### Dog Is Love

Zelie Adebola remembers when the soil of Or sha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zelie s Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zelie without a mother and her people without hope.

### The Play of Daniel Keyes' Flowers for Algernon

A NATIONAL BOOK FOUNDATION "5 UNDER 35" HONOREE WINNER OF THE 2017 KIRKUS PRIZE FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE LEONARD PRIZE SHORTLISTED FOR THE ASPEN WORDS LITERARY PRIZE FINALIST FOR THE NYPL'S YOUNG LION'S FICTION AWARD Named a Best Book of 2017 by NPR, Southern Living, Electric Literature, The Root, The Guardian, Bustle, Thrillist, and Publisher's Weekly A dazzlingly accomplished debut collection explores the ties that bind parents and children, husbands and wives, lovers and friends to one another and to the places they call home. In "Who Will Greet You at Home," a National Magazine Award finalist for The New Yorker, A woman desperate for a child weaves one out of hair, with unsettling results. In "Wild," a disastrous night out shifts a teenager and her Nigerian cousin onto uneasy common ground. In "The Future Looks Good," three generations of women are haunted by the ghosts of war, while in "Light," a father struggles to protect and empower the daughter he loves. And in the title story, in a world ravaged by flood and riven by class, experts have discovered how to "fix the equation of a person" - with rippling, unforeseen repercussions. Evocative, playful, subversive, and incredibly human, What It Means When a Man Falls from the Sky heralds the arrival of a prodigious talent with a remarkable career ahead of her.

## **A More Beautiful Question**

This is a powerful dramatisation of Daniel Keyes's perceptive and sad novel. Charlie is a retarded adult who desperately wants to be able to read and write. He undergoes a brain operation which increases his intelligence. Yet such an operation begs many questions--can Charlie's emotional development keep pace with the intellectual? How do the psychiatrists and psychologists view Charlie--as a man or as the subject of an experiment like the mouse, *Algernon*? And the biggest question of all--will the operation be successful?

## **We Free the Stars**

Here, from bestselling author Leil Lowndes, is a surefire guide to love for anyone seeking romantic bliss. In *How to Make Anyone Fall in Love with You* readers will find 85 techniques based on scientific studies regarding the nature of love, including: Finding potential love partners Making an unforgettable first impression Dodging "love bloopers" Establishing sexual rapport By using these pragmatic, down-to-earth strategies, anyone can turn new or casual relationships into lasting ones--or make current relationships deeper.

## **How to Marry Money**

Get your "A" in gear! They're today's most popular study guides-with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes™ has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes'™ motto is Smarter, Better, Faster because:

- They feature the most current ideas and themes, written by experts.
- They're easier to understand, because the same people who use them have also written them.
- The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered--context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources--you don't have to go anywhere else!

## **Pillow Thoughts**

Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as *The Angry Therapist*, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own

shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

### **How to Solve a Problem**

You've witnessed the power that obsession has over people. People will do anything for someone they are obsessed with. Fans will travel across the world to see a celebrity they are obsessed with. A person will become a slave to someone they are obsessed with. Many people are immune to subtle signs of manipulation. The only thing people are not immune to, is falling in love, and obsession. A person obsessed with you, is a person under your control. Scarlett Kennedy uncovers the real causes of obsession, how to take advantage of it, the common types of people in the world, and how you can make them obsessed with you. Because not one size fits all. Scarlett also creates personality profiles for her targets and documents what has worked and what hasn't worked. As well as the dangers of holding all the power in your hands.

### **How to Fall Out of Love**

Women: gain control and confidence in your love lives and find the relationship you want with this modern, life-changing guide from the certified sex educator, intimacy expert, and YouTube personality. For younger generations, dating is a complicated mystery. Apps like Tinder and Bumble are supposed to foster connection, but instead serve as a reminder of how painfully single we are. Certified sexologist and intimacy coach Shan Boodram—the most sought-after sex educator on the internet—is about to change all that. In this essential how-to guide, she addresses the realities of life today—when the rules of love and attraction are fluid—and teaches a group of young women how to become master daters in just sixty days. It starts with you. Shan makes clear that love and self-discovery go hand in hand—your dating life is just as much about you as it is about other people. She challenges you to look inside yourself for what you want out of a partner, a relationship and, most important, yourself. Once you figure out what you want from dating, she shows you exactly how to get it. The Game of Desire empowers you to take the lead, learn your strengths, and identify and correct your weaknesses, all the while getting inspired watching a group of women learn how to succeed in today's dating pool. While many books tell women why they can't get a date, Shan teaches you the skills and techniques necessary to take charge in today's competitive and often confusing dating scene, providing the tools essential to attract—and retain—the partner(s) you want. From learning love languages to debunking dating myths, she helps women build knowledge and confidence. Featuring conversational case studies, comprehensive facts about the psychology of sex and romance, and expert insight into sex culture, and written with her trademark humor and charm, The Game of Desire is a must for all of Shan's fans and for every woman struggling to feel loved and desired.

