## Rediscover the Rosary

Forgiving Mother offers you practical guidance and spiritual wisdom to begin your journey to wholeness of spirit. Highly recommended! -- Lisa M. Hendey, author, The Grace of Yes Marge Steinhage Fenelon knows the pain, fear, hopelessness, insecurity, resentment and anger of being raised by a troubled mother. She also knows the way out: Mary. In Forgiving Mother, Fenelon deftly explores the ways the Blessed Virgin can provide comfort and healing if you truly desire it. Drawing from personal experience as well as wisdom from Church documents, Scripture, and the saints, Fenelon sketches a path from despair to peace. She offers concrete steps and prayers to help you deal with the painful memories, emotions and fears that are rooted in your past. Part memoir, part spiritual guide, Forgiving Mother is a workbook for healing even the most deeply rooted pain. It also includes a novena, which you can pray alongside each chapter or as a final step in the healing process. You will likely find solace from going through the novena again and again, as you'll find healing is a cyclical process--not a linear one. You are a child of Mary and she loves you tenderly. She really, truly is your mother--given to you by our Lord as he hung dying on the cross. Jesus wants you to accept his mother as your own and to develop a deepening relationship with her so that she can fill the void that the past has left inside of you. And in her kind, motherly way, she will. What's more, she will lead you to her son who, as God, is the ultimate source of all healing and peace. Pray through it, meditate on it, and let Mary's love sink into your heart and soul. Above all, be gentle with yourself. This is your healing process, and no one else's. With the Blessed Mother's help, you can become the whole, healed and truly cherished person you were meant to be.

## Stabat Mater

Participant Workbook Revised and reformatted! Genesis to Jesus opens the door to deeper understanding of Scripture for all Catholics, especially those who find reading the Bible a daunting task. The book leads the reader on an overview of salvation history in order to give the "big picture," the single plot that runs through the books of the Bible. What is that overarching story? God's plan to bring all

humanity into his covenant family. This overview of key covenants from creation to the New Covenant established by Jesus not only helps the reader see how various biblical stories fit together in God's plan, it also provides a foundation for ongoing Bible study. Genesis to Jesus is the first in a series of study guides produced by The St. Paul Center for Biblical Theology, based in Steubenville, Ohio. The Center, founded in 2000, develops materials to help Catholics deepen their faith through Scripture study. KIMBERLY HAHN is the author of *Life-Giving Love: Embracing God's Beautiful Design for Marriage*, the *Life-Nurturing Love* series published by Servant Books, and coauthor, with her husband Scott Hahn, of *Rome, Sweet Rome: Our Journey to Catholicism*. DR. SCOTT HAHN teaches theology at the Franciscan University of Steubenville, Ohio. He is the author of *A Father Who Keeps His Promises: God's Covenant Love in Scripture* and many other books. They are the parents of six children.

## **Hail Holy Queen Enthroned Above Easy Piano Sheet Music**

Catholic Hymn also known as Salve Regina, for Beginner Piano A SilverTonalties Arrangement! Easy Note Style Sheet Music Letter Names of Notes embedded in each Notehead!

## **Reasons to Believe**

Scott Hahn has the rare ability to explain the essential teachings of Catholicism in a totally accessible manner. Rather than burdening the reader with difficult or arcane references and arguments, he writes of familiar feelings and situations and allows the theology to unfold naturally. In *First Comes Love*, Hahn turns his attention to the search for a sense of belonging, revealing the intimate connection between the families men and women create on earth and the divine family, the Holy Trinity. Delving into the Gospels, Hahn shows that family terminology--words like brother, sister, mother, father, and home--dominates Jesus' speech and the writings of His first followers, and that these very words illuminate Christianity's central ideas. As he explores the fatherhood of God, the marriage of the Church to Christ, and the all-enveloping role of the Holy Spirit, Hahn deepens readers' understanding of the sacraments, teaches them how to create a family life in the image of the Trinity, and demonstrates the ways in which the analogy of the family applies to every aspect of Catholicism and its practices--from the role of "father" embodied by the ancient patriarchs and contemporary parish priests, to the comfort and guidance offered by the brothers and sisters who comprise the Communion of Saints, to the nurturing embrace of Mary, the mother of all Christians. Through real-life examples (both humorous and compassionate) and quotations drawn from the Scriptures, Hahn makes it clear that no matter what sort of family readers come from--no matter what sort of "dysfunction" they have experienced--they can find a family in the Church. Reaching out to newcomers and to lifelong Christians alike, *First Comes Love* is an invitation to discover a true home in the divine.

