Praying the Names of God

Imagine becoming accustomed to terror on a daily basis. Imagine finding it normal to betray your neighbor. Imagine your worst fears being replaced by complacency, your natural compassion by cold indifference. "In the Name of God illustrates the way evil can become a part of everyday life. And it is the story of Algeria today.

The Names of God

Reveals the real, whole name of God and its place within each of us • Explains how none of the God-names commonly used in the Bible is God's real name • Shows how the real name of God unites all religions from both West and East • Includes spiritual techniques, prayers, poems, and meditative chants to bring each of us into deep, personal, intimate, living relationship with God
Of the many names of God commonly used in the Bible and other sacred literature, none is God's real name. Every God-name, including YHWH, reflects only one of God's many aspects, such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you can't truly know something until you know its name, how can we truly know God? The culmination of years of translation research and etymological investigation, Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions--both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God--both the grand God of the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of God's name includes spiritual techniques, poems, guided

prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can touch the face of God that resides deep within us all.

The Names of God - Women's Bible Study Participant Workbook

An anonymous caller tells a detective in a small Oregon town that a woman has just bitten off a man's finger. But the man is not the victim, the caller says. The woman is. She's being held against her will by a group of faith-healing fanatics who are trying to cure her depression with violent exorcisms. The detective rescues her, but she is afraid to press charges against the people in her church. Then the detective gets an even more ominous message: Children in the church have been dying mysteriously for years, and now several more are in immediate peril, facing blindness, disability, and death. Unwilling to stand by and allow more children to suffer, the anonymous caller -- a church insider -- risks everything to work with three detectives and a lone prosecutor to fight faith-based child abuse, and to change the laws that protect its perpetrators. They are joined by a mother who'd suffered a faith-healing tragedy herself, and afterwards dedicated her life to saving others from the same fate. Masterfully written by author Cameron Stauth, *In the Name of God* tells the true story of their heroic mission, which resulted in a historic series of sensational trials that exposed the darkest secret of American fundamentalism, and revealed the shameful political deals that have allowed thousands of children to die at the hands of their own parents -- legally. Though the battle against faith-healing abuse continues around the country, the victory in Oregon has lit the path to a better future, in which no child need die because of a parent's beliefs.

In the Name of God

An anonymous caller tells a detective in a small Oregon town that a woman has just bitten off a man's finger. But the man is not the victim, the caller says. The woman is. She's being held against her will by a group of faith-healing fanatics who are trying to cure her depression with violent exorcisms. The detective rescues her, but she is afraid to press charges against the people in her church. Then the detective gets an even more ominous message: Children in the church have been dying mysteriously for years, and now several more are in immediate peril, facing blindness, disability, and death. They are joined by a mother who'd suffered a faith-healing tragedy herself, and afterwards dedicated her life to saving others from the same fate. Masterfully written by author Cameron Stauth, *In the Name of God* tells the true story of their heroic mission, which resulted in a historic series of sensational trials that exposed the darkest secret of American fundamentalism, and revealed the shameful political deals that have allowed thousands of children to die at the hands of

their own parents -- legally. Though the battle against faith-healing abuse continues around the country, the victory in Oregon has lit the path to a better future, in which no child need die because of a parent's beliefs.

In the Name of God

An original and groundbreaking history of religious tolerance that offers an essential guide to understanding Islam and the West today and the role of religion in the modern world.

In the Name of God

This book explains the Islamic law that applies the Quran and Sunnah as a constitution, and the concept of Rahma(mercy). It will emphasize this concept by explaining the rigid law of Hudod, then elaborating on Rahma.

Knowing God by Name

Lester Sumrall discusses eleven of these names, with a full chapter devoted to each one, first giving a brief translation and analysis of the Hebrew root (s) and then expanding the concept with biblical re-ferences and contemporary analogies.

In the Name of God

"For all ages, read-aloud ages 3-up"--P. [4] of cover.

The Names of God

Provides an in-depth devotional study of the names of God, teaching the significance of each name and the keys they possess to promote a personal understanding of and relationship with God.

Reality in the Name of God

The author chronicles the first ten years of the Iranian Revolution, employing an unprecedented access to Iran's major figures to outline the nation's importance to the rest of the world

Understanding YHWH

What does the Old Testament—especially the law—have to do with your Christian life? In this warm, accessible volume, Carmen Joy Imes takes readers back to Sinai, arguing that we've misunderstood the command about "taking the Lord's name in vain." Instead, Imes says that this command is really about "bearing God's name," a theme that continues throughout the rest of Scripture.

