Locked On

"When a high-level mole infiltrates American Intelligence, President Jack Ryan dispatches John Clark and the Campus team to track down a missing scientist who holds critical aerospace and naval technology"--

Hidden Agendas

Jack Ryan Jr.—along with the covert warriors of the Campus—continues to uphold his legendary father’s legacy of courage and honor in this thriller from #1 New York Times bestselling author Tom Clancy. Privately training with special forces, he’s honing his combat skills to continue his work within the Campus, hunting down and eliminating terrorists wherever he can—even as Jack Ryan Sr. campaigns to become President of the United States again. But what neither father nor son knows is that the political and personal have just become equally dangerous. A devout enemy of Jack Sr. launches a privately-funded vendetta to discredit him and connect him to a mysterious killing in his longtime ally John Clark’s past. All they have to do is catch him. With Clark on the run, it’s up to Jack Jr. to stop a growing threat emerging in the Middle East, where a corrupt Pakistani general has entered into a deadly pact with a fanatical terrorist to procure four nuclear warheads they can use to blackmail any world power into submission—or face annihilation.

Tom Clancy Point of Contact

Killing is Court Gentry's business. Now, his business is about to get personal in the second Gray Man novel from #1 New York Times bestselling author Mark Greaney. Four years ago, Court Gentry was betrayed by his handlers in the CIA. To survive,

he had to eliminate his own brothers in arms. Now, as a master assassin known as the Gray Man, he makes his living killing other people. But when an old comrade he thought dead returns to haunt him, his own life is put in the crosshairs. The man wants Court to complete a mission, with one crucial catch to his orders: Instead of a difficult assassination, the job will entail a near impossible kidnapping—and Court must return his quarry to the very CIA team that turned on him. With his unforgiving employers on one side, his blackmailing former friends on the other, and a doomed mission ahead, Court Gentry would kill to get out of this one alive...

On Target

Ex-CIA master assassin Court Gentry gets hit with a blast from the past in the fourth Gray Man novel from #1 New York Times bestselling author Mark Greaney. Court Gentry has always prided himself on his ability to disappear at will, to fly below the radar and exist in the shadows—to survive as the near-mythical Gray Man. But when he takes revenge upon a former employer who betrayed him, he exposes himself to something he's never had to face before: a killer who is just like him. Code-named Dead Eye, Russell Whitlock is a graduate of the same ultra-secret Autonomous Asset Program that trained and once controlled Gentry. But now, Whitlock is a free agent who has been directed to terminate his fellow student of death. He knows how his target thinks, how he moves, and how he kills. And he knows the best way to do the job is to make Gentry run for his life—right up until

the moment Dead Eye finally ends it

Tom Clancy Commander in Chief

Master of explosive international intrigue Tom Clancy brings together his greatest characters and a new generation to fight the war on terror. Although his father had been reluctant to become a field operative, Jack Ryan Jr. wants nothing more. Privately training with a seasoned Special Forces drill instructor, he's honing his skills to transition his work within The Campus from intelligence analysis to hunting down and eliminating terrorists wherever he can - even has Jack Ryan Sr. campaigns for re-election as President of the United States. But what neither father nor son knows is that the political and the personal have just become equally dangerous. A devout enemy of Jack Sr. launches a privately funded vendetta to discredit him by connecting the presidential candidate to a mysterious killing in the past by John Clark, his longtime ally. A shadowy mercenary team is dispatched to capture the former Navy SEAL. With Clark on the run, it's up to Jack Ryan Jr., along with Ding Chavez, Dominic Caruso, and the rest of the Campus team, to stop a threat emerging in the Middle East: a corrupt Pakistani general has entered into a deadly pact with a fanatical terrorist to procure nuclear warheads, which can be used to blackmail any world power into submission. With the breakneck speed and military action scenes that have made him the premier thriller writer of our time, Tom Clancy delivers a novel of high-tech warfare in which the enemy within may

be even more devastating than the enemy without.

