Modelland - the FIERCE NEW NOVEL BY TYRA BANKS—IS OUT! No one gets in without being asked. And with her untamable hair, large forehead, and gawky body, Tookie De La Crème isn't expecting an invitation. Modelland—the exclusive, mysterious place on top of the mountain—never dares to make an appearance in her dreams. But someone has plans for Tookie. Before she can blink her mismatched eyes, Tookie finds herself in the very place every girl in the world obsesses about. And three unlikely girls have joined her. Only seven extraordinary young women become Intoxibellas each year. Famous. Worshipped. Magical. What happens to those who don't make it? Well, no one really speaks of that. Some

things are better left unsaid. Thrown into a world where she doesn't seem to belong, Tookie glimpses a future that could be hers—if she survives the beastly Catwalk Corridor and terrifying Thigh-High Boot Camp. Along the way, she learns all about friendship, courage, laughter and what it feels like to start to believe in yourself. When you enter the fantastical world of Modelland, you'll see that Tookie was inspired by Tyra's life as a supermodel. All those crazy and wild adventures Tookie has with her friends? Some of them were ripped straight from the headlines of Tyra's life! Tyra knows all about beauty and fashion and fierceness, and she shares everything here in MODELLAND. It's fun, zany, and 100 bazillion-percent Tyra. You don't want to miss Tyra's amazing new novel! From the Hardcover edition.

attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullsh\*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f\*ck . . . This spellbinding scrapbook is one artist's tribute to androgynous waifs and tomboy dreamers. A fashion photographer for clients like Dazed & Confused and Alexander McQueen, Toyin Ibidapo records her subjects over time in her own home. Each subject is a friend; model and artist collaborate in the creative process. The results are intimate and real. We watch these naive protagonists explore who they are--and who they might become. Although each picture is carefully composed, the mood is far from contrived. The results: delicate portraits that exude a sincerity often missing from images of the young and beautiful. Coltish and charming, these mesmerizing photographs capture the raw vulnerability of adolescence.

Lara Jean's letter-writing days aren't over in this follow-up to the bestselling *To All the Boys I've Loved Before* and *P.S. I Still Love You*. Soon to be a major motion picture coming to Netflix in 2021—the first two movies in the series are streaming now! Lara Jean is having the best senior year a girl could ever hope for. She is head over heels in love with her boyfriend, Peter; her dad's finally getting remarried to their next door neighbor, Ms. Rothschild; and Margot's coming home for the summer just in time for the wedding. But change is looming on the horizon. And while Lara Jean is having fun and keeping busy helping plan her father's wedding, she can't ignore the big life decisions she has to make. Most pressingly, where she wants to go to college and what that means for her relationship with Peter. She watched her sister Margot go through these growing pains. Now Lara Jean's the one who'll be graduating high school and leaving for college and leaving her family—and possibly the boy she loves—behind. When your heart and your head are saying two different things, which one should you listen to?

A one-page tool to reinvent yourself and your career The global bestseller Business Model Generation introduced a unique visual way to summarize and creatively brainstorm any business or product idea on a single sheet of paper. Business Model You uses the same powerful one-page tool to teach readers how to draw "personal business models," which reveal new ways their skills can be adapted to the changing needs of the marketplace to reveal new, more satisfying, career and life possibilities. Produced by the same team that created Business Model Generation, this book is based on the Business Model Canvas methodology, which has quickly emerged as the world's leading business model description and innovation technique. This book shows readers how to: Understand business model thinking and diagram their current personal business model Understand the value of their skills in the marketplace and define their purpose Articulate a vision for change Create a new personal business model harmonized with that vision, and most important, test and implement the new model When you implement the one-page tool from Business Model You, you create a game-changing business model for your life and career.

A NEW YORK TIMES BESTSELLER. It's time to celebrate boys. Against the backdrop of a growing national conversation about how to raise sons to become good people, Kate T. Parker is leading the way by turning her lens on boys. Author of the bestselling book about girls *Strong Is the New Pretty*, she now shows the true heart of a boy in 200 compelling photographs. Boys can be wild. But they can also be

gentle. Bursting with confidence, but not afraid to be vulnerable. Ready to run fearlessly downfield—or reach out to a friend in need. In this empowering, deeply felt celebration of boys being—and believing in—themselves, see the unguarded joy of a little brother hugging his big brother. The inquisitive look of a young scientist examining a bug. The fearless self-expression in a ballet dancer’s poise. There are guitarists, fencers, wrestlers, stargazers, a pilot. Boys who aspire to be president, and boys whose lives are full of overwhelming challenges, yet who bravely face each day as it comes. With inspiring and joyful quotes from the boys themselves, this book spreads a heartfelt, uplifting message of openness, self-confidence, and warmth. “Kate T. Parker’s incredible *Strong Is the New Pretty* helped us reimagine girlhood as silly, messy, spirited, and fun. Now she turns her perceptive lens on the other sex to expand our definition of what it means to be a boy . . . and presents something desperately needed in our well-meaning cultural conversation about boys—she shows us their enormous, wonderful hearts.”—Michael Ian Black, actor and writer “Silly, serious, nerdy, athletic, creative, bold—the adjectives describing boys could go on for pages. But if boys are to grow up to be admirable men, the one thing they must be is kind. Kate T. Parker’s book helps clear the way for a time when everyone understands that.” —R. J. Palacio, #1 New York Times bestselling author of *Wonder* “Every parent who picks up this book will be grateful for the impact it will have on their family.” —Gary Vaynerchuk, author of *Crushing It!*

How anyone can become a data ninja From the stock market to genomics laboratories, census figures to marketing email blasts, we are awash with data. But as anyone who has ever opened up a spreadsheet packed with seemingly infinite lines of data knows, numbers aren't enough: we need to know how to make those numbers talk. In *The Model Thinker*, social scientist Scott E. Page shows us the mathematical, statistical, and computational models--from linear regression to random walks and far beyond--that can turn anyone into a genius. At the core of the book is Page's "many-model paradigm," which shows the reader how to apply multiple models to organize the data, leading to wiser choices, more accurate predictions, and more robust designs. *The Model Thinker* provides a toolkit for business people, students, scientists, pollsters, and bloggers to make them better, clearer thinkers, able to leverage data and information to their advantage.