In the Name of God

Only thirty-three days after his election, Pope John Paul I, Albino Luciani, died in strange circumstances. Almost immediately rumours of a cover-up began to circulate around the Vatican. In his researches David Yallop uncovered an extraordinary story: behind the Pope's death lay a dark and complex web of corruption within the Church that involved the Freemasons, Opus Dei and the Mafia and the murder of the 'Pope's Banker' Roberto Calvi. When first published in 1984 *In God's Name* was denounced by the Vatican yet became an award-winning international bestseller. In this new edition, Yallop brings the story up to date and reveals new evidence that has been long buried concerning the truth behind the Vatican cover-up. This is a classic work of investigative writing whose revelations will continue to reverberate around the world.

Not in God's Name

This book unlocks the Jewish theology of YHWH in three central stages of Jewish thought: the Hebrew bible, rabbinic literature, and medieval philosophy and mysticism. Providing a single conceptual key adapted from the philosophical debate on proper names, the book paints a dynamic picture of YHWH's meanings over a spectrum of periods and genres, portraying an evolving interaction between two theological motivations: the wish to speak about God and the wish to speak to Him. Through this investigation, the book shows how Jews interpreted God's name in attempt to map the human-God relation, and to determine the measure of possibility for believers to realize a divine presence in their midst, through language.

The Saving Name of God the Son

The Anantha Padmanabha Swamy Temple in Thiruvananthapuram safeguards within its sacrosanct walls centuries of customs and rituals, unimaginable wealth and unwavering calm. Until dead bodies begin showing up in its holy pond. Additional incidents such as a high profile heist in Dubai and a series of explosions in Mumbai have additional director Kabir Khan of the CBI investigating and wondering if the incidents are related.

Violence in the Name of God

In In the Name of God biblical scholars and historians begin the exciting work of deconstructing British and Spanish imperial usage of the Bible as well as the use of the Bible to counteract imperialism.

Names of God

One of the best ways to get to know God on a deeper level is to know the names and titles both he and his people give to him. Now the bestselling author of Praying the Names of God reveals the richness of God's character and love found in his names. The Names of God Bible restores more than 10,000 occurrences of specific names of God--like Yahweh, El Shadday, El Elyon, and Adonay--to help readers Discover the Hebrew names of God within the biblical text Understand the meaning and significance of each name Encounter God in a new way through prayers, promises, and devotional readings Perfect for personal study, prayer, and reflection, The Names of God Bible includes these special features more than 10,000 names and titles of God restored to their Hebrew equivalent and printed in brown ink to stand out within the biblical text Names of God Reading Paths lead readers to the next reference of the name so they can pray the names of God throughout Scripture Name Pages feature - background information associated with 68 names and titles of God - key Scripture passages in which the meaning is revealed - devotional readings on each of the featured names - specific Bible promises connected to each of the featured names introductions to each book of the Bible highlight the main themes and list the names and titles that appear in that book 300 callouts highlight key Scripture for memorization and reflection Calling God by Name sidebars shed light on the relationship between biblical people and the specific names they called God topical prayer guide, pronunciation guide, name index, and Bible reading plans to assist in study Anyone who desires a deeper understanding of God and new insights into the Bible will cherish The Names of God Bible as it opens a door into the Hebrew roots of the faith and the Scriptures.

Names of God

This book traces the trajectory of militant jihadism to show how violence is more intentionally embraced as the centre of worship, social order and ideology. Undertaking an in-depth analysis of militant jihadist groups and utilising the work of René Girard, Joel Hodge argues that the extreme violence of militant jihadists is a response to modernity in two ways that have not been sufficiently explored by the existing literature. Firstly, it is a manifestation of the unrestrained and escalating state of desire and rivalry in modernity, which militant jihadists seek to counter with extreme violence. Secondly, it is a response to the unveiling and discrediting of sacred violence, which militant jihadists seek to reverse by more purposefully valorising sacred violence in what they believe to be jihad. Relevant to anyone interested in Islam, philosophy of religion,

theology, and terrorism, Violence in the Name of God imagines new ways of thinking about militancy in the name of Islam in the twenty-first century.