### **How To Win Friends And Influence People**

Fully revised and updated with the latest data in the field, the Sixth Edition of Exploring the Dimensions of Human Sexuality represents all aspects of human sexuality and explores how it affects personality, development, and decision making. Using a student-friendly interpersonal approach, the text discusses contemporary concepts as well as controversial topics in a sensitive manner, and covers the physiological, biological, psychological, spiritual, and cultural dimensions of human sexuality. Exploring the Dimensions of Human Sexuality is an essential text for teaching sexuality and presents an integrated view of human sexuality that encourages students to pursue positive decisions, sexual health, and a lifetime of wellness.

### **Barking Up the Wrong Tree**

What, exactly, do you know about your body? Do you know how your immune system works? Or what your pancreas does? Or the myriad -- and often simple -- ways you can improve the way your body functions? This full-color, visually rich guide answers these questions and more. Matthew MacDonald, noted author of *Your Brain: The Missing Manual*, takes you on a fascinating tour of your body from the outside in, beginning with your skin and progressing to your vital organs. You'll look at the quirks, curiosities, and shortcomings we've all learned to live with, and pick up just enough biology to understand how your body works. You'll learn: That you shed skin more frequently than snakes do Why the number of fat cells you have rarely changes, no matter how much you diet or exercise -- they simply get bigger or smaller How you can measure and control fat That your hair is made from the same stuff as horses' hooves That you use only a small amount of the oxygen you inhale Why blood pressure is a more important health measure than heart rate -- with four ways to lower dangerously high blood pressure Why our bodies crave foods that make us fat How to use heart rate to shape an optimal workout session -- one that's neither too easy nor too strenuous Why a tongue with just half a dozen taste buds can identify thousands of flavors Why bacteria in your gut outnumber cells in your body -- and what function they serve Why we age, and why we can't turn back the clock What happens to your body in the minutes after you die Rather than dumbed-down self-help or dense medical text, *Your Body: The Missing Manual* is entertaining and packed with information you can use. It's a book that may well change your life. Reader comments for *Your Brain: The Missing Manual*, also by author Matthew MacDonald: "Popular books on the brain are often minefields of attractive but inaccurate information. This one manages to avoid most of the hype and easy faulty generalizations while providing easy to read and digest information about the brain. It has useful tricks without the breathless hype of many popular books."-- Elizabeth Zwicky, *The Usenix Magazine* "a unique guide that should be sought after by any who want to maximize what they can accomplish with their mental abilities and resources."-- James A. Cox, *The Midwest Book Review - Wisconsin Bookwatch* "If you can't figure out how to use your brain after reading this guide, you may want to return your brain for another."-- *The Sacramento Book Review*, Volume 1, Issue 2, Page 19 "It's rare to find a book on any technical subject that is as well written and readable as *Your Brain: The Missing Manual*. The book covers pretty much anything you may want to know about your brain, from what makes it up, through how it develops to how to mitigate the affects of aging. The book is easy reading, fact packed and highlighted notes and practical applications. So if you want to learn more about

your brain, how it works, how to get the best out of it or just want to stave off the ravages of Alzheimers (see chapter ten for details of how learning helps maintain your brain) then I can't recommend this book highly enough."-- Neil Davis, Amazon.co.uk "MacDonald's writing style is perfect for this kind of guide. It remains educational without becoming overly technical or using unexplained jargon. And even though the book covers a broad scope of topics, MacDonald keeps it well organized and easy to follow. The book captures your attention with fun facts and interesting studies that any person could apply to their own understanding of human ability. It has great descriptions of the brain and its interconnected parts, as well as providing full color pictures and diagrams to offer a better explanation of what the author is talking about."-- Janica Unruh, Blogcritics Magazine

### **How To Make Someone**

To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

### **Deeper Dating**

Here, from bestselling author Leil Lowndes, is a surefire guide to love for anyone seeking romantic bliss. In *How to Make Anyone Fall in Love with You* readers will find 85 techniques based on scientific studies regarding the nature of love, including: Finding potential love partners Making an unforgettable first impression Dodging "love bloopers" Establishing sexual rapport By using these pragmatic, down-to-earth strategies, anyone can turn new or casual relationships into lasting ones--or make current relationships deeper.

