This all-new set of test-preparation flash cards is designed to give prospective ACT test-takers the help they're looking for. The cards cover all five sections of the ACT and are divided into categories that reflect the ACT's test areas. The five sections are English, Math, Reading, Science, and Writing. Cards for each section include test-taking tips and strategies, important facts, and practice problems that mirror questions on the ACT. The English cards focus mainly on punctuation, grammar, and style. The Math cards review pre-algebra, elementary and intermediate algebra, coordinate and plane geometry, and trigonometry. The Reading cards present strategies to maximize time and determine correct answers. The Science cards cover data representation, research summaries, and conflicting viewpoints. The Writing cards offer tips for creating a strong essay. All cards have corner punch holes that accommodate an enclosed metal key-ring-style card holder. Students can use the ring to arrange flash cards in sequences that best fit their study needs.

It's a workbook, prep course, and a math review all in one. Whether the test is tomorrow and you need a crash course or months from now and you need a review, the book will help! This step-by-step guide covers every math topic on the ACT. The book can tell you what you need to cover, what strategies to use, and how you will succeed. How is this book different? To start with, it doesn't read like a textbook. It's designed to be a replacement for prep courses. It's the most comprehensive ACT Math book available, but it's easy to read. It's full of diagrams, visuals, and has videos to go along with the material. The book is written in small self-contained topics (systems of equations, percentages, etc.). Every topic has a lesson, killer strategies, and a concentrated problem set with incredibly detailed solutions. What about strategy? Strategy is EVERYWHERE in this book. It's in every topic, in each section, and in its own chapter. What about my section management and other skills? Use the book to discover critical hacks for your preparation and section management. How do I practice? Each topic has its own set of practice problems tailored to the skills you need on test day. Treat the practice problems like a super-focused, detailed problem book. How do you target what I need? There are two ways to target what you need. There's a detailed method for breaking down your ACT score report and using it to guide your practice. Take one or more of the six pretests to identify which topics you need to see. How do I work on my math skills? This book is designed for meaningful practice.

ACT Math Prep Book 2018 & 2019

A guide to ACT: the revolutionary mindfulness-based program for reducing stress, overcoming fear, and finding fulfilment - now updated. International bestseller, 'The Happiness Trap', has been published in over thirty countries and twenty-two languages. NOW UPDATED. Popular ideas about happiness are misleading, inaccurate, and are directly contributing to our current epidemic of stress, anxiety and depression. And unfortunately, popular psychological approaches are making it even worse! In this easy-to-read, practical and empowering self-help book, Dr Russ Harries, reveals how millions of people are unwittingly caught in the 'The Happiness Trap', where the more they strive for happiness the more they suffer in the long term. He then provides an effective means to escape through the insights and techniques of ACT (Acceptance and Commitment Therapy), a groundbreaking new approach based on mindfulness skills. By clarifying your values and developing mindfulness (a technique for living fully in the present moment), ACT helps you escape the happiness trap and find true satisfaction in life. Mindfulness skills are easy to learn and will rapidly and effectively help you to reduce stress, enhance performance, manage emotions, improve health, increase vitality, and generally change your life for the better. The book provides scientifically proven techniques to: reduce stress and worry; rise above fear, doubt and insecurity; handle painful thoughts and feelings far
