for children just beginning to learn to read. They use short, simple sentences, simple vocabulary, word repetition, and large type. Strong visual clues help children with new words. Lively stories feature characters and topics that are familiar to young children.

A Day in the Life of a Dentist

Hop on that big red truck for a real adventure! Being a firefighter takes a lot of hard work. Early elementary readers learn about the important responsibilities it takes to be a firefighter--from the fire equipment to living in the fire station. With vivid photos and images, a timetable of firefighting history, informational text, and intriguing facts, this book will have readers engaged and eager to learn all about this stimulating occupation.

A Day in the Life of a Firefighter

Boost reading ability while learning about moon landings in this factual space book for children. Follow Neil Armstrong, Buzz Aldrin, and Apollo 11's third crew member, Michael Collins, as they set off on one of history's most important missions. Learn about the people and spacecraft that came before and have followed since, and discover what it takes to become an astronaut in this exciting new book, Moon Landings.

Careers

Access Free Dk Readers Jobs People Do A Day In A Life Of A Firefighter Level 1 Beginning To Read

Follows ballet dancer Lisa Torres through her day at home and work.

A Day in the Life of a Firefighter

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

Kingfisher Readers L1: Jobs People Do

Houses are built with many different materials, and in many shapes and sizes. Step by step, this picture book explains how homes are built—from the architect's plans through the arrival of a happy family. The many processes of construction are explained with simple language and bright, clear illustrations, perfect for kids starting to wonder about how the world around them works. Many different careers—including carpenters, plumbers, electricians, and landscapers—are introduced, each doing their part to bring the picture wood-frame house to life. A great read for kids who love construction sites, or who

Some butter. Some sugar. Some eggs. Some flour. Can Cookie Monster bake the biggest cookie in the world? He's sure going to try in this mouth-watering tale.

A Day in the Life of a Police Officer

A perennial favorite, Dr. Seuss's wonderfully wise graduation speech is the perfect send-off for children starting out in the world, be they nursery school, high school, or college grads! From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and illustrations, while encouraging readers to find the success that lies within. In a starred review, Booklist notes: "Seuss's message is simple but never sappy: life may be a 'Great Balancing Act,' but through it all 'There's fun to be done.'" This Read & Listen edition contains audio narration.

Astronaut - Living in Space

Amazing Dogs

Describes what firefighters wear, the equipment they use, and how they fight fires.

Sparky the Fire Dog

In question-and-answer format, this book describes a firefighter's day as he drives a fire truck, puts out a fire, and teaches kids about fire safety.

Oh, the Places You'll Go! Read & Listen Edition

This beautifully illustrated and poetic children's book combines a fairy-tale legend with fascinating facts about fairy stones. This unique picture book shares the fantastical legend of how real-life fairy stones were formed. Woodland lore has it that the cross-shaped stones came from the solidified tears of forest fairies the day they heard that Jesus died. It's been said that fairy stones repel witches, ghosts, goblins, ghouls, and other types of ghastly fools. The Legend of the Fairy Stones takes readers on a whimsical journey through a land of joyful fairies who combat all kinds of evil with the spirit of the fairy stones. The poetic text is paired with collage-style illustrations made from public domain art and photography. Also known as Staurolite, fairy stones form naturally all over the world. The Legend of the Fairy Stones includes educational back matter about these geological curiosities geared toward STEAM and Common Core Standards.

The to Z Guide to Raising Happy, Confident Kids

Describes the daily life of a police officer using simple text and photographs.

The Wisdom of Crowds

Follows Jack Dale, a home builder, through his day at home and work.

A Day in the Life of a Doctor

Meet Sparky. This adorable Dalmatian puppy is an important member of the team at the fire station. But he's more than just a cute character in a book: Sparky is the official spokesdog for the National Fire Protection Association (NFPA), and what he has to say can actually save lives. This canine hero rescued a little girl and her family, and now he's helping kids become junior fire inspectors right in their own homes. In colorful, appealing illustrations, Sparky takes a group of young animals through the neighborhood, pointing out hazards, giving basic fire prevention and safety tips, and showing them how to be prepared in case of an emergency. From having a working smoke alarm to being careful with candles and knowing where your exits are, Sparky's advice may be the most important thing children--and their parents--ever learn.

Jobs People Do

Learn to read while finding out about amazing activists from history and the present day. Learn about people who have changed the world--and who ARE changing the world--by campaigning for peace, equality, conservation, and more. *I am an Activist* is a new Level 3 title in the engaging four-level DK Readers series, aimed at children who are beginning to read. Developing a lifelong love of reading, DK Readers cover a vast range of fascinating subjects to support children as they learn. Packed with fun facts for kids, this innovative series of guided reading

Access Free Dk Readers Jobs People Do A Day In A Life Of A Firefighter Level 1 Beginning To Read

books balance amazing photography with non-fiction narratives tailored to specific reading levels. DK Readers are assessed on both Fountas & Pinnell and Lexile levels, and are ideal for learning to read while building general knowledge. I am an Activist covers a topic that will inspire and educate kids, encouraging reading for pleasure - linked with improved reading and writing abilities, as well as a wider vocabulary and greater self confidence.

Fire Safety

FIRST STEP NONFICTION-WORK PEOPLE DO SET I
TEACHING GUIDE

Game Theory, Alive

Presents tips for staying safe around fire, including information on the importance of having a plan if there is a fire and what to do in case of fire.

A Day in the Life of a Builder

We live in a highly connected world with multiple self-interested agents interacting and myriad opportunities for conflict and cooperation. The goal of game theory is to understand these opportunities. This book presents a rigorous introduction to the mathematics of game theory without losing sight of the joy of the subject. This is done by focusing on theoretical highlights (e.g., at least six Nobel Prize winning results are developed from scratch) and by presenting exciting connections of game theory to other fields such as computer science (algorithmic game theory), economics (auctions and matching markets), social choice (voting theory), biology (signaling and evolutionary stability), and learning theory. Both classical topics, such as zero-sum games, and modern topics, such as sponsored search auctions, are covered. Along the way, beautiful mathematical tools used in game theory are introduced, including convexity, fixed-point theorems, and probabilistic arguments. The book is appropriate for a first course in game theory at either the undergraduate or graduate level, whether in mathematics, economics, computer science, or statistics. The importance of game-theoretic thinking transcends the academic setting—for every action we take, we must consider not only its direct effects, but also how it influences the incentives of others.

A Day in the Life of a Firefighter

Kingfisher Readers L1: Jobs People Do by Thea

Access Free Dk Readers Jobs People Do A Day In A Life Of A Firefighter Level 1 Beginning To Read

Feldman Come along on a tour of all the interesting things people do as a job. From the farm to the city, and from the office to the stage, this book explores both the familiar jobs kids see every day like teachers and grocers, as well as more unusual jobs like astronaut and dancer. New words are introduced throughout the text with subtle highlighting--police officer, vet, mail carrier--and a glossary at the back gives the definition. The beautiful photography and the carefully constructed text work together to help new readers decode the amazing information. LEVEL 1: BEGINNING TO READ Consists of short simple sentences, high-interest information, easy vocabulary with a high degree of phonic regularity, and lots of repetition. Guided Reading Levels: F, G

Day in the Life of a Teacher

Describes the daily life of a doctor using simple text and photographs.
