The #1 guide to behavioral issues in medicine. Thorough, practical discussion of the full scope of the physician-patient relationship. The goal of Behavioral Medicine is to help practitioners and students understand the interplay between psychological, physical, social and cultural issues of patients. Within its pages you will find real-world coverage of behavioral and interactional issues that occur between provider and patient in everyday clinical practice. You will learn how to deliver bad news, how to conduct an effective patient interview, how to care for patients at the end of life, how to clinically manage common mental and behavioral issues in medical patients, the principles of medical professionalism, motivating behavior change, and much more. As the leading text on the subject, this trusted classic delivers the most definitive, practical overview of the behavioral, clinical, and social contexts of the physician-patient relationship. The book is case based to reinforce learning through real-world examples, focusing on issues that commonly arise in everyday medical practice and training. One of the significant elements of Behavioral Medicine is the recognition that the wellbeing of physicians and other health professionals is critically important to

Despite a stated commitment to cross-cultural solidarity, trauma theory - an area of cultural investigation that emerged out of the 'ethical turn' affecting the humanities in the 1990s - is marked by a Eurocentric, monocultural bias. This book takes issue with the tendency of the founding texts of the field to marginalize or ignore traumatic experiences of non-Western or minority groups, and to take for granted the universal validity of definitions of trauma and recovery that have developed out of the history of Western modernity. Moreover, it questions the assumption that a modernist aesthetic of fragmentation and aporia is uniquely suited to the

task of bearing witness to trauma, and criticizes the neglect of the connections between metropolitan and non-Western or minority traumas. Combining theoretical argument with literary case studies, Postcolonial Witnessing contends that the suffering engendered by colonialism needs to be acknowledged more fully, on its own terms, in its own terms, and in relation to traumatic First World histories if trauma theory is to have any hope of redeeming its promise of cross-cultural ethical engagement.

You Mean to Say You Don't Know the Meaning of * Monophysitism * Hypostatic Union * Infralapsarian * Traducianism * Chiliastic * Pneumatomachian Cheer up! You don't have to have thousand-dollar vocabulary in order to grasp the priceless basics of Christianity. Christianity 101 bridges the gap between biblical scholarship and people who want to understand the Christian faith. This book presents eight basic doctrines of Christianity--The Bible, God, Christ, Holy Spirit, Human Beings, Redemption, The Church, and The Last Things--in clear, simple language that gives seasoned Christians a fresh understanding of the Bible and its teachings and puts new Christians on familiar terms with Christian doctrine. Gilbert Bilezikian does not shape his analysis of these doctrines in the worn-out, rationalistic categories of older systematic theologies, but in vibrant, dynamic language designed to communicate biblical truths to contemporary believers.

So where are your family and friends going to spend eternity - heaven or hell? You can make the difference. I hear many Christians say, "I want to witness, but what do I say?" Many times the hardest part in witnessing is just getting started. When fear grips or they get tongue tied Christians often wonder: "How do I segue this conversation onto the Gospel track?" This is a huge problem because if a Christian does not know how to transition a conversation onto the Gospel track, then they will not be witnessing at all. This book is the solution that contains over 400 Icebreakers to help get you started. These icebreakers are friendly and easy to use and they are listed by location so that you can witness to the lost wherever you go. Many Christians wait to share the Gospel until Christmas or Easter. Many times that is too late because so many young people are killed instantly through car wrecks, drug overdoses or drive by shootings and even middle-aged people die suddenly of heart attacks or some other illness. No one ever knows when their last day on earth will be. It will stir your compassion and give you the needed courage to witness to the lost wherever you go Please be kind, use loving boldness and remember that God is love. All 400 icebreakers Icebreakers are organized in sections under headings: I Want to Witness, But What Do I Say - Around: Entertainment; Financial Affairs; Food; Healthcare; Holidays and Special Times; the Great Outdoors; Shopping or Doing Errands; Sports, Work and Traveling. There is a handy INDEX in the back! Each section contains 7 to 9 different "object evangelism icebreakers." God gave the ideas for these icebreakers when He revealed to me that Jesus taught using objects in his environment in

Matthew 13 using parables. Christians can witness like Jesus did through taking an object and making a comment that relates to the Gospel in some way, which makes a great transition or segue into the topic of the Gospel. For e.g.: WATER - "This water reminds me of the living water. Have you ever had any of that water?" Or DOOR - "This door reminds me of what Jesus said (John 10:9) that He is the DOOR to eternal life. Have you ever walked through that door?" Or DOWNLOAD - "Downloading this file or picture reminds me of the time I downloaded Jesus into my heart. Have you ever done that download?" SALT & PEPPER - "These salt and pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness." Or BREAD - This bread reminds me of what Jesus said: "I Am the Bread of Life. He who comes to Me will never go hungry," (John 6:35). Or SUGAR - This sugar reminds me of how sweet it is to trust in Jesus. After you say the icebreaker, you LISTEN to what they say in response and then be led by the spirit in what you say next. It is a "no fail" way to witness to the lost because, even if they do not accept Jesus at that moment, the object is still there to continue to remind them of what you said long after you are gone. After you say the icebreaker, the chapter "Truth to Say to 13 False Religions" will help you even more to witness to: Atheists & Evolutionists, Buddhists, Hindus, Jehovah Witnesses, Jewish people, Mormons, Muslims, New Agers, Scientologists, Unitarian Universalists and Homosexuals and Lesbians. There is also a chapter called Prophetic Evangelism that teaches you how to witness using a word of knowledge that God gives you to deliver a prophetic word to witness to the lost. There are several testimonies that show you, "Yes, it
