Lord of Wicked Intentions

When a potential threat against her life forces Eva Daily to seek shelter on another world, she has only one option available to her. She must offer herself to the Interstellar Bride Program. After a deeply humiliating assessment of her suitability, Eva will be assigned a mate and transported to his world to become his bride. Upon arriving on the desert planet Trion, Eva soon learns that things are quite different than she is used to on Earth. Her assigned mate, the powerful, handsome High Councilor Tark, makes it clear that she will be expected to submit to him completely, and she quickly discovers that

disobedience will earn her a painful, embarrassing spanking on her bare bottom. An intimate examination from her new mate leaves Eva blushing crimson, but to her surprise Tark's mastery of her body arouses her beyond anything she could have ever imagined. Soon enough she finds herself naked, bound, and unable to resist the urge to beg for more as his skillful lovemaking brings her to one shattering climax after another. It doesn't take long, however, for Eva to realize that there is much more to Tark than just a dominant brute who will not hesitate to take his misbehaving wife over his knee and redden her bare bottom thoroughly. But just as her passion for him begins to blossom into love, events back on Earth threaten to tear her away from him forever. Can Eva find a way to remain at Tark's side and in his bed, or will she be left with nothing but memories of the man who has claimed both her body and her heart? The Magic Factory (Oliver Blue and the School for Seers—Book One)

Mi chiamo Sebastian Lindstrom, e sono il cattivo della storia. Ho deciso di mettermi a nudo, di dire la verità per una volta nella mia ingannevole vita, non importa quanto possa essere oscura. E vi assicuro che è così oscura, che vi ritroverete a vagare per i recessi bui della mia mente, in cerca della maniglia della porta

che non c'è. Non scambiatela per una confessione. Non sono in cerca di perdono, e in ogni caso non lo accetterei. I miei peccati mi appartengono. Mi tengono compagnia. Si tratta della vera storia di come l'ho trovata, rapita e poi persa. Era una dolce donzella e aveva già il suo principe azzurro. Ma ogni fiaba ha un cattivo, qualcuno appostato nell'ombra pronto a mandare tutto all'aria. Un mascazone disposto a mettere il mondo a ferro e fuoco pur di ottenere ciò che vuole. Quello sono io. Il cattivo della storia.

A National Book Foundation “5 Under 35” Honoree Finalist for the PEN/Hemingway Award for a Debut Novel Shortlisted for the Center for Fiction First Novel Prize A New York Times Notable Book One of the most highly praised novels of the year, the debut from an astonishing young writer, Freshwater tells the story of Ada, an unusual child who is a source of deep concern to her southern Nigerian family. Young Ada is troubled, prone to violent fits. Born “with one foot on the other side,” she begins to develop separate selves within her as she grows into adulthood. And when she travels to America for college, a traumatic event on campus crystallizes the selves into something powerful and potentially dangerous, making Ada fade into the background of her own mind as these alters—now protective, now hedonistic—move into control. Written with stylistic brilliance and based in the author’s realities, Freshwater dazzles with ferocious energy and serpentine grace.

He is on the hunt for The Cat, an outlaw who has been stealing goods to deliver to poor families and allegedly killed a US Marshall in the process. After a robbery and subsequent shoot out in town, Black Fox spots a young boy running from the scene and follows him, sure he is The Cat. But to his surprise, the boy turns out to be a girl! Cathleen O'Sullivan has no need for the law, especially when they refused to prosecute the man who destroyed her family. Now disguised as The Cat, she steals goods from her enemy to help the poor, and if it brings havoc to him and his bootlegging partners, then all the better. Then during a shootout, she is wounded, and captured by Black Fox. This ruggedly handsome lawman is not at all what she expected, especially when he cares for her wounds and protects her from her enemies instead of hauling her off to jail. She insists she's being framed for murder, and though Black Fox knows he should not be seduced by this spunky slip of a girl who has no respect for the law, he's torn between loving her and arresting her.

Il Libro Rosso è un elenco pressoché completo di tutti gli spiriti infernali – da quelli notissimi a quelli praticamente sconosciuti – comuni alla grande tradizione occulta delle tre religioni monoteiste (ebraica, cristiana, islamica). Ogni singolo spirito infernale vi è nominato nei suoi attributi, nelle sue prerogative, nel suo grado gerarchico di potenza. E di ogni spirito, sinteticamente, è trascritta l'evocazione, con l'indicazione operativa delle accortezze da prendere, dei rituali da eseguire, dei pentacoli da tracciare, dei giorni specifici da tener presenti. Attribuibile al novanta per cento al semisconosciuto Jacques Dourcet-Valmore, bibliotecario archivistista delle province attorno a Tolosa, in Francia, attivo nel ventennio tra le due guerre mondiali, Il Libro Rosso è un testo fondamentale per gli appassionati del genere, appositamente pensato per coloro che camminano sulla Via della realizzazione e sul sentiero dell'Arte Regia.

What Color Is a Kiss?

Five volumes have been written under the overall title of A Treatise on the Seven Rays, based on the fact, the nature, the quality and the interrelationship of the seven streams of energy pervading our solar system, our planet and all that lives and moves within its orbit. The first two volumes go extensively into the psychological make-up of a human being as the life, quality and appearance of an incarnating, evolving spiritual entity. They also relate the circumstance of a human psychology to world conditions and to future possibilities.

More games, crafts and skills Forest School style, building on the success of Play the Forest School Way. This book is organized by season to encourage kids to get outdoors come rain, shine or snow! Following on from the bestselling Play the Forest School Way, here is a brilliant selection of brand-new games, crafts and

activities to get kids developing new skills and exploring the natural world all year round. Structured around the four seasons of the year, each chapter is packed full of step-by-step Forest School games and activities that harmonize with the weather and what's happening in nature at that time of year, with a nod to seasonal festivals such as Easter and Christmas. In spring, for example, you could make a mud birthday cake to celebrate Earth Day on 22 April, or (inspired by bird song) craft sistrums from sticks and bottle tops, or make a clay hare and enjoy dandelion tea and a chocolate egg hunt at a spring day out. At Forest School, children return to the same location again and again, building a lasting connection with a specific part of the natural world, and this book in its year-round approach will bring this aspect of Forest School play to the fore. Each of the four seasonal chapters includes a description of an extended session (combining active and quieter activities plus, for some, an idea for foraging/cooking) to guide Forest School leaders planning themed days and parents looking for party inspiration or nature days out. The Forest School ethos of nature-based play and learning that encourages children to develop confidence, self-esteem and emotional intelligence is exactly what's needed in an era when childhood problems such as obesity and anxiety are on the rise. Woven through the year are stories from the authors' own Forest School classes, as they make a passionate case for the importance of ensuring children's access to nature and the incredible benefits they will gain from being outside, even in the heart of a city.

The decision is made to hold her trial, as well as that of Beka's Guardian squad, at the capital on Baraytha in order to achieve an impartial judgment regarding the accusations against them, and to settle the increasing discord.
