one of Southeast Asia's most enticing destinations. Roam the markets, temples, and shops of thousand-year-old Hanoi, and then slow down the pace with a trip to national parks or the remote highlands. The introduction will help you choose where to go and what to see, inspired by dozens of stunning photos. The Things Not To Miss section runs through all the must-sees, while the Itineraries guide you around the country's highlights. Navigation through the book and on the ground is aided by clear color maps with every chapter. Each map is keyed with all the accommodation, eating and drinking options, nightlife venues and shops that are reviewed in detail in the Listings chapters. From the rugged mountains of Ha Giang in the north to the pancake-flat Mekong Delta in the south, the honest and up-to-date appraisals in *The Rough Guide to Vietnam* will steer you to the best places to stay, eat, and party across every price range. Reviews take in hill-tribe homestays, quirky hostels, boutique hotels, sophisticated restaurants, and delicious street food, while informed and accessible writing covers everything from Buddhism to battlefields. This fully revised edition is full-color throughout, helping the country's tremendous food, impressive colonial architecture, and colorful customs leap from the page. Detailed color maps offer clear guidance. Make the most of your time with *The Rough Guide to Vietnam*.

Forever Young

The Rough Guide to Argentina is the definitive guide to this staggeringly diverse country. This updated

fourth edition will effortlessly guide you through the country with in-depth coverage on eating and drinking, accommodation and transportation, plus the clearest maps available of any guide. The introductory section introduces Argentina's highlights from the sparkling emeralds and turquoise waters of the seven lakes, to climbing Acongagua and dolphin-spotting at Puerto Deseado. All areas are covered; from cosmopolitan Buenos Aires to the remote Argentine archipelago of Tierra del Fuego. The Rough Guide to Argentina also includes informed descriptions of the country's varied landscapes, from the pampas to Patagonia, plus practical advice on the best places for hiking, climbing, ski and rafting. Finally, the guide explores the country's rich history and culture; including detailed information on everything from the ascendancy of Eva Peron to its Jesuit architecture. Make the most of your time with The Rough Guide to Argentina.

The Rough Guide to Vietnam

Every golf club has them – the high-maintenance employees who take up 95% of your time to deal with, whilst all the other staff, who are doing their jobs, have to make do with the last 5%. It is possible to fire the b*ggers and this book will take you through the steps that you need to consider, to avoid a tribunal when dismissing. Everyone can be fired - it's just a question of how!

Tuk tuks, temples, sizzling street food and remote tropical islands: discover the best of Southeast Asia with Rough Guides. Our intrepid authors have trekked, cycled and snorkelled from Bali to Myanmar, seeking out the best-value guesthouses, activities and restaurants. In-depth reviews of budget accommodation and eating are combined with some choice "treat yourself" options allowing you to rough it in a beach hut one minute or kick back in a hip bar the next. Easy to follow transport advice and budget tips are combined with unrivalled background on all the things you simply can't miss, whether you're beach-hopping in Bali, exploring the ruins of Angkor Wat or venturing to the stilt-villages of Myanmar's Inle Lake. Make the most of your Asian adventure with *The Rough Guide to Southeast Asia on a Budget*. Covers: Brunei, Cambodia, Hong Kong & Macau, Indonesia, Laos, Malaysia, Myanmar (Burma), The Philippines, Singapore, Thailand and Vietnam.

Senior Dating Guide

The little village of Rough and Ready in Upper Mahantongo Township, Schuylkill County, PA is set in the center of the Mahantongo Valley, famous for its Pennsylvania Dutch culture -- especially the painted furniture. This book focuses on the social history of the village, anchored by information from the 1850 census and Salem Reformed Church cemetery records. This was the famous Isaac F Stiehly's church and most of the families mentioned were in his

congregation. The book contains hundreds of photos, most over 100 years old, of life in the Valley. Table of Contents: The Origins of Rough and Ready The 1850 Census in Upper Mahantongo Township, Schuylkill County, Pennsylvania The Old Man Knorr and Stiely Connections The Monroe and Harvey Stiely Mill Maurers of the Mahantongo Valley Manasses Maurer Family Caroline Gonser, Indian Maiden of Creek Town, Rough and Ready, Upper Mahantongo Township, Schuylkill County, Pennsylvania Steve Rebeck Visits the Mahantongo Valley 24th August, 2010 Daniel A. There Is Something About Rough and Ready

Ceaseless gunfire. Gruesome injuries. Enemies lurking in the dark, muggy jungle-these are the images most people see when they imagine the Vietnam War. In Pat Capainolo's gripping and very human autobiography, we get a much different viewpoint on this historical event. Rather than the horrors of daily enemy assaults, Capainolo describes entirely unexpected dangers-his fellow soldiers. That included Bates-a madman who every day lived up to his nickname from the film Psycho-as well as the soldier

who sold sodas from his fridge but got violent when asked for change. The memoir encompasses Capainolo's life from birth in the wake of World War II to his service in Cam Ranh Bay. At every step, Capainolo weaves his story with unwavering honesty, attention to detail, and a touch of humor, creating a captivating look at one man's life and all the crucial ways in which the military derailed, heightened, and shaped the entire course of his story.

