Palmistry

This book presents an insightful and thoroughly entertaining exploration of the political context of the Bond books and films. Jeremy Black offers a historian's interpretation from the perspective of the late 2010s, assessing James Bond in

terms of the greatly changing world order of the Bond years—a lifetime that stretches from 1953, when the first novel appeared, to the present. Black argues that the Bond novels—the Fleming books as well as the often-neglected novels authored by others after Fleming died in 1964—and films drew on current fears in order to reduce the implausibility of the villains and their villainy. The novels and films also presented potent images of national character, explored the rapidly changing relationship between a declining Britain and an ascendant United States, charted the course of the Cold War and the subsequent post-1990 world, and offered an evolving but always potent demonology. Bond was, and still is, an important aspect of post-World War II popular culture throughout the Western world. This was particularly so after Hollywood launched the filmic Bond, thus making him not only a character designed for the American film market but also a world product and a figure of globalization. Class, place, gender, violence, sex, race—all are themes that Black scrutinizes through the ongoing shifts in characterization and plot. His well-informed and well-argued analysis provides a fascinating history of the enduring and evolving appeal of James Bond.

The World of James Bond

"Get this book, learn the system, do cool readings." - David Numen
"Julian's work is the best of the bunch in these genres. I have scoured book stores. I only learn from his books and ideas." - John Cesta

of cartomancy is now ready for release. It's similar to my other books in that it's aimed at complete beginners as well as people who've started learning this particular reading discipline but then given up for one reason or another. Like my other books I use a no nonsense approach with lots of memory tips, insights, reviews and exercises over ninety pages to help you get up to speed as quickly as possible and the whole experience is extremely 'hands on'. In fact part of the process involves scribbling on the cards a lot to make sure the basics are implanted in your mind as you go. I'm really hoping that this new book gets some of you on the road to giving proper and interesting readings with cards instead of just thinking about it. There's a lot more information hidden in those fifty-two bits of paper than you probably realise!

REVIEWS "I got this yesterday and have started the study and have to say it's quite brilliant. I've read cards of one form or another for 20 years after learning initially from the Joe Riding course but for various reasons I was looking for something to help me sharpen my skills - and this more than does the trick. For anyone who might feel that they'd rather this was on tarot I think it's worth pointing out that when I started doing readings many moons ago a number of clients would tell me of this mystical sounding old man who read from "ordinary cards". It was clear that the impression given to these women was that reading ordinary cards was somehow more skillful and impressive than tarot cards (I guess the pictures on the cards might make it obvious to some astute clients that there are highly visible cues on the cards). Playing card readings rock - and playing cards predate tarot and are thus, in my book, purer and more mysterious than tarot." -

Moonraker

This autumn James Bond celebrates his 50th anniversary as a celluloid hero. The release of the latest 007 movie, Skyfall, will be the 24th movie starring the fictional secret service agent and All About Bond is a unique memoir that will delight,

amuse and inform Bond fans the world over. All About Bond is packed with surprises, insights and candid memories, both personal and photographic from legendary names who cut their teeth and carved out careers in some of the most memorable scenes in movie history. The humor, the drama and the camaraderie, on set and off, is captured through the immortal lens of one of the world's most legendary photographers. Bond girls from Honor Blackman and Shirley Eaton to Britt Ekland and Joanna Lumley recall their thrills and spills filming cinema's most enduring and alluring sex symbols; and the man - and men - who made Bond, share the facts and the fictions behind the creation of cinema's foremost superhero.

Numerology

Bond goes to the Caribbean and track down Francisco Scaramanga, who has built a deadly laser for the express purpose of killing. With his gold-plated Colt.45 and his deadeye accuracy, Scaramanga is deemed too deadly to live. James Bond—'twisted like a dying animal on the ground and iron in his hand cracked viciously' 'Pistols' Scaramanga—professional assassin for the KGB and other criminal organisations. A paranoid and sexual fetishist, he used a gold-plated Colt with silver bullets to avenge himself upon humanity. Mary Goodnight—'a naked arm smelling of Chanel No. 5 snaked round Bond's neck, and warm lips kissed the corner of his mouth.' "Fleming keeps you riveted."—Sunday Telegraph "Some of