## **Hail Holy Queen Enthroned Above Beginner Piano Sheet**

The so-called "Fátima prayer," O my Jesus, surely ranks among the Church's most

popular prayers. In the space of just twenty-nine words, it broaches some of the great themes of Christianity: sin, forgiveness, mercy, heaven, hell. The authors offer here reflections on this prayer, resulting in a work of popular theology and spiritual writing.

## **The Assumption of Mary**

A deeply personal introduction to the biblical theology and spirituality of Opus Dei by the bestselling Catholic author Scott Hahn. To conspiracy theorists, Opus Dei is a highly secretive and powerful international organization. To its members, however, Opus Dei is a spiritual path, a way of incorporating the teachings of Jesus into everyday life. In *Ordinary Work, Extraordinary Grace*, Scott Hahn, a member of Opus Dei, describes the organization's founding, its mission, and its profound influence on his life. Hahn recounts the invaluable part Opus Dei played in his conversion from Evangelical Christianity to Catholicism and explains why its teachings remain at the center of his life. Through stories about his job, his marriage, his role as a parent, and his community activities, Hahn shows how Opus Dei's spirituality enriches the meaning of daily tasks and transforms ordinary relationships. He offers inspiring insights for reconciling spiritual and material goals, discussing topics ranging from ambition, workaholicism, friendship, and sex, to the place of prayer and sacrifice in Christianity today. Engaging and enlightening, *Ordinary Work, Extraordinary Grace* is at once a moving personal story and an inspiring work of contemporary spirituality.

## **The Divine Life of the Most Holy Virgin**

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had

been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

## **Jesus and the Jewish Roots of Mary**

Praying can be as easy as talking to a loved one. But, sometimes you can't find the words or you're too overwhelmed to know what to say or how to ask for God's blessings. Practical Prayers for Catholics is an extensive and carefully curated collection of over 550 practical, life-giving, effective and powerful prayers to help you start praying and deepen your prayer life. Organized for ease of use, you'll find: Over 325 NEW prayers, written by Ann Fitch More than 275, situation specific prayers, written to help you pray through the very real joys, challenges, and problems of everyday life 66 all-new prayers to Patron Saints Almost 100 Traditional Catholic prayers 10 Chaplets & Rosaries 20 Litanies 36 Novenas 17 Prayers for before and after Communion 36 Prayers for before the Blessed Sacrament With this book of prayers, you have the perfect tool to help you confidently place your needs, and the needs of your loved ones, in God's all powerful hands. Use it daily to deepen your relationship with God and open your heart to receive God's grace and abundant blessings. Find additional prayers, other books by Ann Fitch, and more at: [www.PracticalPrayers.com](http://www.PracticalPrayers.com)

## **O My Jesus**

Peter Kreeft brings his unique insights to this most important area of our spiritual lives. He claims he himself is still a beginner in prayer, and this book is for all those, like him, who feel that they are not good at praying but desire to become much better at it. Thus, Kreeft offers simple, but profound advice and practical steps for developing a prayer life based on the time-tested wisdom of the saints and great spiritual writers, especially the principles found in Brother Lawrence's classic, *The Practice of the Presence of God*. In short, straight-forward and unsentimental chapters, Kreeft covers all the key areas for understanding and

developing that intimate form of communication with our Creator that we call prayer. He covers such areas as the necessity of prayer, various motives and methods, steps, patience, suffering, sin, faith, and grace.

## **Swear to God**

The bestselling author of "Jesus and the Jewish Roots of the Eucharist" casts new light on the Virgin Mary, illuminating her role in the Old and New Testaments.

## **Prayer For Beginners**

The most solemn, majestic, and beautiful gifts that Jesus Christ gave to the world are His sacraments. He endowed them with unprecedented and unparalleled power—power to change lives, save souls, and share God's very life. The sacraments are the ordinary means by which God directs the course of each human life and all of world history. The Church celebrates seven sacraments: baptism, Eucharist, confirmation, matrimony, holy orders, confession, and anointing of the sick. Each was established by Jesus for the sake of salvation. When Jesus spoke of the sacraments, He made clear that they were essential: Unless one is born of water and the Spirit, he cannot enter the kingdom of God (Jn 3:5) . . . unless you eat of the flesh of the Son of man and drink His blood, you have no life in you (Jn 6: 53). In *Swear to God*, Dr. Scott Hahn explores the richness of Christ's sacraments—their doctrine, history, symbols, and rituals. Drawing upon the Bible and the Church's tradition, he shows how God's covenants—with Adam, Noah, Abraham, Moses, and David—became the driving forces in history. When Jesus came to fulfill all these covenants, He established a new covenant, with greater power than ever before. Christians are God's children now. Joined to Christ by baptism, we can already share in the eternal life of the Trinity, a life we hope to know fully in heaven. But heaven is with us, even now, in the sacraments.

