The Nero-Antichrist

Over the past year, Robert Jeffress has received more national media exposure than any other pastor with multiple appearances on O'Reilly, Bill Maher, Fox News and CNN shows. Jeffress is considered by the media as the go-to person for evangelical views, assuring television coverage on his book.

False Christ: Will the Antichrist Claim to Be the Jewish Messiah?

A history of Anti-christ doctrines in the United States.

The Fourth Beast

Nearly all evangelical Christians have learned of the Antichrist. He horrifies, mystifies and fills us with dread. The Antichrist is Jesus Christ's nemesis and the world dictator who the Bible forecasts arrives into his position and ushers in the Tribulation. The Antichrist's dictatorship provides the atmosphere of life during the Earth's final years. Every generation of Christians have talked about the Antichrist. Jesus taught of him, and the apostles mentioned him in their books. Jesus's teachings on the Antichrist also mystified the church fathers. They discussed the Antichrist in detail. There are many questions that have been asked about the Antichrist. The Antichrist of Revelation provides the answers, exposes the myths and reveals the most complete depiction of the Antichrist found in any volume.

The Islamic Antichrist

Dirk Renswoude is a craftsman and loner of noble birth who has been mistreated by his family. He meets Thierry, a young scholar on his way to study at the university at Basle and they soon discover that they share a fascination with the black arts. Thierry is initially cautious and afraid of blasphemy, whilst Dirk is ambitious and thirsts for power. Dirk leads them on to experiments with mystic

circles drawn on the floor in chalk, the chanting of arcane incantations and the evocation of grotesque, demonic visions writhing in the speculum.

Who Is the Antichrist?

The story you are about to read is told from the perspective of Julien, a young journalist in close proximity to a person the Bible calls the “Beast.” Julien will give us a window into the character of the Antichrist and how our last days could unfold according to Scripture’s ultimate plot. This imagined prophetic narrative will also reveal how this coming prince may alter reality and impact humankind--and eventually transform into the most malevolent human in history. But what can be known about this man? What does the Bible actually say about this nefarious individual? How close are we to his unveiling? More than a suspenseful mystery, however, this speculative account will arouse your prophetic curiosity, whetting your appetite for more information, more solid biblical food on the subject. And you’ll find that in the last section of the book. Your imagination and curiosity will soar in this raw, rugged, often shocking account of the rise of the Antichrist. He is real, my friend. And he is coming.

The Islamic Antichrist

With the growing interest in the Antichrist these days, curiosity runs high for both Christians and unbelievers—with good reason. In books, movies, and even everyday conversation, so many different ideas about who he is, what he will do, and the timing of his arrival abound that it’s difficult to separate biblical fact from human speculation. Bestselling Bible prophecy expert Mark Hitchcock looks to the one source readers can trust—the Bible—and answers questions such as Where will the Antichrist come from? When will he appear on earth’s stage? What is the significance of the number 666? How will he rise to power, and what will finally happen to him? Will we know who he is before the rapture happens? Using a friendly question-and-answer format, Mark takes readers on a fascinating tour of all the Bible’s key passages about the Antichrist—and shares how this information applies to their lives today.

The Powers of Prophecy

The malign figure of the Antichrist endures in modern culture, whether religious or secular; and the spectral shadow he has cast over the ages continues to exert a strong and powerful fascination. Philip C. Almond tells the story of the son of Satan from his early beginnings to the present day, and explores this false Messiah in theology, literature and the history of ideas. Discussing the origins of the malevolent being who at different times was cursed as Belial, Nero or Damien, the author reveals how Christianity in both East and West has imagined this incarnation of absolute evil destined to appear at the end of time. For the better part of the last two thousand years, Almond suggests, the human battle between right and wrong has been envisaged as a mighty cosmic duel between good and its opposite, culminating in an epic final showdown between Christ and his deadly arch-nemesis.

Black Magic

When it comes to boyfriends, there's a fine line between quirks and severe personality disorders. In this irreverent Rguide, S Carlin shows women how to identify the warning signs and advises whether it's safe to hang on to these guys--or to quickly and safely dump them.