the best ingredients of the Bond sagas”—Bristol Evening News

Devil May Care

COLD READING GAMES - by Julian Moore ** WARNING: This book brings together, with a substantial amount of new relevant material and explanations, elements from my other readings books. ** Who This Book Is For This book is a social toolkit for guys who like girls, to give them the confidence to banish uncomfortable pauses and missed opportunities with members of the opposite sex forever Do you enjoy female company but sometimes find it difficult to strike up a conversation? Are you going on a date but you're a bit worried you'll run out of things to say? Or would you simply like to inject a little more fun into your social life? If you answered yes to any of these questions then this book could be for you. This book will teach you enough about Palmistry, Graphology and Numerology to get you into trouble. If you're looking for an in-depth guide to giving readings then you've most certainly come to the wrong place; unlike some of my other books this particular book is more about kickstarting conversations with an emphasis on 'talking the talk' in social situations. This may not be a reference work yet the source material is taken from my previous 'Speed Learning' series of books that cover each topic in more detail, so even though these pages are high in theory and low in fact, all the descriptions in this book adhere to the commonly accepted meanings for each topic. What is presented here is a light-hearted approach to the real-deal,

Read Online The James Bond Cold Reading Free

simplified so you can concentrate on having fun instead of getting bogged down in the intricacies of each system. Think of these techniques like 'get out of jail free' cards; if you become trapped in an awkward social situation you can try one out and, more often than not, become unstuck almost immediately. Why Write This Book? Over the years I've realised that many young (and not so young) men have bought my books, not because they'd like to be a palmist, graphologist, numerologist or even a reader of cards, but because they'd simply like to have a few skills that could help them out in social situations. This book addresses the need for an overview that brings these things together in a playful way for people that, initially at least, are more interested in creating conversations than becoming a reader of anything in particular. Knowing a little about these skills can be great fun, and in the right circumstances with the right people can help create a considerable amount of memorable moments, laughter, and even new friends. Keep it light, do it right, and with a bit of luck you'll never be stuck for words again. Learn to talk the talk and you'll be doing most of the listening. ****EXTRA CONTENT**** BONUS CHAPTER I - Star Signs BONUS CHAPTER II - The Classic Reading BONUS CHAPTER III - Cartomancy

You Only Live Twice

From the bestselling author of *LAWRENCE IN ARABIA*, a gripping history of the early years of the Cold War, the CIA's covert battles against communism, and the tragic

Read Online The James Bond Cold Reading Free

consequences which still affect America and the world today At the end of World War II, the United States dominated the world militarily, economically, and in moral standing - seen as the victor over tyranny and a champion of freedom. But it was clear - to some - that the Soviet Union was already executing a plan to expand and foment revolution around the world. The American government's strategy in response relied on the secret efforts of a newly-formed CIA. **THE QUIET AMERICANS** chronicles the exploits of four spies - Michael Burke, a charming former football star fallen on hard times, Frank Wisner, the scion of a wealthy Southern family, Peter Sichel, a sophisticated German Jew who escaped the Nazis, and Edward Lansdale, a brilliant ad executive. The four ran covert operations across the globe, trying to outwit the ruthless KGB in Berlin, parachuting commandos into Eastern Europe, plotting coups, and directing wars against Communist insurgents in Asia. But time and again their efforts went awry, thwarted by a combination of stupidity and ideological rigidity at the highest levels of the government - and more profoundly, the decision to abandon American ideals. By the mid-1950s, the Soviet Union had a stranglehold on Eastern Europe, the U.S. had begun its disastrous intervention in Vietnam, and America, the beacon of democracy, was overthrowing democratically-elected governments and earning the hatred of much of the world. All of this culminated in an act of betrayal and cowardice that would lock the Cold War into place for decades to come. Anderson brings to the telling of this story all the narrative brio, deep research, skeptical eye, and lively prose that made **LAWRENCE IN ARABIA** a major international bestseller. The intertwined lives of

these men began in a common purpose of defending freedom, but the ravages of the Cold War led them to different fates. Two would quit the CIA in despair, stricken by the moral compromises they had to make; one became the archetype of the duplicitous and destructive American spy; and one would be so heartbroken he would take his own life. THE QUIET AMERICANS is the story of these four men. It is also the story of how the United States, at the very pinnacle of its power, managed to permanently damage its moral standing in the world.