### **How To Make Someone Obsessed With You**

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer,

the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

### **The Wisdom of Anxiety**

"He rocked my foundation! Greg Baer touched me deeply. He's got the answer to finding happiness in life."—Tony Trupiano, Talk America Why do most of us search our entire lives for loving and happy relationships but rarely find them? What is the "secret something" that all relationships need in order to thrive? Dr. Greg Baer found the answers to these questions while working with thousands of individuals and couples. In Real Love, he shares his enlightening and practical blueprint for creating successful relationships and reveals the secret to finding and keeping what he calls "Real Love." In Real Love, you'll discover: · The difference between Imitation Love and Real Love · How to eliminate conflicts with spouses, children, parents, friends and colleagues · How to put an end to destructive "Getting" and "Protecting" behaviors · How Real Love can eliminate anger, resentment, and fear · The four steps to finding Real Love With Real Love as your guide you can begin to heal the wounds of your past and create rewarding and fulfilling relationships in every area of your life.

### **How To Psychoanalyze Someone**

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can

reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. PLEASE NOTE: The paperback includes a starter set of labels for your refrigerator; the ebook and audiobook include a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397). Featured in Glamour's 10 Books to Help You Live Your Best Life

### **Your Body**

The Miracle! In this book Nicholas presents you a practical, unique, subliminal, very simple, detailed method of how to Make Someone Fall in Love with You. You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Make Someone Fall in Love with You. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!

### **The Psychology of Attraction Explained**

A candid and entertaining guide to finding and wedding a partner of means offers practical advice on how to be in the right place at the right time to meet rich single people, how to recognize an individual's financial status, the do's and don'ts of behavior in wealthy circles, and how to conduct oneself with style and confidence in any upper-class setting. Original.

## **How To Win Friends and Influence People**

From Ashima Shiraishi, one of the world's youngest and most skilled climbers, comes a true story of strength and perseverance—in rock climbing and in life. To a rock climber, a boulder is called a "problem," and you solve it by climbing to the top. There are twists and turns, falls and scrapes, and obstacles that seem insurmountable until you learn to see the possibilities within them. And then there is the moment of triumph, when there's nothing above you but sky and nothing below but a goal achieved. Ashima Shiraishi draws on her experience as a world-class climber in this story that challenges readers to tackle the problems in their own lives and rise to greater heights than they would have ever thought possible.

## **How to Make Anyone Fall in Love with You**

A “New & Noteworthy” selection of The New York Times Book Review “Alexis Clark illuminates a whole corner of unknown World War II history.” —Walter Isaacson, New York Times bestselling author of Leonardo da Vinci “[A]n irresistible human story. . . . Clark’s voice is engaging, and her tale universal.” —Jon Meacham, Pulitzer Prize-winning author of Thomas Jefferson: The Art of Power and American Lion: Andrew Jackson in the White House A true and deeply moving narrative of forbidden love during World War II and a shocking, hidden history of race on the home front This is a love story like no other: Elinor Powell was an African American nurse in the U.S. military during World War II; Frederick Albert was a soldier in Hitler’s army, captured by the Allies and shipped to a prisoner-of-war camp in the Arizona desert. Like most other black nurses, Elinor pulled a second-class assignment, in a dusty, sun-baked—and segregated—Western town. The army figured that the risk of fraternization between black nurses and white German POWs was almost nil. Brought together by unlikely circumstances in a racist world, Elinor and Frederick should have been bitter enemies; but instead, at the height of World War II, they fell in love. Their dramatic story was unearthed by journalist Alexis Clark, who through years of interviews and historical research has pieced together an astounding narrative of race and true love in the cauldron of war. Based on a New York Times story by Clark that drew national attention, Enemies in Love paints a tableau of dreams deferred and of love struggling to survive, twenty-five years before the Supreme Court’s Loving decision legalizing mixed-race marriage—revealing the surprising possibilities for human connection during one of history’s most violent conflicts.

