The Vegetable Gardener's Container Bible

A daily kick in the pants from the Pitbull of Personal Development(r) and Wall Street Journal, BusinessWeek, and New York Times bestseller Larry Winget. In these uncertain times, America needs a straight-talk dose of Larry Winget reality more than ever. No Time for Tact is a boot-camp version of the "thought of the day" calendar, the ultimate wake-up call for anyone who's looking for a lifeline and true empowerment. With an eye-catching design, this book is packed with memorable gems, such as: "Stress comes from knowing what is right and doing what is wrong." "When people say, 'Let me be honest with you,' it means in the past, they haven't been." "If you are unhappy, unsuccessful, broke, or sick, please just keep it to yourself. The rest of us don't want to hear it, so don't feel compelled to share!" "Training is expensive. Books are expensive. Going to seminars is expensive. Being stupid is even more expensive." Blending longer observations with signature Winget quips, No Time for Tact is the perfect way to jump-start each day.

Ghost

In engaging, story-fille prose, McKain explains the four cornerstones of distinction, ending each chapter with a helpful executive summary.

Grow the Core

Harvest tomatoes on a patio, produce a pumpkin in a planter, and grow broccoli on a balcony! Best-selling author Ed Smith

shows you everything you need to know to successfully create and care for an edible container garden, from choosing the right plants and selecting appropriate containers through controlling pests without chemicals and harvesting fresh vegetables. You'll discover that container gardening is an easy and fun way to enjoy summer's bounty in even the smallest of growing spaces.

Grow A Pair To Grow Your Business

The straight-talking, New York Times bestselling author and Pitbull of Personal Development® is back with a pithy and prescriptive guide to success. A five-time bestselling author and one of the country's leading business speakers, Larry has made a reputation for being the first to challenge the positive-attraction gurus and the law-of-attraction bozos with his commonsense approach to success. Larry doesn't sugar-coat, and he isn't afraid to make people uncomfortable, because he wants us to stop making excuses, and start getting results. In *Grow a Pair*, Larry takes on entitlement culture, the self-help movement, political correctness, and more. We've all heard the phrase "grow a pair," but Larry's advice isn't about anatomy— it's about attitude. To get the success we want, we need to reject victimhood in favor of being assertive and finally taking some responsibility. With prescriptive advice on goal achieving, career, personal finance, and more, *Grow a Pair* will give the readers the kick in the pants they need.

Stop Being A Victim

A motivational speaker takes on entitlement culture, the self-help movement, and political correctness to discuss how to reject victimhood, become more assertive, and take responsibility.

How to Grow Up

Polling applies scientific principles to understanding and anticipating the insights, emotions, and attitudes of society. The Gallup Organization reveals: what polls really are and how they are conducted; why the information polls provide is so vitally important to modern society today; how this valuable information can be used more effectively, and more.

You're Broke Because You Want to be

In a collection of essays, the author describes how she started her literary career while living in a dirty communal house in San Francisco, partied with drugs and alcohol, dated men and women simultaneously and worked a series of dead-end jobs. Original.

successful “Spark & Hustle” workshops, Tory breaks down the basics, and helps you create a plan for success, including Exploring your motivations to profit from your passion How to nail a one-page business plan to launch your idea with clarity and confidence Finding the money to get going, perfecting your revenue and pricing Making social media (and other free tools) profitable for you Mastering sales without cringing at the thought of asking for money Detailed strategies for every aspect of your start-up and tactics to hustle for ongoing small business success

What's Wrong with Damn Near Everything!

