Two Homes, One Childhood

A little girl and her parents have lost their home and must live in a homeless shelter. Even worse, due to a common shelter policy, her dad must live in a men's shelter, separated from her and her mom. Despite these circumstances, the family still finds time to be together. They meet at the park to play hide-and-seek, slide on slides, and pet puppies. While the young girl wishes for better days when her family is together again under a roof of their very own, she continues to remind herself that they're still a family even in times of separation.

I Love You, Daddy

New York Times Bestseller • National Book Award Longlist • ILA-CBC Children's Choice List • ALA Notable Children's Book • Book Links' Lasting Connections • Kirkus Best Book • San Francisco Chronicle Best Book • Washington Post Best Book • BookPage Best Book "A novel about a soccer-obsessed tween boy written entirely in verse? In a word, yes. Kwame Alexander has the magic to pull off this unlikely feat, both as a poet and as a storyteller. " — The Chicago Tribune Like lightning/you strike/fast and free/legs zoom/down field/eyes fixed/on the checkered ball/on the goal/ten yards to go/can't nobody stop you/ can't nobody cop you... In this follow-up to the Newbery-winning novel THE CROSSOVER, soccer, family, love, and friendship, take center stage as twelve-year-old Nick learns the power of words as he wrestles with problems at home, stands up to a bully, and tries to impress the girl of his dreams. Helping him along are his best friend and sometimes teammate Coby, and The Mac, a rapping librarian who gives Nick inspiring books to read. This electric and heartfelt novel-in-verse by poet Kwame Alexander bends and breaks as it captures all the thrills and setbacks, action and emotion of a World Cup match!

Mom's House, Dad's House for Kids

Read Online When Mom And Dad Separate Children Can Learn To Cope With Grief From Divorce

The Intelligent Divorce-Book Two: Taking Care of Yourself revolves around you- the greatest asset your kids have. Despite the inevitable power struggles you may have with your ex, if you do the hard work of staying healthy, centered, and focused on your children's well-being, you'll be pleasantly surprised by how well they'll do. After all, they want to see their mom and dad happy, positive, and when possible communicating effectively with each other. And if you're raising your children alone, this book, along with Book One, will help you become a positive role model for your kids. We will equip you with the necessary tools to better understand your situation, handle it to the very best of your ability, and come through it not only intact but healthier, as an individual and as a parent.

Retire Before Mom and Dad: The Simple Numbers Behind A Lifetime of Financial Freedom

A paradigm-shifting model of parenting children in two homes from an internationally recognized expert. A researcher, therapist, and mediator, Robert Emery, Ph.D., details a new approach to sharing custody with children in two homes. Huge numbers of children are affected by separation, divorce, cohabitation breakups, and childbearing outside of marriage. These children have two homes. But their parents have only one chance to protect their childhood. Building on his 2004 book *The Truth About Children and Divorce* and a strong evidence base, including his own research, Emery explains that a parenting plan that lasts a lifetime is one that grows and changes along with children's—and families'—developing needs. Parents can and should work together to renegotiate schedules to best meet the changing needs of children from infancy through young adult life. Divided into chapters that address the specific needs of children as they grow up, Emery:

- Introduces his Hierarchy of Children's Needs in Divorce
- Provides specific advice for successful parenting, starting with infancy and reaching into emerging adulthood
- Advocates for joint custody but notes that children do not count minutes and neither should parents
- Highlights that there is only one "side" for parents to take in divorce: the children's side

Himself the father of five children, one from his first marriage, Emery brings a rare combination of personal and professional insight and guidance for every parent raising a child in two homes. From the Hardcover edition.

The Compound

Positive advice for divorced dads and their families The country's leading authority on fathers' rights Jeffery M. Leving presents a definitive how-to resource for divorced dads of any age, background, and marriage history. Leving offers targeted guidance and suggests techniques for staying connected with children and dealing with ex-wives—and in some cases a new girlfriend or the wife's new boyfriend—during the divorce and afterwards. This upbeat book offers good news for divorced dads and counters many of the myths that paint divorcing fathers as alienated, irresponsible, or absent. Includes advice for overcoming limited access to children with cooperative responses and legal remedies if necessary Reveals how to avoid depression and feelings of guilt that can cause a divorced dad to give up and lose connection with his kids Offers ideas for responding to an ex-wife's remarriage, moving, unfounded accusations, and other common issues

Read Online When Mom And Dad Separate Children Can Learn To Cope With Grief From Divorce

Contains guidance for engaging in new relationships and possibly remarriage How to Be a Good Divorced Dad is practical and down-to-earth and offers dozens of real life examples of dads who have discovered the importance of staying involved in their children's lives.

