sight Words Level 1. Each page includes a poem for fluency practice as well as an

"Illustrate the Poem" and a place to use the sight word poems in a sentence. These sight word workbook poems are perfect for Poetry Journals. Download the preview to see the format of each page and to see which words are included in the packet. " These poems have been a great addition to my classroom ELA activities. I write the poem on chart paper and choose students to highlight the sight words level 1 and rhyming words. They LOVE creating their own illustration to go along with the poem." " This is a great idea. I actually printed all of the poems, put it a spiral for each of students and we work on them everyday. I teach first grade and there are a lot of sight word writing that they have to learn, I am hoping this will help. Thanks. " These are great for centers when I am doing guided reading, and the kids can work on a sight words first grade we are learning each week :) Many thanks for stopping by and taking a look! Sincerely, Enjoy :) All Sight Word Workbook Educate School

The Prince of Mist

Brownian motion is one of the most important stochastic processes in continuous time and with continuous state space. Within the realm of stochastic processes, Brownian motion is at the intersection of Gaussian processes, martingales, Markov processes, diffusions and random fractals, and it has influenced the study of these topics. Its central position within mathematics is matched by numerous applications in science, engineering and mathematical finance. Often textbooks on probability theory cover, if at all, Brownian motion only briefly. On the other hand, there is a considerable gap to more specialized texts on Brownian motion which is not so easy to overcome for the novice. The authors' aim was to write a book which can be used as an introduction to Brownian motion and stochastic calculus, and as a first course in continuous-time and continuous-state Markov processes. They also wanted to have a text which would be both a readily accessible mathematical back-up for contemporary applications (such as mathematical finance) and a foundation to get easy access to advanced monographs. This textbook, tailored to the needs of graduate and advanced undergraduate students, covers Brownian motion, starting from its elementary properties, certain distributional aspects, path properties, and leading to stochastic calculus based on Brownian motion. It also includes numerical recipes for the simulation of Brownian motion.

Breakfast at Sally's

One day, Richard LeMieux had a happy marriage, a palatial home, and took \$40,000 Greek vacations. The next, he was living out of a van with only his dog, Willow, for company. This astonishingly frank memoir tells the story of one man's resilience in the face of economic disaster. Penniless, a failed suicide, estranged from his family, and living "the vehicular lifestyle" in Washington state, LeMieux chronicles his journey from the Salvation Army kitchens to his days with "C"—a philosopher in a homeless man's clothing—to his run-ins with Pastor Bob and other characters he meets on the streets. Along the way, he finds time to haunt public libraries and discover his desire to write. LeMieux's quiet determination and his almost pious willingness to live with his situation are only a part of this politically and socially charged memoir. The real story of an all-too-common American condition, this is a heartfelt and stirring read.