The Name of God

In his exciting new book, bestselling author Dr. Tony Evans shows that it's through the names of God that the nature of God is revealed to us. Who is God in His fullness? How has He expressed His riches and righteousness? How can you trust His goodness? As you get to know the names of God and understand their meaning, God's character will become real to you in life-changing ways. You will explore the depths of God as Elohim: The All-Powerful Creator Jehovah: The Self-Revealing One Adonai: The Owner of All Jehovah-Jireh: The Lord Who Provides El Shaddai: The Almighty Sufficient One El Elion: The Most High Ruler Jehovah Nissi: The Lord's Banner of Victory Jehovah Shalom: The Lord Our Peace Jehovah Mekadesh: The Lord Who Sanctifies Jehovah Rophe: The Lord Who Heals Jehovah Tsikenu: The Lord My Righteousness Jehovah Robi: The Lord My Shepherd Immanuel: God With Us By studying and understanding the characteristics of God as revealed through His names, you will be better equipped to face hardship and victory, loss and provision, and all of the challenges life throws at you.

In the Name of God

Author, founder and president of Quiet Time Ministries Catherine Martin enthusiastically writes, speaks, and teaches devotion to God through His Word. In her new book, she presents the many names of God, describes how they reveal His character, and explains that by trusting in them readers can better understand who God is. Whether it's read in order, by topic, or devotionally over 30 days, readers learn to make better decisions in their daily lives; respond more courageously to trials and adverse circumstances; and trust God rather than people, money, and possessions. Individuals, casual groups of friends, church congregations, and even families looking for a meaningful daily devotion will all find this book and its discussion questions a compelling invitation to wholeheartedly seek God and trust in His every name. Also available: Trusting in the Names of God--Quiet Time Experience and Trusting in the Names of God DVD.

In the Name of God

What should philosophical theology look like after the critique of Onto-theo-logy, after Phenomenology, and in the age of Speculative Realism? What does Kabbalah have to say to Philosophy? Since Kant and especially since Husserl, philosophy has only permitted itself to speak about how one relates to God in terms of the intentionality of consciousness and not of how God is in himself. This meant that one could only ever speak to God as an addressed and yearned-for holy Thou, but not to God as infinite creator of all. In this book-length essay, the author argues that reality itself is made up of the Holy

Name of God. Drawing upon the set-theoretical ontology of Alain Badiou, the computational theory of Stephen Wolfram, the physics of Frank Tipler, the psychoanalytical theory of Jacques Lacan, and the genius of Georg Cantor, the author works to demonstrate that the universe is a computer processing the divine Name and that all existence is made of information (the bit). As a result of this ontic pan-computationalism, it is shown that the future resurrection of the dead can take place and how it may in fact occur. Along the way, the book also offers compelling critiques of several significant theories of reality, including the phenomenological theologies of Emmanuel Levinas and Jean-Luc Marion, Process Theology, and Object-Oriented Ontology. Reality in the Name of God explores how the concepts of Jewish mysticism can be articulated and deployed as philosophical theses within current metaphysical debates. It provides a new and dynamic Structural Realist ontology of information. Ultimately, the book aims to deal a death blow to the restriction of philosophy and theology in relation to elaborations of a how a believer relates to a God outside the mind and to return thought to a direct encounter with the divine nature of reality itself and its creator.

The Real Name of God

(Peeters 1993)

In The Name Of God The Most Gracious The Most Merciful

In this groundbreaking book, Selina O'Grady examines how and why the post-Christian and the Islamic worlds came to be as tolerant or intolerant as they are. She asks whether tolerance can be expected to heal today's festering wound between these two worlds, or whether something deeper than tolerance is needed. Told through contemporary chronicles, stories and poems, Selina O'Grady takes the reader through the intertwined histories of the Muslim, Christian and Jewish persecutors and persecuted. From Umar, the seventh century Islamic caliph who laid down the rules for the treatment of religious minorities in what was becoming the greatest empire the world has ever known, to Magna Carta John who seriously considered converting to Islam; and from al-Wahhab, whose own brother thought he was illiterate and fanatical, but who created the religious-military alliance with the house of Saud that still survives today, to Europe's bloody Thirty Years war that wearied Europe of murderous inter-Christian violence but probably killed God in the process. This book is an essential guide to understanding Islam and the West today and the role of religion in the modern world.

In the Name of God

"Our help is in the name of the Lord."--Psalm 124:8 In the Bible, God is called by many names. But what do they mean? And what do they reveal about Him? Can knowing these names bring the comfort, hope or healing you are seeking? Through

Bible teaching and personal anecdotes, bestselling author and beloved pastor David Wilkerson explores ten Hebrew names for God, showing how men and women throughout Scripture found strength and encouragement in the powerful name of the Lord. So can you! This life-changing book will help you know your heavenly Father on a heart-to-heart level, revealing His protection, care, discipline and loving guidance in your life. God has pledged to keep you, to give you His peace, to give you His Holy Spirit, to blot out all your sins and to replace them with His lovingkindness. Here is your invitation to experience each of these realities--in other words, to know God by name.