Tom Clancy Line of Sight

Jack Ryan, Jr.'s race to stop an international criminal conspiracy is intertwined with the fate of an old friend in this blistering entry in the #1 New York Times bestselling series. The CIA's deepest secrets are being given away for a larger agenda that will undermine the entire Western intelligence community. Director of National Intelligence Mary Pat Foley wants it stopped but doesn't know who, how or why. Jack Ryan, Jr., is dispatched to Poland on a different mission. The clues are thin, and the sketchy trail dead ends in a harrowing fight from which he barely escapes with his life. If that's not bad enough, Jack gets more tragic news. An old friend, who's dying from cancer, has one final request for Jack. It seems simple enough, but before it's done, Jack will find himself alone, his life hanging by a thread. If he survives, he'll be one step closer to finding the shadowy figure behind the CIA leak and its true purpose, but in the process, he'll challenge the world's most dangerous criminal syndicate with devastating consequences.

Locked On

As China plans to invade Taiwan, and launches a cyber attack on the U.S.,

President Jack Ryan, his son and the team at the Campus have to act fast if they are going to stop the increasingly rogue nation. Reprint.

Tom Clancy's True Faith and Allegiance

Jack Ryan Jr. finds that the scars of war can last a lifetime in the latest entry in Tom Clancy's #1 New York Times bestselling series. Twenty-six years ago, Dr. Cathy Ryan restored the eyesight of a young Bosnian girl who had been injured during an attack in the Bosnian War. Today, her son Jack Ryan Jr. has agreed to track down the young woman and deliver a letter from his mother. What he finds shocks them both. The helpless child has grown into a remarkable woman. Aida Curic is a self-possessed beauty with a big heart and an even bigger secret who runs a controversial refugee agency near Sarajevo. Jack finds himself deeply drawn to both her and her country, but soon finds himself in the crosshairs of the seething ethnic tensions and ancient blood feuds of the Balkans, the region of Europe where empires go to die. If Jack can't navigate the world of secret service agencies, special operators and local mafias to save Aida, Sarajevo will prove to be the fuse that lights the next world war.

Mission Critical

In the latest electrifying adventure in Tom Clancy's #1 New York Times bestselling series, Jack Ryan, Jr., learns that sometimes the deadliest secret may be standing right next to you. Former U.S. Senator Weston Rhodes is a defense contractor with an urgent problem. His company needs someone to look over the books of Dalfan Technologies, a Singapore company—quickly. He turns to his old friend Gerry Hendley for help. Hendley Associates is one of the best financial analysis firms in the country and the cover for The Campus, a top-secret American intelligence agency. Rhodes asks for two specific analysts, Jack Ryan Jr., and Paul Brown, a mild-mannered forensic accountant. Both Ryan and Brown initially resist, for different reasons. On the long flight over, Ryan worries he's being sidelined from the next Campus operation in America's war on terror. Brown—who was never very good with people—only worries about the numbers, and finding a good cup of tea. Brown has no idea Jack works for The Campus but the awkward accountant is hiding secrets of his own. Rhodes has tasked him with uploading a cyberwarfare program into the highly secure Dalfan Technologies mainframe on behalf of the CIA. On the verge of mission success, Brown discovers a game within the game, and the people who now want to kill him are as deadly as the cyclone bearing down on the island nation. Together Ryan and Brown race to escape both the murderous storm and a team of trained assassins in order to prevent a global catastrophe, even at the cost of their own lives.

Tom Clancy Power and Empire

THE NEW YORK TIMES BESTSELLER! Mark Greaney, the #1 New York Times bestselling coauthor of Tom Clancy's Jack Ryan novels, delivers another breakneck thriller following the world's deadliest assassin—the Gray Man... After five years on the run Court Gentry is back on the inside at the CIA. But his first mission makes him wish he had stayed on the outs when a pair of Chinese agents try to take him down in Hong Kong. Normally the Chinese prefer to stay eyes-only on foreign agents. So why are they on such high alert? Court's high stakes hunt for answers takes him across Southeast Asia and leads to his old friend, Donald Fitzroy, who is being held hostage by the Chinese. Fitzroy was contracted to find Fan Jiang, a former member of an ultra-secret computer warfare unit responsible for testing China's own security systems. And it seems Fan may have been too good at his job—because China wants him dead. The first two kill teams Fitzroy sent to find Fan have disappeared and the Chinese have decided to “supervise” the next operation. What they don't know is that Gentry's mission is to find Fan first and get whatever intel he has to the US. After that, all he has to do is get out alive

Against All Enemies

THE FIRST GRAY MAN NOVEL FROM #1 NEW YORK TIMES BESTSELLING AUTHOR MARK GREANEY "Hard, fast, and unflinching—exactly what a thriller should be."—Lee Child To those who lurk in the shadows, he's known as the Gray Man. He is a legend in the covert realm, moving silently from job to job, accomplishing the impossible and then fading away. And he always hits his target. Always. But there are forces more lethal than Gentry in the world. Forces like money. And power. And there are men who hold these as the only currency worth fighting for. And in their eyes, Gentry has just outlived his usefulness. But Court Gentry is going to prove that, for him, there's no gray area between killing for a living and killing to stay alive...

