Construction Methods and Equipment

The Sea Survival Manual is the definitive book on the subject for anyone aboard an ocean-going boat of any size. It is aimed

at the yachtsman or seafarer who is likely to proceed to sea out of the sight of land, whether for pleasure or professional reasons. The book includes chapters on safety and survival equipment, Global Maritime Distress and Safety Systems (GMDSS), life rafts, grab bags, medical equipment and advice, first aid and emergency treatment, abandoning ship, survival in a life raft and rescues at sea. Fully compliant with the IMO (International Maritime Organization) resolutions and United States Coast Guard (USCG) regulations. It is completely international in its appeal.

Successful Technical Writing is desired to help students and professionals write effective documents in business and industry settings. This text fully covers the proper procedures to write day-to-day documents such as memos, reports, and letters. More detailed documents such as operation manuals, owner's manuals, executive abstracts, and proposals are also covered. Emphasizes the development of high-quality, professional documents that are clear and concise. A must for today's professionals-in-training.

At Last! A Beginner's Guide to Newborn Baby Technology You've programmed your DVR, you've installed a wireless Internet connection, you can even check Facebook on your cell phone. But none of this experience will prepare you for the world's biggest technological marvel: a newborn baby. Through step-by-step instructions and helpful schematic diagrams, The Baby

Owner's Manual explores hundreds of frequently asked questions: What's the best way to swaddle a baby? How can I make my newborn sleep through the night? When should I bring the baby to a doctor for servicing? Whatever your concerns, you'll find the answers here—courtesy of celebrated pediatrician Dr. Louis Borgenicht and his son, Joe Borgenicht. Together, they provide plenty of useful advice for anyone who wants to learn the basics of childcare.