Living with Mom and Living with Dad

The ultimate resource for separated and divorced parents, written by an internationally acclaimed expert on divorce and its impact on children. This comprehensive and empowering guide is filled with practical, effective ways to minimize the effects of divorce on children, and offers immediate solutions to the most critical parenting problems divorce brings. In this go-to resource, Christina McGhee addresses the issues of utmost importance to parents: ? How and when to tell the children about the divorce ? Guiding children through transition ? Helping children cope with having two homes ? Dealing with finances ? Managing a difficult relationship with an ex ? And more Offering advice on explaining things to every age group—from toddlers to teenagers—in plain, consistent, and age-appropriate terms, Parenting Apart also offers practical suggestions for parents to help them maintain their own sense of stability and take care of their own well-being while taking care of their kids.

We're Still Family

Annie John is a haunting and provocative story of a young girl growing up on the island of Antigua. A classic coming-of-age story in the tradition of *The Catcher in the Rye* and *A Portrait of the Artist as a Young Man*, Kincaid's novel focuses on a universal, tragic, and often comic theme: the loss of childhood. Annie's voice—urgent, demanding to be heard—is one that will not soon be forgotten by readers. An adored only child, Annie has until recently lived an idyllic life. She is inseparable from her beautiful mother, a powerful presence, who is the very center of the little girl's existence. Loved and cherished, Annie grows and thrives within her mother's benign shadow. Looking back on her childhood, she reflects, "It was in such a paradise that I lived." When she turns twelve, however, Annie's life changes, in ways that are often mysterious to her. She begins to question the cultural assumptions of her island world; at school she instinctively rebels against authority; and most frighteningly, her mother, seeing Annie as a "young lady," ceases to be the source of unconditional adoration and takes on the new and unfamiliar guise of adversary. At the end of her school years, Annie decides to leave Antigua and her family, but not without a measure of sorrow, especially for the mother she once knew and never ceases to mourn. "For I could not be sure," she reflects, "whether for the rest of my life I would be able to tell when it was really my mother and when it was really her shadow standing between me and the rest of the world."

Co-Parenting Works!

Mum and Dad don't live together any more, so sometimes this little girl lives with her mum and her cat, and sometimes she lives with her dad. She has two bedrooms and two sets of toys, but she takes her favourite toys with her wherever

she goes.

How to be a Good Divorced Dad

Children whose parents no longer live together discover that although much has changed, and time spent with Mom is different than time spent with Dad, love is there no matter what.

Booked

Encourages children to sort out their painful feelings about the divorce of their parents through drawings.

A Child Called It

Eleven-year-old Isabella's blended family is more divided than ever in this thoughtful story about divorce and racial identity from the award-winning and New York Times bestselling author of *Out of My Mind*, Sharon M. Draper. Eleven-year-old Isabella's parents are divorced, so she has to switch lives every week: One week she's Isabella with her dad, his girlfriend Anastasia, and her son Darren living in a fancy house where they are one of the only black families in the neighborhood. The next week she's Izzy with her mom and her boyfriend John-Mark in a small, not-so-fancy house that she loves. Because of this, Isabella has always felt pulled between two worlds. And now that her parents are divorced, it seems their fights are even worse, and they're always about HER. Isabella feels even more stuck in the middle, split and divided between them than ever. And she's beginning to realize that being split between Mom and Dad is more than switching houses, switching nicknames, switching backpacks: it's also about switching identities. Her dad is black, her mom is white, and strangers are always commenting: "You're so exotic!" "You look so unusual." "But what are you really?" She knows what they're really saying: "You don't look like your parents." "You're different." "What race are you really?" And when her parents, who both get engaged at the same time, get in their biggest fight ever, Isabella doesn't just feel divided, she feels ripped in two. What does it mean to be half white or half black? To belong to half mom and half dad? And if you're only seen as half of this and half of that, how can you ever feel whole? It seems like nothing can bring Isabella's family together again—until the worst happens. Isabella and Darren are stopped by the police. A cell phone is mistaken for a gun. And shots are fired.

The Way They Were

Some things are easier to say with pictures. When parents decide to separate or divorce, children need ways to sort through all the feelings, thoughts, and worries they are facing. This drawing book encourages kids to explore their inner world through both pictures and words, helping them to understand themselves and feel better during a difficult time of change. A "Note for Parents" discusses the impact of separation and divorce on the family, and describes the value of art therapy in coping with stressful emotions and experiences.

Always Mom, Forever Dad

A practical format for allowing children to understand the concept of death and develop coping skills for life, this book is designed for young readers to illustrate.

Divorced Dads

Divorce isn't easy on anyone, least of all children. When Mom and Dad Divorce helps gently guide children through this painful passage.

