Dina Siegel and Hans Nelen The term 'global organized crime' has been in use in criminology since the mid 1990s. Even more general and abstract than its daughter-terms (transnational or cross-border organized crime), 'global organized crime' seems to embrace the activities of criminal groups and networks all around the planet, leaving no geographical space untouched. The term appears to cover the geographical as well as the historical domain: 'global' has taken on the meaning of 'forever and ever'. Global organized crime is also associatively linked with 'globalisation'. The social construction of both terms in scientific discourse is in itself an interesting theme. But perhaps even more interesting, especially for academics trying to conduct empirical research in this area, is the analysis of the symbolic and practical meaning of these concepts. How should criminologists study globalisation in general and global organized crime in particular? Which instruments and 'theoretical luggage' do they have in order to conduct this kind of research? The aim of this book is not to formulate simple, straightforward answers to these questions, but rather to give an overview of contemporary criminological research combining international, national and local dimensions of specific organized crime problems. The term global organized crime will hardly be used in this respect. In other social sciences, such as anthropology, there is a tendency to

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

get rid of vague and abstract terms which can only serve to confuse our understanding. In our opinion, criminology should follow this initiative.

Whitey Bulger

This book examines the rapid development of the fundamental concept of a crime in international criminal law from a comparative law perspective. In this context, particular thought has been given to the catalyzing impact of the criminal law theory that has developed in major world legal systems upon the crystallization of the substantive part of international criminal law. This study offers a critical overview of international and domestic jurisprudence with regard to the construal of the concept of a crime (actus reus, mens rea, defences, modes of liability) and exposes roots of confusion in international criminal law through a comprehensive comparative analysis of substantive criminal laws in selected legal jurisdictions.

The Godfather

The Boardgamer magazine was a quarterly magazine devoted primarily, but not exclusively, to the coverage of Avalon Hill / Victory Games titles and to other aspects of the boardgaming hobby. Initially, The Boardgamer's publication ran concurrently with Avalon Hill's house magazine, The General, but instead of

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

focusing on new releases, it devoted coverage to those classic, Avalon Hill games which no longer graced the pages of The General. Following the cessation of The General in June 1998, The Boardgamer was the primary periodical dedicated to the titles from AH/VG, until its final issue in 2004. The contents of this volume consists of: Squad Leader - There's Life In The Old Dog Yet Scenario Alpha - Learning Squad Leader By Playing We The People - Some Basic Strategies Hadrian's Wall - Optional Rules For Britannia Avaloncon 1997 - Late Reports From The National Championships PT Boats versus The Tokyo Express - Optional Rules and New Scenarios Tokyo Express Preserving The Red Berets - Panzer Leader Scenario #10 A.R.E.A. Last of series on history of Philadelphia Mafia, before Angelo Bruno became Mafia boss of Philadelphia.

Shadow of My Father

Since the start of the 20th Century, the Italians and Chinese in the Little Italy/Chinatown area in New York City have endured an uneasy truce. In the first three quarters of the century, the Italians ruled the neighborhood with an iron fist. But starting in the 1970's, the dynamics began to change, as more Italians moved out and droves of Chinese began flowing into Chinatown from China. This did not bode well for Italian mob boss Tony Bentimova (Tony B), so he enlisted the help of his most trusted killer, Big Fat Fanny Fanelli, all six foot six inches and six hundred and sixty pounds of her, to ensure the Italians maintained control of all the illegal

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

rackets in Little Italy, which was slowly, but surely being transformed into Chinatown.

