Latest advancements, attractive remuneration packages, and liberal work-stations are some of the features which are captivating students towards the ever-booming IT sector. Because of its popularity and demand, the competition to get into the sector has become equally tougher for the students (new entrants). Keeping this aspect in view, the book is designed as a perfect guide for the students who want to get into the field of IT. Serving as a self-help book for the graduates and students appearing for their placement tests and interviews in the final year, this book helps

the students to brush-up the basic concepts of computer science and IT. It also focuses on grooming skills (like what to do and what not to do on the Interview day), writing resume, and how to answer HR questions. Testimonials by the industry experts are incorporated to get students acquainted with the company processes and work culture. Key features

- Contains over 1200 MCQs for practice.
- Questions are taken from the interviews/tests conducted by top IT companies of India and abroad like CSC, IBM, Infosys, Dell, HCL, Wipro, Virtusa, Aon Hewitt, Convergys, and so on
- Answers to the MCQs are provided with their detailed explanations
- All IT processes are covered in detail