## **30 Days of Prayer with Mary**

A study of the hows and whys of the Catholic faith draws on scriptural passages, personal experience, and everyday life to offer a straightforward, thought-provoking response to common criticisms of Catholicism. 40,000 first printing.

## **Lord, Have Mercy**

A shorter and faster reading popular abridgement of the *Mystical City of God*, this book just flows and flows. It includes Our Lady's participation in the events of Our Lord's Passion and death. It shows how the Angels served the Blessed Virgin, how the devils waged war against her, the special graces she received--such as, continual Eucharistic presence of Our Lord after she received Communion, frequent visits to Heaven during her life on earth, etc. Imprimatur

## **Forgiving Mother**

Discusses the importance of the priesthood within the Catholic Church and the many roles that priests serve.

## **Bible Basics for Catholics**

The last dogma defined by the Church is the Assumption of the Blessed Virgin Mary into heavenly glory. This dogma is the gateway to answer one of the greatest problems that has ever faced the human race. What is the meaning of life? Is death the end of everything? Mary's Assumption tells us that eternal life with God is the final evolution of every man and woman who dies in the friendship of God. At the end of time all will be taken up and transformed, the body and the soul, the corporeal and the spiritual. For all that God created is sacred and loved. Where Mary is, all the elect will be. Whoever contemplates this mystery learns much about God, Christ, Mary, the Church and oneself. The Virgin Mary is one who walked in the darkness of faith and never despaired, one who obeyed and never deserted, one who loved and was never unfaithful. She is an example of the perfect disciple. Mary was Jesus' first and the most perfect disciple of Christ. The Virgin Mary, taken up into heaven after her earthly life, remains for us the symbol of all that we should be, and of all that we will be, if only we are faithful to Christ. She is the woman in the life of Christ and the woman in the life of all who follow him. On earth Mary was the mother of Jesus and his wholehearted companion, his comfort and joy. Now in heaven close to Jesus, she watches over us with a mother's care and intercedes for us. She is our life, our sweetness and our hope. She is our shining example. Where she is, we shall be. God knows we need the woman clothed in glory. The purpose of this book is to contemplate the Virgin Mary in her heavenly glory. The book's reflections go beyond the mystery of the Assumption in itself to contemplate the Mother of God in glory in relation to Christ and the Church. For Mary in glory is close to Christ and the people of God. We hope to penetrate more deeply this twofold mystery. To facilitate this task, the book is divided the study into two parts: The Assumption in the Mystery of Christ, and the Assumption in the Mystery of the Church. The first part follows the model of Chapter eight of the Constitution on the Church of the Second Vatican Council. There as here, Mary is considered first in the mystery of Christ and then in the mystery of the Church. The first part is actually a commentary on the Apostolic Constitution *Munificentissimus Deus* that defined the dogma of the Assumption. It is here we perceive that the Assumption is not an isolated privilege granted to Mary, but one that is intimately joined with the person and mission of Christ. Her triumphal entrance into glory is part of Christ's victory over sin and death. The second part goes beyond the Constitution and ponders the Immaculate Virgin in heaven in relation to the mystery of the Church. The first consideration is Mary in heaven as the model, image and beginning of the pilgrim Church. This is followed by her relation to the suffering and heavenly Church. The final chapter ponders the texts of the liturgical feast of the Assumption. It is in the liturgy of the feast that we experience God's love for the human family; Mary's inseparable union with Christ her Son and Savior, and the joy that we are called to experience once our pilgrimage of faith is over. For, taken up to heaven we join Mary in the communion of saints in union with Christ our Lord.