Detroit's Infamous Purple Gang

A Chicago Tribune Noteworthy Book A GoodReads Reader's Choice In One Summer Bill Bryson, one of our greatest and most beloved nonfiction writers, transports readers on a journey back to one amazing season in American life. The summer of 1927 began with one of the signature events of the twentieth century: on May 21, 1927, Charles Lindbergh became the first man to cross the Atlantic by plane nonstop, and when he landed in Le Bourget airfield near Paris, he ignited an explosion of worldwide rapture and instantly became the most famous person on the planet. Meanwhile, the titanically talented Babe Ruth was beginning his assault on the home run record, which would culminate on September 30 with his sixtieth blast, one of the most resonant and durable records in sports history. In between those dates a Queens housewife named Ruth Snyder and her corset-salesman lover garroted her husband, leading to a murder trial that became a huge tabloid sensation. Alvin "Shipwreck" Kelly sat atop a flagpole in Newark, New Jersey, for twelve days—a new record. The American South was clobbered by unprecedented rain and by flooding of the Mississippi basin, a great human disaster, the relief efforts for which were guided by the uncannily able and insufferably pompous Herbert Hoover. Calvin Coolidge interrupted an already leisurely presidency for an

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

even more relaxing three-month vacation in the Black Hills of South Dakota. The gangster Al Capone tightened his grip on the illegal booze business through a gaudy and murderous reign of terror and municipal corruption. The first true “talking picture,” Al Jolson’s *The Jazz Singer*, was filmed and forever changed the motion picture industry. The four most powerful central bankers on earth met in secret session on a Long Island estate and made a fateful decision that virtually guaranteed a future crash and depression. All this and much, much more transpired in that epochal summer of 1927, and Bill Bryson captures its outsized personalities, exciting events, and occasional just plain weirdness with his trademark vividness, eye for telling detail, and delicious humor. In that year America stepped out onto the world stage as the main event, and *One Summer* transforms it all into narrative nonfiction of the highest order.

poignant, and often humorous adventure.”—Thrive Global

NYPD Confidential

"The sordid saga of scandal continues in KENNEDY BABYLON: A CENTURY OF SCANDAL AND DEPRAVITY, VOLUME 2. They-re all here in 23 new, photo-filled chapters--the rabidly anti-Semitic family patriarch Joe, below-average drug addict Patches Kennedy, the loose women, Brother-in-Lawford, and one tongue-tied Kennedy after another. Gold diggers, gangsters, pimps, and perverts--it's a cornucopia of corruption brought to you by Howie Carr, the veteran columnist whose coverage of Sen. Ted Kennedy was so devastating that "Fat Boy," as Carr called him, once tried to shut down the BOSTON HERALD, by forcing owner Rupert Murdoch to sell it and the NEW YORK POST. KENNEDY BABYLON, VOLUME 2, brings the tales of the Kennedys' drunken debauchery and their Hundred Years' War on Women up-to-date, complete with more than 100 seldom-seen photographs. This is the real story about the Democrats' holy family that you will never read about in the fake news media."--back cover.

One Summer

At around 9:30 pm on October 30, 1975, blond and beautiful 15-year-old Martha

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

Moxley had just left the Skakel residence and was walking to her home on the other side of Walsh Lane, in the swank Belle Haven section of Greenwich, Connecticut. Suddenly, someone rushed up behind her and bashed in her head with a 6-iron that belonged to a set of clubs that was later found in the Skakel residence. The killer then dragged Martha's body down a deep slope and deposited her, face-down, under a huge pine tree. He then stabbed her in the neck with a splintered shaft of the golf club, and pulled her jeans down to her knees, exposing her buttocks. The killer had either been unwilling, or was physically unable to sexually assault the half-naked girl. The Greenwich police had not investigated a murder case in over 30 years. They bungled the crucial initial investigation and the subsequent follow-ups. It wasn't until 2002, 27 years after Martha's murder, that Michael Skakel, the nephew of Ethel Skakel Kennedy, the wife of former Attorney General, Robert F. Kennedy, was tried and convicted of Martha's murder. Was the Greenwich PD totally incompetent in their initial and ongoing investigation of Martha's murder? Did the state's Attorney General look the other way because he was afraid of whom he might offend? Did the Skakel/Kennedy cabal intimidate both the Greenwich PD and the state's AG from doing their jobs? This book will try to answer those questions. taught for more than forty years at the New School for Social Research in New York. He published eighteen books, co-edited a book series with Robert Jackall, and was the founding editor of the International Journal of Politics, Culture, and Society.

