The Bookseller

Secrets of a Leadership Coach is a premium leadership training series that brings the wisdom of one of America's top CEO coaches to every employee and manager.

The American Bookseller

In this volume of 15 articles, contributors from a wide range of disciplines present

their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Secrets of a Leadership Coach is a premium leadership training series that brings the wisdom of one of America's top CEO coaches to every employee and manager. The series has hundreds of video clips, role plays, and animations. It will result in better leadership, personal interactions, and team-building. Upon the completion of Secrets of a Leadership Coach 1 Executive Coaching Techniques (number 1 in the series), you will be able to describe the coaching and feedback process, define the feedforward process, identify some typical behaviors of leaders that need to be

changed, analyze how traditional feedback is different, recognize classic challenges in helping successful people change, and explain why leaders don't always complete the coaching process after starting it.