## **First Comes Love**

This booklet of prayers is a comprehensive collection of Catholic prayers you might wish to use on any given day, but NOT with the expectation that you would use every prayer every day, or even that you would use every prayer ever! Prayers are

included that are traditionally used at different times of day. For instance, the Morning Offering, the noon Angelus, the 3pm Divine Mercy Chaplet, and night prayers. Also included are prayers for before and after Mass, meals, and work, and various prayers you might wish to offer for other people. You'll find prayers for traditional devotions like a visit to the Blessed Sacrament, and the Rosary. If you are just beginning to include regular prayer in your daily life, it's best to start in a small and manageable way, with perhaps a Morning Offering and Grace Before Meals. Then, as you become more used to the habit, you can slowly add in new prayers and devotions, like a noon Angelus, a daily family Rosary, and an Examination of Conscience and Act of Contrition at night. If you are able to add daily Mass, a Visit to the Blessed Sacrament, and/or the Sacrament of Confession to your weekly routine, you can use the included prayers here to help you prepare and focus. For prayers, hymns, blessings, and devotions that pertain to particular feast days and seasons of the liturgical calendar, see the Catholic All Year monthly prayer booklets. For an introduction to the concept of liturgical living in the home, and ideas for how to bring the Catholic faith into daily life for you and your family, please see *The Catholic All Year Compendium: Liturgical Living for Real Life*.

### **Hail, Holy Queen**

An in-depth presentation of the Gebirah or 'Great Lady' tradition in salvation history and its profound connection to the doctrine of Mary's queenship. Edward Sri demonstrates how the queen-mother theme in the Davidic kingdom sheds light on the role of Mary as heavenly Queen. This compelling read will bear much fruit for those seriously looking to grow in their knowledge and love of Scripture.

### **The Woman**

Incredibly revealing and edifying background of Our Lady, her parents and ancestors, St. Joseph, plus other people who figured into the coming of Christ. Many facts described about the Nativity and early life of Our Lord, as well as the final days of the Blessed Mother—all from the visions of this great mystic.

### **Hail Holy Queen**

As seen on EWTN with over 600,000 copies sold! Bestselling author Scott Hahn unveils the mysteries of the Mass, offering readers a deeper appreciation of the most familiar of Catholic rituals. Of all things Catholic, there is nothing that is so familiar as the Mass. With its unchanging prayers, the Mass fits Catholics like their favorite clothes. Yet most Catholics sitting in the pews on Sundays fail to see the powerful supernatural drama that enfolds them. Pope John Paul II described the Mass as "Heaven on Earth," explaining that what "we celebrate on Earth is a mysterious participation in the heavenly liturgy." The Lamb's Supper reveals a long-lost secret of the Church: The early Christians' key to understanding the mysteries of the Mass was the New Testament Book of Revelation. With its bizarre imagery, its mystic visions of heaven, and its end-of-time prophecies, Revelation mirrors the sacrifice and celebration of the Eucharist. Beautifully written, in clear direct language, bestselling Catholic author Scott Hahn's new book will help readers see the Mass with new eyes, pray the liturgy with a renewed heart, and enter into the

Mass more fully, enthusiastically, intelligently, and powerfully than ever before.

## **The Twelve Steps to Holiness and Salvation**

### **Hope to Die**

As Catholics, we believe in the resurrection of the body. We profess it in our creed. We're taught that to bury and pray for the dead are corporal and spiritual works of mercy. We honor the dead in our Liturgy through the Rite of Christian burial. We do all of this, and more, because when Jesus Christ took on flesh for the salvation of our souls he also bestowed great dignity on our bodies. In *Hope to Die: The Christian Meaning of Death and the Resurrection of the Body*, Scott Hahn explores the significance of death and burial from a Catholic perspective. The promise of the bodily resurrection brings into focus the need for the dignified care of our bodies at the hour of death. Unpacking both Scripture and Catholic teaching, *Hope to Die* reminds us that we are destined for glorification on the last day. Our bodies have been made by a God who loves us. Even in death, those bodies point to the mystery of our salvation.

### **Hail, Holy Queen**

The first part of St. Alphonsus' masterpiece, *The Glories of Mary*, collected from the Saints, Doctors of the Church, and other holy authors. Amazing statements on Our Lady's God-given role in securing our salvation; with remarkable stories of miracles and graces she obtained. Shows that devotion to Mary is a most certain mark of eternal salvation! Gives profound encouragement and firm hope for eternal victory through Mary, the Mother of God--who can obtain from her Divine Son anything she asks.

### **The Lamb's Supper**

Explores the "covenant love" God reveals to us through the Scriptures and explains how God patiently reaches out to us to restore us into a relationship with his divine family, in a book that follows the high adventure of God's plan for the ages, beginning with Adam and Eve and continuing down through the generations to the coming of Christ and the birth of the Church. Original.