The CQ Researcher Bound Volume 1992

Undisputed Truth

"John A. Gotti who survived four trials and a parole violation hearing without a guilty verdict, in four years, now takes up his pen to tell the story of his father's unwavering dedication to the street, and how as his son he entered that life and then with his father's permission left the life of crime and put the "Family" behind him to live a legitimate life with his real family. It is a saga of betrayal and redemption, and an insider's view of how at times those who are tasked with upholding the law readily broke it to further their careers."--cover.

Mob Mayhem Volume One

This book contains a number of papers presented at a workshop organised by the World Bank in 1997 on the theme of 'Social Capital: Integrating the Economist's

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

and the Sociologist's Perspectives'. The concept of 'social capital' is considered through a number of theoretical and empirical studies which discuss its analytical foundations, as well as institutional and statistical analyses of the concept. It includes the classic 1987 article by the late James Coleman, 'Social Capital in the Creation of Human Capital', which formed the basis for the development of social capital as an organising concept in the social sciences.

The Sly-Fanner Murders

The inspiration for the major motion picture, THE IRISHMAN. Includes an Epilogue and a Conclusion that detail substantial post-publication corroboration of Frank Sheeran's confessions to the killings of Jimmy Hoffa and Joey Gallo. "Sheeran's confession that he killed Hoffa in the manner described in the book is supported by the forensic evidence, is entirely credible, and solves the Hoffa mystery." — Michael Baden M.D., former Chief Medical Examiner of the City of New York "Charles Brandt has solved the Hoffa mystery." — Professor Arthur Sloane, author of Hoffa "It's all true." — New York Police Department organized crime homicide detective Joe Coffey "I heard you paint houses" are the first words Jimmy Hoffa ever spoke to Frank "the Irishman" Sheeran. To paint a house is to kill a man. The paint is the blood that splatters on the walls and floors. In the course of nearly five years of recorded interviews, Frank Sheeran confessed to Charles Brandt that he handled more than twenty-five hits for the mob, and for his friend Hoffa. He also

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

provided intriguing information about the Mafia's role in the murder of JFK. Sheeran learned to kill in the US Army, where he saw an astonishing 411 days of active combat duty in Italy during World War II. After returning home he became a hustler and hit man, working for legendary crime boss Russell Bufalino. Eventually Sheeran would rise to a position of such prominence that in a RICO suit the US government would name him as one of only two non-Italians in conspiracy with the Commission of La Cosa Nostra, alongside the likes of Anthony "Tony Pro" Provenzano and Anthony "Fat Tony" Salerno. When Bufalino ordered Sheeran to kill Hoffa, the Irishman did the deed, knowing that if he had refused he would have been killed himself. Charles Brandt's page-turner has become a true crime classic.

Before Bruno and How He Became Boss

In this riveting true story of coming of age in the Chicago Mob, Charles "Charley" Hager is plucked from his rural West Virginia home by an uncle in the 1960s and thrown into an underworld of money, cars, crime, and murder on the streets of Chicago Heights. Street-smart and good with his hands, Hager is accepted into the working life of a chauffeur and "street tax" collector, earning the moniker "Little Joe College" by notorious mob boss Albert Tocco. But when his childhood friend is gunned down by a hit man, Hager finds himself a bit player in the events surrounding the mysterious, and yet unsolved, murder of mafia chief Sam Giancana. Chicago Heights is part rags-to-riches story, part murder mystery, and

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

part redemption tale. Hager, with author David T. Miller, juxtaposes his early years in West Virginia with his life in crime, intricately weaving his own experiences into the fabric of mob life, its many characters, and the murder of Giancana. Fueled by vivid recollections of turf wars and chop shops, of fix-ridden harness racing and the turbulent politics of the 1960s, Chicago Heights reveals similarities between high-level organized crime in the city and the corrupt lawlessness of Appalachia. Hager candidly reveals how he got caught up in a criminal life, what it cost him, and how he rebuilt his life back in West Virginia with a prison record. Based on interviews with Hager and supplemented by additional interviews and extensive research by Miller, the book also adds Hager's unique voice to the volumes of speculation about Giancana's murder, offering a plausible theory of what happened on that June night in 1975.