The Kremlin's Candidate

Bond is back with a license to thrill. Forty-three years ago, Ian Fleming wrote his last great 007 adventure. Now, in Devil May Care, the world's most iconic spy returns in a Cold War story spanning the world's exotic locations. By invitation of the Fleming estate to mark the centenary of his birth, acclaimed novelist Sebastian Faulks picks up where Fleming left off, writing a tour de force that will electrify every James Bond fan. A fitting tribute to the Bond tradition, Devil May Care stands on its own as a triumph of witty prose and plenty of double-0 action. "In his house in Jamaica, Ian Fleming used to write a thousand words in the morning, then go snorkeling, have a cocktail, lunch on the terrace, more diving, another thousand words in the late afternoon, then more martinis and glamorous women. In my house in London, I followed this routine exactly, apart from the cocktails, the lunch, and the snorkeling." —Sebastian Faulks

In his new book 'Numerology - Numbers Past And Present With The Lo Shu Square' Julian Moore breaks with tradition to add a new slant to the ancient divination technique of the Lo Shu square by combining numbers from the past and present to create a vivid and interesting reading. By taking a person's birth date, the lucky numbers that have appeared and reappeared throughout their lives and their most up to date number of all - their mobile phone number - he shows how this ancient system of divination can be brought bang up to date to be commercial and great fun. If you've read Julian's previous best selling works on cold reading, palmistry, graphology and cartomancy, then you'll know his teaching approach is second to none and instead of having a book that you'll leave gathering dust, by the end of Numerology - Numbers Past And Present With The Lo Shu Square you'll actually have acquired a new skill that you can show to friends and family - even make money out of by performing professionally as part of your other reading skills. Get it now - and start giving numerology readings within a few days or less. As always it doesn't get any more fun, or simpler, than this. Numerology - Numbers Past And Present With The Lo Shu Square is part five in the 'Speed Learning' series of readings books. Collect the set!

The James Bond Phenomenon

Read Online The James Bond Cold Reading Free

The James Bond Cold Reading is a whole new take on the twelve lines of the 'Classic Reading' made so popular from the 50's to the present day. Julian 'Bev' Moore shows you how this much discussed but seldom used powerful cold reading technique can be applied effectively and memorised in no time at all using characters such as James Bond that you already know and love. Forget about learning stock lines and never using them - using the proven techniques in The James Bond Cold Reading, you can learn to speak in you own words and amaze people by how much you know about them using one of the most misunderstood tools of mentalism - the character reading. By bringing a modern slant to an old technique, Julian 'Bev' Moore proves once again that that the old ones are the best - if only we knew how to apply them. If you're not a fan of 'stock lines' and think that learning them is a waste of time, this ebook could seriously change your mind!

REVIEWS "I got Julian's book and it is wonderful! It is a great system for doing a reading and extremely practical. I applaud Julian and highly recommend this!" - Richard Osterlind "First palmistry, now general Forer-Barnum 101 this guy really amazes me." - Craig Browning "Julian has taken the Classic Reading - which isn't out of date, as some would suggest - and applied a James Bond theme to its LEARNING (not to the reading itself), to make the reading's customization so much easier. It's ingenious, simple, and thought-inspiring, all at the same time! Buy this now, and start using it right away!" - R. Lee Davis "I have tried many times to learn the stock lines of cold reading. I've tried memory techniques, linking, the peg system, and even with all that everything seemed a confusing, repetitive mess.

