### **The Chouans. A passion in the desert. Z. Marcas. The brotherhood of consolation**

This is book of poems that express my feelings at the time they are written. I get the subjects for my poems from the sounds of nature that I hear, from words I hear on the radio and see on TV and other places and things. My poetry is simple, I hope easy to read and expressive and it makes sense. I write for future generations, for my children and my grandson. I hope they will enjoy my poems for many years to come. That also goes for all of you out there.

If you had to choose between the light of Christ and the darkness of Antichrist, which would you choose? Most would say the light, of course. But what if the strategies of Antichrist were carefully calculated to deceive and to confuse? How would you know the difference? The Path of Christ or Antichrist highlights key choices on the spiritual path. The authors offer profound insights to help discern the Real from the unreal. Includes: o Who is Antichrist? o The subtle nature of evil o The Science of the Spoken Word for spiritual growth and protection.

The battle of Light and Darkness is not new. In fact, it extends far beyond recorded history. It is fought on many fronts, but most importantly it is fought in the hearts, minds and souls of men, women and children of every race and nation upon earth. Paths of Light and Darkness reveals some of the key strategies in this battle—as well as spiritual solutions for our victorious overcoming.

## **Rite of Brotherhood**

Blake Brown eased his car out of the parking lot and onto the highway. Unseen, the idling evil slowly left its resting place to follow discreetly behind him. Blake rounded corners and went through lights and the black, metallic beast stayed on his tail. As Blake finally turned into his apartment complex, his shadow turned with him. He never noticed the sleek beast behind him as he pulled into his parking spot and turned off the ignition. The evil trailing him inched to a stop on the other side of the parking lot. Blake turned to walk across to his building. Just as he started across the lot, the black car started again. It honed in on him. It moved gracefully through the lot, smelling blood in the water. As it got close to Blake, it slowed, menacingly creeping toward him. The window lowered silently. Blake, sensing its presence, turned and his eyes lit with a hint of recognition. "Squ?" was all he got out. Before he could finish the sentence, three shots quietly erupted from the

silencer-equipped gun inside the black car. Blake Brown staggered backward. He was hit three times in the chest. The deal was off.

### **Universal Brotherhood Path**

"Prior to the Fall, men and women lived blissfully in a golden-age paradise. Their souls evolved in love, peace and harmony. Everyone embodied the principle of being their brother's keeper. In the dark ages that occurred after the Fall, souls lost their moorings, their sense of unity and oneness with God and became increasingly aware of their sense of separation and outer differences. The Path of Brotherhood demonstrates how brotherhood is possible, and crucial, today. It explores a range of topics including spiritual keys to racial unity, personal relationships as the means to develop divine love, a mystical look at the Twelve Tribes and the Twelve Apostles, and much more."

The author believes men today are left with the task of learning how to step into the future arena as a new kind of person. Lacking guideposts and health models that free them from the learned and inherited self-denial, isolation and falsehood, the journey is long and difficult. For some men this is a celebrated opportunity for unshackling unhealthy image of maleness and for other men this is a terrifying prospect and is met with resistance. The author sees this journey as needed for reshaping the psyche and heart of the 20th century male. The book offers an insight and analysis of male upbringing in

modern society. Loaded with exercises, activities, vignettes and alternatives for men dealing with the transition they find themselves in, this book is intended to be a definitive step toward raising men's consciousness.

"What is immortality? Does it mean living forever in the same physical body? The Path to Immortality shows that immortality means total liberation from the duality of this world and absolute freedom through spiritual mastery and higher consciousness. Immortality, it shows, is your divine right and the destiny of your soul. This far-reaching work unfolds metaphysical truths about the law of cycles and the seven "bodies" of man, the planes of consciousness, the inner working of the chakras and the flow of energy through them. It also explores what the soul is and how we can take care of it, the meaning of the "fiery trial," dangers that confront the soul on the homeward path and tools to deal with them."
