In Pursuit

The New York Times bestselling author of the forthcoming *God's Wisdom for Navigating Life* uncovers the essential message of Jesus, locked inside his most familiar parable. Newsweek called renowned minister Timothy Keller "a C.S. Lewis for the twenty-first century" in a feature on his first book, *The Reason for God*. In that book, he offered a rational explanation of why we should believe in God. Now, in *The Prodigal God*, Keller takes his trademark intellectual approach to understanding Christianity and uses the parable of the prodigal son to reveal an unexpected message of hope and salvation. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way.

The Brick Bible

Part of a series of exciting and luxurious Flame Tree Notebooks. Combining high-quality production with magnificent fine art, the covers are printed on foil in five colours, embossed, then foil stamped. And they're powerfully practical: a pocket at

the back for receipts and scraps, two bookmarks and a solid magnetic side flap. These are perfect for personal use and make a dazzling gift. This example features a Classic Book Cover. Book covers functioned solely as protective devices for hundreds of years, keeping the luxurious handmade pages from harm, while providing a decorative testimonial to the prestige of the book. But in the 1820s, thanks to the invention of steam-powered presses, books became cheaper to produce and increasingly they were designed to communicate the contents and to be seen face-up on a table instead of spine-out on a shelf.

This work brings together for each day of the year three prayer practices for contemplative living: first, a brief "active prayer"; second, spiritual reading; and, third, Lectio Divina. The brief introductory prayer sentences are from various sources - the Bible and traditional prayers of the church or of well-known spiritual writers. The spiritual readings come from eleven of Father Keatings books and one audiotape, with a month's worth of readings derived from each work. Each day's entry concludes with a brief selection from the Bible, or Lectio Divina.

Magnus lives and works at the Broadway Firehouse. He knows that when the fire alarm clangs, he and his partners, Billy and Sparks, are supposed to spring into action. Without them the firemen would never be able to move the gigantic steam pumper. And without a pumper the crew wouldn't be able to put out fires. Then one day the captain drives into the firehouse on a loud, newfangled contraption called a motorized fire truck. It doesn't need horses to pull it to a fire. So just

like that, Magnus, Sparks, and Billy are out of a job. A little history, a little humor, and a whole lot of heart are artfully blended in this rousing tale of one high-spirited horse who can't accept being put out to pasture. And thank goodness! Because it's this steadfast sense of duty that ultimately saves the day.