The simple secrets to growing your curls healthy and long. Tightly curly hair isn't like any other type of hair, and it needs totally different care to make it happy. Do you spend countless hours—and untold dollars—on weaves, perms, salon visits, and products that promise to change, heal, or make your hair more manageable, only to end up even more frustrated? Do you wrestle daily with hair you can't get a brush through? Do you struggle to keep from hurting your child when you comb through her tight curls? Would you like to grow your tightly curly hair long and healthy? If you answered yes to any of these questions, this book was written for you. It gives you the information and techniques you need to celebrate—not fight against—your very curly hair. You will learn how not only to care for your curls, but to cherish them, all the while saving time, effort, and money. Curly Like Me is the off-the-grid, do-it-yourself owner's manual for tightly curly hair: Learn how to wear your own curls in their natural curl patterns Over 250 photographs and illustrations Includes the best products, tools, ingredients, curl-enhancing hairstyle ideas, tips for growing out your perm, and more Shows you pain-free techniques on how to comb and style your curls or your child's curls Over thirty easy, curl-enhancing hairstyle ideas, tips for growing out your perm, and more Helps you save money by avoiding costly treatments, products, marketing misinformation, and frequent salon visits so you can enjoy your own curls without pain, chemicals, or the use of weaves or extensions The story (with lots of photos) of Teri's journey from hair broken by relaxers, texturizers, improper care, trying to force it to conform, and fighting her weave addiction to finally understanding her own curls. Now her natural hair reaches to her hips. End your struggles with misunderstood, damaged hair and begin your journey to thriving natural curls. Applying the ideas and information in this book will show you how to love your hair the way it really is. Curly Like Me empowers you to take back the care of your hair so you can let your own beautiful curls shine. Teri LaFlesh spent nearly thirty years working to find a way to make her curls happy. Not wanting anyone else to go through with their hair what she did with hers inspired Teri to create the popular Web site TightlyCurly.com and to write Curly Like Me.

Where the Red Fern Grows

Describes how the First Lady and her daughters planted a vegetable garden on the White House's South Lawn as part of an initiative to raise awareness about childhood obesity, and shares gardening tips, recipes, and advice for making healthier

food choices.

Ballsy!

Living with an old-world mother and rebellious sister, an urban New Jersey misfit dreams of becoming the next J. R. R. Tolkien and believes that a long-standing family curse is thwarting his efforts to find love and happiness. A first novel by the author of the collection, *Drown*. Reprint.

BRASS OVARIES

From the creator of the wildly popular baby book "As You Grow" comes a modern memory book for couples to celebrate their marriage, offering a place to record the story of how they live and love--a treasure to pass on to their children and grandchild. Full color. Consumable.

Your Kids Are Your Own Fault

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America, she helped create the most welcoming and inclusive White House in history. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private. A deeply personal reckoning of a woman of soul and substance who has steadily defied expectations.

No Time for Tact

Are you an empath trying to run a business but getting burned out by doing all the giving with no returns? Are you struggling with pain in the ass customers and want to find your loyal, raving fans? How about just trying to run your business without the haters slicing up your beautiful heart and soul? Then, you, my friend, need to read this book. Written by an Highly Sensitive Person (HSP) & Empath, FOR Empathic/HSP Business owners who want to live their dream lives while serving their communities and true calling without losing their minds (or hearts!) This step-by-step blueprint will help you figure out how to grow a pair of balls and run your business more efficiently and profitably without turning into a stone-cold used car salesman. Sara will help you figure out the best way to protect yourself and take back your dreams and desires to turn them into a reality before they die faster than a cut flower on a hot summer day. Be warned though - this may trigger feelings of insecurity, lack of confidence and shame. But Sara will help you turn into and embrace the Confident Bitch you need to become - one who's confident, sexy and unapologetic who desires to make the world a better place, one step at a

time!

Exam Prep for: Grow a Pair How to Stop Being a Victim and

Shut Up, Stop Whining, and Get a Life was immediately hailed as "not your average self-help book" and demanded attention and praise right out of the gate. It is now considered one of the icons of the personal development movement. Now, Larry Winget is back with his signature caustic, no-nonsense, hilarious style, which earned him the titles "Pitbull of Personal Development®" and "World's Only Irritational Speaker®." Winget's "get off your butt and go to work" approach to self-improvement boils success down to a simple formula: Everything in your life gets better when you get better. Get tangible advice from one of the world's most successful speakers and the author of five bestselling books and television personality. Learn the keys to turning your life, money and business around. Stop making excuses, stop blaming others and take responsibility for your life and your results The brutal advice he offers has changed the lives of millions of people and increased sales for countless businesses. In this Second Edition of Shut Up, Stop Whining, and Get a Life, Winget takes the same principles and expands the lessons with brand new examples, stories, and added wisdom. It may sound ruthless, but your life is your own fault and if you shut up, stop whining, and take action you can create a better life.

