The Smell of Reeves and Mortimer

Milly Gaisford swings gracefully up into the saddle and then turns back and smiles."Thanks, Cole."Cole leans on the half door of the loosebox and watches as she walks Hunter across the yard to the dressage arena.Yep, life would be a lot easier if his boss's daughter was unpleasant in any way. Those amber

eyes, that long dark hair and the slim body curved in all the right places has filled his every waking thought, and his dreams. And she seems as attracted to him as he is to her. But he's not going to act on it. With a father determined to drink himself to death and more unemployed than working, he needs this job. Besides Milly is way out of his league. Then tragedy strikes - on the way home from an event there's a fatal accident. Does Milly blame him for what has happened? Will the attraction they feel for each other be able to survive this?

Out of His League

This book provides a fascinating account of the origins and development of the technology that has transformed telecommunications and broadcasting and created the Internet. It depicts this remarkable human achievement by identifying the key innovators whose ideas created today's world of communications, from the Victorian scientists and mathematicians to the present day engineers. Written in a highly readable style, this book shows the impact

of each innovation upon today's world of communications technology, and looks to the future for the innovations to come. The author writes from a unique position as he was a principal player in the development of 20th Century telecommunications engineering.

Code 19 was hidden in the 74th chapter of the Quran and discovered by the author's colleague, Dr. Rashad Khalifa, an Egyptian-American biochemist, in 1974. The code suggests a "Copernican revolution" in theology of religions. Instead of Krishna-centered, Jesus-centered, or Muhammad-centered religions, people must turn to the original center, to the God-centered model.