Rainbow Six

After Joint Strike Force pilot Major Stephanie Halverson is shot down over Russia, it is revealed that a deadly cabal once thought to be gone is actually back--and stronger than ever. Original.

Dead Eye

THE NEW YORK TIMES BESTSELLER From Mark Greaney, the New York Times bestselling author of Gunmetal Gray and a coauthor of Tom Clancy's Jack Ryan novels, comes a high-stakes thriller featuring the world's most dangerous assassin: the Gray Man. Court Gentry's flight on a CIA transport plane is interrupted when a security team brings a hooded man aboard. They want to kick Gentry off the flight but are overruled by CIA headquarters. The mystery man is being transported to England where a joint CIA/MI6 team will interrogate him about a mole in Langley. When they land in an isolated airbase in the U.K., they are attacked by a hostile force who kidnaps the prisoner. Only Gentry escapes. His handlers send him after the attackers, but what can one operative do against a trained team of assassins? A lot, when that operative is the Gray Man.

The Suicide House

A newly belligerent Chinese government leaves US President Jack Ryan with only a

few desperate options in this continuation of the #1 New York Times bestselling Tom Clancy series. Jack Ryan is dealing with an aggressive challenge from the Chinese government as the G20 Summit approaches. Pawns are being moved around a global chessboard: an attack on an oil platform in Africa, a terrorist strike on an American destroyer and a storm tossed American spy ship that may fall into Chinese hands. It seems that Premier Zhao is determined to limit Ryan's choices in the upcoming negotiations. But there are hints that there's even more going on behind the scene. A routine traffic stop in rural Texas leads to a shocking discovery--a link to a Chinese spy who may have intelligence that lays bare an unexpected revelation. John Clark and the members of the Campus are in close pursuit, but can they get the information in time?

Ballistic

As the Star Wars race between the Soviet Union and United States continues to escalate, Colonel Mikkail Filtov, America's agent in the Kremlin, is about to be betrayed, and only Jack Ryan can save Filtov--and world peace. Reissue.

The Legend of Gerald Arthur Mcguinness

Against All Enemies is the first Max Moore novel by bestselling author, Tom Clancy.

***** When Ex-Navy SEAL and CIA operative Maxwell Moore barely survives a prisoner exchange that goes explosively wrong off the coast of Pakistan, he realises that powerful, cunning forces have been marshalled against him. Determined to dig out the truth, he uncovers a shocking conspiracy. The two greatest threats to U.S. security have forged an unholy alliance. For the Mexican drug cartel, it means money, power, and control of the drug trade. But for the Taliban, it is an opportunity to bring the fire of jihad to the heartland of the infidel. Now Moore and his depleted team must infiltrate the drug cartel in the hunt for terrorists preparing to bring destruction to America's streets. From the remote, war-scarred landscapes of the Middle East to the blood-soaked chaos of the U.S.-Mexico border, Tom Clancy delivers a heart-stopping thriller you won't forget. In *Against All Enemies* Tom Clancy introduces Max Moore, a character set to join Jack Ryan as one of the great heroes of modern thriller writing. Previous Jack Ryan titles include *Locked On* and *Dead or Alive*. Praise for Tom Clancy: 'A brilliantly constructed thriller' Daily Mail 'Truly riveting, a dazzling read' Sunday Express

Tom Clancy Under Fire

As President of the United States, Jack Ryan has faced many challenges, but none have been as personal as this and never has he been this helpless in the face of evil in the latest entry in Tom Clancy's #1 New York Times bestselling series. Father Pat West, S.J. was a buddy of the young Jack Ryan when they were both undergraduates at Boston College. Father West left a comfortable job in the philosophy department at Georgetown to work with the poor in Indonesia. Now he's been arrested and accused of blasphemy against Islam. President Ryan is desperate to rescue his old friend, but he can't move officially against the

