Tuck Everlasting

A Guide for Using the Best Christmas Pageant Ever in the Classroom

Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for *Tuck Everlasting* by Natalie Babbitt: "A fearsome and beautifully written book that can't be put down or forgotten." —The New York Times "Exciting and excellently written." —The New York Times Book Review "With its serious intentions and light touch the story is, like the Tucks, timeless." —Chicago Sun-Times "Probably the best work of our best children's novelist." —Harper's "Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder." —The Boston Globe "This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear." —Entertainment Weekly This title has Common Core connections.

Soon to be a major motion picture! Winner of the Newbery Medal and a #1 New York Times bestseller This stirring and unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendships. Inspired by the true story of a captive gorilla known as Ivan, this novel

is told from the point of view of Ivan himself. Having spent 27 years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. *The One and Only Ivan* was hailed as a best book of the year by Kirkus, School Library Journal, and Amazon, demonstrating it is a true classic in the making. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create Ivan's unforgettable first-person narration in a story of friendship, art, and hope. An author's note depicts the differences between the fictional story and true events. Plus don't miss *The One and Only Bob*, Katherine Applegate's return to the world of Ivan, Bob, and Ruby, coming in 2020!