Perfect Ending

Will the real Antichrist please stand up? For the last two thousand years people have been anxiously trying to analyze who the Antichrist might be and when he might be revealed. Many people have made preposterous claims, and of course, they have been wrong. If you're not careful, you can get caught up in the debate and spend so much time arguing with other Christians over the details that you don't accomplish anything for the kingdom! To make matters worse, we now live in an era when, for the first time, we have the possibility of an artificial intelligence Antichrist, a human computer hybrid that will demand to be worshipped. Have you ever wondered if it's OK to have Alexa, Siri, and other forms of artificial intelligence in your home? We know that the Bible says great deception is coming, so what is a concerned believer to do? Author and minister Mark Biltz wants you to understand the methods of the Antichrist so you won't be deceived. This book will help you know the big picture of what has happened historically, what is unfolding this very moment, and what the future holds concerning the Antichrist based on the unfolding purposes of God.

The Anti-Christ

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Antichrist

The Seat of The Antichrist: Bible Prophecy and The European Union identifies the European Union as the final world empire and explains what Bible Prophecy predicts will occur in the end times. The reader discovers the relationship between Bible Prophecy, the European Union and today's current affairs. The Seat of the Antichrist details the European Union's history and institutional structure and shows how it aligns with Bible Prophecy. Bible Prophecy comprises one third of the Bible. The Bible's last book, The Revelation, predicts the events leading to the end of the world. It provides the details for the Tribulation, which occur during a seven year period of wars, plagues, earthquakes and calamities, which end in the battle of Armageddon. Part of the earth's judgments happen through a leader who rises to power from the final world empire predicted in Bible Prophecy. Evangelical Christians customarily refer to this leader as The Antichrist. The Seat of the Antichrist is the first book dealing with Bible Prophecy, which shows prophecy's relation in the present geopolitical framework and in doing so dismisses end-time conspiracy theories, which Bible Prophecy works often rely on. No book dealing

with Bible Prophecy provides such in-depth analysis and extensive research as *The Seat of the Antichrist: Bible Prophecy and The European Union*, which presents the reader with a gripping, riveting expose.

Not Afraid of the Antichrist

When Jesus was asked what would be the signs of His coming at the end of this age, He said, "As it was in the days of Noah so shall it be". The main event that occurred in the days of Noah is recorded in Genesis 6:4: "The Nephilim were on the earth in those days and also after that they were the heroes of old, men of renown." Nephilim in Hebrew means 'the fallen ones'. These were evil fallen angels who appeared on the earth in those days and caused the violence, bloodshed and chaos which resulted in a world-wide Flood. "As it was so shall it be." After the Apocalypse begins, these same fallen angels, plus Satan and all the rest of those that rebelled with him, will once again manifest on earth in plain sight. They will be led by a man most call The Antichrist. But in Revelation he is not given this name. John refers to him as The Beast from the Abyss. This book is an in-depth study of the Beast's past, present and future which debunks most of the common and accepted assumptions of the Antichrist and instead presents a scripturally based study of he who is to come; The Beast who ascends out of the Abyss having seven heads and ten horns.

Interview with the Antichrist

Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading, acclaimed Bible scholars. In fact, they say, Jesus promises us tribulation in this world. Yet this is no reason to fear. In this fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope. God's wrath is not poured out on His people, and He will shield us from it--as he shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in his victory.

The Man of Sin

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and

witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Unmasking the Antichrist

The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture, says author Kim Riddlebarger. Unfortunately, it's also one which has been subject to far more speculation than sound biblical exegesis. Until now. Unlike other resources available on the Antichrist, *The Man of Sin* focuses on Scripture, not contemporary events, to uncover the truth about this mysterious entity. With skilled exegesis Riddlebarger asserts that, contrary to popular speculation, the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter-advental age before culminating in an end-times Antichrist. Backing this claim first in Scripture, Riddlebarger also draws from historical teachings including those of the church fathers, the Reformation, and historic Protestantism, before contrasting this evidence to the sensational interpretations of many contemporary writers. Pastors, teachers, and study groups wanting to understand the doctrine of the Antichrist will find *The Man of Sin* to be a unique and comprehensive study.

The Antichrist

"The Christian concept of a god—the god as the patron of the sick, the god as a spinner of cobwebs, the god as a spirit—is one of the most corrupt concepts that has ever been set up in the world. In him nothingness is deified, and the will to nothingness is made holy." See Sharp Press; Tuscon, AZ -from *The Anti-Christ*. He's one of the most debated thinkers of the 19th century: Nietzsche and his works have been by turns vilified, lauded, and subjected to numerous contradictory interpretations, and yet he remains a figure of profound import, and his works a necessary component of a well-rounded education. *The Anti-Christ*, first published in German in 1895, is absolutely vital to any meaningful understanding of Nietzsche the man and Nietzsche the philosopher. An insightful and entertaining indictment of Christianity, it has enraged and inspired generations of readers, and this 1920 translation, by H. L. Mencken, considered the best available, is almost as controversial as the work itself, highlighting the darkest side of Mencken's cynicism. Also available from Cosimo Classics: Nietzsche's *The Use and Abuse of History*.