POW/MIA Accounting

The New York City historian and author of *The Bowery* takes readers on a tour of New York's infamous underworld in this revealing guide. During the early twentieth century, Sicilian and Southern Italian immigrants poured into New York City looking for a better life. But while they escaped the kind of poverty and persecution they experienced in the old country, they soon discovered that certain criminal enterprises followed them to America. Over the years, the island of Manhattan would become a hotbed of organized crime and underworld intrigue. It's a version

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

of the city that remains invisible to most visitors—until now. In this revealing tour of New York City’s mafia history, Eric Ferrara gives readers an insider’s look at how the mob lived—and where they died. Ferrara goes inside mafia hangouts from the Copacabana to Milady’s Bar and the Thompson Street Social Club. He vividly recounts infamous episodes in the lives of famous mafia men, like Charlie “Lucky” Luciano and Joey Gallo, as well as more obscure players who will be new to most readers. From the beginnings of Black Hand criminal networks to the reign of an all-powerful organized crime syndicate, Manhattan Mafia Guide offers a fascinating look down New York City’s mean streets.

Corruption and Racketeering in the New York City Construction Industry

This book is an insider’s account of the search for missing American servicemen who became trapped in the Soviet Union and the US government’s efforts to free them or discover their fates. The book, which is based on years of work as a consultant to the US government, includes archive research that took place in Russia and four other republics of the Soviet Union as the USSR broke apart. Volume I explores the history of missing American servicemen, with particular emphasis on thousands who were not accounted for during the Korean War and Cold War era. As US relations with Russia and North Korea become more intense,

The Cleveland Police Department Never Gave Up! From the moment of the double-murder the police never gave up in the hunt for the six suspects involved in the payroll robbery-gone bad. Cleveland detectives and prosecutors pursued and/or arrested the killers in Los Angeles, Mexico City, San Francisco and finally Sicily, taking some fifteen years to make sure justice was served. The crime was carried out by members of Cleveland's infamous Mayfield Road Mob. The plot to rob the local businessmen was hatched after one gang member, convicted of auto theft, was desperate for cash to file an appeal. Short on manpower, the gang's leader was forced to involve himself and an immature teenager in the daring hold-up. The young man's inexperience led to the double slaying and the manhunt was on. In the end, three of the participants would pay with their lives in the electric chair, one would be sent to prison for life, another received 30 years at hard labor; the last one, the younger brother of Cleveland's first Mafia boss, would go free. This story also gives a chilling look at one of the most violent periods in the history of Cleveland. When a new prosecutor takes office on January 1, 1921, he is confronted with handling three sensational murder trials in addition to the killings, which just took place the day before. This lawless period resulted in the Cleveland Crime Survey of 1921, the country's first in-depth study of the justice system of a major United States city

Bulger will die in jail. Bulger's lucky he didn't get the death penalty; which would have been a more fitting punishment for one of the vilest individuals to ever roam the earth.

Before Bruno: 1880-1931

"King of Clubs" is a profile of some of the most popular and famous illegal casinos that thrived and flourished in and around Cleveland, Ohio area during the 1930's until their demise in late 1940's. The casinos offered what the citizens of the rural towns wanted; poker, roulette, slots, craps, Keno, great food and of course alcohol. This is the second book in my collection dealing with Organized crime in Ohio. I explore some of the top clubs, in Ohio. The Famous Jungle Inn in Youngstown, Thomas Club in Maple Heights, The Harvard Club in Newburgh Heights, The Ohio Villa Club in Richmond Heights, and possibly the most well-known of all, The Mounds Club, located inside the small rural community of Willoughby Hills. An incredible robbery of the century when over \$500,000 was stolen, from the Mounds Club on September 29, 1947. This event brought the awareness of these casinos to the front page of newspapers across the country. Some of the major gamblers in Cleveland participated in the operation of these fantastic nightspots. These casinos and more like them, fought to stay open and keep the money rolling in their hands day after day, week after week. This included men like Frank and Anthony Milano, Moe Dalitz, Morris Kleinman, Thomas

