### **Painting Watercolour Sea & Sky the Easy Way**

From the serenity of a color-streaked evening sky to the breaking light of a new day to the misty grayness after a rain shower, the ever changing sky dictates the whole mood and feeling of landscape painting. Master watercolorist Ron Ranson demonstrates how to capture the sky and improve the quality of your paintings, using a palette of only seven colors. He explains how to use a camera as a tool and photographs as a source to keep your work fresh, immediate, and spontaneous. A colorful gallery of finished paintings illustrates the results of the various techniques, and Ranson's constant enthusiasm provides plenty of encouragement. From clouds to sunlight to weather conditions, by successfully interpreting the beauty of the sky you will create more effective paintings every time you put brush to paper. A Selection of F&W's North Light Book Club. Studio Vista 128 pages (all in color), 8 3/4 x 10 7/8.

### Painting Pastel Landscapes

The *Landscape Paintings of Richard McKinley* invites you to experience the artist's life work and lessons learned. In this impressive yet intimate collection of 100 breathtaking pastel and oil landscape paintings, McKinley takes you along as he tackles his favorite subjects--the the vistas of the Pacific Northwest, the California coastline, fall in Taos, New Mexico, and many others--while sharing the anecdotes, techniques and feelings behind each work. This volume is, in essence, three books in one: A salute to the beauty of our earth. Scenes (many completed en plein air) range from McKinley's home state of Oregon, to the arid deserts of Arizona, to Minnesota's lakes and France's Provence region. The personal journey of one artist. His walks through the woods. His race with light. The people and places that have inspired him along the way. The landscape-painting workshop of a lifetime. It's packed with expert insights on everything from working on location and the importance of preparatory sketches, to using underpainting, capturing light effects, and knowing when to stop. A compelling read for artists and art-lovers alike, every page resonates with McKinley's love of his craft, lifetime of know-how and knack for helping other artists discover their own original views of the world.

### **Bats at the Beach**

Unlike many art instruction books that focus on capturing realistic images, this unusual title offers inspiration and instruction on using pastels to translate landscapes into evocative abstractions. Putting emphasis on the pure-pigment aspect of pastels, award-winning artist Mark Leach offers exciting insights into the powerful connection between color and feeling. Designed for artists of all abilities, it covers everything from making composition sketches to displaying the finished work, and includes chapters on light, form, and texture; understanding the color wheel; and painting from sketchbooks and photographs.

### **Now You See Her**

Top Secrets for Beautiful Pastel Paintings Richard McKinley has been a professional artist for over 35 years. Factor in nearly as many years of teaching experience, and that adds up to a whole lot of know-how to share. In *Pastel Pointers*, he lays it all out: information on tools, materials, color, composition, landscape elements, finishes and more. Compiles the best of McKinley's popular *Pastel Pointers* blog and *Pastel Journal* columns Covers frequently asked questions ("How do I achieve natural-looking greens?") and simple solutions to common problems, such as excess pigment buildup Includes a chapter on "The Business of Pastels"—tips for framing, shipping, preparing for gallery shows, and otherwise representing your work in a professional manner This book covers everything from the fundamentals to get you going (how to lay out your palette, create an underpainting, evoke luminous effects) to inspirations that will keep you growing (plein air painting, working in a series, keeping a painting journal). Whether you're a beginner or an experienced painter anxious to explore the expressive possibilities of pastel, this is your guide to making the most of the medium.

### **Brilliant Color**

Film historian and acclaimed New York Times bestselling biographer Scott Eyman has written the definitive biography of Hollywood legend Cary Grant, one of the most accomplished—and beloved—actors of his generation, who remains as popular as ever today. Born Archibald Leach in 1904, he came to America as a teenaged acrobat to find fame and fortune, but he was always haunted by his past. His father was a feckless alcoholic, and his mother was committed to an asylum when Archie was eleven years old. He believed her to be dead until he was informed she was alive when he was thirty-one years old. Because of this experience Grant would have difficulty forming close attachments throughout his

life. He married five times and had numerous affairs. Despite a remarkable degree of success, Grant remained deeply conflicted about his past, his present, his basic identity, and even the public that worshipped him in movies such as *Gunga Din*, *Notorious*, and *North by Northwest*. Drawing on Grant's own papers, extensive archival research, and interviews with family and friends, this is the definitive portrait of a movie immortal.

### Glazing

This book is the perfect companion for the watercolour landscape painter. Richard Taylor looks at each element of the landscape in turn. He moves from small details, such as a quick painting of his backpack, drawn in a break from walking, to wide sweeping panoramas. Detailed annotations point to key areas of interest for each painting showing, for example, how a wash has been used to create shadows in still water, or how paper has been left blank to represent the tops of clouds. Alongside each painting you'll find the palette of colours used, with advice on combining colours for best effect. Step-by-step demonstrations show basic watercolour techniques in action and longer projects reveal how Richard develops a fully-realised painting. Packed with invaluable hints and tips and illustrated with the author's inspiring watercolours, this book is perfect for the beginner or more experienced watercolour painter.

