High Impact Instruction is a response to the pressing need among school leaders for research-validated, high-leverage instructional practices that have a significant, positive impact on the way teachers teach and students learn. Author Jim Knight provides a simple but powerful framework and set of tools for improving classroom management, content planning, instruction, and assessment. In addition, the book addresses the most effective forms of professional learning that can be used to ensure that teachers learn the Big Four teaching practices: Instructional Coaching,

Partnership Learning, and Intensive Learning Teams.