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

McGinty, Mickey McBride, my grandfather Frank Brancato, Alex "Shondor" Birns and so many others. I dive into their rise in popularity, their owners, high points, glory days, and later when they were forced to close down by new laws and moral city officials. I include information on the other gambling rackets including the Policy and Clearinghouse games and how the Cleveland Mob is invested in the modern business of gambling, and how the Jewish Syndicate is involved as this led the Cleveland mob to invest in the Desert Inn located in Las Vegas in 1950.

Inside Greenwich Village

For the better part of half a century, Frank Brancato was one of the most feared men in Ohio. The Sicilian immigrant claimed to be a humble tire salesman but in reality he was the right-hand man of Cleveland Mafia Boss John Scalish. Brancato-Mafia Street Boss traces Frank's story from his days as a penniless Italian immigrant to his years as a wealthy and prosperous Cleveland businessman. His children and grandchildren knew him as a kind, soft-spoken, generous man. But others saw a different side of him. Entrepreneurs who were reluctant to share their bootlegging or gambling profits with the Cleveland "Family" were eliminated without delay. People who were suspected of talking too much found themselves taking a "one-way ride." For many years, FBI agents were under orders from their famous leader, J. Edgar Hoover himself, to observe Brancato's activities and try to

Bookmark File PDF Joe Brunos Mobsters Three Volume Set Mobsters Gangs Crooks And Other Creeps Volumes 1 2 And 3

collect information that would lead to his criminal conviction. Immigration officers tried long and hard to deport Brancato, including an unsuccessful attempt to "kidnap" him from a Cleveland Federal Building and whisk him away on a one-way trip back to his homeland in Italy. Police tried to pin various Mob "hits" on Brancato, but eyewitnesses frequently either died suddenly, or they mysteriously developed doubts about what they'd seen. People who made trouble for the Mafia frequently had their lives cut short by explosions or gunfire. Brancato was usually questioned in these incidents, but was released for lack of evidence. He was nearly "bulletproof..". except for the wound from a gunbattle that nearly took his life and led to his only prison term. Using newspaper reports, FBI and police files, and even stories told by family members, Frank Monastra chronicles the story of his grandfather, Frank Brancato, from his days as a Prohibition-era bootlegger and whiskey runner to his role in the rise of the gambling and nightclub industry. Brancato-Mafia Street Boss gives an insider look at the rise of the Sicilian Mafia in Ohio in its heyday, from the 1920s to the 1970s.

This book, *Corruption and Racketeering In The New York City Construction Industry: The Final Report of the New York State Organized Task Force*, lays out in close and compelling detail the intricate patterns of corrupt activities and relationships that for the better part of a century have characterized business as usual in the construction industry in America's largest metropolis. The book is the end product of more than five years' worth of investigation, prosecutions, and research by the New York State Organized Crime Task Force, a unique agency that has set a national example for marrying law enforcement initiatives with comprehensive and exhausting analysis of the causes and dynamics of industrial racketeering. This is a sobering analysis of the construction industry, one of New York City's largest industries, and in effect, one of the city's most significant economic sectors. In any given year during the 1980s, billions of dollars of construction were being carried out at any one time. The industry regularly employs more than 100,000 people in the city, involving some one hundred union locals and many hundreds of general and specialty contractors as well as a large number of architects, engineers, and materials suppliers. The book shows—in great and provocative detail—how organized extortion, bribery, illegal cartels, and bid rigging characterize construction in the city. The basis for much of this crime is labor racketeering, controlled or orchestrated by organized crime. It reveals how this world of corruption affects not only the private sector but the city's vast public works program, and it spells out the ways in which both organized crime and official corruption each sustain the dynamics of ongoing criminality. Wrong-doing

on a massive scale is documented at length. But this book is more than a recitation of extensive and systematic criminality. The book recommends a number of plausible options for genuine reform. Necessarily these are profound and radical solutions, but everyone who reads this book will conclude that only profound and radical solutions could hope to solve such an entrenched and intractable crime problem.