Really Obama Is the Antichrist!

The identity of the Antichrist is a topic of hot debate today. Adding fuel to the flame of rampant speculation are voices saying the Antichrist might be a Muslim or a Jew—a view that respected Bible scholar and bestselling author Ron Rhodes argues against in this revealing, Scripture-based exploration of: what God's Word does and does not tell us about the Antichrist the advance signs, power moves, and eventual fall of this person the mysterious "Gog"—leader of Northern military coalition mentioned in Ezekiel. It is time for a trustworthy study of this topic to take the place of emotion-based suspicions. Believers, followers of end-times news, and

anyone anxiously watching the turmoil of today's political landscape will be thankful for this thorough, straightforward resource. Excellent for church and personal libraries.

Who Is the Antichrist?

The book of Revelation unveils Jesus Christ in glory. Written by the apostle John, Revelation was a letter to churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides. This book was a reminder that encouraged them to remain faithful. Through vivid imagery, John writes Revelation to reveal the end of human history, the return of Christ, and the establishment of a new heaven and a new earth. Revelation message of hope assures Christians that God is in sovereign control of all past, present, and future events, and that Jesus Christ will judge the lost and rule in ultimate victory over all human and demonic opposition. How to Tell If Your Boyfriend is the Antichrist

Writing in response to our current “constitutional crisis,” New York Times bestselling author and Christian activist Jim Wallis urges America to return to the tenets of Jesus once again as the means to save us from the polarizing bitterness and anger of our tribal nation. In *Christ in Crisis* Jim Wallis provides a path of spiritual healing and solidarity to help us heal the divide separating Americans today. Building on “Reclaiming Jesus”—the declaration he and other church leaders wrote in May 2018 to address America’s current crisis—Wallis argues that Christians have become disconnected from Jesus and need to revisit their spiritual foundations. By pointing to eight questions Jesus asked or is asked, Wallis provides a means to measure whether we are truly aligned with the moral and spiritual foundations of our Christian faith. “Christians have often remembered, re-discovered, and returned to their obedient discipleship of Jesus Christ—both personal and public—in times of trouble. It’s called coming home,” Wallis reminds us. While he addresses the dividing lines and dangers facing our nation, the religious and cultural commentator’s focus isn’t politics; it’s faith. As he has done throughout his career, Wallis offers comfort, empathy, and a practical roadmap. *Christ in Crisis* is a constructive field guide for all those involved in resistance and renewal initiatives in faith communities in the post-2016 political context.

Return of the Antichrist

Find out what Mark Hitchcock means when he says there is an Antichrist alive today, right now, in this generation! Easy to read and biblically solid, Hitchcock's fascinating resource illuminates what the Bible says about the Antichrist and explains how the prophecies about him strikingly foreshadow today's events: 1) the rise of the European Union; 2) the peace process in Israel; 3) the rush toward globalization; 4) the technology and desire for a worldwide identification system; 5)

the movement to rebuild the temple in Jerusalem From the Trade Paperback edition.

Revelation

The Powers of Prophecy is an original attempt to investigate the subject of medieval eschatological prophecies: how and in what circumstances they were written; how they circulated; what they told people about the future; and how they were received. Although scholars have studied the ideas of a few outstanding medieval prophetic thinkers or the role of prophecies in heretical movements and popular insurrections, up to now there has been no attempt to study the most commonplace medieval prophetic ideas as they were communicated in the most frequently copied and widely read anonymous prophetic texts. Dedicated to pursuing the typical, Lerner's book traces the fortunes of an eschatological prophecy that was first written around 1240 and thereafter circulated throughout Western Europe for more than four centuries. Originally composed as a response to the Mongol onslaught, the prophecy was resurrected and reconceived to apply to other crises such as the fall of the Holy Land, the Black Death, and the Protestant Reformation. Although it was supposed to have descended from on high, allegedly being a message written by a disembodied moving hand over an altar during mass, countless scribes felt no qualms about recirculating the text with substantial changes. Among the many who took note of the prophecy in one or another of its numerous guises were the scholastic theological John of Paris; the Infante Peter, a prince of the house of Aragon; John Clyn, an Irish monk who entered it into his chronicle shortly before dying of the bubonic plague; and Martin Luther. -- "American Historical Review"