Read Online The James Bond Cold Reading Free

Because of Julian's system, in two days, I have learned to give a cold reading forward, backward, inside out and in my own words. Just as with Julian's palmistry book saved me about five years of study, this book is just as good and also very interesting. If you're interested in cold reading at all this will be the best money you'll ever spend. As a side note his system could be applied to anything else you might want to memorize and make your own. I have never heard of his techniques before and I have studied a lot of memory techniques. It's so easy I will add this to my 'readings' repertoire." - Scott Martisse "So I'm finally watching the new Casino Royale and lines from the James Bond Reading keep popping unbidden into my head. What makes this interesting is I hadn't really intended on learning the reading via James Bond but via a character I know more about. I followed Julian's suggestions to practice readings aloud, even to inanimate objects. After a bit of this, I tried the real deal. This isn't something you can do mechanically, at least if you want to get maximum effect and responses. It is a matter of a give and take that is "entrancing" in its impact. I can't wait to see what more experience will bring. Thank you Julian, you really have made a significant contribution. Your ability to simplify and teach is exceptional. I generally rely on my knowledge as a psychologist to add a bit of reading but it wasn't anywhere as powerful as applying this system. Folks, don't just read JBR. Get out there and use it." - Dr Bill Cushman

octane international romance. A charismatic thief forced to orchestrate one final, treacherous job to save his family. When Alex Cassidy and Diane Alison meet at a party in Princeton, New Jersey, the chemistry between them is instant and undeniable. She's a single mother, local fixture, and owner of a successful catering company. He's a single father and weekend homeowner -- and leader of an armed-robbery crew that just pulled off a record-breaking, precision jewel heist in Las Vegas. Neither one realizes that their lives have overlapped before, and that the shared history they uncover will threaten everyone they love. Swept up in their burgeoning relationship, Diane joins Alex at his beach house in Tulum, where Alex decides to leave his life of crime behind. It begins as a postcard-perfect weekend until an entanglement with a powerful cartel forces Alex to mastermind one final and unthinkable dangerous job. What ensues is an explosive, adrenaline-soaked journey through the moneyed landscapes of Mexico and Europe, where ghosts from the past collide with unexpected perils in the present. As Alex and Diane fight for their lives, they discover that they're not the only ones with secrets--and that those closest to us pose the greatest danger of all. Propulsive, deeply suspenseful, and layered with mesmerizing twists, *Love and Theft* is a sophisticated thriller about the illusion of control and the high price of past transgressions.

Casino Royale

Set on the eve of the First World War, across oceans and continents, steamliners and cross-country trains, David Downing's complex and thrilling new espionage novel takes us all the way back to the dawn of that most fascinating of 20th century characters—the spy. It is 1913, and those who follow the news closely can see the world is teetering on the brink of war. Jack McColl, a Scottish car salesman with an uncanny ear for languages, has always hoped to make a job for himself as a spy. As his sales calls take him from city to great city—Hong Kong to Shanghai to San Francisco to New York—he moonlights collecting intelligence for His Majesty's Secret Service, but British espionage is in its infancy and Jack has nothing but a shoestring budget and the very tenuous protection of a boss in far-away London. He knows, though, that a geopolitical catastrophe is brewing, and now is both the moment to prove himself and the moment his country needs him most.

Unfortunately, this is also the moment he begins to realize what his aspiration might cost him. He understands his life is at stake when activities in China suddenly escalate from innocent data-gathering and casual strolls along German military concessions to arrest warrants and knife attacks. Meanwhile, a sharp, vivacious American suffragette journalist has wiled her way deep into his affections, and it is not long before he realizes that her Irish-American family might be embroiled in the Irish Republican movement Jack's bosses are fighting against. How can he choose between his country and the woman he loves? And would he even be able to make such a choice without losing both?

Love and Theft

James Bond is about to be cashiered out of Her Majesty's Secret Service. The British agent whose exploits have been followed by millions of readers around the world, who has thwarted such arch-criminals as Dr. No and Goldfinger, now finds himself on a last-chance mission. Sick with grief over the death of Tracy, his beautiful wife of a day, Bond has bungled two important assignments. As *You Only Live Twice* opens, Bond faces an unspoken ultimatum. He must make good on a vital mission to Japan or his career in the service will be finished. In this latest adventure novel the inimitable Ian Fleming unfolds a spellbinding tale of the Orient—of sensuous pleasure and maniacal torture—of a suicide garden of sulphurous fumaroles and poisonous plants surrounding a pool of man-eating

piranha—of a lissome beauty named Kissy Suzuki—and of James Bond's appointment with destiny in a place of easy death.

