Heavenly Mansions and Other Essays on Architecture

A new installment of the author's rewritten translation of Homer's Iliad covers the first clash of the armies, in which the doomed Hector achieves the height of his powers during the rise of the Greek army. Reprint.

Uncle Pirate

Thielicke here studies the themes of doubt and appropriation in modern Protestant thought. A leading advocate of dialectical theology, Thielicke examines the work of the great German Protestant religious philosophers from Lessing and Schliermacher through Barth and Tillich, probing these theologians' understanding of their context and how this tradition can impact our own engagement with our times. Clear, finely nuanced, historically and philosophically mature, this is a vital reflection on the history of theology and in systematic theology.

Exam Prep for Bundle; Introduction To Project Management 2E

From the bestselling author of the classic espionage saga, The Brotherhood of the Rose, comes a high-action spy novel about deception and the meaning of loyalty. . . . When a bureaucratic mistake allows a terrorist attack to occur, CIA operative Steve Decker leaves the spy world in disgust. Seeking a new life, he moves to picturesque Santa Fe, New Mexico, and for the first time allows himself to think about something other than global intrigue and violence. He even lowers his guard sufficiently to commit himself to a relationship, but after his lover's house explodes and she is seen escaping with an

unknown man, Steve discovers that she has a mysterious past and that she knows he once worked for the CIA. Did she love him, or was she only using him as a bodyguard? Drawn back into the world of deceit and treachery, Steve will stop at nothing in his desperate cross-country quest to find his lover and learn the truth. "David Morrell is a master of suspense. He wields it like a stiletto—knows just where to stick it and how to turn it. If you're reading Morrell, you're sitting on the edge of your seat." Michael Connelly "Expect the unexpected...Romance, sex, violence, deception, intrigue, and characters who are bigger than life...A step above the rest of the suspense genre." Denver Rocky Mountain News "Fast and furious action...This powerhouse thriller achieves a runaway victory on the basis of sheer storytelling excitement." Publishers Weekly "Looking for an explosive action thriller? Or a literary novel with emotional depth and perfect prose? David Morrell's latest will satisfy both tastes and then some." Associated Press "A bullet of a read...A romantic thriller that examines violence, honor, and love." Los Angeles Features Syndicate

Modern Faith and Thought

"In this sequel to Unravel, a visit from a handsome stranger shatters a beautiful young woman's vision of her picture-perfect past. Victoria can't recall much of her life before she came to Fairfax Hospital, but she prefers it that way. She holds her beautiful baby daughter, Evelyn, every day and that's enough isn't it? But when Evelyn is taken from her, Victoria's world begins to fray at the seams. It becomes apparent to her that the hospital walls aren't the only obstacles standing between her and the outside world--Victoria has constructed a hall of mirrors deep inside, every false image a distraction from the trauma of her past life. A white picket fence, a family on the way yet something feels amiss in her memories of a happy marriage. When a handsome stranger begins visiting Victoria, pressing her to remember her past, she struggles to separate real memories from refracted images she has created, knowing at last that only the truth can set her free"--

Love's Encore

Sir William Temple, diplomat, statesman, and writer, retired to his garden in the 1680s and wrote what has become one of the key texts, not only of gardening, but also of the English aesthetic. It was he who introduced the idea of the charm of irregularity, and who gave it the allegedly Chinese name sharawadgi. The English style of landscape gardening can be traced in a direct line to this essay, which has not been in print for over 95 years.

When a fashion designer creates a collection, their focus is on the personal profile of the individual who will wear their garments. This book explores the creative mind of top fashion designers and asks the question, who would their "It" boy or "It" girl be and what would they wear? In *1 Brief, 50 Designers, 50 Solutions in Fashion Design*, fifty designers create their own stylistic definition of what is "it" in fashion. They bring us through their creative process and share with us the final results.

Designing Brand Identity

In one reckless night, Camille Jameson's life was changed forever: a tall, handsome stranger, an evening of romance -- and enough regrets to last a lifetime. Two years later, Camille is a successful interior decorator with the opportunity to restore one of Mississippi's proudest plantations. She arrives excited and eager to face her greatest professional challenge to date -- until Zack Prescott saunters through the mansion's front door and back into her life. He is exactly as she remembers, except for the knowing look in his eyes that reminds her of what they once shared. Now, forced to live in unbearably close

quarters, Camille and Zack will discover if they have the courage to face the past -- and, perhaps, build a future together . . .

Breakthrough Thinking

The toxic costs of anger are well understood: sabotaged careers, alienated family and friends, and even physical damage to a point where illness or an early death can result. Unlike previous models of anger control that began by combating anger-provoking trigger thoughts at a relatively low level of anger, *The Anger Control Workbook* introduces you to a streamlined new approach that allows you to exercise control at a higher level of anger so that fewer steps are involved in managing all of your problem anger expressions. Throughout, the book offers techniques in a clear, step-by-step format, arranged to make it easy to tailor a program to your own personal obstacles and triggering events

1884—Deep in the Sudanese deserts a crazed religious fanatic spawns violent bloodshed. In Victorian England Edward and Richard are twins, with a blessed life, enjoying their elite private school for boys, and with prospects of army commissions ahead. But then a woman's greed tears them apart and destroys their comfortable world. Even though their love is forbidden, for Edward there is no other in his life but Richard, and for Richard a life without Edward is unbearable. Has fate determined that they must lead their lives apart? As members of the British force engaged in a doomed bid to save heroic Gordon of Khartoum, besieged by the frenzied armies of the Mahdi, Edward and Richard, cruelly separated by events, and ignorant of the other's presence, are thrown into their own desperate adventures as the conflict rages on around them... One an officer, the other a lowly cavalry trumpeter, both find Muslim allies willing to risk all to see them through... Two lovers far from each other in a hostile world of enervating heat, unforgiving sand, rocky wastes, but also burning passions—will the young men overcome the ordeal of a life apart to achieve their dream of a destiny together?
