The Sunday School Journal

Paul's Shipwreck Activity Book

My Activity & Reward Charts in a Book With Coloring Pages, 15 Weeks

Note: this is a 5.5" x 8.5" (13.97 x 21.59 cm) size coloring book, similar to A5 padfolio size; perfect for purses, briefcases, backpacks. "Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy." These are just some of the worst clichés that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from your manager. To combat this, we've created this corporate clichés adult coloring book as much needed stress therapy; a fun, passive-aggressive way to take out your angst against these ridiculous office sayings that have taken over your meetings, memos and emails from your company's higher ups. We've taken 19 of the most annoying corporate clichés and translated them into hilarious, literal translations that you can color and poke fun at. Most are even workplace friendly so you can hang them on your wall without your manager giving you the stink eye (well, depending on where you work hmmm time for the disclaimer: we make no promises on whether you'll get the stink eye if you pin pages of this book to your office / cubicle wall, so you assume the risk on that!).

*****Benefits***** -We've taken 19 of the most ridiculous corporate clichés that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichés on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate clichés over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! -Unlike most coloring books, each illustration is a carefully crafted theme, tied to a specific cliché and not simply random patterns. -Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put some fun stuff on the reverse side of each page: a

corporate-speak definition, fun trivia and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time!

The Amazing Emoji School Coloring Book

This coloring book is completely unique. Every image here came from someone's photo of their pet. That photo was then turned into line art and a border put around it that is exclusive to each pet's page. Then the pet's name is added, which can also be colored in. The result is a totally personalized experience for each person and their pet. Something you can't find anywhere else. It's such a thrill to see you own pet featured in a full size coloring book. Kids and grandkids get so excited when they see their pet in a book, and love sharing it with their friends. And after they color it in, it's just as exciting to show their family how adorable their pet looks now that they've added their own loving touch to the picture. It's almost impossible to go through this coloring book and not smile. The pets are not posing they're just being themselves wonderful and adorable. And now you can relive that moment with them as you add color to the border and image itself. Enjoy this creative way to connect with your pet and the others in this coloring book. It's a completely new experience, one you'll cherish and want to keep forever. Pets included in this volume: Eddie, George, Bob, Maggie and Rocky, Lapis, Theodore, Xyro, Muffin and Heidi, Nyxi, Teddy Bear (WS), Foxy London, Panda, Sophie, Teddy Bear (CG), Ducati, Dior and Keylala, Finesse, Bruce Almighty, Mr. Sir, Quincy, Gidget, Tanner, Delgado, Kaos, Bentley, Lucy, Lefty and Miekia and Niekia, Jagger and Jaya, Chi Chi, Bella-Nita, Xena, Jinxie, Peaches and Teddy, Venus Star, Precious, Babe, My Elders, Sassy and Cotton and Mufasa, Neville, Wolfie

Enjoy the opportunity to color some of the most detailed and vivid images of this classic poem!

The Calm Coloring Book

The Acts of Paul and Thecla was written around 150 CE when there was a growing

body of work attributed to the apostle Paul. Owing to the abrupt beginning of the work it is thought The Acts of Paul and Thecla was part of a larger texts and was extracted to form a stand alone work. Reasons given for its omission from the Bible are numerous. It was thought to have been written after the apostolic age; it gives high and powerful position to women in the faith; it urges women to withhold sex from their husbands and live chaste lives. Within its storyline Thecla seems to eclipse Paul in her courage and commitment to the spread of the Gospel. The text presents an unwavering stance on the virtue of celibacy preached by Paul and amplified by Thecla. In addition, Thecla is presented as a strong willed woman who took it upon herself to preach, teach, heal, and baptize, all without permission or oversight from a man. In the age when canon was being decided, women in positions of leadership within the church was an anomaly, and the idea that a wife could decide her own fate, and even withhold sex from her husband was looked on as heresy and insolence. These were social constraints, which tainted the interpretation of scripture, both then and now. We will examine the true place of women in the Bible and how translators diminished the place and accomplishments of women by mistranslating words and phrases. We will look at the true meaning of many Bible verses as well as the complete text of Paul and Thecla, with an eye toward how women were a driving force in religion and family in the early church. In the end, a more true and just vision of women of the Bible and of ancient times will be revealed.

Peter as Apostolic Bedrock

A Adult colouring Book full of beautiful intricate patterns to colour and frame is desired. Colouring can all be a good stress reliever and help lower unhelpful moods.

The Church School Journal

These coloring pages can supplement curriculum or be an easy time-filler, in the classroom or at home. The story printed on every page gives an adult the chance to talk with children about what they are coloring and about the Bible truths involved. REPRODUCIBLE

King Solomon Activity Book

Newly independent in 1585, the increasingly prosperous and politically powerful Dutch Republic experienced a tremendous rise in the production of artwork that was unparalleled in quantity, variety, and beauty. Now back in print, this classic book (originally published in 1996) examines the country's rich artistic culture in the seventeenth century, providing a full account of Dutch artists and patrons; artistic themes and techniques; and the political and social world in which artists worked. Distinguished art historian Mariët Westermann examines the "worldly art" of this time in the context of the unique society that produced it, analyzing artists' choices and demonstrating how their pictures tell particular stories about the Dutch Republic, its people, and its past. More than 100 color illustrations complement this engaging discussion of an extraordinary moment in the history of art.

Your Pet Photos Coloring Book

The Baptist Teacher for Sunday-school Workers

The apostle Paul is one of the most important figures in the early church. He is a main character in the narrative woven through the book of Acts, and his thirteen letters make up a significant portion of the New Testament canon. Because Acts and his letters appear in the Bible as separate books, it can be difficult to piece together a clear narrative for Paul's life and ministry. In *Journeys of the Apostle Paul*, twenty contributors present a coherent picture of Paul's life, connecting the events in Acts to his letters and theological teachings. With beautifully rendered maps, this book takes readers step by step through the biblical narratives of Paul's journeys - his interrupted journey to Damascus while persecuting Christians; his three missionary journeys; and his long journey from Jerusalem to Rome. Along the way, you'll discover new insights into Paul's life, his teaching, and his role in the early church.

Oodles of Doodles

Can you guess whose babies these animals are? Break Dancing for Beginners Coloring Book

Steampunk Adult Coloring Book

175 games and activities that reinforce Bible lessons.

The Art of the Dutch Republic, 1585-1718

The art of the Dutch republic in the seventeenth century includes some of the most familiar and best-loved examples of European painting: exquisite still-life studies, tranquil interiors, robust portraits and rowdy tavern scenes. In this account, Mariët Westermann describes this art as it was experienced by the people of the period and as it appears to us today. She examines the major themes of Dutch art, including the growth and expression of national identity, the celebration and examination of the individual through portraiture, and the changing status of artists themselves.

Postcards from Paul

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

The Golden Rule

Black and White Edition: A whole new way to read the familiar Christmas story! Follow the journey of Mary and Joseph (and Jesus) from Nazareth, to Bethlehem, to Egypt, to Nazareth again, meeting shepherds, soldiers, tradesmen, kings and maybe even angels on the way.