The James Bond Cold Reading

James Bond entered the world in 1953 with the novel *Casino Royale* by Ian Fleming. Since then, the British secret agent codenamed 007 has become the biggest media phenomenon of the modern age, surpassing and outlasting previous cultural icons such as Sherlock Holmes, Tarzan and The Saint. Bond has conquered all forms of media - from books, films and radio to comic strips and video games - while inspiring a tidal wave of merchandise and a legion of imitators. Although the world has changed almost beyond recognition since his debut, his continuing relevance is affirmed by the multiple generations who have thrilled to his exploits. This book for the first time provides the full enthralling story of how the espionage

fantasies of a rather melancholy journalist came to captivate the world. It exposes the setbacks behind the triumphs, from Fleming's increasing boredom with his own creation to regular crises over re-casting of the cinematic Bond and legal battles in the 1990s that almost destroyed the film franchise. With the help of Bond scholars, Fleming intimates, Bond film crew and others, James Bond: The Secret History shows how the man with the Licence to Kill overcame every hurdle to become the greatest fantasy hero of all time. With a foreword by Jeremy Duns

Practical Mental Magic

Sean Connery's tuxedo, Ursula Andress' bikini, Oddjob's bowler hat, and Q's gadgets are just a few defining features of the 007 world examined in this text. Drawn from the fields of literary, film, music and cultural studies, the essays in this collection range from revitalized readings of Ian Fleming's spy novels to the analysis of Pussy Galore's lesbianism, Miss Monneypenny's filmic feminism and Pierce Brosnan's techno-fetishism. Together the essays not only consider the James Bond novels and films in relation to their historical, political and social contexts, from the Cold-War period onwards, but also examine the classic bond canon from an array of theoretical perspectives. What the text aims to show is that there is much more to the 007 series than cheap thrills, fast cars and beautiful women. Leach, among others, Lindner illustrates not only how the Bond character has conquered the globe, but has sustained its pre-eminence across six decades.

Starting with the original books and moving through the films, the music and the marketing, this study should be of use to students of film, media, popular literature, marketing and cultural studies.

The Full Facts Book Of Cold Reading: The Definitive Guide to how Cold Reading is Used in the Psychic Industry

Cold Reading Games

Is it possible to know all about someone, just by looking at their handwriting? Imagine you could ask anyone to write down two simple words yet you could start telling them 'what they're like' from their handwriting almost immediately - even complete strangers! You must admit that would be cool. How could you know so much with so little information? Well with the graphology system outlined in this new graphology book designed to be learned in few days, you can be giving interesting yet fun handwriting readings in no time at all - Here are some points to consider: * Can be learned over a weekend * Requires only two words to be written

Read Online The James Bond Cold Reading Free

down * Can be done for two or more people at the same time * A great ice-breaker or conversation starter * Once you've learned it, it's almost impossible to forget Oh - and did we mention the FREE AUDIOBOOK? We almost forgot - not only do you get the book packed with examples, exercises and top-tips to make learning graphology as painless as possible, you also get the 13 part audiobook thrown in as well! FLASH CARDS! With the book and audiobook you also get a set of 10 flash cards! Print them off onto index cards and stick them in your back pocket so you can have an instant 'refresher' moment while you're still learning the system. No need for last minutes nerves - a quick look at your flash cards and you can top-up your new found knowledge in a jiffy. Powerful stuff Seriously, knowing this information is powerful - everyone is interested in themselves, and by using the fun techniques in this unique book you'll find that sometimes you simply haven't got the time to check out everybody's handwriting! REVIEWS "I really enjoyed reading your new book and would heartily recommend it. It is a great way to learn the art without spending hours ploughing through the many books out there on the subject." - Richard Osterlind "Julian is a wonderful teacher. I've tried learning enough about graphology before to use as an adjunct to my mentalism performances but it never stuck. And I quickly became bored. With Julian's system once the info is in your head, it isn't easily leaving. And I found the whole process fun! Julian has set this up in a way that you get constant reinforcement for your efforts and just want to keep going." - Bill Cushman "I have finished Julian's book on Graphology and highly recommend it. Julian has condensed a large amount of