The Rough Guide to Vietnam

The indispensable Rough Guide to Laos is the definitive guide to this fascinating Southeast Asian country, taking you from the remote mountainous north to the sleepy south. It's packed with detailed, lively reviews of accommodation and restaurants to suit all budgets, plus practical information on things like border crossings and road and river travel. With comprehensive research, accompanied by stunning photographs, The Rough Guide to Laos is your essential companion, whether you want to follow the well-trodden route along the Mekong, or blaze your own trail. The guide's authoritative background section provides essential information on Laos's often turbulent history and teaches you about the country's fascinating hill tribes and vibrant festivals. And with dozens of clear, accurate maps The Rough Guide to Laos gets you under the skin of this dynamic country. Originally published in print in 2011. Make the most of your trip with The Rough Guide to Laos. Now available in ePub format.

Journals are great for writing down ideas, taking notes, writing about travels and adventures, describing good and bad times. Writing down your thoughts and ideas is a great way to relieve stress. Journals are good for the soul!

The Rough Guide to Vietnam

Being new to a place, whether it is at school, or work or any other social place is a difficult task unless you are an extremely social being who can easily blend in with a new environment. And that is when you are on a lookout for groups or people with whom you can relate to and people to hang around with. And you begin to identify the various cliques that exist. Cliques can be good or bad depending on the members involved, just like friends can be good or bad. This book contains proven steps and strategies on how to not only get into a clique, but also survive in one without losing your identity or taking the wrong route under the influence of the members.

The Lighter Side of Vietnam

To keep loneliness and despondency at bay, having a companion, going out, and having pleasurable or exciting experiences are very crucial in the lives of senior singles; otherwise, you can quickly lapse into loneliness and despondency. While online dating sites provide avenues for finding a soul mate, you may not be completely sure of how to go dating online, how to reply properly to a request just received, or even how to begin a conversation. Senior Dating Advice and

The Beginners Guide to Cliques

Chess players have long dreamed of a winning strategy for black. Previous strategies have produced mostly losses for black. It is unrealistic for black to expect to begin winning more using the white strategy of 'control the center and win the endgame.' It is time for a more effective approach. -----Part One introduces the reader to Alexander the Great, Hannibal of Carthage, and King Leonidas of Sparta. Each of these leaders defeated an army which controlled the center and possessed superior numbers. The same strategy has been successfully applied to the black side of the chess board by a handful of Grandmasters. -----The Black Strategy illuminates the way forward. This strategy has been referred to as the Hippopotamus Defense. The reason is that, like the Hippo, the Black position develops into something which appears slow and lethargic. However, once it engages with White forces, it is like a combination of behemoth and leviathan. White inevitably will send some pieces to the Black side of the board where they will get tangled up and eliminated. Eventually, the Black juggernaut will grind the White player into submission. -----The Hippo is quite fierce once it engages with opponents. It is not easily handled and it causes a lot of confusion for

Download Free Rough Guide Vietnam

White players who have extremely limited experience with it.-----Part Two draws inspiration from the works of Sun Tzu (The Art of War) and Miyamoto Musashi (The Book of Five Rings). Sun Tzu (Chinese general, military strategist, and philosopher) wrote the original Art of War 2500 years ago. It is the definitive work on military strategy and tactics. Musashi was undefeated in over 60 duels. The Book of Five Rings is the ultimate guide to one-on-one dueling with an eye towards total victory. -----The knowledge from these two books is synthesized and applied to the game of chess. The reader is introduced to a new way of analyzing the situations which arise on the chess board, and responding forcefully with accurate moves.

Lonely Planet Vietnam

"Forever Young" is an autobiographical novel dedicated to author's son. The book is a powerful witness of the sorrowful mother, who goes through the mental torture, because of the probate codes of the USA health care, which give absolute decision making power to a legal spouse, disregarding the adult child's parents' will, and by these laws the health care facilities have unlimited rights to hide the unconscious patients and treat them according their 'good faith, ' even if it is an unprofessional mistreatment, as long as it is in 'accordance with generally accepted health care decisions.' (Section 4740, CA Probates Codes). The book addresses the good-will community to consider the moral side of the issue and amend the law. It is about the most inhuman treatment toward the authority of a mother, parents, in situations when the moral and the divine establishment of the family is being ruined on a 'legal' ground. These health care regulations also secure a free hand to murder the patients in strong confidentiality- disguised as 'a course of treatment' - never scrutinized and disclosed. "I wrote this book by

my blood," writes the author.