Push Color Beyond the Ordinary Let go of what you see, and paint what you feel! Brilliant Color reveals a new way of thinking about color, empowering you to push the envelope beyond ordinary realism into bold landscapes full of life and energy. The transformation begins by learning to see color as value. Starting with short demos featuring diagrams, color wheels and side-by-side visual comparisons, award-winning artist Julie Gilbert Pollard shows you how to liberate your use of color to capture the lively essence of every landscape. It's not about complex color theory or painstaking attempts to paint exactly what you see. Rather, it's about pushing color to warmer or cooler extremes for stronger contrasts. Julie's signature style blends acrylic underpainting with water-mixable oils to produce striking luminosity in less time and fewer layers than traditional oil painting techniques. Ten complete step-by-step demonstrations show you how to paint gorgeous landscapes with an inspiring range of settings and seasons. Each in-depth demonstration features foolproof color mixing charts, reference photos, initial sketches, and numbered steps with detailed captions. Simply follow along and give it a try. In no time, you'll have what it takes to make your colors zing and your paintings glow.

"When I finished this novel, I knew I would be haunted and empowered by Artemisia Gentileschi's story for the rest of my life."--Amanda Lovelace, bestselling author of the princess saves herself in this one A William C. Morris Debut Award Finalist 2018 National Book Award Longlist Her mother died when she was twelve, and suddenly Artemisia Gentileschi had a stark choice: a life as a nun in a convent or a life grinding pigment for her father's paint. She chose paint. By the time she was seventeen, Artemisia did more than grind pigment. She was one of Rome's most talented painters, even if no one knew her name. But Rome in 1610 was a city where men took what they wanted from women, and in the aftermath of rape Artemisia faced another terrible choice: a life of silence or a life of truth, no matter the cost. He will not consume my every thought. I am a painter. I will paint. Joy McCullough's bold novel in verse is a portrait of an artist as a young woman, filled with the soaring highs of creative inspiration and the devastating setbacks of a system built to break her. McCullough weaves Artemisia's heartbreaking story with the stories of the ancient heroines, Susanna and Judith, who become not only the subjects of two of Artemisia's most famous paintings but sources of strength as she battles to paint a woman's timeless truth in the face of unspeakable and all-too-familiar violence. I will show you what a woman can do. ★"A captivating and impressive."--Booklist, starred review ★"Belongs on every YA shelf."--SLJ, starred

"A dark, crooked beauty that fulfills all the promise of *White Oleander* and confirms that Janet Fitch is an artist of the very highest order." --Los Angeles Times Book Review  
Josie Tyrell, art model, runaway, and denizen of LA's rock scene finds a chance at real love with Michael Faraday, a Harvard dropout and son of a renowned pianist. But when she receives a call from the coroner, asking her to identify her lover's body, her bright dreams all turn to black. As Josie struggles to understand Michael's death and to hold onto the world they shared, she is both attracted to and repelled by his pianist mother, Meredith, who blames Josie for her son's torment. Soon the two women are drawn into a twisted relationship that reflects equal parts distrust and blind need. With the luxurious prose and fever pitch intensity that are her hallmarks, Janet Fitch weaves a spellbinding tale of love, betrayal, and the possibility of transcendence. "Lushly written, dramatically plotted. . . Fitch's Los Angeles is so real it breathes." --Atlantic Monthly  
"There is nothing less than a stellar sentence in this novel. Fitch's emotional honesty recalls the work of Joyce Carol Oates, her strychnine sentences the prose of Paula Fox." --Cleveland Plain Dealer  
"A page-turning psychodrama. . . . Fitch's prose penetrates the inner lives of [her characters] with immediacy and bite." --Publishers Weekly (starred review)  
"Fitch wonderfully captures the abrasive appeal of punk music, the bohemian, sometimes squalid lifestyle, the performers, the drugs, the alienation. This is crackling fresh stuff you don't read every day." --USA Today  
"In dysfunctional family narratives, Fitch is to fiction what Eugene O'Neill is to drama." --Chicago Sun-Times  
"Riveting. . . . An uncommonly accomplished page-turner." --Elle

### **The Landscape Paintings of Richard Mckinley**

The Painted Bunting's Last Molt explores fatherhood, parenting, and separation anxiety; and the ways in which time and memory are both a prison and a giver of joy. Fifteen years in the making, Virgil Suárez's new collection uses his mother's return to Cuba after 50 years of exile as a catalyst to muse on familial relationships, death, and the passing of time. Moon Decima If it were the Eucharist, it'd be hard to swallow, this moon of lost impressions, a boy in deep water, something tickling his skin. This memory of weight- lessness—a kite that somehow still manages to hover in the dog mouth blackness of sky. This is a cut out moon of lost children, or is it a savior's moon? This boy will float on home, or be swallowed by the water. Above the pines and mangroves, this moon hangs unrelenting. Is it the one eye of an indifferent God that remains open just so?