Read Online The James Bond Cold Reading Free

information on graphology into an easily memorized system and provided a presentation that is short, sweet, and can be done on the back of a business card. I like to explain how I am getting my information as I am doing the reading, and Julian's system is perfectly suited for this. In fact, it is so simple to explain that your subject will likely go away believing they have learned something valuable even in the unlikely event that most of your reading doesn't hit the mark -- so you really cannot lose. Anyone that is interested in Graphology should definitely pick up this book." - John Lumber "As a long time graphologist, I've perused Julian's manuscript, and can attest that it is exactly as described. He's taken some of the real 'meat' of the subject and found a way to explain it clearly and simply - AND to do it in a wicked clever mnemonic sort of structure that makes it quite easy to remember. (And, therefore, easy to explain to others.) He's done a lot of hard mental work so that you won't have to! Well worth the price tag for those who wish to use it." - Brane OTHER KINDLE BOOKS IN THE SPEED LEARNING SERIES BY JULIAN MOORE Speed Learning: Graphology - The Art Of Handwriting Analysis Speed Learning: Cartomancy - A Playing Card Reading Primer Speed Learning: Palmistry - Palm Readings In Your Own Words Speed Learning: Numerology - Numbers Past And Present With The Lo-Shu Square Speed Learning: Star Signs

Live and Let Die

MURDER ON THE ORIENT EXPRESS The Russians wanted to liquidate James

Read Online The James Bond Cold Reading Free

Bond—ace British secret agent—in a way that would embarrass England. So they lined up their best team to pull off the job! Tatiana Romanova—an alluring brunette seductress who looks like Garbo although her heart belongs to the State. Red Grant—a renegade Irish hired assassin, who likes to kill for kicks. Rosa Klebb—head of Otydel II, department of torture and death, a hideous woman with a lust for inflicting excruciating torment. The master conspirators devise a trap designed to eliminate Bond on a perilous journey from Istanbul to Paris via the lush Orient Express. A trip on which Bond makes passionate love to one of his captors as he fights desperately to protect his life from the others, while the train speeds towards its ultimate, awful rendezvous with death! JAMES BOND becomes the target of the RUSSIAN MURDER ORGANIZATION, SMERSH The deadly and sinister SMERSH sets a trap to catch and kill James Bond, ace British spy with a weakness for women and wine, and they bait it with a beautiful brunette. But they don't count on her falling in love with her victim after she has seduced him!! "One of the most outrageously entertaining thrillers ever contrived."—New York World Telegram and Sun.

From Russia, With Love

So you want to learn how to read minds, huh? Well, understandably so! Mind-reading is an intriguing art form with a much larger scope than that with which it's credited. It smoothly finds its uses in relationships and dating, sales, business,

leadership, public speaking and many other everyday avenues of life. Even when you're not performing it to interact with another person, its foundational qualities easily give you a competitive edge in all of the above aspects of life. And the fact that mind-reading can easily be learned and practiced by anyone who's willing to put in the time to practice and gain experience greatly magnifies its appeal as well. If you've tried other mind-reading guides and felt stuck and frustrated, don't worry. The purpose of this book is to help you learn the big "HOW." So, are you ready to delve into the world of pseudo-magic? Are you ready to uncover the most basic traits of humanity, and use that sacred information to score your next date, bond deeper with your partner, make your next sale, or simply become the life of the party? If so, grab this book now and let's get started!

Cartomancy

Bestselling author Michael Shermer delves into the unknown, from heretical ideas about the boundaries of the universe to Star Trek's lessons about chance and time. A scientist pretends to be a psychic for a day and fools everyone. An athlete discovers that good-luck rituals and getting into "the zone" may, or may not, improve his performance. A historian decides to analyze the data to see who was truly responsible for the Bounty mutiny. A son explores the possibilities of alternative and experimental medicine for his cancer-ravaged mother. And a skeptic realizes that it is time to turn the skeptical lens onto science itself. In each

of the fourteen essays in *Science Friction*, psychologist and science historian Michael Shermer explores the very personal barriers and biases that plague and propel science, especially when scientists push against the unknown. What do we know and what do we not know? How does science respond to controversy, attack, and uncertainty? When does theory become accepted fact? As always, Shermer delivers a thought-provoking, fascinating, and entertaining view of life in the scientific age.