The Name of God Is Mercy

NEW YORK TIMES BESTSELLER • In his first book published as Pope, and in conjunction with the Extraordinary Jubilee of Mercy, Pope Francis here invites all humanity to an intimate and personal dialogue on the subject closest to his heart—mercy—which has long been the cornerstone of his faith and is now the central teaching of his papacy. In this conversation with Vatican reporter Andrea Tornielli, Francis explains—through memories from his youth and moving anecdotes from his experiences as a pastor—why “mercy is the first attribute of God.” God “does not want anyone to be lost. His mercy is infinitely greater than our sins,” he writes. As well, the Church cannot close the door on anyone, Francis asserts—on the contrary, its duty is to go out into the world to find its way into the consciousness of people so that they can assume responsibility for, and move away from, the bad things they have done. The first Jesuit and the first South American to be elected Bishop of Rome, Pope Francis has traveled around the world spreading God’s message of mercy to the largest crowds in papal history. Clear and profound, *The Name of God Is Mercy* resonates with this desire to reach all those who are looking for meaning in life, a road to peace and reconciliation, and the healing of physical and spiritual wounds. It is being published in more than eighty countries around the world. “The name of God is mercy. There are no situations we cannot get out of, we are not condemned to sink into quicksand.”—Pope Francis Praise for *The Name of God Is Mercy* “Francis speaks succinctly—and with refreshing forthrightness. . . . He emphasizes moral sincerity over dogma, an understanding of the complexities of the world and individual experience over rigid doctrine. . . . The pope has an easy conversational style that moves effortlessly between folksy sayings and erudite allusions, between common-sense logic and impassioned philosophical insights.”—Michiko Kakutani, *The New York Times* “What makes his book most moving is the way in which this man, without disrespecting his own privacy or offering false bromides of modesty, opens the sacred space of his conscience to explain how he came to center his ministry, and now his papacy, around mercy.”—James Carroll, *The New Yorker* “As he has done throughout his papacy, Pope Francis shows in this book a compelling way to present God’s love anew to a skeptical world without denying the ancient teachings of faith. But now he is challenging the entire Church to trek a new way forward.”—*Time* “Francis enjoys sharing personal stories of God’s grace and mercy in the lives of parishioners from his native Argentina, people he has known and who have recognized themselves as sinners.”—*The Washington Post* “Powerful . . . Francis’s book signals a plea for a change of attitude on the part of the faithful and their pastors. . . . Bishops and priests

will talk and quarrel over the text for months, even years to come. And that, perhaps, is what Francis intends.”—Financial Times “Deepens his calls for a more merciful Catholic Church . . . The question-and-answer book is told in simple, breezy language, with the pope referring to experiences and people in his own life.”—Newsday “Francis has offered his most detailed outline yet for the role of the Catholic church in the modern era.”—National Catholic Reporter Translated by Oonagh Stransky From the Hardcover edition.

Names of God

From the conquistadores in Central and South America to the Jesuits in China, Edmondo Lupieri traces the consequences of European war and conquest for global cultural identities from the age of exploration to the present. In the Name of God exposes the economic, political, and religious justifications and motivations behind the European conquests and uncovers some of the historical roots of genocide, racism, and "just war." Lupieri's animated and comprehensive historical-sociological study masterfully weaves together a tapestry of ideas, individuals, and people groups, linking them throughout to present-day realities in often surprising ways. Unflinchingly critical, Lupieri describes how European-indigenous encounters have shaped Christianity -- and the world -- irrevocably.

Knowing God by Name

Names of God There are over 100 names used to describe God, Jesus, and the Holy Spirit throughout the Bible. Each of these names tell us something about His character and hold a special message of encouragement for us as believers. In Names of God, discover what each name means, where to find it in the Bible, and how to practically apply it to our lives today. Experience the peace that comes from learning how to worship God — one name at a time! Includes the following names — • Shiloh (Jesus, Our Promised Peace) • El Roi (The God Who Sees Me) • Spirit of Counsel (The Holy Spirit) • Immanuel (God with us)