I Can Grow a Flower

Read Larry Winget's posts on the Penguin Blog. Straight-talking, bestselling Pitbull of Parenting Larry Winget says "This is not a fix your kid book. It's a fix the way you parent book. You owe it to your kids to parent with a plan!" Being a parent is the toughest job in the world, especially with the increasing number of negative influences and pitfalls facing our kids today, from childhood obesity and out-of-control celebrity culture to the dangers of the internet and credit card debt. Larry Winget has never been one to shy away from tough truths, and what he says here may well be difficult for some parents to swallow: we are in the midst of a crisis with our kids. Kids today are over-indulged, over-entertained, under-achieving, and under-disciplined, with a sense of entitlement that is crippling society. And the real problem is that parents aren't paying attention to what's going on. If they were they would realize that most kids today barely read and write, except with their thumbs on their cell phones! Well-behaved, respectful kids are the exception, not the rule, and for the most part, parents are to blame. Responsible parenting is about beginning with the end in mind and parenting with a plan. But most parents have never stopped to consider what kind of adult they want to raise. They have all this fun creating a baby, but they don't have a plan for the end product. Larry's message to parents: Teach your kids to become the best adults they can be. But don't expect your kids to improve until you improve. Your Kids Are Your Own Fault covers familiar lessons and principles that have led Larry's readers to greater success with money, career, and goal setting, this time at a level where they can be taught to children. This book shows parents how to design the adult they want their kid to become and work backwards to

make sure it happens. Kids don't come with an instruction manual, but finally being a parent does! Watch a Video

The Year-Round Vegetable Gardener

Your success is only as large as your determination Bestselling author Karen Salmonsohn offers unflinching, real-world business advice and quick inspiration to help you get the career you've always wanted. Visually stunning, often humorous, and extremely insightful, this book is the only one you'll need to set yourself on course for extreme success. Here are some of her nuggets of wisdom. Mom was wrong. It's okay to talk to strangers. (tip #4) It doesn't matter how good your beef tenderloin is. Don't try to sell it to a vegan store. (tip #20) Whenever possible, play with people who are better than you. (tip #39) Don't just create deadlines. Create ill-lines and funeral-lines. (tip #47) Always brutally honest, Ballsy is the perfect companion for today's business professional.

Pass It On

This newly revised edition of the Wall Street Journal bestseller One Spirit Medicine offers an accessible guide to an ancient practice for healing and transformation--including new, cutting-edge science, recipes, and a 7-day Grow a New Body meal plan! Using the principles and practices in this book, you can feel better in a few days, begin to clear your mind and heal your brain in a week, and in six weeks be on your way to growing a new body--one that heals rapidly, retains its youthful vitality, and keeps you connected to Spirit, to the earth, and to a renewed sense of purpose in your life. Our minds, our emotions, our relationships, and our bodies are out of kilter. We know it, but we tend to ignore it until something brings us up short--a worrying diagnosis, a broken relationship, or simply an inability to function harmoniously in everyday life. When things are a little off, we read a self-help book. When they're really bad, we bring in oncologists to address cancer, neurologists to repair the brain, psychologists to help us understand our family of origin. This fragmented approach to health is merely a stopgap. To truly heal, we need to return to the original recipe for wellness discovered by shamans millennia ago. Drawing on more than 25 years of experience as a medical anthropologist--as well as his own journey back from the edge of death--acclaimed shamanic teacher Alberto Villoldo shows you how to detoxify the brain and gut with superfoods; use techniques for working with our luminous energy fields to heal your body; and follow the ancient path of the medicine wheel to shed disempowering stories from the past and pave the way for rebirth.

A Pair of Red Clogs

"Larry Winget hacks through the bad advice given in most business books. Some authors stroke your ego by reinforcing information you already know. Others get you lost in pages of boredom until you have no idea what the book is even about.