Indonesians. Instead he relies on the Campus team to find out who is framing the priest. There's one other twist to the story. President Ryan discovers a text on his private cell phone from the priest warning about a coming attack against America

The Gray Man

Jack Ryan Jr. stands alone against powerful enemies in this thrilling novel in Tom Clancy's #1 New York Times bestselling series. On a mission in Tehran, Jack Ryan, Jr., meets his oldest friend, Seth Gregory. As they part, Seth slips Jack a key, along with a perplexing message. The next day Jack is summoned to an apartment where two men claim Seth has disappeared with funds for a vital intelligence operation. They say he's turned and leave Jack with a warning: If you hear from Seth, call us. Do not get involved. Jack soon finds himself lost in a maze of intrigue, lies, and betrayal where no one is who they seem to be—not even Seth, who's harboring a secret that harkens back to the Cold War. A secret that is driving him to the brink of treason.

Gunmetal Gray

A Publishers Weekly Summer Reads 2020 Editors' Pick A chilling murder in a prestigious prep school is at the heart of this riveting new novel from acclaimed author Charlie Donlea, featuring forensic reconstructionist Rory Moore and her psychologist partner, Lane Phillips. Inside the walls of Indiana's elite Westmont Preparatory High School, expectations run high and rules are strictly enforced. But in the woods beyond the manicured campus and playing fields sits an abandoned boarding house that is infamous among Westmont's students as a late-night hangout. Here, only one rule applies: don't let your candle go out—unless you want the Man in the Mirror to find you. . . . One year ago, two students were killed there in a grisly slaughter. The case has since become the focus of a hit podcast, *The Suicide House*. Though a teacher was convicted of the murders, mysteries and questions remain. The most urgent among them is why so many students who survived that horrific night have returned to the boarding house—to kill themselves. Rory, an expert in reconstructing cold cases, is working on *The Suicide House* podcast with Lane, recreating the night of the killings in order to find answers that have eluded the school, the town, and the police. But the more they learn about the troubled students, the chillingly stoic culprit, and a dangerous game gone tragically wrong, the more convinced they become that something sinister is still happening. Inside Westmont Prep, the game hasn't ended. It thrives on secrecy and silence. And for its players, there may be no way to win—or to

survive. . . .

Tom Clancy's Endwar

Jack Ryan Jr. is caught in the cross-hairs of a would-be tyrant in this exhilarating thriller in Tom Clancy's #1 New York Times bestselling series. Jack Ryan, Jr., is on his own. He's been ousted from his position at the Campus, the off-the-books intelligence agency that was set up by his father, the President. As if that's not bad enough, someone is out for Jack's blood. The police think that he was just the victim of a mugging, but he knows a professional assassin when he kills one. Using clues found on his would-be dispatcher, Jack launches his own shadow campaign to uncover the brutal truth about a world-renowned philanthropist and human rights advocate—and a long-running false-flag war of terror that has claimed thousands of lives.

Threat Vector

An unconventional war requires unconventional men—the Special Forces. Green Berets • Navy SEALs • Rangers • Air Force Special Operations • PsyOps • Civil Affairs • and other special-mission units The first two Commanders books, *Every Man a Tiger* and *Into the Storm*, provided masterly blends of history, biography, you-are-there narrative, insight into the practice of leadership, and plain old-fashioned storytelling. *Shadow Warriors* is all of that and more, a book of uncommon timeliness, for, in the words of Lieutenant General Bill Yarborough, “there are itches that only Special Forces can scratch.” Now, Carl Stiner—the second commander of SOCOM, the U.S. Special Operations Command—and Tom

Clancy trace the transformation of the Special Forces from the small core of outsiders of the 1950s, through the cauldron of Vietnam, to the rebirth of the SF in the late 1980s and 1990s, and on into the new century as the bearer of the largest, most mixed, and most complex set of missions in the U.S. military. These are the first-hand accounts of soldiers fighting outside the lines: counterterrorism, raids, hostage rescues, reconnaissance, counterinsurgency, and psychological operations—from Vietnam and Laos to Lebanon to Panama, to Saudi Arabia, Kuwait, and Iraq, to the new wars of today...