Terror in the Name of God

What's in a name?The Names of God: 52 Bible Studies for Individuals and Groups offers a unique approach to Bible study by presenting a 52-week study focusing on the names and titles of God and of Jesus, one designed to help readers experience the Lord in fresh and deeper ways. . By studying such rich and varied names as Adonay, El Shadday, Abba, Yeshua, Lamb of God, and Prince of Peace, readers will encounter a God who is utterly holy, powerful, surprising, merciful, and loving.Each week's study includes:• Background information to help readers understand the name• A key Scripture passage in which the name was first or most significantly revealed • A series of questions for individual or group study• A list of Bible

passages for further reflection. Based on *Praying the Names of God* and *Praying the Names of Jesus* but containing additional questions for reflection and study, this unique Bible study is designed to help individuals and groups explore the most important of God's names and titles as they are revealed in the Bible. Also included is a helpful pronunciation guide to the Names of God in Ancient Hebrew and Koine Greek.

In the Name of God

Despite predictions of continuing secularisation, the twenty-first century has witnessed a surge of religious extremism and violence in the name of God. In this powerful and timely book, Jonathan Sacks explores the roots of violence and its relationship to religion, focusing on the historic tensions between the three Abrahamic faiths: Judaism, Christianity and Islam. Drawing on arguments from evolutionary psychology, game theory, history, philosophy, ethics and theology, Sacks shows how a tendency to violence can subvert even the most compassionate of religions. Through a close reading of key biblical texts at the heart of the Abrahamic faiths, Sacks then challenges those who claim that religion is intrinsically a cause of violence, and argues that theology must become part of the solution if it is not to remain at the heart of the problem. This book is a rebuke to all those who kill in the name of the God of life, wage war in the name of the God of peace, hate in the name of the God of love, and practise cruelty in the name of the God of compassion. For the sake of humanity and the free world, the time has come for people of all faiths and none to stand together and declare: Not In God's Name.

In God's Name

War, Peace, and Prosperity in the Name of God

Many of us ache for relationship with God, yet feel distant and disconnected from him. As if he's more of an idea we believe in our head than a person we relate to. But God has a name: Yahweh. This one simple idea has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? And what if the real God is different, but far better than we could ever imagine? This book is a simple, but profound guide to what God says about himself. In his signature conversational-but-smart style, John Mark Comer takes the reader line by line through Exodus 34:6-8—Yahweh's self-revelation on Mount Sinai—called by some scholars the one most quoted verse in the Bible, by the Bible. In it, we see who God says he is. It turns out, who God is just might surprise

you, and change everything.

Christ the 'name' of God

"Originally published in hardcover in slightly different form in the United States by Spiegel & Grau, an imprint of Random House, in 2018"--Copyright pag

Bearing God's Name

This book does not sanction Apartheid - read it and see for yourself! "It was the mid-80s and South Africa was burning. Township streets were violent with protest and a full-blown Cold War proxy war raged on the border. None of these issues occupied my mind at the time. I was too busy growing up." The reluctant disciple of an unholy cause, Mike Warren wrestles with life and love against the backdrop of a pivotal period in South Africa's dark history. A frank and outspoken coming-of-age memoir, *In The Name Of God* is the author's exploration of the role he played in defending apartheid.

KJV Names of God Bible

For four years, Jessica Stern interviewed extremist members of three religions around the world: Christians, Jews, and Muslims. Traveling extensively—to refugee camps in Lebanon, to religious schools in Pakistan, to prisons in Amman, Asqelon, and Pensacola—she discovered that the Islamic jihadi in the mountains of Pakistan and the Christian fundamentalist bomber in Oklahoma have much in common. Based on her vast research, Stern lucidly explains how terrorist organizations are formed by opportunistic leaders who—using religion as both motivation and justification—recruit the disenfranchised. She depicts how moral fervor is transformed into sophisticated organizations that strive for money, power, and attention. Jessica Stern's extensive interaction with the faces behind the terror provide unprecedented insight into acts of inexplicable horror, and enable her to suggest how terrorism can most effectively be countered. A crucial book on terrorism, *Terror in the Name of God* is a brilliant and thought-provoking work.

In the Name of God

This powerful book will add a new dimension to your prayer life and communion with the Lord and strengthen your relationship with God Almighty. Man's chief end and ultimate purpose is to know God, and this occurs through an unfolding revelation of who He truly is. Man's chief end and ultimate purpose is to know God, and this occurs through an unfolding revelation of who He truly is. Jesus Himself teaches us: "And this is life eternal; that they may know thee, the only one true

God” (John 17:3). In this inspired book, Benny Hinn shares marvelous insights the Lord has given him concerning the names of God. From Elohim (My Creator) through Jehovah Shammah (My Abiding Presence), you will learn to approach the Father with a growing, deepening love and reverence. In these twelve revelations you will understand the nature of an awesome God who is waiting to meet your personal needs. Perhaps you have been introduced to God though His Word, through His Son, or through His Spirit. Now you can know Him intimately through His names, which will bring power and meaning to your spiritual journey.

