At the beginning of November we communicated changes being made to Mendeley to refocus on what's important to our users. This blog piece was accompanied by social media posts, announcements across our website at Mendeley.com and email communications. Unfortunately, there was a delay to some of the emails being sent to our users, for which we apologize.

Successful employee engagement strategies will make use of a range of good people management and learning and development practices. They should be holistic, for example by focusing on employee motivation and well-being, and helping employees understand their contribution to the organisation's purpose, objectives and culture.