### **Hail, Holy Queen**

### **How to Pray the Rosary**

The first part of St. Alphonsus' masterpiece; *The Glories of Mary*; collected from the Saints; Doctors of the Church and other holy authors. So anything she asks. Impr. 237 pgs; PB

## **Hail Holy Queen!**

An illuminating, reassuring explanation of the Catholic Church's teachings on confession and forgiveness by the bestselling author of *The Lamb's Supper* and *Hail, Holy Queen*. Jesus told his first clergy, "If you forgive the sins of any, they are forgiven; if you retain the sins of any, they are retained." In *Lord, Have Mercy*, Scott Hahn explores the sacrament of reconciliation and shows why it is the key to spiritual growth, particularly in these times of intense anxiety and uncertainty. Drawing on the history of ancient Israel, the Gospels, the writings of the early Church, and the lives of the saints, Hahn reveals the living, scriptural heart of the Church's teachings on penance, forgiveness, and reconciliation. It is a story that begins with the sin of Adam and Eve, continues in the biographies of Moses, King David, and the Apostle Peter, and reverberates in the lives of believers today. Hahn presents the Catholic and biblical perspective on sin and mercy, elucidating in clear, easily understood language the true import of Jesus' simple, yet profound promise—"I am the door; if anyone enters by Me, he will be saved (John 10:9). Like Hahn's earlier books, *Lord, Have Mercy* offers thoughtful, authoritative insights into controversial issues and disputed doctrines in a manner that will enlighten lay readers yet is thorough enough for scholars to appreciate. More than just a Bible study, it is a guide for the perplexed, providing practical advice and inspiration that will help readers come to a deeper knowledge of themselves and of Jesus through the sacrament of penance.

## **The Spiritual Exercises of St. Ignatius**

### **Practical Prayers for Catholics**

Catholic Hymn, also known as Salve Regina for Easy Piano A Silver Tonalities Arrangement! Easy Note Style Sheet Music Letter Names of Notes embedded in each Notehead!

### **The Fourth Cup**

Well-known Catholic theologian Dr. Scott Hahn explains Christ's Paschal sacrifice on the cross as the fulfillment of the traditional fourth cup used in the celebration of Passover, drawing symbolic parallels to the Last Supper and Christ's death on Calvary. Through his scholarly insights and important biblical connections, Mass will come alive for you as never before!

### **The King in Yellow**

John Bergsma's popular *Bible Basics for Catholics*, which has sold more than 60,000 copies, offers readers an accessible vision of salvation history as it unfolds in the Bible, showing readers how the Bible points us to the saving life and work of Jesus. This new edition includes an additional chapter on covenant fulfillment in the Book of Revelation. Bergsma brings to his theology a combination of academic

expertise, pastoral wisdom, and unique playfulness. Bible Basics for Catholics is based on Bergsma's popular Introduction to Theology course at Steubenville. As a teacher, Bergsma has an uncanny ability to make complex ideas understandable and faith-inspiring while staying true to both Catholic teaching and biblical scholarship. Readers will begin to see the Christian understanding of salvation by walking through the Old Testament, going through the great stories of Adam and Eve, Noah, Abraham, Moses, the great kings and prophets of Israel, and culminating in the person and work of Jesus Christ.

## **The Glories of Mary**

In this handy little guide, best-selling author Fr. Donald Calloway, MIC, teaches you how to pray the Rosary well and why it matters, addressing issues such as: Why pray the Rosary? How long should a well-prayed Rosary take? What are the graces attached to praying the Rosary? How can I become a champion of the Rosary? Our Lady needs Rosary champions to help bring peace in the world. Will you answer her call to prayer?

## **Many Are Called**

Amazing how a simple Jewish woman has captured the imagination and love of the followers of Jesus for all of Christian history. Bringing together both traditional and contemporary Marian prayers, this pamphlet will help deepen your experience of prayer with the Mother of God. Designed to be used daily over thirty days, each prayer provides the opportunity to seek the powerful intercession of the Blessed Virgin Mary. "Deluxe pamphlet This product is not returnable."

## **Ordinary Work, Extraordinary Grace**

The 12 Steps to Holiness is compiled from the writings of St. Alphonsus Liguori and is rated as one of the most beautiful and inspiring books by numerous TAN readers. St. Alphonsus develops, in the most simple language, yet with the greatest learning, the 12 key virtues necessary for salvation: faith, hope, love of God, love of neighbor, poverty, chastity, obedience, meekness or humility, mortification, recollection, prayer and self-denial or love of the cross. This book is written with such an encompassing view that its message is for all—religious or layman, the young or the old, the pious or the wayward. The reader will marvel at the balance, the simplicity, the learning, the interest, the calm and the holy unction that penetrate this work. And he will find himself repeatedly marking significant passage and returning to them again and again for instruction and edification. Here is a book, quite simply, for everyone who would save his soul.