The Rough Guide to Laos (Travel Guide

eBook)

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Vietnam War

A Soldier's Journey
A Daughter's Hero was written to share the life of Julius "Jerry" D. Weber—my Dad and Hero. He was a Vietnam Veteran who struggled with Post-Traumatic Stress Disorder (PTSD) throughout the rest of his life upon returning home from the war. He served in the U.S. Army from March 1968–October 1970. He was sent to Vietnam as a Light Equipment Engineer with the 557th Engineer Company in August 1968. A Daughter's Hero was written to raise awareness about the effects of war and shares the unconditional love and compassion between a daughter and her father.

chronicles America's fight against Communism in southeast Asia during the 1960s and 1970s, and comprehensively explores the people, politics, events, and lasting effects of the Vietnam War. Hundreds of insightful images and a compelling narrative combine to chronicle this catastrophic conflict.?? From 1955, the communist government of North Vietnam waged war against South Vietnam and its main ally, the USA. Over the course of two decades of hostility and warfare, the number of casualties reached an incomprehensible three million people. Detailed descriptions of every episode, including Operation Passage to Freedom and the evacuation of the American embassy in Saigon, tell the stories in iconic photographs and eyewitness accounts. Discover the real people behind the conflict, with gripping biographies of key figures, including Henry Kissinger, General Thieu, President Nixon, and Pol Pot. This incredible visual record is supported by locator maps, at-a-glance timelines, archive photography, and key quotations to ensure an all-encompassing experience. The Vietnam War is an essential historic reference to help humanity learn the lessons of suffering and sacrifice from one of the bloodiest conflicts of the 20th century.

The Rough Guide to China

Da Nang and Hoi An: the complete travel guide, from a local expert Da Nang is Vietnam's up-and-coming city. It offers urban excitement, Vietnamese culture largely unaffected by tourism, and stunning natural beauty. But Da Nang is in many ways still a small

town, and it remains poorly documented, even in Vietnamese-language publications. This is the local's guide to Da Nang and Hoi An that includes a knowledgeable Vietnamese person's take on the best to see, do, and yes, eat and drink in Da Nang and Hoi An. Hang out where the locals hang out, make friends and see the real side of Vietnam, stay at nice hotels for under \$20 a night, know what's overpriced, and most importantly, have an amazing time in Da Nang and Hoi An.

Buddha Statue in Vietnam Journal

Trek through lush rainforest, explore lively cities, and fall under the spell of a country on the rise with Moon Vietnam. The Things They Carried

"Rough Beauty" is a collection of stunning images of the fine art of Sharon Louise Barnes. Her mixed media sculptures and paintings incorporate rough, industrial materials in unexpectedly beautiful ways. "There's something deeply soulful about creating meaning out of things that have been rough" says the artist. Become inspired by her abstract and representational mixed media sculptures and paintings as she explores metaphors of hope, struggle and transformation.

The Rough Guide to Vietnam

Discover Laos with the most incisive and entertaining guidebook on the market. Rough Guides' expert authors have done all the hard work for you: seeking out the best guesthouses, sampling sizzling street food and trekking to remote hill villages, then writing it all up with our trademark blend of humour, insight and practical advice. Whether you plan to lounge on laidback islands in the Mekong river, explore ancient Khmer temples or tour the Bolaven Plateau's coffee plantations, this new edition of The Rough Guide to

Laos will show you ideal places to sleep, eat, drink and shop along the way, with options to suit every budget. The Rough Guide to Laos includes stunning photography and colour-coded, easy-to-use maps, making finding your way around sleepy villages and busy cities a breeze.

The Rough Guide to Laos

How many times has your game died because of a bad cue ball control choice? (Actually, do you really want to remember how many times that happened?) This has been a big personal problem in the decades that I've played the Green Game. There are so many speeds to hit the cue ball and so many ways to make it spin. That means even dead-easy shots become very complicated when you have to get shape for the next shot. There are literally hundreds of options. I'm not a "feel" player, able to intuitively shoot by instinct. I'm a "scientific" player, who likes to figure what, how, and why a shot can work (and way too often, not work). Finally, I got tired of guessing the correct cue ball speed and spin, and decided to apply some intelligence to this weakness in my game. (Of course, I have no objection to winning because someone else does something foolish.) I mapped out several hundred common shooting situations, with the cue ball, 1 ball, and 2 ball. Then I shot each layout, over and over, trying out different speeds and spins. Everything was tested and retested - and then repeated over and over. The table layouts in this book are the results from those months and months of testing with tens of thousands of shots. This is why

these are "Cheat Sheets." Basically - I've done all the suffering for you. You need to add some reality to these shots. First, try the shot with what you think works. Then use the provided cheat tip. Once successful, repeat again. Then setup on the shot and shoot it with your eyes closed. Once you realize you can dial in the speed and spin to get consistent results, the learning curve goes much faster. All it takes is some dedicated practice time to prove you can do it - and that is when you start winning more games. What you learn in this book will not stop all of your bad shooting decisions. It WILL reduce the number of mistakes. That is why, after you buy this book that I provide an email connection in the book. I am very interested that you get good value.