Kennedy Babylon

Over its life the Review printed seminal writing on free market and conservative topics by remarkably mature students and by Russell Kirk, Ludwig von Mises, George Stigler, Benjamin Rogge, and other already established men. What characterized the Review writers was their rigor of thought and concern for principles, features that coexist naturally. —Chronicles Initially sponsored by the University of Chicago Chapter of the Intercollegiate Society of Individualists, the New Individualist Review was more than the usual "campus magazine." It declared itself "founded in a commitment to human liberty." Between 1961 and 1968, seventeen issues were published which attracted a national audience of readers. Its contributors spanned the libertarian-conservative spectrum, from F. A. Hayek and Ludwig von Mises to Richard M. Weaver and William F. Buckley, Jr. In his introduction to this reprint edition, Milton Friedman—one of the magazine's faculty advisors—writes that the Review set "an intellectual standard that has not yet, I

believe, been matched by any of the more recent publications in the same philosophical tradition.

The Mysterious Murder of Martha Moxley

Great classic for teenagers. Easy to read for all ages. This book has been deemed as a classic and has stood the test of time.

Chicago Heights

Most Wanted is the riveting account of former head of Massachusetts state police Thomas J. Foley's twenty-year pursuit of murderous Boston gangster Whitey Bulger— and of Foley's key role in exposing the FBI's protection of Bulger's criminal empire. This is a true-life thriller, and Tom Foley is the hero at its center. His investigative efforts resulted in criminal convictions of a half-dozen of Boston's most notorious thugs and also led to the conviction of John Connolly, one of the FBI agents who abetted Bulger; Connolly is serving a forty-year prison sentence and Bulger is now finally in custody after spending sixteen years on the FBI's Most Wanted list. It is known that Bulger was a secret informant for the FBI, but it has never been revealed—until now—that the FBI was actually actively protecting Bulger from Foley, effectively derailing Foley's efforts to stop Bulger's horrific crime

sprees time and again. In this book, Foley, a cop's cop, honestly recounts how his wide-eyed admiration for the nation's top law enforcement agency was gradually transformed by dark realities he didn't want to believe.

Social Capital

Detroit's Infamous Purple Gang is a photographic history of one of the most notorious organized crime groups of the 20th century. The photographs chronologically follow the evolution of the Purples from their days as a juvenile street gang through their rise to power and eventual self-destruction. Using rare police department mug shots and group photographs, the book transports readers through the dark side of Prohibition-era Detroit history. Detroit had a gold rush atmosphere and a thriving black market during the 1920s that attracted gangsters and unsavory characters from all over the country.

Most Wanted

Go deep into the L.A. underworld with the true story of one obsessive gangster's unparalleled quest for privilege, power, and paydays This biography of celebrity gangster Mickey Cohen digs past the sensational headlines to deliver a remarkable story of a man who captivated, corrupted, and terrorized Los Angeles for a

generation. When Bugsy Siegel was murdered, his henchman Mickey Cohen took over the criminal activity in Los Angeles. Mickey Cohen attained such power and dominance from the late 1940s until 1976 that he was a regular above - the - fold newspaper name, accumulating a remarkable count of more than 1,000 front - pages in Los Angeles papers alone, and was featured in hundreds of articles in national and international periodicals. His story and the history of mid - century L.A. are inextricably intertwined. Mickey Cohen is a seductive, premium - octane blend of true crime and Hollywood that spins around a wildly eccentric mob boss. Author Tere Tereba delivers tales of high life, high drama, and highly placed politicians, among them RFK and Richard Nixon, as well as revelations about countless icons, including Shirley Temple, Lana Turner, Frank Sinatra, and the Reverend Billy Graham. Meticulously researched, this rich tapestry presents a complete look at the Los Angeles underworld.