## **What It Means When a Man Falls from the Sky**

Wall Street Journal Bestseller Much of the advice we’ve been told about achievement is logical, earnest...and downright wrong. In Barking Up the Wrong Tree, Eric Barker reveals the extraordinary science behind what actually

determines success and most importantly, how anyone can achieve it. You'll learn:

- Why valedictorians rarely become millionaires, and how your biggest weakness might actually be your greatest strength
- Whether nice guys finish last and why the best lessons about cooperation come from gang members, pirates, and serial killers
- Why trying to increase confidence fails and how Buddhist philosophy holds a superior solution
- The secret ingredient to "grit" that Navy SEALs and disaster survivors leverage to keep going
- How to find work-life balance using the strategy of Genghis Khan, the errors of Albert Einstein, and a little lesson from Spider-Man

By looking at what separates the extremely successful from the rest of us, we learn what we can do to be more like them—and find out in some cases why it's good that we aren't. *Barking Up the Wrong Tree* draws on startling statistics and surprising anecdotes to help you understand what works and what doesn't so you can stop guessing at success and start living the life you want.

### **Things Fall Apart**

Complaints about relationships consist of not understanding why someone said something in a demeaning manor, what did they mean? What are their motivations? While you're trying to act like you don't care, or analyze what they mean, you secretly wish you could take a step into their minds. This is what psychotherapists do; they step into their client's mind, for the purpose of helping them understand themselves and to heal. Here, we aren't doing this. We're analyzing the depths of their minds to ascertain their lost dreams, dark shadows, untapped potential, motivations, genuine meanings behind their strange behaviours, and unmet needs. We're not therapists with altruistic intentions. If you've picked up this book, you have the desire to control, manipulate, make people bend to your will. First, you'll need to go deep into the abyss of your victim's mind. With this book--you'll learn how.

### **Enemies in Love**

Lose weight. Act confident. Play hard to get. This approach to dating doesn't lead to love, it leads to insecurity and loneliness. In *Deeper Dating*, psychotherapist Ken Page offers a new path to finding meaningful and lasting relationships. Learn how to attract people who love you for who you really are, become more self-assured and emotionally available, and lose your taste for relationships that diminish your self-esteem. With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the love—and personal fulfillment—you long for.

### **The Fantasy Bond**

Based on 28 years of research into the problem of resistance, this book offers a consistently developed hypothesis centering around the concept of the "Fantasy Bond," an illusion of connection originally formed with the mother and later with significant others in the individual's environment.

### **1609 Real Triggers to Make Someone Fall in Love with You**

"How did our democracy go wrong? This extraordinary document . . . is

Applebaum's answer." —Timothy Snyder, author of *On Tyranny* A Pulitzer Prize-winning historian explains, with electrifying clarity, why elites in democracies around the world are turning toward nationalism and authoritarianism. From the United States and Britain to continental Europe and beyond, liberal democracy is under siege, while authoritarianism is on the rise. In *Twilight of Democracy*, Anne Applebaum, an award-winning historian of Soviet atrocities who was one of the first American journalists to raise an alarm about antidemocratic trends in the West, explains the lure of nationalism and autocracy. In this captivating essay, she contends that political systems with radically simple beliefs are inherently appealing, especially when they benefit the loyal to the exclusion of everyone else. Despotism does not rule alone; they rely on political allies, bureaucrats, and media figures to pave their way and support their rule. The authoritarian and nationalist parties that have arisen within modern democracies offer new paths to wealth or power for their adherents. Applebaum describes many of the new advocates of illiberalism in countries around the world, showing how they use conspiracy theory, political polarization, social media, and even nostalgia to change their societies. Elegantly written and urgently argued, *Twilight of Democracy* is a brilliant dissection of a world-shaking shift and a stirring glimpse of the road back to democratic values.