Still a Family

Children living in separated family situations fare best when their relationship with each of their parents continues to be close. Putting Children First helps mothers and fathers unlock and resolve the conflict around contact with children that can arise during and after separation. Using strategies such as parenting plans, scripted phone calls and parenting meetings, the book will enable parents to communicate effectively on all the most important things in their children's lives - and make relaxed arrangements for the continued involvement by both parents with their children.

Annie John

Examines a young girl's feelings about her parents' divorce and how she and her parents cope with these emotions. Includes a counseling guide for parents, teachers, and counselors.

Please Look After Mom

A little girl describes what her life is like now that her parents no longer live together.

When Someone Very Special Dies

Tells the story of a child's abuse at the hands of his alcoholic mother

Two Homes

Internationally renowned therapist, family expert and mediator Isolina Ricci, Ph.D. presents this definitive and newly updated guide to divorce and making shared custody work for parents and children. The ground-breaking classic, Mom's House, Dad's House, has become the standard for two generations of divorcing parents, and includes examples, self-tests, checklists, tools, and guidelines to help separated moms and dads with the legal, emotional, and financial issues they will encounter as they work to create happy and stable homes. This comprehensive guide looks anew at the needs of all family members with creative options and common-sense advice, including: * The map to a "decent divorce" and two happy homes * Helping children of divorce with age-specific advice * Negotiating Parental Agreements and custody arrangements * Breaking away from "negative intimacy"

Read Online When Mom And Dad Separate Children Can Learn To Cope With Grief From Divorce

with a difficult ex-husband or ex-wife * Sidestepping destructive myths about divorce (and marriage) * Handling long-distance parenting and parenting alone With Mom's House, Dad's House, parents will learn how to help their children heal and find a sense of continuity, security, and stability throughout the divorce process and in any custody situation.

Standing on My Own Two Feet

This comforting, reassuring picture book will help young children come to terms with divorce and separation. A little boy tries to find a pot of parent glue to stick his mum and dad back together. His parents have come undone and he wants to mend their marriage, stick their smiles back on and make them better. But, as he learns, even though his parents' relationship may be broken, their love for him is not. "An excellent book aimed squarely at young children." Nursery World "Resonates with empathy and poignancy." Junior

Mom and Dad Glue

"Parents looking for a book about separation or divorce will find few offerings as positive, matter-of-fact, or child-centered as this one. . . . Simple, yet profoundly satisfying." – Booklist (starred review) At Mommy's house, Alex has a soft chair. At Daddy's house, Alex has a rocking chair. In each home, Alex also has a special bedroom and lots of friends to play with. But whether Alex is with Mommy or with Daddy, one thing always stays the same - Alex is loved. The gently reassuring text focuses on what is gained rather than what is lost when parents divorce, while the sensitive illustrations, depicting two unique homes in all their small details, firmly establish Alex's place in both of them. Two Homes will help children - and parents - embrace even the most difficult of changes with an open and optimistic heart.

Blended

Identifies and offers advice for understanding children who are highly sensitive, self-absorbed, defiant, inattentive, and active/aggressive

It's Not the End of the World

The Instant New York Times, Publishers Weekly, Wall Street Journal, and USA Today Bestseller A candid, riveting account of the Trump White House, on the front lines and behind the scenes. Sarah Huckabee Sanders served as White House Press Secretary for President Donald J. Trump from 2017 to 2019. A trusted confidante of the President, Sanders advised him on everything from press and communications strategy to personnel and policy. She was at the President's side for two and a half years, battling with the media, working with lawmakers and CEOs, and accompanying the President on every international trip, including dozens of meetings with foreign leaders—all while unfailingly exhibiting grace under pressure. Upon her departure from the administration, President Trump described Sarah as "irreplaceable," a "warrior" and "very special person with extraordinary talents, who has done an incredible job." Now, in *Speaking for Myself*, Sarah Huckabee Sanders describes what it was like on the front lines and inside the

White House, discussing her faith, the challenges of being a working mother at the highest level of American politics, her relationship with the press, and her unique role in the historic fight raging between the Trump administration and its critics for the future of our country. This frank, revealing, and engaging memoir will offer a truly unique perspective on the most important issues and events of the era, and unprecedented access to both public and behind-the-scenes conversations within the Trump White House.

Parenting Apart

The book is not a classic pediatric text book. It shows different approaches to some pediatric topics. Our aim in this book, as understood from its title, is to describe some specific issues related to nursing, psychiatric and surgical issues. The book Pediatric Nursing, Psychiatric and Surgical Issues has 8 chapters which are placed in 4 different sections, to enlighten patients and pediatricians on current developments on specific pediatric issues.

