Oh! What power And matchless Love Christ has Bestowed on His child My baby sister Kimberly. "Somebody Prayed for Me" is a unique, close and personal testimony of Kim's life. As you begin to read, you find yourself sitting up with Kim in the midnight hour; sitting at her bed side at the hospital as the doctors talk to her; and you even find yourself walking down the corridor as Kim is being wheeled into surgery. At times, you will laugh and at times you will cry. You will pray like you have never prayed before. As you read, you see and feel the wonder of Jesus throughout the pages. Kim clings to the only true and Faithful One's hand and that is Jesus. Life can hit us with some unexpected blows. Sickness is one of those unexpected blows that may hit you, a family member, or a close friend.

"Somebody Prayed for Me" helps you take your petitions to Him who sits on high, whose ear is always intoned to His children's cries. Psalm 40:1 says, "I waited patiently for the Lord; and He inclined unto me, and heard my cry." He did it for Kim; He will do it for you. May God richly bless you as read "Somebody Prayed for Me." In the early 1960s, the Alvin Ailey American Dance Theater was a small, multi-

racial company of dancers that performed the works of its founding choreographer and other emerging artists. By the late 1960s, the company had become a well-known African American artistic group closely tied to the Civil Rights struggle. In *Dancing Revelations*, Thomas DeFrantz chronicles the troupe's journey from a small modern dance company to one of the premier institutions of African American culture. He not only charts this rise to national and international renown, but also contextualizes this progress within the civil rights, women's rights, and gay rights struggles of the late 20th century. DeFrantz examines the most celebrated Ailey dances, including *Revelations*, drawing on video recordings of Ailey's dances, published interviews, oral histories, and his own interviews with former Ailey company dancers. Through vivid descriptions and beautiful illustrations, DeFrantz reveals the relationship between Ailey's works and African American culture as a whole. He illuminates the dual achievement of Ailey as an artist and as an arts activist committed to developing an African American presence in dance. He also addresses concerns about how dance performance is documented, including issues around spectatorship and the display of sexuality, the relationship of Ailey's dances to civil rights activism, and the establishment and maintenance of a successful, large-scale Black Arts institution. Throughout *Dancing Revelations*, DeFrantz illustrates how Ailey combined elements of African dance with motifs adapted from blues, jazz, and Broadway to choreograph his dances. By re-interpreting these tropes of black culture in his original and well-received dances, DeFrantz argues that Ailey played a significant role in defining the African

American cultural canon in the twentieth century. As the first book to examine the cultural sources and cultural impact of Ailey's work, *Dancing Revelations* is an important contribution to modern dance history and criticism as well as African-American studies.

I stood on the stairway of my home, in the shadows of their whispers; listening to the influences of bad association. They were discussing/planning their survival strategies. I didn't like what I heard. I knew I had to do something and soon. That night I prayed. As a single mom, I thought staying close to my children would encourage them to choose a more productive lifestyle. I was wrong. No matter how hard I tried, outside influences seem to have a stronger and more intriguing grip. But I refused to give up without a fight. That's when I decided to tell them about my past, my journey on the road of survival. Yes, I told them—almost everything. They listened, but didn't believe. To them I was a mother on a pedestal; a loving mom that made cupcakes for the school sale and went to almost every PTA meeting. Still, I was the same mom journeying on dangerous roads to survive. That's when I realized that I, they, needed a visual—TACT—Do What You Gotta Do, When You Gotta Do It.

Paper Towns

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Spin

Renowned choral conductor and educator Andr J. Thomas has crafted a book that the conductor of any choral ensemble-be it church, high school, university, or professional-will want close at hand when preparing to program any concert spiritual. Understanding the Spiritual, the first of the book's two sections, includes an exploration of the beginnings of the spiritual, its role in society and its transition into art music. Issues of interpretation-text, diction, rhythm and tempo-are addressed in the second section, Performing the Spiritual. In addition to interviews with noted conductors Dr. Anton Armstrong and Prof. Judith Willoughby as to matters of performance and selection, the centerpiece of this section is Dr. Thomas's personal reflections on several spiritual arrangements, including his rehearsal techniques (with specific examples and measure-number references to the included scores), as well as an insightful look into his decisions of interpretation.