### **The Home Edit**

When it comes to finding love, are you standing in your own way? *Daring to Love* will help you identify the internal barriers that cause you to sabotage your love life, open yourself up to vulnerability, and build the intimate, lasting relationship you truly desire. After a breakup, most of us spend a lot of time thinking long and hard about what the other person did to cause it, rather than reflecting on ourselves. It seems self-evident that we want our romantic relationships to work, and that love and long-term commitment are our ultimate goals. But what if our desire for love is actually not as straightforward as our emotions make us believe? What if, instead of pursuing love, we are unconsciously pushing it away? In *Daring to Love*, Tamsen and Robert W. Firestone offer techniques based in Robert Firestone's groundbreaking voice therapy—the process of giving spoken word to unhealthy patterns—to help you understand how you are getting in your own way on the quest for true love. Love, the Firestones argue, makes us vulnerable and triggers old defenses we formed in childhood, causing us to sabotage our relationships in myriad subtle—and not-so-subtle—ways. Using the voice therapy strategies in this book, you will be able to identify your own defensive patterns and uncover the destructive messages your critical inner voice is telling you about yourself, your partners, and your relationships. If you're struggling to cultivate lasting relationships, this book can help you embark on your next romantic journey with more openness and self-knowledge.

### **Children of Blood and Bone**

Love is the most beautiful of feelings, except when it turns to pain. This is a healing book, one that can help people overcome the pain of loving someone who does not or cannot turn back. If you--or someone you care about--are struggling to recover from the loss of a lover, or to end a dead-end affair, this will come as a godsend. Nationally renowned Dr. Debora Phillips give you the complete proven program

that lets you: -diminish, then dismiss a destructive love -say goodbye to jealousy -rebuild your inner strength and confidence -discover and enjoy a new love that is right for you.

### **Real Love**

The second book in the Sands of Arawiya duology by the masterful Hafsah Faizal—the follow-up to the smash New York Times bestselling novel *We Hunt the Flame*. Darkness surged in his veins. Power bled from her bones. The battle on Sharr is over. The Arz has fallen. Altair may be captive, but Zafira, Nasir, and Kifah are bound for Sultan’s Keep, determined to finish the plan Altair set in motion: restoring the hearts of the Sisters of Old to the minarets of each caliphate, finally bringing magic to all of Arawiya. But they are low on resources and allies alike, and the kingdom teems with fear of the Lion of the Night’s return. As the zumra plots to overthrow Arawiya’s darkest threat, Nasir fights to command the magic in his blood. He must learn to hone his power, to wield it against not only the Lion but his father as well, trapped under the Lion’s control. Zafira battles a very different darkness festering in her through her bond with the Jawarat—it hums with voices, pushing her to the brink of sanity and to the edge of a chaos she dares not unleash. In spite of everything, Zafira and Nasir find themselves falling into a love they can’t stand to lose . . . But time is running out, and if order is to be restored, drastic sacrifices will have to be made. Lush and striking, hopeful and devastating, *We Free the Stars* is the masterful conclusion to the Sands of Arawiya duology by New York Times–bestselling author Hafsah Faizal.

### **How to Be a Bad Bitch**

“A beautifully written and well-researched cultural criticism as well as an honest memoir” (Los Angeles Review of Books) from the author of the popular New York Times essay, “To Fall in Love with Anyone, Do This,” explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, “Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation” (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists’ research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she’d read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. “Perfect fodder for the romantic and the cynic in all of us” (Booklist), *How to Fall in Love with Anyone* flips the script on love. “Clear-eyed and full of

heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship” (The Toronto Star).

### **The Angry Therapist**

### **How to Fall in Love with Anyone**

A pioneering canine behaviorist draws on cutting-edge research to show that a single, simple trait—the capacity to love—is what makes dogs such perfect companions for humans, and explains how we can better reciprocate their affection. “Lively and fascinating . . . The reader comes away cheered, better informed, and with a new and deeper appreciation for our amazing canine companions and their enormous capacity for love.” —Cat Warren, *New York Times* best-selling author of *What the Dog Knows Does your dog love you? Every dog lover knows the feeling. The nuzzle of a dog’s nose, the warmth of them lying at our feet, even their whining when they want to get up on the bed. It really seems like our dogs love us, too. But for years, scientists have resisted that conclusion, warning against anthropomorphizing our pets. Enter Clive Wynne, a pioneering canine behaviorist whose research is helping to usher in a new era: one in which love, not intelligence or submissiveness, is at the heart of the human-canine relationship. Drawing on cutting-edge studies from his lab and others around the world, Wynne shows that affection is the very essence of dogs, from their faces and tails to their brains, hormones, even DNA. This scientific revolution is revealing more about dogs’ unique origins, behavior, needs, and hidden depths than we ever imagined possible. A humane, illuminating book, *Dog Is Love* is essential reading for anyone who has ever loved a dog—and experienced the wonder of being loved back.*