The Challenging Child

Confused and frightened when his parents divorce, a little boy does not know what to do until he discovers that one important thing remains unchanged.

Mom Or Dad's House?

A leading authority on fatherhood and divorce uses the findings of his research to dispel the myth of the "dead-beat dad" and other conventions about the effects of divorce

Dad's Guide to Baby's First Year For Dummies

From the author of the classic Mom's House, Dad's House, the essential guide for kids on how to stay strong and succeed in life when parents separate, divorce, or get married again. Isolina Ricci's Mom's House, Dad's House has been the gold standard for inspiring and supporting divorcing and remarrying parents for more than twenty-five years. With her new book, Dr. Isa adapts her time-tested advice on maneuvering the emotional, logistical, and legal realities of separation, divorce, and stepfamilies to speak directly to children. Alongside practical ways to cope with big changes she offers older children and their families key resiliency tools that kids can use now and the rest of their lives. Kids and families are encouraged to believe in themselves, to take heart, and to plan for their lives ahead. Mom's House, Dad's House for Kids is packed with practical tips, frank answers, easy-to-use lists, "train your brain" ideas, reproducible worksheets, and things to try when words just won't come out right. Kids will learn how to:

- Deal with parents living apart, schedules, and dueling house rules
- Settle comfortably in one home or two
- Stay out of the "miserable middle" when parents fight
- Manage stress, guilt, change, fear, and other feelings
- Stay connected with parents, relatives, and the "right" friends
- Appreciate the gifts (and deal with the gripes) of their new version of family
- Feel better FAST! Kids can't get their parents back together, but they can help themselves get stronger and go on to succeed in life. This book shows

Living with Mum and Living with Dad

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Mom's House, Dad's House

Read Online When Mom And Dad Separate Children Can Learn To Cope With Grief From Divorce

What if your child's "life-after-divorce" could be better than you've hoped for? As the post-divorce dust settles, your child's chances of leading a healthy, successful life are directly linked to how you and your former spouse relate. So instead of listening to statistics, read this book to discover real world co-parenting strategies from author, counselor, and co-parent Tammy Daughtry. Discover how you can make positive co-parenting work for you and your child by:

- Understanding how today's actions will affect your child in five, ten, and twenty years
- Teaming with your child's co-parent to develop strategies in the best interest of your children
- Helping your child feel at ease in both homes
- Increasing your child's self-esteem while minimizing anxiety
- Integrating stepparents into your co-parenting team

Co-parenting isn't easy. But with these strategies for success, you'll be prepared to create an enjoyable childhood and a healthy upbringing that will impact your child for a lifetime. Take heart—the future can be better and brighter than you've dared to hope.

Toxic Parents

BONUS: This edition contains an excerpt from Dr. Susan Forward's *Men Who Hate Women and the Women Who Love Them*. When you were a child Did your parents tell you were bad or worthless? Did your parents use physical pain to discipline you? Did you have to take care of your parents because of their problems? Were you frightened of your parents? Did your parents do anything to you that had to be kept secret? Now that you are an adult Do your parents still treat you as if you were a child? Do you have intense emotional or physical reactions after spending time with your parents? Do your parents control you with threats or guilt? Do they manipulate you with money? Do you feel that no matter what you do, it's never good enough for your parents? In this remarkable self-help guide, Dr. Susan Forward drawn on case histories and the real-life voices of adult children of toxic parents to help you free yourself from the frustrating patterns of your relationship with your parents -- and discover an exciting new world of self-confidence, inner strength, and emotional independence.

Mum and Dad Glue

The Glass Castle

What is the real legacy of divorce? To answer this question, Constance Ahrons, Ph.D., interviewed one hundred and seventy-three grown children whose divorcing parents she had interviewed twenty years earlier for her landmark study, the basis of which was the highly acclaimed book *The Good Divorce*. What she has learned is both heartening and significant. Challenging the stereotype that children of divorce are emotionally troubled, drug abusing, academically challenged, and otherwise failing, Dr. Ahrons reveals that most children can and do adapt, and that many even thrive in the face of family change. Although divorce is never easy for any

Read Online When Mom And Dad Separate Children Can Learn To Cope With Grief From Divorce

family, she shows that it does not have to destroy children's lives or lead to a family breakdown. With the insight of these grown children and the advice of this gifted family therapist, divorcing parents will find helpful road maps identifying both the benefits and the harms to which postdivorce children are exposed and, ultimately, what they can do to maintain family bonds.

When Mom and Dad Divorce

Addison's parents are divorced and he lives in one house with his mom and another with his dad, but one thing he knows above all is that both his parents love him and they always will.