For Your Eyes Only

"One of the best, most practical guides for learning this ancient divination technique that's ever hit the market. THIS BOOK IS A MUST!" - Craig Browning In his new book, 'Speed Learning ~ Palm Readings In Your Own Words', Julian Moore teaches the basics of palmistry using proven techniques which mean that you could be reading palms in less than 48 hours! This ebook and ten accompanying FLASH CARDS can get you up to speed quicker than you ever thought imaginable, while still creating your own style and being true to yourself without having to pretend that you're a great showman or anything other than yourself. 'Speed Learning ~ Palm Readings In Your Own Words' shows you how to give REAL readings that CONNECT with people. Most people who decide to learn palmistry are easily put off when they first pick up a palmistry book, there's so much information and more often than not, no clear description of even what ORDER to read the

different elements of the hand in. This is not like those other books. It teaches you a step-by-step way of reading people's palms that's almost impossible to forget, and as it encourages you to create YOUR OWN way of describing what the lines and fingers mean, the speed of learning is greatly increased. You're not just learning 'parrot style', you're creating your OWN versions of how to talk about the meanings of the hand, which makes them entirely memorable! REVIEWS "No hype just plain good! You can't go wrong if you just DO what Julian describes. I've always shied away from palmistry because I thought the system was too complicated. Julian has changed all that. And, the memory cues are an added bonus. It just can't get any easier." - Nicholas "After reading Julian's book, and going through the flash cards a couple of times, I have a practical knowledge of palm reading that I didn't have 48 hours ago. My progress is clear and tangible. Today, I was able to improvise a palm reading session with one of my regular clients, and it went very well. I'm excited! That's why I'm writing this review, hoping that some of you also take advantage of this beautiful tool that Julian is sharing with us." - Enrique Enriquez - member of Kenton Knepper's S.E.C.R.E.T. school and co-author of the groundbreaking book 'Mind Reading' "A very useful tool for both learning and reviewing palmistry basics. For learning you have taken the concept of flash cards and made the cue cards much more of a memory exercise; thereby, challenging the mind to create rather than just repeat. For the pro you have given some interesting slants on certain traits that add further dimension and depth to a reading. The cards provide an excellent review tool for

all practicing palmists as it allows them to review traits and characteristics that may not appear commonly in their practice." - Charles Green & Eugene Bourgal
"An excellently laid out summation of the essence of palmistry, designed to teach you as you go along. I can certainly see how one can get this today and start giving mini-readings tomorrow night. Better yet, learn it all easily in a week and give real readings and be able to answer questions. This book actually teaches easily, speedily the essence of palmistry. Nice job. I'd recommend this to anyone starting out in the field. Well worth the money." - Tom Jorgenson OTHER KINDLE BOOKS IN THE SPEED LEARNING SERIES BY JULIAN MOORE Speed Learning: Graphology - The Art Of Handwriting Analysis Speed Learning: Cartomancy - A Playing Card Reading Primer Speed Learning: The James Bond Cold Reading

The Man with the Golden Gun

More and more people every day are visiting psychics for advice, guidance and a peek into the future. The industry is a moneymaker, with TV talk shows, Internet astrologers and corner store psychics available for the seeker's pleasure. Mediums, sages and astrologers have enjoyed a long and well-documented history, and can even be found in The Bible, while modern psychics have turned their readings into fame, fortune and celebrity. But what can a psychic really do? This book will examine the ways that psychics run their show. Readers will come to understand the basics of the "cold read," which is the psychic's main tool for convincing

customers to return

Graphology

Flamboyant red cropped hair, florid skin, eyes blazing with hate— THIS IS THE FACE OF HUGO DRAX, THE MYSTERY MAN BEHIND MOONRAKER. A stranger, he came out of nowhere to build England the deadliest weapon ever devised by a human brain. A maniacal genius, he now holds the life of secret agent JAMES BOND in his fiendishly clever hands!! JAMES BOND has less than four days to discover the secret motive that is driving the mysterious HUGO DRAX to build MOONRAKER, the new super rocket that can blow the world sky high!! Is he a national hero out to save the universe? Or a diabolical fiend bent on destruction? The answer must be found before the zero hour—an hour that is rapidly drawing closer and closer—when Moonraker will be finished and ready for use!

