In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible

true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation.

The Prophet of Islam Muhammad SAW Biography And Pictorial Guide English Edition Hardcover Version

Muhammad is a shimmering, lyrical biography of the Prophet, composed from the words of Muslims throughout the centuries. Drawing on a variety of Islamic sources, from the hadith, or sayings of Muhammad and his companions, to Abbasid and Persian texts, Weinberger weaves a subtle, mystical prose poem, spanning Muhammad's birth and childhood; his adolescence, miracles and marriages; to the isra and miraj, his journey from Mecca to Jerusalem and ascent into heaven, with the angel Jibril (Gabriel) as his guide. The result is a vivid triptych that presents the final prophet of Islam with extraordinary clarity. At a time when the Muslim world is being demonized in much of the media Muhammad provides a sense of the awe surrounding this historical and sacred figure.

The Biography of Muhammad

Winner of the 2018 PEN/ESPN Award for Literary Sports Writing Winner of The Times Sports Biography of the Year “As Muhammad Ali’s life was an epic of a life so Ali: A Life is an epic of a biography . . . pages in succession its narrative reads like a novel—a suspenseful novel with a cast of vivid characters.” – Joyce Carol Oates, New York Times Book Review Muhammad Ali was born Cassius Clay in racially segregated Louisville, Kentucky, the son of a sign painter and a housekeeper. He went on to become a heavyweight boxer with a dazzling mix of power and speed, a warrior for racial pride, a comedian, a preacher, a poet, a draft resister, an actor, and a lover. Millions hated him when he changed his religion, changed his name, and refused to fight in the Vietnam War. He fought his way back, winning hearts, but at great cost. Jonathan Eig, hailed by Ken Burns as one of America’s master storytellers, sheds important new light on Ali’s politics, religion, personal life, and neurological condition through unprecedented access to all the key people in Ali’s life, more than 500 interviews and thousands of pages of previously unreleased FBI

When the Moon Split (Biography of Prophet Muhammad)

“Rahaman has, at last, written the definitive biography on his late brother, which tells the real Ali story.” —Mike Tyson More words have been written about Muhammad Ali than almost anyone else. He was, without doubt, the world’s most-loved sportsman. At the height of his celebrity he was the most famous person in the world. And yet, until now, the one voice missing belonged to the man who knew him best—his only sibling, and best friend, Rahaman Ali. No one was closer to Ali than Rahaman. Born Cassius and Rudolph Arnett Clay, the two brothers grew up together, lived together, trained together, travelled together, and fought together in the street and in the ring. A near-constant fixture in his sibling’s company, Rahaman saw Ali at both his best and his worst: the relentless prankster

and the jealous older brother, the outspoken advocate, the husband and father. In *My Brother, Muhammad Ali*, Rahaman offers an insider's perspective on the well-known stories as well as never-before-told tales, painting a rich and intimate portrait of a proud, relentlessly polarizing, yet often vulnerable man. In this extraordinary, poignant memoir, Rahaman tells a much bigger and more personal story than in any other book on Muhammad Ali—that of two brothers, almost inseparable from birth to death. It is the final and most important perspective on an iconic figure.

The Biography of Muhammad

Muhammad Abduh (1849-1905) is widely regarded as the founder of Islamic modernism. Egyptian jurist, religious scholar and political activist, he sought to synthesise Western and Islamic cultural values. Arguing that Islam is essentially rational and fluid, Abduh maintained that it had been stifled by the rigid structures implemented in the generations since Muhammad and his immediate followers. In this absorbing biography, Mark Sedgwick examines whether Abduh revived true Islam or instigated its corruption.

Muhammad

Available in Canada for the first time since its initial publication in 1981, this is acclaimed author Karen Armstrong's classic memoir of her life as a young woman in a convent — the precursor to the bestseller *The Spiral Staircase*. *Through the Narrow Gate* is Karen Armstrong's intimate memoir of life inside a Catholic convent. With honesty and clarity, she explains what drove her at age seventeen to devote herself to God. Over the next seven years, she endures the difficulties of convent life — the enforced silence, the lack of friendship and family, her own guilt at not being able to stifle her voracious intelligence — and unveils the secrets of religious life during the post-Vatican II years. *Through the Narrow Gate* is a moving account of a young woman's search for God and the experiences that put Karen Armstrong on her way to becoming one of the most admired and most respected

interpreters of religious faith. From the Trade Paperback edition.

It's All About Muhammad

Through comparison with other prophets and mystics the author examines Muhammad's spiritual ideas, and uses the facts of his life - from which Muslims have drawn instruction for centuries - to make the tenets of Islam clear and accessible for readers of all faiths.

My Brother, Muhammad Ali

In *THE LIFE OF MUHAMMAD*, Haykal achieves two objectives admirably: first, a biography which reveals the career of Prophet Muhammad (peace be upon him) in the full light of historic reality; second, bringing out the essence of Islam, as exemplified in the life of the greatest Muslim. It includes complete coverage of the Prophet's life, a detailed analysis of pre-Islamic Arabia, the situational context of revelation, and a comparative study of the basics of Islamic and western civilizations. It is based upon a scholarly examination of all of the extant Sirah and Hadith literature (the Prophet's life, his sayings and narrations of his teachings by his contemporaries) with the eye of an objective, scientific and critical scholar who is well-versed in modern historical critical methodology. *THE LIFE OF MUHAMMAD*

