The First Circle

Profiled in People, Vogue, Newsweek, New York Times, Washington Post, Wall Street Journal and the subject of a forthcoming PBS documentary, Conal has made an impact across America with his acerbic and hilariously captioned portrait posters of politicians and public icons. 125 photographs and drawings, including 50 in four-color.

Romare Bearden

Provides instructions for hundreds of culinary techniques including separating

eggs, lining cake pans, preparing chicken for broiling, and making rib roast.

Torn

How To Do Space Age Work With A Stone Age Brain

Toni Davis's Christmas wish list 1. Springing my best friend from the psych ward. 2. Living somewhere that doesn't have coffins in the basement. Occupied coffins. 3. Finding Mr. Right. Please make him tall, dark, handsome, and alive. This Christmas isn't so merry for Toni. Her best friend's been locked up in a mental hospital ever since she told the police she was attacked by vampires, and the only way for Toni to get her out is to prove that bloodsuckers really do exist. So she's taken a job as a bodyguard for the Undead, but she gets more than she bargained for, especially when she meets Ian MacPhie, a Scottish rascal looking for Ms. Right. Although Ian's nearly five centuries old, he looks and acts like a twenty-seven-year-old hunk. How can a dead man be so damn sexy? Could Mr. Wrong be Mr. Right? One forbidden kiss could lead to an eternity of passion—and all it takes is one moment under the mistletoe . . .

The Complete Manual of Pirate Radio

Here in a definitive, 20th anniversary edition, are the writings of the famous 1960s dissident--Abbie Hoffman.

Think Smart Not Hard

A druid priestess enlists the help of an ex-Hospitaller warrior and a charismatic outlaw to fight Austrian tyranny in medieval Switzerland. A subtle blend of fantasy and history, ALTDORF (Book 1) tells the events leading up to one of the greatest underdog stories of the medieval age, the Battle of MORGARTEN (Book 2).

Jacques Pepin's Complete Techniques

A wide-ranging collection of essays on millennial American culture that “marshals a vast pop vocabulary with easy wit” (The New York Times Book Review). From the far left to the far right, on talk radio and the op-ed page, more and more Americans believe that the social fabric is unraveling. Celebrity worship and media frenzy, suicidal cultists and heavily armed secessionists: modern life seems to have become a “pyrotechnic insanitarium,” Mark Dery says, borrowing a turn-of-the-century name for Coney Island. Dery elucidates the meaning to our madness, deconstructing American culture from mainstream forces like Disney and Nike to fringe phenomena like the Unabomber and alien invaders. Our millennial angst, he

argues, is a product of a pervasive cultural anxiety—a combination of the social and economic upheaval wrought by global capitalism and the paranoia fanned by media sensationalism. The Pyrotechnic Insanitarium is a theme-park ride through the extremes of American culture of which The Atlantic Monthly has written, “Mark Dery confirms once again what writers and thinkers as disparate as Nathanael West, Fyodor Dostoyevsky, Sigmund Freud, and Oliver Sacks have already shown us: the best place to explore the human condition is at its outer margins, its pathological extremes.” “Dery is the kind of critic who just might give conspiracy theory a good name.” —Wired

Iserson's Getting Into a Residency

The voices of the dead become inescapable clues for lightning-struck sleuth Harper Connelly in this “winning series” (Booklist) of murder—and beyond—from #1 New

York Times bestselling author Charlaine Harris... Harper Connelly heads to Doraville, North Carolina to find a missing boy—one of several teenage boys who have disappeared over the last five years. And all of them are calling for Harper. She finds them, buried in the frozen ground. All she wants is to get out of town before she's caught in the media storm—until she herself is attacked and becomes part of the investigation. Soon Harper will learn more than she cared to about the dark mysteries and long-hidden secrets of Doraville—knowledge of the dead that makes her next in line to end up in an ice-cold grave

ROAR

An Ice Cold Grave

On Bended Knee

The Forest Knights

For fans of Colleen Hoover and Sylvia Day, a passionately intense love story about

two people with battered souls who are thrust together unexpectedly, leaving a profound impact on each other's lives. The first book in the Torn Series. Chloe hasn't had the easiest childhood. With a mother who was absent most of the time, she practically had to raise herself. Determined to start a new life and leave her demons behind, she heads to West Virginia University with her best friends Amber and Logan. On the first day of classes, she spots a student who takes her breath away. Drake is a pierced, tattooed bad boy, and no matter how hard she tries to fight it, he's all she can think about. Drake has never cared about anyone other than himself, but when Chloe grabs the empty seat next to him in class, he is instantly drawn to her. Drake is left wondering whether this girl can take his cold, womanizing heart and alter him forever. Developing feelings for each other was never a part of their plan, and when it happens, things do anything but fall into place. Long-hidden emotions are revealed and friendships are tested to the brink as Chloe and Drake become helplessly entwined in each other's love.