Revelation

God tells us in II Thessalonians chapter two that he is sending a "GREAT DELUSION, that they shall believe a lie." The delusion is concerning the Antichrist. Will YOU be among the deceived? Most people that have heard about the soon coming Antichrist have only heard what some preacher or writer thinks he will be like and it is all misinformation. Thus the vast majority of Christendom has a completely wrong picture of the Antichrist. The Bible clearly describes this coming world leader. No one should be deceived, but they will be and God will help with the deception by sending a delusion. Today the Muslims are feverishly working toward bringing back their Messiah. They are religiously trying to set the stage for the glorious end. It is no secret that all that is going on is for this reason. And Muslims are not alone. Jewish rabbis are calling their people home to Israel because they are excited that the Messiah's coming is eminent. Some internationally known Rabbis have personally had a supernatural visitation indicating that their Messiah is soon to come. And Christians all over the world are looking with great interest into end time events because they all know that the end is upon us. The stage has been set. The three major religions of the world are all posed for HIM. And when he comes it will not be Jesus, but the Antichrist posing as Christ and he will be so convincing that, (Matthew 24:24) "if it were possible, they shall deceive the very elect." Few people really know from the Bible how to identify the Antichrist. The delusion is upon us. Don't be caught unaware. Know the truth. Know him for the impostor that he is. Read Who Is the Antichrist? and know the truth.

Apocalyptic Spirituality

The Rise of The Antichrist carefully investigates the measurable effects of politics, religion, science and technology on the human psyche. All mainstream religions traditionally share similar perspectives regarding the Antichrist and his developing systems, which have been foretold by all prophets or messengers dutifully sent to every nation over time. This book carefully explores the much-debated topic of the Antichrist, regarding his future emergence. Will he lead humanity to eternal darkness, or enlightenment? Although modern science and human history popularly refer to the last 5,000-15,000 years of development, in reality, there are signs and evidence that human development is considerably older, with possibilities of supernatural or otherworldly intervention. This book explores stories such as the Nimrod who meticulously researched into longevity and occult magic, with a possibility of alien or supernatural influence which was captured on stone glyphs. Throughout history, there have been developed, mighty empires whose chosen kings proclaimed to be Gods But were they actually inter-dimensional beings? This book will ideally suit readers with an active interest in religion, historical events and those interested in a thought-provoking read.

Hebrew Bible

Who is the Antichrist? Bible prophecy of the end time talks about this mysterious figure. Is he the one identified as the "man of sin" and the "false prophet"? Or is there more to the story than that? The answer is deeply personal and forces Christians to examine the very core of their relationship with Jesus Christ. Inside this booklet: - Standing against Christ - Heresies denying Jesus as God in the flesh - A man who would make himself as God - The coming "Abomination of Desolation" - Jesus Christ is coming as conquering King" - What the Bible really says about antichrist - The ultimate antichrist" - Stand strong with Christ

The Rise Of The Antichrist

For centuries, man has endeavored to lend credence and meaning to the Biblical references of The Antichrist and to find the answers to the questions inherent within those references: Who is he? Where will he come from? What will he look like? And how will we recognize him? In this definitive commentary on our current state of political affairs, Bible scholar and freelance writer, Lawrence Moelhauser will take you on an eye-opening and thought-provoking journey to attempt to answer those questions within the context of the attitudes, behaviors, and political aspirations of the Republican Presidential Nominee, Mr. Donald J. Trump. Mr. Moelhauser shows us how Donald Trump's lies and rhetoric feed off people's worst fears to spread hate, racism, misogyny, Islam-a-phobia, unabashed bigotry, and discrimination, and how that rhetoric coincides, point for point, with the prophecies regarding The Antichrist, with frightening accuracy. Through careful research, Mr. Moelhauser addresses the attributes of The Antichrist, as presented in the Bible, and then compares those attributes with examples from the Presidential Campaign trail and Mr. Trump's meteoric rise to the forefront of the US Political stage. By presenting clear and concise parallels, Mr. Moelhauser encourages readers to engage in conversation and further research, and to answer for themselves the

question: Is Donald Trump The Antichrist?

Naming the Antichrist

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously

published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

The Seat of the Antichrist

This book makes available major texts in the Christian apocalyptic literature from the 4th to the 16th centuries. The apocalyptic tradition is that of traditional philosophy based on revelation and concerned with the end of the world.

Christ in Crisis?