The Quiet Americans

Official, original James Bond from a writer described by Len Deighton as a 'master storyteller'. James Bond is on a mission that will become an obsession. It starts the night Flight 229 is torn apart at Washington airport, killing 435 passengers. But the victim who matters to Bond is the Principessa Sukie Tempesta: once his lover, still

his friend. The search for Sukie's killers will turn out to be the most complex and demanding assignment of Bond's career. Across continents and through ever-changing labyrinths of evil, he follows the traces of clues into the centre of a fanatical society more deadly than any terrorist army. Its code name is COLD.

Star Signs

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The “exciting conclusion” (Entertainment Weekly) in the New York Times bestselling Red Sparrow Trilogy has Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, on the hunt for a Russian agent working in the US government. With a plot ripped from tomorrow’s headlines, Jason Matthews is “one of America’s most readable spy novelists” (The Washington Post Book World), and his high-powered, seductive third novel not only continues the dangerous entanglements of Dominika and Nate but reveals with chilling authenticity how Russian espionage can place agents in the most sensitive positions of power. The Kremlin’s Candidate opens with Russian president Vladimir Putin planning the covert assassination of a high-ranking US official with the intention of replacing him with a mole whom Russian intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep,

will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin's inner circle. Does Nate sacrifice himself to save Dominika? Does Dominika forfeit herself to protect Nate? Do they go down together? This dazzling finale to Jason Matthews's New York Times bestselling Red Sparrow Trilogy "delivers a wallop on all fronts, from adrenaline-charged action to dark political intrigue to gripping emotional stakes...Readers will finish the book, but their memories of Matthews's brilliant and fearless heroine will linger well past the final page" (Kirkus Reviews, starred review). The Kremlin's Candidate is "a stellar conclusion...racing to a heart-pounding and unexpected resolution" (Publishers Weekly, starred review).

Goldfinger

"Keep away from MR. AURIC GOLDFINGER. He is a most powerful man. If he wished to crush you, he would only have to roll over in his sleep to do so." OPERATION GRAND SLAM Secret agent James Bond had been warned not to tangle with Goldfinger. But the super-criminal's latest obsession was too strong, too dangerous. He had to be stopped. Goldfinger was determined to take possession of half the supply of mined gold in the world—to rob Fort Knox! For this incredible venture he had enlisted the aid of the top criminals in the U.S., including a bevy of beautiful thieves from the Bronx. And he had conceived so foolproof a plan that it

would take all of Bond's unique talents to make it fail—as fail it must. JAMES BOND challenges GOLDFINGER, THE MOST EVIL GENIUS HE HAS EVER FACED. He's a phenomenal criminal who likes his women dressed only in gold paint. He's a magnificent fiend who carries his cash in gold bars. He's a powerful villain who plans to pull the biggest and boldest crime in history—the robbery of all the gold in Fort Knox. "It's all marvellously intricate and polished storytelling, all absurdly impossible, all superlative fun."—Cleveland News. "We recommend Goldfinger for just what it is: sophisticated, tongue-in-cheek entertainment par excellence."—Playboy Magazine. "If you like heroes heroic, a woman who proves, finally, that she's all woman, and a villain who is a dirty dog, then Goldfinger is for you."—Detroit Sunday Times.

Thirteen Steps to Mentalism

Cold reading can be loosely defined as 'how to talk to people so you sound psychic'. This is the definitive guide to how cold reading is used in the psychic industry. It systematically describes a wide range of techniques that enable those who give readings to make seemingly accurate statements to a complete stranger. These statements can refer to past, current or future events or to the client's personality, feelings and potential. This is primarily a descriptive book, not an instructional one. Its primary aim is to describe cold reading techniques rather than to teach anyone how to use them or how to give readings.

Star Signs - A Cool System For Remembering The Dates And Meanings Of The Twelve Signs Of The Zodiac

STAR SIGNS Do you find remembering the exact dates for each star sign a bit of a challenge? Do you find yourself referring to your favourite star sign book more often than you'd like? If so, this is the book for you. This book details a simple memory system that can teach anyone to recall the star sign for a given birth date. Not only that, it teaches a unique way to remember the character traits of each sign and their compatibility with one another.
