Early volumes consisted of rules with a separate publication for text. Later volumes consist of text and rules, (at first, the official rules, later the "read-easy" rules.) Vols. for 1976-78 do not include rules.

Official Street Railway Guide for Eastern Massachusetts and Rhode Island

This is a book you will use as a tool to assist you in new home buying. You will learn that buying a new home is not as complex as it might appear. By having an understanding of the process of new home buying, your experience will be one of knowledge not of ignorance. Lynda Michaels answers questions and more in this accessible and practical book. She explains and guides you through the new homebuying process and teaches you to communicate effectively with your realtor, sales person, contractor and builder. She emphasizes the importance of recognizing the need to understand why and where to buy a home and how to prevent buyers remorse. Throughout the book she draws upon her personal experience and provides information that is most often requested by new home buyers, especially first time home owners. This book is a valuable tool for anyone looking for a new or used home, because the information provided can be used by any one looking for a home anywhere.

CorelDRAW X8: The Official Guide

Adobe Captivate 3: The Definitive Guide, the follow-up to Wordware's popular Macromedia Captivate: The Definitive Guide, steps you through all the procedures needed to create Flash movies based on any software on your desktop. You'll learn how to create Flash movies, edit individual screens, add and edit sound, even add interactivity (with or without grading) for complete customization. The expanded e-learning chapter in this edition discusses a variety of ways to build quizzing functions with individual questions and question pools. A chapter on branching shows how to move slide elements on a visual display, and how to create paths through a movie that give each viewer a unique experience. This book covers everything from getting the software installed and activated, manipulating the movie files, adding and editing audio, and building quizzes, all the way to delivery mechanisms of the final output and integrating your movies with other applications. With this book, learn to install and configure Captivate; create and edit movies; add, delete, edit, and rearrange slides; incorporate audio and interactivity in your movies; create e-learning content through the use of question slides and branching functions; use a variety of Captivate tools including templates and MenuBuilder.

The Corel-Authorized Guide to CorelDRAW®—Updated for CorelDRAW X8 This thoroughly revised guide offers complete coverage of CorelDraw X8, including the revamped interface and brand-new features. CorelDRAW X8: The Official Guide shows anyone—from a beginner to an experienced illustrator—how to create top-drawer commercial graphics and exquisite artwork. You will learn to draw photorealistic illustrations, use shortcuts to create complex art, lay out text like a pro, add special effects, and transform 2D objects into 3D graphics. The book features tips for printing high-quality work that matches what you've designed on your monitor.

- Work in the customizable interface redesigned to reflect Windows® Metro style
- Explore and understand the software's menus, palettes, and dockers
- Lay out brochures, flyers, and other multi-page documents
- Add paragraph, artistic, and custom-shaped text to your designs
- Search the Content Exchange for fonts, vector patterns, background designs, and the Get More docker
- Use the Perspective, Extrude, Smear, Twirl, Attract, Repel, and Distortion tools
- Incorporate lens effects, transparency, shadows, glows, and bevels
- Put all the elements together in a professional, visually compelling way with layout and design tips from the author