Some authors exp

Skellig

Aspiring to be the fastest sprinter on his elite middle school's track team, gifted runner Ghost finds his goal challenged by a tragic past with a violent father.

Cutting for Stone

"La frontera'I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera, enter California, and leave our poverty behind." So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving, from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one palce home, this is a story of survival, faith, and hope. It is a journey that will open readers' hearts and minds.

One Big Pair of Underwear

Count and share with...underwear! Come along on a zany adventure with this Classic Board Book edition of One Big Pair of Underwear from New York Times bestselling illustrator Tom Lichtenheld! What's one thing that two bears, three yaks, four goats, and six cats have in common? They hate to share. But look out—here comes a pack of twenty pigs ready to prove that sharing makes everything twice as fun! This seriously silly Classic Board Book with artwork by the New York Times bestselling illustrator of Goodnight, Goodnight Construction Site irresistibly combines the concepts of counting and sharing.

Spark & Hustle

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Grow a Pair

On a sunny morning in 1997, Linda Samis stood on the driveway of her soon-to-be foreclosed home and realized she needed to grow a pair of BRASS OVARIES! She's unapologetic, and coming at you like a bullet train. The straight talking spit-in-your-hand-and-shake approach as an entrepreneur has opened doors for Linda where most people haven't found the hallway, or even the building. And what red tape? When her bottled water company was first getting legs, Linda discovered the Trump Organization was also expanding into water. She dialed 4-1-1 for the number and met The Donald within weeks. BOOM. 'First of all I want to say up front, these are my opinions based on what I've seen. When women are good the world is good. And right now we're not good. Women! Boomers! Entrepreneurs! Everybody! I'm here to punch you in the face! Ya!

Right where you keep your eyes! We need a few words banned from the lexicon - deserve, try, perfect, luck - when you're finished reading this book, you won't need them anymore! When you have fully grasped that your choices are yours, and so are the consequences that's when you've earned your Brass Ovaries.' - LS

Shut Up, Stop Whining, and Get a Life

The beautiful and haunting novel that launched David Almond as one of the best children's writers of today When a move to a new house coincides with his baby sister's illness, Michael's world seems suddenly lonely and uncertain. Then, one Sunday afternoon, he stumbles into the old, ramshackle garage of his new home, and finds something magical. A strange creature - part owl, part angel, a being who needs Michael's help if he is to survive. With his new friend Mina, Michael nourishes Skellig back to health, while his baby sister languishes in the hospital. But Skellig is far more than he at first appears, and as he helps Michael breathe life into his tiny sister, Michael's world changes for ever . . . Skellig won the Carnegie Medal and the Whitbread Children's Book Award and is now a major Sky1 feature film, starring Tim Roth and John Simm. David Almond is also winner of the 2010 Hans Christian Andersen award. Powerful and moving - The Guardian This newly jacketed edition celebrates 15 years of this multi-award-winning novel.

Create Distinction

A no-holds-barred guide to prosperity by a host of Big Spender describes his disadvantaged youth and experience with bankruptcy, sharing his philosophies about personal accountability that enabled him to become a multi-millionaire.

Grow a Pair

The Circuit

Grow the Core stands conventional wisdom about business growth on its head and provides a proven formula for growing your business in recessionary times. These days, it's a common belief among business leaders across industry sectors that the best way to grow their businesses is to expand into new markets. In reality, virtually all top-performing companies achieve superior results through a leading position in their core business. Unfortunately, there's very little in the way of practical advice on how to do this. Grow the Core shows you how to focus on your core business for brand success, with a program of eight workouts road-tested by the author's consultancy, the brandgym. The book provides inspiration, practical advice and proven tools for building and strengthening your core business. It is packed with case studies from brandgym

clients, including Mars, Friesland Campina, SAB Miller and Danone. The book features exclusive brandgym research, in addition to front-line experience on over one hundred brand coaching projects.