High Weirdness

An exploration of the emergence of a new psychedelic spirituality in the work of Philip K. Dick, Terence McKenna, and Robert Anton Wilson. A study of the spiritual provocations to be found in the work of Philip K. Dick, Terence McKenna, and Robert Anton Wilson, High Weirdness charts the emergence of a new psychedelic spirituality that arose from the American counterculture of the 1970s. These three authors changed the way millions of readers thought, dreamed, and experienced

reality—but how did their writings reflect, as well as shape, the seismic cultural shifts taking place in America? In *High Weirdness*, Erik Davis—America's leading scholar of high strangeness—examines the published and unpublished writings of these vital, iconoclastic thinkers, as well as their own life-changing mystical experiences. Davis explores the complex lattice of the strange that flowed through America's West Coast at a time of radical technological, political, and social upheaval to present a new theory of the weird as a viable mode for a renewed engagement with reality.

The Fundamental Concept of Crime in International Criminal Law

This multivolume resource is the most extensive reference of its kind, offering a comprehensive summary of the misdeeds, perpetrators, and victims involved in the most memorable crime events in American history. • Supports national standards curriculum • Offers an extensive selection of primary documents to encourage critical thinking and reading practice • Includes photos and illustrations to help bring content to life • Features sidebars with illuminating crime facts and interesting anecdotes

Write Attitude

The Boardgamer Volume 3

As the last Don of the Philadelphia mob, Ralph Natale, the first-ever mob boss to turn state's evidence, provides an insider's perspective on the mafia. Natale's reign atop the Philadelphia and New Jersey underworlds brought the region's mafia back to prominence in the 1990s. Smart, savvy, and articulate, Natale came up in the mob and saw first-hand as it hatched its plan to control Atlantic City's casino unions. Later on, after spending 16 years in prison, he reclaimed the family as his own after a bloody mob war that left bodies scattered across South Philly. He forged connections around the country, invigorated the family with more allies than it had in two decades, and achieved a status within the mob never seen before or since until he was betrayed by his men and decided to testify against them in a stunning turn of events. Using dozens of hours of interviews with Natale along with research and interviews with FBI agents, this book delivers revelatory insights into seminal events in American mob history, including: - The truth about Jimmy Hoffa's disappearance - The murder of Jewish mob icon Bugsy Siegel - The identity of the man who created modern-day Las Vegas With the full cooperation of Natale, New York Daily News reporter Larry McShane and producer Dan Pearson uncover the deadly reign of the last great mob boss of Philadelphia, a tale that covers a half-century of mob lore—and gore.

Executive Sessions of the Senate Permanent Subcommittee on Investigations of the Committee on Government Operations

Now in paperback, after five hardcover printings, Tommy James's wild and entertaining true story of his career—part rock & roll fairytale, part valentine to a bygone era, and part mob epic—that “reads like a music-industry version of *Goodfellas*” (The Denver Post). Everyone knows the hits: “Hanky Panky,” “Mony Mony,” “I Think We're Alone Now,” “Crimson and Clover,” “Crystal Blue Persuasion.” All of these songs, which epitomize great pop music of the late 1960s, are now widely used in television and film and have been covered by a diverse group of artists from Billy Idol to Tiffany to R.E.M. Just as compelling as the music itself is the life Tommy James lived while making it. James tells the incredible story, revealing his complex and sometimes terrifying relationship with Roulette Records and Morris Levy, the legendary Godfather of the music business. *Me, the Mob, and the Music* is a fascinating portrait of this swaggering, wildly creative era of rock 'n' roll, when the hits kept coming and payola and the strong-arm tactics of the Mob were the norm, and what it was like, for better or worse, to be in the middle of it.
