Comprehensive Practical Chemistry XII

The Cambridge Mathematics Dictionary for Schools

Oswal Publishers take great pleasure in presenting the "CBSE 10 Last years Solved Papers" for class 10 students. This edition has been structured in a manner that students get a fair idea of the type and style of questions asked in the previous years board examinations. The present Volume includes: English, Hindi, Sanskrit, Social Science, Science, Mathematics, Foundation of Information Technology. They are prepared by experienced teachers and will prove to be a valuable guide for the students of class 10.

ISC Commerce Class-XII (Vol.II)

Lakhmir Singh's Science for Class 8

Chemical Communication

With its distinctive investigative approach to learning, this best-selling laboratory manual encourages you to participate in the process of science and develop creative and critical reasoning skills. You are invited to pose hypotheses, make predictions, conduct open-ended experiments, collect data, and apply the results to new problems. The Seventh Edition emphasizes connections to recurring themes in biology, including structure and function, unity and diversity, and the overarching theme of evolution. Select tables from the lab manual are provided in Excel(R) format in MasteringBiology(R) at www.masteringbiology.com, allowing you to record data directly on their computer, process data using statistical tests, create graphs, and be prepared to communicate your results in class discussions or reports.
