In viewing the great works of sacred Western art, many people find difficulty in understanding the stories and identifying the figures portrayed in them. This informative guide decodes these often-mysterious scenes and reveals a vibrant world of images from the Christian tradition for museum visitors, students, and art enthusiasts alike. Gospel Figures in Art examines depictions of stories and figures from both the New Testament's canonical gospels (the books of Matthew, Mark, Luke, and John) and the apocryphal gospels (early Christian writings excluded from the New Testament because of their unsubstantiated authorship), which served as rich sources of inspiration for medieval and Renaissance artists. Illustrated with masterpieces from many of the world's premier museums, the art works provided as visual references are carefully analyzed. Sections are devoted to the principal figures in the life of Jesus Christ-his family and the evangelists-and to the major biographical turning points: his birth and baptism, his public life, the miracles and good deeds he performed, his crucifixion, resurrection, and the events that followed. This indispensable resource makes the icons and narratives of sacred art come to life.

### **Art in America**

This volume examines the ways that sovereign rulers have employed well-defined symbols, attributes, and stereotypes to convey their power to their subjects and rivals, as well as to leave a legacy for subsequent generations to admire. Legendary rulers from antiquity such as Alexander the Great, Julius Caesar, and Constantine have been looked to as models for their display of imperial power by the rulers of later eras. From medieval sovereigns such as Charlemagne and France's Louis IX to the tsars of Russia and the great European royal dynasties of the Hapsburgs, the Bourbons, and the Tudors, the rulers of each period have appropriated and often embellished the emblems of power employed by their predecessors. Even the second-tier lords who ruled parts of France and Italy during the Renaissance, such as the dukes of Burgundy, the Gonzaga of Mantua, and the Medici of Florence became adept at manipulating this imagery. The final chapter is reserved for Napoleon I, perhaps the ultimate master of symbolic display, who assumed the attributes of Roman emperors to project an image of eternal and immutable authority. The author examines not only regal paraphernalia such as crowns, scepters, thrones, and orbs, but also the painted portraits, sculptures, tapestries, carved ivories, jewelry, coins, armor, and, eventually, photographs created to display their owner's sovereign power, a vast collection of works that now forms a significant portion of the cultural heritage of Western civilization.

### **The Cicerone Or, Art Guide to Painting in Italy by Jacob Burckhardt**

### **Catena Aurea**

This volume is a romp through the portrayal of love and sexuality in art. The book surveys Western artworks illustrating more or less explicitly delicate or amorous subjects.

### **All Music Guide**

### **A Guide to the Principal Authors and Composers of Gospel Song of the Nineteenth Century**

From ancient sculptures to Renaissance paintings & modern art, this volume explores the depiction of music, musical instruments & musical performance in Western art through the ages.

### **International Review Of Biblical Studies 2003-2004**

Formerly known by its subtitle "Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete," the "International Review of Biblical Studies" has served the scholarly community ever since its inception in the early 1950's. Each annual volume includes approximately 2,000 abstracts and summaries of articles and books that deal with the Bible and related literature, including the Dead Sea Scrolls, Pseudepigrapha, Non-canonical gospels, and ancient Near Eastern writings. The abstracts - which may be in English, German, or French - are arranged thematically under headings such as e.g. "Genesis," "Matthew," "Greek language," "text and textual criticism," "exegetical methods and approaches," "biblical theology," "social and religious institutions," "biblical personalities," "history of Israel and early Judaism," and so on. The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered.

### **Educators Guide to Free Social Studies Materials**

An introduction to art includes sections on architecture, sculpture, painting, and biographies of influential individuals

## **The Oxford University and City Guide, on a New Plan**

Features a collection of resources focusing on art, presented by Focus Unlimited. Provides ordering information for books, magazines, art supplies, and software. Offers access to a chat room and includes a site search form.

## **Love and the Erotic in Art**

## **Old Testament Figures in Art**

The influence of the Bible in Western culture is immeasurable, but these days few of us know much about it. Presenting concise and accessible introductions to the Bible's most important characters, stories and themes, this text encourages better understanding, study and analysis of the Christian element in Western culture. With no prior biblical knowledge required, this clearly presented volume delivers a framework of understanding for those studying Western literature, art, historical events, or for those simply wanting to improve their general knowledge. Filling a gap in the market for an introductory text of this kind, this genuinely multi-disciplinary book provides: \* edited extracts from the Bible \* explanations of the context and beliefs of each passage \* links to related biblical texts \* examples of related key works of art and literature \* brief biographies of key figures \* a comprehensive glossary defining specialist terms \* chronology \* suggested further reading. Enabling readers to encounter key Bible stories directly, the book also provides useful background information on issues of content, context and influence. Easy to use and follow, it is the essential guide for those wishing to find out more about the Bible and its impact on the world around us.

## **Bibliographic Guide to Art and Architecture**

Throughout the Middle Ages, sacred Christian art had two objectives: to express veneration for God and to provide illustrative lessons on the Christian faith to a largely illiterate population. Continuing in the spirit of the other books in this series, Old Testament Figures in Art compiles entries on key figures and events in the Old Testament, beginning with the Pentateuch, then drawing from the historical books, the books of wisdom and poetry, and, finally, the prophetic books. The vivid illustrations depict Old Testament scenes that occur most frequently as iconographic prototypes in Western art. Among the masterpieces featured are The Entry of the Animals into Noah's Ark by Jan Brueghel the Elder, The Sacrifice of Isaac by Rembrandt, Samson and Delilah by Peter Paul Rubens, Jacob Wrestling with the Angel by Paul Gauguin, and Isaac Receiving Rebekah as His Wife by Marc Chagall. The accompanying texts illuminate the unique ways in which Old Testament subjects have been portrayed in Western art throughout the ages. To complement the many scriptural

references, this handy volume also offers comparisons with other cultures whose stories or myths parallel those represented in the book.

## **Ravenna, an Art Guide**

## **Guide to Art Museums in the United States**

## **A Handbook for Travellers on the Continent: Being a Guide to Holland, Belgium, Prussia, Northern Germany and the Rhine from Holland to Switzerland (etc.) 12. Ed. Corr**

## **The History of the Church in Art**

## **A Guide to the Paintings of Florence**

## **Symbols of Power in Art**

The birth of the Christian Church, and what it means for modern religion and philosophy. This engaging guide presents an accessible overview of the birth of the Christian church, using the historical works found at the famous Nag Hammadi site in Egypt. With chapters discussing each of the major and minor documents found at Nag Hammadi, this volume also includes an overview of Gnosticism and the major players, revealing not only what the texts say, but also what they mean.

-Renewed interest in Gnosticism and the Gnostic gospels is driven by interest in the Nag Hammadi documents, The DaVinci Code, the Matrix movies, the Kabbalah, renewed interest in the divine feminine ideal, and the fact that many who've left the Church are looking for new answers in the early church -Author is a scholar and expert who's studied with some of the top
