EOS M and Powershot series not supported yet. DSLR Remote Capture is in development and I look forward to your suggestions for further development. Already implemented Timelapse mode and will soon be complemented by the LiveView mode. P.S.: Before you begin, read the manual for your camera to correctly configure WI-FI. P.P.S.:

Known Issues on Xbox Series X|S - Microsoft Community

The remote doesn't power on unless its connected straight into my xbox and I've already paired it. It also won't charge like at all once its removed from the wire it turns off right away. Also the left trigger doesn't register as well as the right one does and when I switch it to hair trigger mode it doesn't register at all.

Amazon.com: Xbox 360 Media Remote: Video Games

Microsoft Xbox Remote Manual

Kinect (codenamed Project Natal during development) is a line of motion sensing

input devices produced by Microsoft and first released in 2010. The technology includes a set of hardware originally developed by PrimeSense, incorporating RGB cameras, infrared projectors and detectors that mapped depth through either structured light or time of flight calculations, and a microphone array, along

Bing: Microsoft Xbox Remote Manual

Received my XBox Series X today, this is my first XBox. I can't get local game streaming from the XBox to my Windows 10 PC to work. On this site, MS claims that game streaming only works with XBox One, not Series X, when using the companion app. Having tried it nevertheless, it tells me the XBox wouldn't be set up correctly.