Do you believe that God can reveal to his people the identity of the future Antichrist before he reveals himself? Many people claim that God has given them a dream or spoken to them directly that Barack Obama is the Antichrist. The purpose of this book is to present to you the evidence that points to Barack Obama being the Antichrist of the Bible. Most of the evidence is made of many small pieces that, by themselves, cannot convict anyone of being the Antichrist; since he has not yet made himself known. However, like pieces of a jigsaw puzzle when put together forms a picture, those pieces give us a picture of the final Antichrist. God gives us signs as a way of speaking to us, and he has given us much evidence that Obama is the Antichrist, from 666 appearing, to people who had dreams and visions that Obama is the Antichrist. And while Obama was president, he did many things that caused people to believe that he could be the Antichrist in the minds of many people. Because of his actions while president, so many people were saying that Obama is the Antichrist that it became a published news story in mainstream newspapers and news networks, even the L.A. Times and Newsweek. This book gives all the evidence, starting with a brief biography of Obama showing what he has done, revealing his connections to radical Islam, and even his relationship to Satan himself! And he has continued to act against America after leaving office. Finally, he is well-loved in many nations of the world, and could easily become the ruler of another country. Two chapters of dreams and prophecies are included. If only two or three people said God revealed to them that Obama is the Antichrist, it would not be important, but it has happened to dozens, perhaps hundreds or thousands of people. They usually ask God, "Who is the Antichrist?" and he gives them a dream or tells them that it is Obama, often to their surprise. Do you really believe that the Antichrist will come without God warning us so we can prepare? No, God will warn us!

Who Is the Antichrist?

Where would we be without the truth telling of Moses, Jesus, Martin Luther King Jr.- and you? The choice is clear: truth, justice, and freedom, or lies, injustice, and bondage? The good life and a just society depend on truth telling- but are we more comfortable with lies and fake news?

Islam - the Cloak of Antichrist

Who Is the Antichrist?

The Final Antichrist Barack Obama

The thesis of this book is that the Antichrist will attempt to present himself as the Jewish Messiah, that he will try his best to appear as if he is instituting what Jewish believers know as the Messianic Age and what Christians know as the Millennial reign. This book will show that much of what we know about the Antichrist points to the conclusion that his goal is to deceive the world into believing that the Messiah has come, that the Messiah is, in fact, God, and that he deserves the worship of the world. His destruction of the enemies of Israel in Daniel 11:40-45, his seven-year covenant, his rebuilding of the temple and starting the daily sacrifice, his eventual ending of the sacrifices and sitting in the temple to accept worship, his making Jerusalem the capital of the world, even his promotion by the False Prophet (who, this book argues, will claim to be Elijah) all support this position. This view will be presented in great detail and special attention is also given to objections to it. This book also argues that the little-known eschatological (end-time) beliefs of the Jewish theologians, according to the Talmud and other rabbinic writings, seem to encourage Jews to accept as Messiah a man with the exact characteristics of the Antichrist. Correlating to this view, we will present evidence that Islamic beliefs about the end times, as related in the Quran and the hadiths (the sayings of Muhammad), will cause them to play a very important role in the Antichrist's rise to power. This view is the earliest view of the church, it has been almost totally forgotten in recent years. If it is true, it would mean the deception of Satan in the end times will be far more potent than many of us have ever imagined.

The Antichrist of Revelation

The book of Daniel is key to the entire Old Testament prophetic revelation. Who better to help you understand Daniel's stories, prophecies, and dreams—and give you a brighter hope for things to come—than John F. Walvoord, one of evangelicalism's most prominent leaders, and Charles Dyer, a Bible professor and expert on Israel? In this second work of a renewed series of commentaries, Dr. Walvoord addresses alleged historical inaccuracies and considers past and future fulfillments of specific prophecies. At key points different views and approaches to interpretation are explored. Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language. Refined, updated with the English Standard Version (ESV), and streamlined, this classic text is set to help you understand and interpret the book of Daniel and gain a better grasp of what the future may bring.

The Book of Signs

Originally published in 2006 as Antichrist: Islam's Awaited Messiah. Second edition (hardcover) published 2009 as The Islamic Antichrist.

Is the Antichrist Alive Today?

Refutes the commonly-held perception that Nero should be understood as the Antichrist figure in the Bible, and argues instead that this paradigm was a product of late antiquity. The paradigm's success facilitated its revival in the nineteenth century against the backdrop of the era's fin-de-siècle anxieties and religious controversies.

Decoding the Antichrist and the End Times

"In 'The Islamic Antichrist', Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away. His book will stun readers unaware of the similarities between the Antichrist and the "Islamic Jesus." His research on the relationship between Christian end-time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come. This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible" --Cover, p. 2.