The Power of God's Names

Today’s culture and others’ views, even those of other Christians, can present a distorted view of God. Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation. In a world where we find people creating God in their own image, studying God’s names can remind us that we are created in His. In fact, one of the best ways to know God’s true character and grow closer to Him is to study His names. In *The Names of God*, Melissa Spoelstra leads women on an exploration of the many names of our triune God—from El and Elohim to Yahweh and its many combinations to names such as Abba, Jesus, and Holy Spirit...and many others. As women study the names of God, their ideas about God will become more grounded in what His names tell them, and thus more personal, allowing a greater trust in Him to share the details of their lives. Whether having walked with God for many years or just starting out in a relationship with Him, by the end of this study women will not only know more about God but will know Him better—because through the discovery of God’s names, they will discover Him! Components for this six-week Bible study, each available separately, include a Participant Workbook, a Leader Guide, DVD with six 25-minute segments (with closed captioning), and a boxed Leader Kit containing one of each component.

In the Name of God and Country

All the Names They Used for God

A twenty-six-week devotional study by the bestselling coauthor of *Women of the Bible*. Names in the ancient world did more than simply distinguish one person from another, they often conveyed the essential nature and character of a person. This is especially true when it comes to the names of God recorded in the Bible. *Praying the Names of God* explores the primary names and titles of God in the Old Testament to reveal the deeper meanings behind them. El Shadday, Elohim, Adonay, Abba, El Elyon—God Almighty, Mighty Creator, Lord, Father, God Most High—these are just a few of the names and titles of God that yield rich insights into his nature and character. *Praying the Names of God* shows readers how to study and pray

God's names by focusing each week on one of the primary names or titles of God. • Monday—readers study a portion of Scripture that reveals the name. • Tuesday–Thursday—readers pray specific Scripture passages related to the name. • Friday—readers pray Scripture promises connected to the name. By incorporating the divine names and titles into their prayers—and learning about the biblical context in which the name was revealed—readers will gain a more intimate understanding of who God is and how he can be relied on in every circumstance of their lives. Praying the Names of God is a unique devotional, one that offers a rich program of daily prayer and study designed to lead people into fresh encounters with the living God.

God Has a Name

Differences among religious communities have motivated—and continue to motivate—many of the deadliest conflicts in human history. But how did political power and organized religion become so thoroughly intertwined? And how have religion and religiously motivated conflicts affected the evolution of societies throughout history, from demographic and sociopolitical change to economic growth? War, Peace, and Prosperity in the Name of God turns the focus on the “big three monotheisms”—Judaism, Islam, and Christianity—to consider these questions. Chronicling the relatively rapid spread of the Abrahamic religions among the Old World, Murat Iyigun shows that societies that adhered to a monotheistic belief in that era lasted longer, suggesting that monotheism brought some sociopolitical advantages. While the inherent belief in one true god meant that these religious communities had sooner or later to contend with one another, Iyigun shows that differences among them were typically strong enough to trump disagreements within. The book concludes by documenting the long-term repercussions of these dynamics for the organization of societies and their politics in Europe and the Middle East.

In the Name of God

In *Knowing God by Name: A Personal Encounter*, author Mary Kassian focuses on 35 Hebrew names of God that describe His character, His relationships, and His purpose.

Trusting in the Names of God

Religion is one of the most powerful forces running through human history, and although often presented as a force for good, its impact is frequently violent and divisive. This provocative work brings together cutting-edge research from both evolutionary and cognitive psychology to help readers understand the psychological structure of religious morality and the origins of religious violence. Introduces a fundamentally new approach to the analysis of religion in a style accessible to the

general reader Applies insights from evolutionary and cognitive psychology to both Judaism and Christianity, and their texts, to help understand the origins of religious violence Argues that religious violence is grounded in the moral psychology of religion Illustrates its controversial argument with reference to the 9/11 terrorist attacks, and the response to the attacks from both the terrorists and the President. Suggests strategies for beginning to counter the divisive aspects of religion Discusses the role of religion and religious criticism in the contemporary world. Argues for a position sceptical of the moral authority of religion, while also critiquing the excesses of the “new atheists” for failing to appreciate the moral contributions of religion Awarded Honourable Mention, 2010 Prose Awards
