Romance.

### **Deep Deceptions**

On holiday leave from the service, Gabriel McQueen is sent into a brewing ice storm to make sure that his father's distant neighbor, Lolly Helton, who has fallen out of contact, is safe and sound. It's a trip that Gabriel would rather not make, given the bitter winter weather—and the icy conditions that have always existed between him and Lolly. Arriving at Lolly's home, Gabriel spots strangers through the windows—one of them packing a weapon—and kicks into combat mode. But once Lolly is rescued, the heat—and the hunt—are on. Snowbound, unarmed, and literally under the gun, Gabriel and Lolly must depend on each other to endure the merciless forces of nature and evade the ruthless enemy out in the blackness of the silent night—and out for their blood.

### **The Last Chance Cafe**

Re-live the experiences of the people who traveled to the distant and untouched Mackenzie Mountains of Canada's Northwest Territories. This raw, beautiful land was opened to outfitting in 1965, when intrepid entrepreneurs carried out exploratory hunts by horse

and backpack to determine whether the Mackenzies were worth an outfitting investment. Five men initially set out to build their businesses in this remote country, making a living through a lot of hard work and a little bit of luck. Guides, cooks and wranglers contributed to their success in the hunt for Dall sheep, grizzly bears, mountain caribou, mountain goats and moose. Their stories are filled with tales of animal encounters, tragedy and humour. Today, eight outfitters operate in the Mackenzie Mountains as the area remains as remote and beautiful as when the original five outfitters trekked into the area in the 1960's. I hope you enjoy reading Voices From the Mackenzies as much as I enjoyed writing about the folks who made their living in this beautiful country.

Rocked by tragedy, she heads to the one place that makes her happy: Oceanside in the Pacific Northwest, the destination of many family vacations when Annie was a teenager. Once there, Annie begins to restore her broken spirit, thanks in part to the folks she meets: a local painter, Keaton, whose large frame is equal to his big heart—and who helps Annie fix up her rental cottage by the sea; Mellie, the reclusive, prickly landlord Annie is determined to befriend; and Britt, a teenager with a terrible secret. But it is Keaton to whom Annie feels most drawn. His quiet, peaceful nature offers her both comfort and reprieve from her grief, and the two begin to grow closer. Then events threaten to undo the idyll Annie has come to enjoy. And when the opportunity of a lifetime lands in her lap, she is torn between the excitement of a new journey toward success and the safe and secure arms