Is it possible that good things can come out of our broken dreams? Worship leader and recording artist Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. In *When God Doesn't Fix It*, Laura helps readers understand that: We aren't the only ones whose lives have taken unexpected turns. Even heroes of our faith experienced brokenness. Despite our flaws and stories, God can use us in extraordinary ways. God may not fix everything. In fact, although your situation might not ever change or get better, with Jesus you can. Not because of your faith, but because of the faithfulness of their God.

Standing on the Shoulders of Giants is a book that opens up the vastly unexplored subject of mantles. Just as Elijah passed on his mantle (his anointing) to Elisha, we see clearly through the pages of this book just exactly how mantles are transferred, received, and imparted through the workings of the Holy Spirit. This fascinating topic is highlighted by biblical illustrations, modern day stories, and the author's own extraordinary personal testimony. This book is essential reading for those who desire to be positioned for the soon coming move of God that is destined to break upon the Church with an unprecedented deluge of God's glory, His cleansing fire, and an enormous harvest of souls that will be of epic proportions.

Rejoice!

Originally published in 1867, this book is a collection of songs of African-American slaves. A few of the songs were written after the emancipation, but all were inspired by slavery. The wild, sad strains tell, as the sufferers themselves could, of crushed hopes, keen sorrow, and a dull, daily misery, which covered them as hopelessly as the fog from the rice swamps. On the other hand, the words breathe a trusting faith in the life after, to which their eyes seem constantly turned.

Guidance for Leaders Seeking a Richer Way to Employ Worship Music Worship expert Constance Cherry offers comprehensive guidance to Christian leaders seeking a deeper, richer way to employ worship music in engaging ways for twenty-first-century worshipers. Following Cherry's successful book *The Worship Architect*,

this work helps Christian leaders think theologically and act pastorally about worship music in their churches. It addresses larger issues beyond the surface struggles of musical styles and provides tools to critically evaluate worship songs. The book is applicable to all Christian traditions and worship styles and is well suited to both the classroom and the local church. Each chapter concludes with suggested practical exercises, recommended reading, and basic vocabulary terms.

Three interconnected stories from three bestselling authors: John Green (Paper Towns, The Fault in our Stars), Maureen Johnson (The Name of the Star), and Lauren Myracle (The Internet Girls series.) Major motion picture in the works! A Christmas Eve snowstorm transforms one small town into a romantic haven, the kind you see only in movies. Well, kinda. After all, a cold and wet hike from a stranded train through the middle of nowhere would not normally end with a delicious kiss from a charming stranger. And no one would think that a trip to the Waffle House through four feet of snow would lead to love with an old friend. Or that the way back to true love begins with a painfully early morning shift at Starbucks. Thanks to three of today's bestselling teen authors—John Green, Maureen Johnson, and Lauren Myracle—the magic of the holidays shines on these hilarious and charming interconnected tales of love, romance, and breathtaking kisses. A New York Times Bestseller! "Tender without being mushy, these carefully crafted stories of believable teen love will leave readers warm inside for the holidays."—School Library Journal "Contemporary culture, humorous romantic developments and strong characters enhance this collaborative effort."—Kirkus Reviews

The American Organist

Proceedings, Twenty-fifth Annual Conference, Temple University, Philadelphia, Pennsylvania, 20 - 23 June, 2002

Looking and Listening: Conversations between Modern Art and Music invites the art and music lover to place these two realms of creative endeavor into an open dialog. Although the worlds of music and visual art often seem to take separate paths, they are usually parallel. Conductor and art connoisseur Brenda Leach takes unique pairings of well-known visual art works and musical compositions from the twentieth century to identify the shared sources of inspiration, as well as similarities in theme, style, and technique, to explore the historical and cultural influences on the great artists and composers in the twentieth century. Looking and Listening asks and answers: What does jazz have in common with paintings by Stuart Davis and Piet Mondrian? How did Gershwin's Rhapsody in Blue affect the work of artist Arthur Dove? How did painter Georgia O'Keeffe and composer Aaron

Copland capture the spirit of a youthful America entering the twentieth century? What did Kandinsky and Schoenberg share in their artistic visions? Leach takes readers on a whirlwind tour of the lives of these artists, surveying many of the key movements in the twentieth century by comparing representative works from the modern masters of the visual arts and music. Leach's refreshing and innovation approach will interest those passionate about twentieth-century art and music and is ideal for any student or instructor, museum docent, or music programmer seeking to draw the lines of connection between these two art forms.