### **Twilight of Democracy**

- Over 11 million copies sold - #1 *New York Times* Bestseller for 8 years running - Now celebrating its 25th anniversary Simple ideas, lasting love Falling in love is easy. ### **Exploring the Dimensions of Human Sexuality**

One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, *Things Fall Apart* is the compelling story of one man's battle to protect his community against the forces of change. Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele

### **Daring to Love**

Building on the power of first impressions, Nicholas Boothman shows how to find and meet the love of your life—and have that person fall in love with you—in a mere 90 minutes, or approximately the time it takes to have a first dinner date. Now in paperback, this follow-up to his bestselling *How to Make Someone Like You in 90 Seconds or Less* is updated throughout with information on Internet dating, bringing together all of Mr. Boothman's considerable interpersonal skills to the problem of finding lasting love, fast. And it works: The feedback Boothman has received from a number of his clients begins, "Please come to my wedding. . . ." Starting with a series of revealing self-assessment tests that show how to find your Matched Opposite (a person who makes you feel complete), here is how to make a fabulous first impression, with tips on everything from attitude to accessories; how to be charming, not alarming; introductions, opening lines, and the 1-2-3 mantra of never hesitating. There are techniques for starting and maintaining conversation and for finding "Me Too" moments, plus the importance of flirting, incidental touching, rules of self-disclosure, and more. Real-life examples and analyses of actual conversations show the method at work.

### **The Art Of Seduction**

An edgy yet accessible “bad bitch” guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. *Bad Bitch (n.): A self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary.* Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos, to high fashion runways and magazines, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed “bad bitch” is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, “Muva” pulls back the curtain on her rollercoaster of a journey from a young trailblazer to a worldwide phenomenon—and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, *How to Be a Bad Bitch* covers finances, career, love, beauty, and fashion while emphasizing confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible.

### **The Game of Desire**

Did you ever ask yourself any of these questions? why do people get attracted to each other? why people have different preferences for physical looks? Do women really care about money? Or do Men Prefer certain facial features? Do people really like those who look like them? Why do some people find you attractive while others don't?! Can your personality really make you more attractive? Do you have a chance if you are a short man? Can men find you attractive even if you have

average looks? Why do women like bad boys? And do men really prefer slim women? Why do women need more time to develop emotions than men? Where do beauty standards come from? And can you really become more attractive without plastic surgery? The Answer to all of these questions and tens more of questions are found in the book, the psychology of physical attraction.

### **How to Make Anyone Fall in Love with You**

A counselor in the depth psychology tradition shows readers there's nothing to fear from anxiety "The Wisdom of Anxiety serves as a well-lit pathway to the truth of who we are and to how to navigate life when paralyzed by anxiety, depression, overwhelm, and a sense of hopelessness." —Alanis Morissette, singer-songwriter

Work anxiety. Relationship anxiety. Social anxiety. World anxiety. Money anxiety. Health anxiety. How does reading those words make you feel? All too often, when we experience the things that give us anxiety, our first instinct is to try to run away or numb out from feeling them. But what if the unpleasant feelings you want to turn away from are actually vital sources of information about your well-being? In *The Wisdom of Anxiety*, counselor Sheryl Paul examines the deeper meaning of the racing thoughts, sweaty palms, and insomnia that accompany the uncertain moments of our lives. No one likes to feel anxiety—and yet, Paul asserts it can be a remarkably direct messenger of our subconscious. Here you will learn how you can pause and listen to your anxieties to discover inner truths that you've been avoiding. This lyrically written book not only considers the many forms anxieties can take, but also provides deep-dive practices for addressing them at their roots. Here you will learn: The nature of intrusive thoughts and how to manage them. How to explore states of loneliness, apathy, regret, and shame without being caught up in them. Feeling anxiety around feeling good? Discover why and what to do about it. How to cultivate your own loving inner parent. Why anxiety can arise from boredom and longing. How to create healthy and meaningful personal rituals to relieve anxiety. Navigating the many sources of anxiety in relationships. Whether it's worry around raising children, nervousness about world events, or any

other way anxiety manifests, The Wisdom of Anxiety can help you uncover the true source of your discomfort and find the rich self-knowledge within.