As We Grow

Houston Texans quarterback Deshaun Watson is one of the most promising young players in the NFL, but he believes that true success lies in leading his team from a perspective of service. In this inspiring, practical book, Deshaun illustrates how the seven qualities of a servant leader can lead to a more successful life. Deshaun Watson was only eleven when his family received a house from Atlanta Falcons running back Warrick Dunn through Dunn's charity, Homes for the Holidays. But that early gift left a lasting impression, teaching Deshaun that generosity and service to others are important parts of true success. Now a star in his own right, and the most promising young player in the NFL, Deshaun reveals the lessons that have guided him throughout his life. From Deshaun's early days in Gainesville, Georgia, where he nursed his mother through cancer, to his years at Clemson—where he graduated in three years while being nominated for the Heisman twice—to his first few seasons in the NFL, Deshaun has distinguished himself as a leader by putting the others first. In *Pass It On*, Deshaun opens up about the seven core values that have guided him on his own journey. Generosity Empathy Self-Sacrifice Service Commitment Strength Values in Action Interweaving stories from his life with practical advice that every reader can apply, Deshaun demonstrates how true strength lies in putting others first.

American Grown

Through illustrations and photography, reveal the wonder of how plants grow as you follow the story of a mystery seed. How was it planted? What does it need? What will it become? As days go by, it's hard to imagine the tiny shoot will ever grow into a big, strong plant. Could it magically become the tallest of all the garden flowers? The book includes very simple gardening projects and facts about garden creatures (which ones are good for plants, and which ones are bad), and children will find out what a pollinator is, and how to attract pollinators to the garden.

Polling Matters

Legends cloud the life of Crazy Horse, a seminal figure in American history but an enigma even to his own people in his own day. This superb biography looks back across more than 120 years at the life and death of this great Sioux warrior who became a reluctant leader at the Battle of Little Bighorn. With his uncanny gift for understanding the human psyche, Larry McMurtry animates the character of this remarkable figure, whose betrayal by white representatives of the U.S. government was a tragic turning point in the history of the West. A mythic figure puzzled over by generations of historians, Crazy Horse

emerges from McMurtry's sensitive portrait as the poignant hero of a long-since-vanished epoch.

It's Called Work for a Reason!

The Pitbull of Personal Development® Takes on Damn Near Everything! Larry Winget does not mince words, and in this latest addition to his straight-talking brand, one of the most iconic leaders of the personal development industry puts down in black and white, What's Wrong with Damn Near Everything! If you think the world is a mess, you already have a lot in common with Larry. The genius and power of his simple approach to turning around the parts of your life that need it has transformed people and businesses all over the world. Now, in this wildly entertaining and informative diagnosis and prescription, he narrows down the singular virus sickening the four most influential aspects in our lives: the people around us, our education system, business, and government. The illness rotting them all out can be blamed on people ignoring their core values. That's personal, and Larry goes there and then some, and that's why countless people have been converted into followers by watching him on television as he regularly appears on varied news programs and by buying enough of his books to put him on the New York Times and Wall Street Journal bestseller lists. His shocking opinions and belly-laughing honesty all come unfiltered. If he offends you—good! You're engaged and really thinking about what's important to you. This single resource enables you to: Take real action to improve what's wrong with your business, family, and life. Get advice you can understand from a non-stop powerhouse coach. What's Wrong with Damn Near Everything! tells you all the simple truths to troubleshooting everyday problems in life and business.

Curly Like Me

Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, Cutting for Stone is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

DIY Succulents

No-nonsense, wryly self-deprecating, and totally persuasive, You're Old, I'm OldGet Used to It! unabashedly exalts the virtues of aging. Virginia Ironside wants you to know that getting old is a good thing-and not in that dreadful "sixty is the new forty" way. At sixty-five, she has no interest in pretending to be young and neither should you. Virginia celebrates all the "issues" that she and her fellow oldies embrace, including: • Talking about ailments (and the fabulous meds that come

with them) • Grandchildren (the reward you get for not killing your children) • Wisdom (random disorganized knowledge you get to put a fancy label on because you're old)

You're Old, I'm Old . . . Get Used to It!

"'DIY Succulents' shows you how to use beautiful and resilient plants like echeveria, sedum, and graptopetalum to craft nature-inspired home decor, like rustic tabletop centerpieces and breathtaking wall art"--