Muhammad and the Supernatural

AN INDEPENDENT BEST BOOKS ON RELIGION 2014 PICK Few things provoke controversy in the modern world like the religion brought by Prophet Muhammad. Modern media are replete with alarm over jihad, underage marriage and the threat of amputation or stoning under Shariah law. Sometimes rumor, sometimes based on fact and often misunderstood, the tenets of Islamic law and dogma were not set in the religion's founding moments. They were developed, like in other world religions, over centuries by the clerical class of Muslim scholars. Misquoting Muhammad takes the reader back in time through Islamic civilization and traces

how and why such controversies developed, offering an inside view into how key and controversial aspects of Islam took shape. From the protests of the Arab Spring to Istanbul at the fall of the Ottoman Empire, and from the ochre red walls of Delhi's great mosques to the trade routes of the Indian Ocean world, Misquoting Muhammad lays out how Muslim intellectuals have sought to balance reason and revelation, weigh science and religion, and negotiate the eternal truths of scripture amid shifting values.

Biography of Resistance

Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the

most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.

Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' *Muhammad: His Life Based to the Earliest Sources* is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. *Muhammad: His Life Based to the Earliest Sources* was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.

The Life of the Prophet Muhammad

In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent—a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's—and the Prophet Muhammad's—origin story. Cole shows how Muhammad came of age in an era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

Muhammad and the Supernatural: Medieval Arab Views examines the element of the supernatural (or miracle stories) in the life of the Prophet Muhammad as depicted in two genres: prophetic biography (sīra) and Qur'ān exegesis (tafsīr).

The Life of Muhammad

Kecia Ali delves into the many ways the Prophet's life story has been told from the earliest days of Islam to the present, by both Muslims and non-Muslims. Emphasizing the major transformations since the nineteenth century, she shows that far from being mutually opposed, these various perspectives have become increasingly interdependent.

The Prophet Muhammad

Muhammad b. 'Umar al-Waqidi was a Muslim scholar, born in Medina in the 1st Century. Of his several writings the most significant is the Kitab al-Maghazi, one of the earliest standard histories of the life of the Prophet. Translated into English for the first time, Rizwi Faizer makes available this key text to a new, English-speaking audience. It includes an "Introduction" authored jointly by Rizwi Faizer and Andrew Rippin and a carefully prepared index. The book deals with the events of the Prophet's life from the time of his emigration from Mecca to his death, and is generally considered to be biographical. Bringing together events in the Prophet's life with appropriate passages of Qur'an in a considered sequence, the author presents an interpretation of Islam that existed in his times. It includes citations from the Qur'an, as well as poetry that appears to have been inspired by activities

Muhammad

This book considers the Arabic biographies of Prophet Muhammad, the earliest of which dates from two centuries after his life. These biographies, prized by Muslims, have been approached in the Western study of Islam from a range of positions. Some scholars reject them entirely, seeing in them products of the Muslim community's idealisation of its history, while others accept them at face value, reasoning that, if not exact versions of events, the events could not have differed too much from their descriptions. The author revisits the debate and reconsiders several key incidents in the life of the Prophet. By compiling an extensive corpus of materials and comparing them closely, this book analyses the transmission and the contents of the accounts. It shows that by understanding clearly the interaction in

early Islam between written and oral modes of transmission, and by the judicious sieving of the accounts, as well as the lines of transmission, we can sometimes reach back to that generation of Muslims who though not themselves witness to the events were younger contemporaries of those who were. Establishing a solid basis for the informed study of Muhammad's biography and adding to the ongoing debate, this book will appeal to scholars of early Islam, history and theology.

Ten revised versions of presentations at an international colloquium held in October 1997 in Nijmegen, the Netherlands, provide a range of methodological approaches and use varying types of evidence to examine issues around the sources for the several biographies of The Prophet written between the end of the second and end of the third Islamic centuries. Five of them look at the development of the sira tradition of writing the life of Muhammad; the other five at the historical reliability of the biographical source material, including that used by the earliest Christian writings. Award-winning Boston University educator and researcher Muhammad H. Zaman provides a chilling look at the rise of antibiotic-resistant superbugs, explaining how

we got here and what we must do to address this growing global health crisis. In September 2016, a woman in Nevada became the first known case in the U.S. of a person who died of an infection resistant to every antibiotic available. Her death is the worst nightmare of infectious disease doctors and public health professionals. While bacteria live within us and are essential for our health, some strains can kill us. As bacteria continue to mutate, becoming increasingly resistant to known antibiotics, we are likely to face a public health crisis of unimaginable proportions. “It will be like the great plague of the middle ages, the influenza pandemic of 1918, the AIDS crisis of the 1990s, and the Ebola epidemic of 2014 all combined into a single threat,” Muhammad H. Zaman warns. The Biography of Resistance is Zaman’s riveting and timely look at why and how microbes are becoming superbugs. It is a story of science and evolution that looks to history, culture, attitudes and our own individual choices and collective human behavior. Following the trail of resistant bacteria from previously uncontacted tribes in the Amazon to the isolated islands in the Arctic, from the urban slums of Karachi to the wilderness of the Australian outback, Zaman examines the myriad factors contributing to this unfolding health crisis—including war, greed, natural disasters, and germophobia—to the culprits driving it: pharmaceutical companies, farmers, industrialists, doctors, governments, and ordinary people, all whose choices are pushing us closer to catastrophe. Joining the ranks of acclaimed works like *Microbe Hunters*, *The Emperor of All Maladies*, and *Spillover*, *A Biography of Resistance* is a riveting and chilling tale from a natural storyteller on the front lines, and a clarion

call to address the biggest public health threat of our time.
