Moving Straight Ahead

Use media literacy to reach all students! This book starts by asking, "What does it mean to be literate in today's world, and how can those literacy skills be developed?" The authors answer those questions by providing concrete, innovative ways to integrate media literacy across the curriculum and teach students to be independent, skilled, and reflective thinkers. Through dozens of suggested activities, teaching strategies, lessons, and a companion Website, the authors'

Tarbell's Teachers' Guide to the International Sunday-school Lessons for 1906

In this guide are the tools needed to develop appropriate social skills interventions for young children through adolescents and crossing a broad spectrum of backgrounds and abilities. This work is unique in its emphasis on building new adaptive, prosocial behaviors. The editors have combined an overview of the conceptual and theoretical underpinnings of social skills instruction with a broad range of practical applications, examples, strategies, and suggestions for intervention. Includes extensive, up to date coverage of early childhood, aggressive, severely disabled, adolescent, and culturally diverse populations. Explains how social skills instruction can be used to prevent problems as well as help children overcome existing ones. Shows how to assess the characteristics of learners and their environment in order to tailor instruction to their needs. Provides a wide range of strategies, examples, and practical suggestions -- including behavioral, cognitive, and affective approaches. School Psychologists, Special Education Teachers, and Clinical Psychologists. A Longwood Professional Book Also available in casebound: ISBN: 0-205-16073-5 Title Code: H60734.