## **Genesis to Jesus**

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world),

and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

## **Queen Mother**

As the Church approaches the apex of the most extraordinary Marian age in history, the Holy Spirit is unveiling the deepest secrets concerning His Bride, who revealed herself to St. Bernadette as The Immaculate Conception. The visions granted to St. Catherine Laboure in 1830, which led to the molding of the Miraculous Medal, and the teachings of St. Maximilian Maria Kolbe emphasized an inseparable relation between Mary as The Immaculate Conception and her special role as Mediatrix of all graces. How do we best understand the full import of this role and its relevance to a Church navigating through the most turbulent seas in her history? Archbishop Fulton J. Sheen, called by many "a prophet for our times," provides some of the most penetrating insights into this mystery, so that no matter what one's prior understanding is of the Mother of God, they will never look at her the same way again. Enjoy fresh and invigorating insights into the mystery of the one chosen to bridge a fallen humanity with the Holy Trinity—the one whose unique place in the history of salvation is unveiled by the singular title "The Woman."

## **The First Society: The Sacrament of Matrimony and the Restoration of the Social Order**

Presents a new perspective on Mary, Mother of God by reinterpreting the Marian doctrines to provide more understanding of their relevance to faith and religion today.

## **Catholic All Day**

Everyone seems to agree that Western Civilization is in trouble. The problem is that no one agrees on what has gone wrong or what to do about it. Some think we have too much government, some not enough; some think we have too much capitalism, some not enough; some think we have too much sexual freedom, some not enough. But what if the problem is much more fundamental? What if the problem goes to the very foundations of who we are as human beings in relationship with God? In *The First Society: The Sacrament of Matrimony and the Restoration of the Social Order*, Scott Hahn makes the startling claim that our society's ills and its cures are rooted in whether we reject or accept the divine graces made available through the Sacrament of Holy Matrimony. Man, he argues, is social in his very nature. We were created for community. As it was in the beginning, so it remains today. The family, formed through the Sacrament of Matrimony, is the most basic building block of every society—whether we like it or

not. We've corrupted marriage, and so we have a corrupt society. If we get marriage right, our society, through God's grace, will flourish. This is so because Matrimony, like all the sacraments, heals and elevates human nature. Without marriage, our ambitions toward a just social order will remain forever foolhardy. With it, the seemingly impossible, a truly peaceful and humane civilization, becomes possible.

## **The Life of the Blessed Virgin Mary**

A tribute to the touchstones of a Catholic life shares accessible explanations of the biblical doctrines and historical traditions that underlie the faith's beliefs and practices, introducing basic tenets while sharing reflections on how to apply Catholic wisdom to everyday life.

## **A Father who Keeps His Promises**

Eight colorful storybooks to help children learn and understand the basic prayers.

## **Signs of Life**

We live hectic lives in a chaotic world. All this can lead to confusion that fogs the mind, unsettles the soul, and leads to poor decisions. Amidst such chaos and confusion, our souls yearn for peace and clarity. We long to hear God's voice with greater clarity. God wants to put things in order. He wants to rearrange our priorities. If we let him, we will be happier than we ever thought possible in this lifetime, and finally then we will come to know the peace for which we all yearn, but so few of us ever find. Our Catholic spirituality is constantly inviting us to establish the deep roots of order in our lives, and one of the best ways I know to do that is by praying the Rosary. The Rosary works. It's a very powerful way to pray. There is just something about it that settles our hearts and minds. It puts everything in perspective and allows us to see things as they really are. It reaches deep down into our souls and puts us at ease, creating a peace that is rare and beautiful. When I pray the Rosary, I am a better person. It makes me a better son, brother, husband, father, employer, neighbor, citizen, and a better member of the human family. It teaches me to slow down, calm down, let go, surrender, and listen. The Rosary teaches me how to simply be; and that is not a small or insignificant lesson. It is the perfect prayer for busy people in a busy, noisy, confused world. But don't take my word for it. Try it for yourself. Develop a habit of praying the Rosary. The Rosary will focus you. It will calm your heart, mind, and spirit, so you can hear the voice of God. It will open the eyes of your heart so that you can recognize him at work in your life. It will lead you to make better decisions, become a better listener, get clear about what matters most and what matters least, and fill your life with peace and order. Discover for yourself the treasures of this powerful, ancient prayer.
