Invisible Boys

Bitingly funny and shockingly relevant, *The Exact Opposite of Okay* is a bold, brave, and necessary read for fans of Louise O'Neill and Jennifer Mathieu. Eighteen-year-old Izzy O'Neill knows exactly who she is—a loyal friend, an aspiring comedian, and a person who believes that milk shakes and Reese's peanut butter cups are major food groups. But after she's caught in a compromising position with the son of a politician, it seems like everyone around her is eager to give her a new label: slut. Izzy is certain that the whole thing will blow over and she can get back to worrying about how she doesn't reciprocate her best friend Danny's feelings for her and wondering how she is ever going to find a way out of their small town. Only it doesn't. And while she's used to laughing her way out of any situation, as she finds herself first the center of high school gossip and then in the middle of a national scandal, it's hard even for her to find humor in the situation. Izzy may be determined not to let anyone else define who she is, but that proves easier said than done when it seems like everyone has something to say about her.

Izzy

On January 8, 2009, Izzy Ezagui--a 19-year-old American who had enlisted in the Israel Defense Forces (IDF)--lost his arm in a mortar attack on the border of the Gaza Strip. In this stirring memoir, full of chutzpah and dark humor, Izzy recounts his tortuous trek through rehabilitation to re-enlistment as a squad commander in the IDF. He became the only one-armed Special Forces sharpshooter. This isn't a typical war chronicle. Izzy eschews macho bluster, steering clear of the usual hero tropes of most war memoirists. He wrote this book for his fellow millennials. Not necessarily those with military ambitions, but for everyone facing life's daily battles. His message is simple- if a self-described "nerd" and "one-armed basket case" like him can accomplish what he set his mind to, then anyone can become a hero in his or her own life. Growing up in a religious household in Miami, his early life, plagued by self-doubt, family drama, and girl troubles, culminated in a life-changing terrorist attack he and his family barely escaped when he was thirteen. His search for direction eventually led him to that explosion on the Gaza border, changing his life forever. In the midst of disaster, he discovered a deep well at his core, from which he could draw strength. Through his motivational speeches across the world, he encourages people to seek their own power, and to face whatever adversity life throws at them. Combining refreshing candor with self-deprecating wit, Izzy's story will provoke readers to live up to their aspirations despite seemingly impossible odds.

The Boy who Grew Flowers

The Mustards Seeds is a collection of short stories based on well known bible stories but taken from unique perspectives; like Judas' narcissistic attitude as he recounts his valued role in Christ's ministry and Peter's consuming fear and doubt as he sinks needlessly into the stormy sea. John has added a fun and modern element to these ancient narratives while working hard to capture the real life feelings and emotions behind these people's experiences. Perhaps you will find new insight and relevance to God's word as you experience it anew through the minds and hearts of the Mustard Seeds.

Now, on the unforgiving streets of New York City--where the skyline stretches out like a graveyard--there is a war on and there is no room for mistakes. His ex-partner is hellbent on revenge and is no longer acting alone. And as bodies start to fall around Izzy, he is left to take on both his enemies and his inner demons face first in a battle that has no questions, no conversation. Just bang bang. He is new talent that has finally arrived." --Eric Jerome Dickey, New York Times bestseller author "Theo Gangi portrays the people of the criminal world not only in a way that brings them to vivid life, but life felt at the extreme, out where suffering, pity, even tenderness and love have their own stark reality." --David Plante, author of *Age of Terror* "Theo Gangi's first novel *Bang Bang* is a classic extreme thriller, with some surprising literary subtleties, and a level of Escherian interlocking that would make Tarantino's head spin." --Madison Smartt Bell, of *All Soul's Rising*, a National Book Award finalist "Gritty and gripping, full of tense

moments and sharp prose, Bang Bang is a debut worthy of attention. With the ear of a poet, the insight of a psychologist, and the attitude of a true New Yorker, Theo Gangi brings empathy and pathos to every gangsterfied page." --Adam Mansbach, author of Angry Black White Boy Theo Gangi attended Goucher College, and is a recent graduate of Columbia's MFA writing program.
